the World

A Quilt and sham
B Quilt pillow
C Rose pillow
D Swag

hand-stitched quilts

Quilting became a popular pastime during the 1800's, when American pioneer women gathered together in church sewing societies. Beautiful patchwork quilts were carefully stitched by hand, until quilts came to be cherished family heirlooms. Now we pass along to you our hand-pieced collections that will bring a sense of history into your home.

$79.99 *Twin size quilt thru March 31*

A. These heirloom quality coordinates will be family treasures! Hand-stitched quilt and sham are pieced (not printed), with authentic quilt-designs. Our new Trip Around the World design features small patches of rich pastels. Sweetheart pastel calico is rose, yellow, green and lilac on a cream ground. Blue/yellow Wedding Ring is blue and yellow on a white background. New Patchwork Sampler pattern features Colormate English rose and China blue on a cream ground. Coordinating Colormate accessories are sold on page 11. Soft and durable, they're 100% cotton with polyester fill. Just machine wash, tumble dry. Imported from China. State pattern number 9-Trip Around the World, 7-Sweetheart, 6-Blue/yellow Wedding Ring, or 10- Patchwork Sampler.

WxL, inches	Catalog Number	Wt., lbs.	Thru 3/31/93	After 3/31/93

A Quilt and sham
B Pillows

handcrafted quilts

Choose your favorite quilt from four beautiful patterns, including our new Pineapple and Katie's Garden designs, and add our coordinates to enhance their beauty!

$79.99 *Twin size quilt Thru March 31*

A. Quilt and sham are hand-pieced (not printed) and hand-stitched for a truly authentic look. New Pineapple design makes a strong and beautiful focal point for your room. Shades of blue, teal and gold on a cream ground with a geometric-patterned border to finish the look. Eight Point Star pattern is blue, teal and wine stars on a cream ground bordered in teal. Katie's Garden features a navy, blue, rose and floral pattern on a soft ecru background. Log Cabin comes in shades of rose. All of 100% cotton; polyester fill. Just machine wash, tumble dry. Imported from China. State pattern number 12-Pineapple, 8-Eight Point Star, 13-Katie's Garden or 4-Log Cabin rose.

colormate lets you coordinate!

Our Colormate and Colormate Options collections make mixing and matching easy...

Choose from patterns and colors designed to let you decorate with ease. And you can update your decor any time with coordinating or contrasting pieces. Just choose your favorite color (or colors!) and keep going—the possibilities are endless!

An affordable way to get designer looks . . .

Colormate makes it possible by letting you mix and match coordinates here and on the next 4 pages for a complete look. Start with solid colors, then add stripes and prints for a look that's all your own. It's easy!

Complete the look with all the accents . . .

From an assortment of comforters, bedruffles, shams and window treatments to multiple accent pillows and assorted sheet sets, Colormate offers you an incredible array of coordinates to choose from!

COLORMATE OPTIONS

The Colormate Options collection is decorating at its simplest. Offered to you exclusively from Sears

$19.99 Twin percale sheet set

White goose down comforter . . . shop and compare this value!

F. Enjoy lightweight warmth! White goose down provides natural insulation. Twin size has 24 ounces of down, full has 30 ounces of down, queen has 34 ounces of down and king has 40 ounces of down. Fill power rating of 575 for better insulation. Double needle stitched to prevent fill leakage. Karo stitch allows maximum comfort and warmth by letting down redistribute. Dry cleaning suggested. Made in USA (imported materials).

Flowers in a formal arrangement

$79.99 Twin bedspread

A and B. An abundance of rose, pink and lilac flowers with teal leaves emerge from a deep blue background. Extra touches make the quilted bedspread especially luxurious. It has a graceful scalloped edge and an attached bed ruffle. The top of the spread is mitered so the corners meet with picture-frame precision. Made of machine washable polyester and cotton. Spot clean accent pillows. Made in USA. State color number 5-Deep blue.

sears best sheets . . . designed to fit any mattress

New! A Sears Catalog exclusive!

- *The 200 count fabric is smoother and softer*
- *They're cotton-rich and the perfect blend—cotton for comfort and softness, polyester for durability and easy care*
- *They come in 8 delicious colors*
- *The flat sheets are wider and longer*
- *And—the fitted sheets fit!*

Our finest PERMA-PREST® sheets include a fitted sheet with the unique Flexwall® construction that expands to fit your mattress, from a standard 7 inches thick to an extra-thick 14 inches. Our roomy flat sheet is a full 4 inches wider and 4 inches longer than ordinary sheets! Flat sheets and pillowcases have generous 4-inch hems. The cotton-rich percale fabric is woven 200 threads per square inch, for more soft, smooth comfort than you'll find in any regular 180 thread percale. Machine wash; tumble dry. Made in USA. State color number from swatches below.

Size	Catalog Number	Wt., lbs.	Price
Sheets are sold singly.			
Twin, flat	**96 R 6050H**	1.44	Each **$19.99**

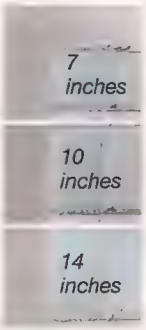
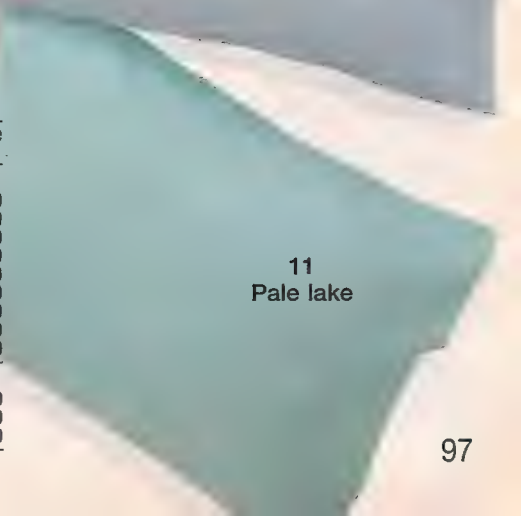
Standard	**96 R 6058H**	.50	Pair **$14.99**
King	**96 R 6059H**	.63	**18.99**



The unique sides of the Flexwall® fitted sheet stretch to fit your mattress whether it is a standard 7-inch height, a deep 14-inch height, or anywhere in between!

Sears Best



True Performance cotton

Our most luxurious cotton sheets, now $2 to $5 less than in our 1992 Spring Big Book!

Now in 6 colors! 100% cotton percale sheets are naturally soft, and get softer with use. Woven 200 threads per square inch—that's 20 more threads per square inch than ordinary percale—giving you added smoothness and fine texture without giving up durability and easy care. Flat sheets and pillowcases have a 4-inch hem. Machine wash; tumble dry. Made in USA. State color number from pillowcases at right.

Colormate percale sheets in our widest range of colors, all designed to match our bed and bath Colormate collection!

$17.99 *Standard twin set*

A. Only at Sears! Snuggle up to excellent value in these PERMA-PREST® percale sheet sets. The fabric's smooth, soft look and feel comes from its high quality weave of 180 threads per square inch. Made exclusively for Sears by J. P. Stevens, these solid color sheets are accented with satin piping. The fabric is a blend of natural cotton and durable, easy-care polyester for long, attractive wear and minimal shrinkage (2% maximum). Machine wash, tumble dry. Fitted sheets will fit mattresses up to 7 inches thick; our deep pocket size sheets (shown below) fit mattresses up to 14 inches thick! Sets include 1 fitted sheet and 1 flat sheet plus pillowcase(s) listed in charts below. Made in USA. State color number from chart below. See listings below for color availability for waterbed and deep pocket sheet sets.

A thru C. Blankets are machine washable; tumble dry. 2% maximum fabric shrinkage. See size note, facing page. Made in USA.

100% acrylic loom-woven conventional blanket

$16.99 Any size

A. Any size, one low price! This 100% loom woven acrylic blanket by Fieldcrest is moth-proof and non-allergenic. 5-inch wide nylon satin binding is folded and stitched over the edges to form a pretty 2½-inch decorative hem on each side. State color number.

Size	Catalog Number	Wt., lbs	Price

King	**96 R 8043H**	3.44	**16.99**

Shop & compare! Our velvety soft Vel-lite blanket from Fieldcrest is a great value!

$19.99 Twin

B. Luxurious warmth, without extra weight. Wonderfully resilient, this blanket looks like new even after 50 washings. Inside, three layers of material combine for superior warmth and durability: a nylon knit center between two layers of incredibly light, insulating polyurethane foam. The soft, cuddly nylon flocked surface won't pill, shed or mat. State color number.

Smart blanket by Sunbeam adjusts automatically to body and room temperatures

$44.99 Twin Thru 2/28/93

C. Create your own comfort zone from head to toe with our specially engineered Smart automatic blanket by Sunbeam Home Products. Silent, lighted control hangs off bed (hangers included) or sits on nightstand. Dual-control models regulate each half of the bed separately. 6-ft. outlet cord. Loom-woven polyester and acrylic blend fabric for durable softness. 5-inch wide nylon satin binding is folded and stitched over the edges to form an attractive 2½-inch hem on each side. Control assembled in Mexico. Fully warranted by manufacturer for 2 years; to write for free copy of warranty, see page 1138. State color number.

D thru F. Thermal blankets never go out of season! These comfortably weighted blankets are perfect year-round, because of their special weave that allows air to channel through. On warm nights, use the blanket alone and body heat is vented away from you. In colder weather, cover with another blanket and the air channels become pockets that retain heat to insulate and warm you. All our thermal blankets are machine washable; tumble dry. Made in USA. See size note below.

Cotton thermal blanket

$12.99 Twin

D. Cuddle into this soft, lightweight cotton blanket. At these prices, why not get one for every bed in the house—and one for curling up on the couch? 2-inch self-hem. State color number.

Acrylic thermal blanket

$12.99 Twin

E. An attractive textured Leno pattern weave makes this blanket as pleasing to the eye as it is to the touch. 5-inch wide nylon satin binding is folded and stitched over the edges to form a 2½-inch decorative hem on each side that prevents raveling. Moth-proof and non-allergenic. Perma-Soft® finish reduces pilling. State color number.

PERMA-PREST® percale cover

luxury toppers

Plump featherbed by Pillowtex is filled with a fine blend of 95% feathers and 5% down

$54.99 Twin

A. Add a layer of soothing softness to on top of your mattress or waterbed with this sumptuous featherbed. Its feathers and down are hand selected for uniformity and quality. The 100% cotton percale feather-proof cover is woven 240 threads per square inch for a luxurious feel. Fluff your featherbed daily and it will retain its original plumpness. Dry clean only. Made in USA (imported materials). White. See size note below.

Tufted polybed has a generous 17 ounces per square yard of soft Quantum III polyester fill

$39.99 Twin

C. Dense fill gives this polybed the soft, fluffy feeling of down, but it's non-allergenic! The bar tack pattern quilted through the polyester and cotton cover prevents shifting, and keeps the polybed plump and springy without fluffing. Machine wash; tumble dry. Made in USA. White. See size note below.

Convoluted mattress toppers' unique therapeutic design works with your mattress and eases pressure points for year-round comfort

B. The topper's gently formed peaks support your body evenly to help eliminate pressure points. Just place it on top of your mattress pad, underneath your bottom sheet. With peaks up, the topper ventilates while absorbing moisture, so you stay cool and comfortable. Turn it with peaks down and it insulates to keep you warmer. The topper also cuts easily with scissors for a custom fit. Non-allergenic polyurethane foam is mothproof and mildew resistant. See size note below. Delivered from manufacturer within 10 days.

down and feather pillows

A thru E. How long has it been since you've laid your head on a fresh, clean, new pillow? Remember how a good feather or down pillow gently supports you while molding itself to your contours? Let us refresh your memory with our delightful selection of goose feather, down and blended pillows. Tightly woven ticks keep feathers from penetrating. You won't find a better value—or a better night's sleep—for the price! Pillows are made in USA (imported materials). Dry clean.

A. Our finest down pillow is filled with a full 18 ounces of white goose down. Gives medium support. 100% cotton percale down-proof tick. Luxurious 220 thread count all cotton damask outer cover is removable and machine washable.

Open Home offers . . .

Quality...at great prices! Extra-wide shower curtains feature double ruffles, eyelets or lace trimmings

Coordination...embellished rugs and towels match the shower curtains. Our smooth textured Saxony rugs and carpets are beavier than most, and our boucle floor coverings feature a casual, curly texture

The country-look...our plaid coordinates have a homespun-look lace trim, and our all-cotton reversible rugs have a decorative fringe

10% to 20% less than in our 1992 Fall Big Book!

Save $5
on the 3-pc. rug set

Flowers in a formal arrangement

$79.99 Twin bedspread

A and B. An abundance of rose, pink and lilac flowers with teal leaves emerge from a deep blue background. Extra touches make the quilted bedspread especially luxurious. It has a graceful scalloped edge and an attached bed ruffle. The top of the spread is mitered so the corners meet with picture-frame precision. Made of machine washable polyester and cotton. Spot clean accent pillows. Made in USA. State color number 5-Deep blue.

1.5 gallon Ultra Water Saver

- *Enjoy fashion styling with high-tech function*
- *Help protect America's natural resources*
- *Save on metered water bill*

By replacing an older toilet using between 5 and 7 gallons of water per flush, you will save about 75-80% of the water now used for toilet flushing. Many other states and municipalities are already developing fixture legislation requiring toilets that flush on 1.5 gallons or less. Many states have already enacted such laws. A well designed conventional-type balcock and flush bowl can perform as well as our 3.5 gallon flush toilets.

A thru E. Our new line of 1.5 gallon flush toilets is made of grade "A" vitreous china that resists fading, scratching, and burning. Ultra low flush water saving feature uses less water with no loss of efficiency. State color number from swatches at right. Seats sold separately on facing page. See shipping note on facing page.

STORE PICKUP STILL AVAILABLE FOR "N" SUFFIX ITEMS! DELIVERY CHARGES MAY BE LESS THAN HOME DELIVERY.

tubs...
stylish & efficient
Cooler in summer, warmer in winter

C. Patented Ultratuff™ bathtub consists of a porcelain enameled steel surface for durability, and a heavy duty elastomer backing which increases the rigidity of the tub to that of cast iron. The Ultratuff™ tub is much lighter than cast iron. Installation is easier, safer and less costly. Unlike plastic tubs, the Ultratuff tub will not crack, melt or succumb to heat or flame. For colors, please state color no. from swatches on facing page. 15¼Hx60L in. 30 inches deep. See shipping note below, right. Wt. 115 lbs.

heaters and *bath ventilators*

A. 70-cfm fan with light lets you replace your old fan or install a new one in three easy steps. Connect unit to existing wiring and duct; screw fan, reflector and flashing into ceiling; and fasten cover and lens. New installations require vent kit (N) or (P) sold below. Lights with 100-w. bulb, type IC (not incl.).
F 42 R 9865—Wt. 7.69 lbs. **$49.99**

B. 70-cfm fan. Same as (A) but without light.
F 42 R 9864—Wt. 6.00 lbs. **$34.99**

C thru E. Designer ventilator fans work at the source of moisture in your bathroom. 100-CFM blower for quiet, high performance. Lifetime lubricated motor. Glass lens. Round design eliminates squaring with wall. Durable plastic damper. Uses 100-w. bulb and 7-w. night light, type IC (not incl.). Incl. triple white rocker switch. Fits joists up to 24 in. apart. Do not cut hole in ceiling before fan arrives.

C. Brass-finish grille. $14\frac{5}{8}$-in. diameter.
F 42 R 9867—Wt. 12.50 lbs. **$119.99**

D. White-painted aluminum grille. Like (C).
F 42 R 9868—Wt. 12.50 lbs. **$119.99**

E. Solid oak frame with moisture protection and bright brass-finish grille. $15\frac{1}{8}$-in. diameter.
F 42 R 9866—Wt. 13.50 lbs. **$129.99**

Electrical Note: Items (A thru D) and (G) are UL listed for use over tub and shower when connected to a GFCI protected branch circuit.

Shipping Note: For items with an "F" prefix, allow 14 days for delivery.

F. Heater/light/exhaust fan. Fan-forced 1300-watt heater, light and 70-CFM exhaust fan operate together or separately with triple-rocker switch (included). Attractive polymeric white grille with light lens measures $15\frac{1}{2}$Lx$10\frac{1}{4}$W inches. $14\frac{1}{4}$Wx$5\frac{3}{4}$Dx$8\frac{1}{4}$H-inch steel housing. Suitable for use with insulation.
F 42 R 9852—Wt. 12.88 lbs. **$94.99**

G. Ceiling fan/light. 50-CFM. Requires 4-in. duct. 100-w. light, type IC. 8Wx$8\frac{1}{4}$Dx$5\frac{3}{4}$H-inch housing.
F 42 R 9869—Wt. 8.00 lbs. **$29.99**

H. Wall heater. Factory wired at 1500-w., 120-v. 12.5 amps. Easily converts to 750 w. 120 v. 6.25 amps; 1500 w. 240 v. 6.25 amps or; 1125 w. 208 v. 5.41 amps. White steel grille. Recessed installation. Built-in adjustable thermostat. Overload protection. $10\frac{1}{4}$Lx$7\frac{3}{4}$Wx$3\frac{3}{4}$D.
F 42 R 98340—Wt. 7.19 lbs. **$79.99**

J. Fan forced ceiling heater. 1250 watts, 120 v. Matte white finish. Radial zig-zag element for even heating. Installs on standard $3\frac{1}{4}$Wx$3\frac{1}{2}$L-inch or 4-inch electrical box.
F 42 R 9873—Wt. 4.00 lbs. **$49.99**

K. Single bulb heater runs quietly. Mounting brackets adjust for joists up to 24 inches apart. Order bulb and wall switch at right. Steel housing is $11\frac{5}{8}$Wx$8\frac{1}{8}$Dx$6\frac{3}{8}$H-inches. Grille is $10\frac{1}{4}$Wx$10\frac{1}{4}$L-inches. 70 CFM. Suitable for use with insulation.
F 42 R 9855—Wt. 7.00 lbs. **$44.99**

Dual rocker wall switch (not shown) for (K) operates heater bulb independently of fan. Fits single gang box. 15-amp.
F 42 R 9860—Wt. .25 lbs. **$10.99**

Infrared 250-w. heat bulb (R-40) for (K) (not shown).
9 R 98128—Wt. .50 lbs. **$9.99**

L. Thru-the-wall ventilator vents directly through walls $4\frac{1}{2}$ to $9\frac{1}{2}$ inches thick. Needs no ducting. Wires into junction box. One speed on/off switch. White polymeric grille is $11\frac{1}{4}$-inch square. Steel housing is $14\frac{1}{4}$Wx$14\frac{1}{4}$H-inches. Do not cut hole in wall before fan arrives. 180 CFM.
F 42 R 9870—Wt. 13.00 lbs. **$69.99**

M. Ceiling-mount ventilator like (L) except requires an $8\frac{1}{4}$-inch diameter duct (not included). $8\frac{1}{4}$-inch diameter housing.
F 42 R 9871—Wt. 8.00 lbs. **$59.99**

N. Thru-the-wall vent kit includes exhaust hood and 4-inch diameter flexible duct. Not for use as dryer venting.

With 5-ft. duct.
42 R 98341—Wt. 1.38 lbs. ..... Kit **$7.99**

With 8-ft. duct.
42 R 98342—Wt. 1.50 lbs. ..... Kit **$9.99**

P. Roof vent kit includes roof cap, flashing, 8 feet of 4-inch diameter duct and 2 clamps. Not for use as dryer venting
42 R 98425—Wt. 2.00 lbs. ..... Kit **$21.99**

No track to collect soap scum and dirt

FOR QUESTIONS ABOUT THESE TUB AND SHOWER DOORS, CALL TOLL-FREE 1-800-458-9036, 9:00 AM TO 4:00 PM EASTERN TIME.

A. Relax in your own ready-to-assemble home sauna. Fully insulated, triple-thick interior walls and ceiling are finished in clear western red cedar boards. Exterior walls, covered with clear birch paneling, have an attractive natural finish which may be stained if desired. Saunas include thermometer, wall light, pre-built benches, heater guard rail, and duckboard that removes for easy cleaning. Completely finished wall and ceiling sections are shipped in widths of 1 to 4 feet that can be easily maneuvered. Electrical conduits are built into one wall panel, and most panels can be located to suit. Door is equipped with upper and lower vents and a 10x42-in. window; however, door swings out and should be located in longer wall. Assembly guide is included. Heaters sold separately; see recommendations in order chart below. See 'N' suffix note on page 1138. Store pickup still available for 'N' suffix items! Delivery charges may be less than home delivery. Allow 14 days for delivery.

greater independence *with the Dignity Bath®*

As little as $93 monthly. Tub with built-in, hydro-powered seat lift** enables individuals with restricted mobility to bathe more independently and helps reduce risk of injury to caregivers. Automatic seat mechanism swivels to lift bathers from a sitting position, operating smoothly and quietly. Seat may be raised, lowered, and stopped at any level. May also be used as a shower seat. Seat locks into place flush with tub bottom, so anyone can bathe or shower in comfort. Standard 5-foot size tub and standard plumbing require little remodeling. Durable fiberglass-reinforced acrylic is easy to clean. 19Hx32Wx60L in. Available in standard tub or whirlpool (see below). Tub surround, faucet not included. Order right-hand drain if existing drain is on right, left-hand if on left. Please allow 28 days for delivery.

Standard tub specifications below.

Finish	Right-end drain	Left-end drain	Wt. lbs.	Price

New from Bali®! Superior quality and innovation combine for smart looks and easy use

$48 *2 or more, each 24x42 inches long*

Custom 1-inch blind has easy-to-install concealed bracket mounting system and All-in-One™ control cord to provide a sleek, contemporary look. One cord does it all—raises, lowers and tilts! Continuous cord loop remains in one position as blind is raised and lowered, so it never sits on the windowsill or floor. Plus it's weighted to hang straight and neat. 20 colors. Four "duplex" colors have alabaster (off-white) on outside of slat. 2-slat optional valance included. Made of durable magnesium/aluminum alloy. Baked enamel finish. Hardware and instructions included. Warranted by manufacturer; write for free copy, see p. 1139. Shipped within 14 days; allow additional 3-6 for UPS delivery. State catalog number, color number, exact width and length to the nearest 1/8-inch.

For assistance with How-to-Measure, see page 218. For further assistance and product information, call toll-free 1-800-221-6352 Monday thru Friday, 9 AM to 5 PM Eastern Time.

NOTE: Since these blinds are delivered directly from the manufacturer and made to your exact size, please use your SearsCharge, Discover Card, MasterCard or VISA with phone orders. Checks accepted with mail orders only. Prices include delivery cost.

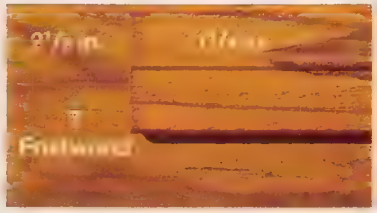
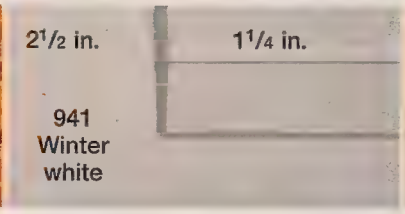
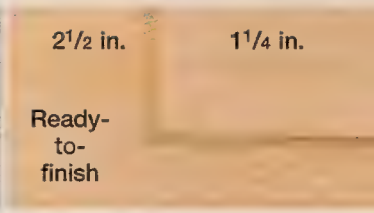
Find additional sizes and styles of shutter sets, shutter panels and accessories in the Sears exclusive "Shutter Catalog" by Joanna™. Includes measuring and ordering information. 20 pages.
F 24 R 72000 . . . $4.00







no lower price this season *on pine shutter sets*

These shutters are made of kiln-dried knot-free northern pine. Furniture quality construction using double-doweled, glued tongue and grooved joints. Tension springs hold louvers tightly shut for excellent light control. Slide-on hinges allow for easy removal for window washing. Finished shutters are hand-stained and rubbed, then double-coated with a satin finish to resist stains. White and ready-to-finish sets have bright brass hardware. Fruitwood sets have antique brass hardware. Finished shutters include a touch-up kit. For indoor use only. Allow 16 days for delivery. State color number.

For assistance, see How to Measure on page 218. For further assistance, call the manufacturer toll-free 1-800-800-8828 Monday thru Friday 9 AM to 7 PM ET.

To create the look shown
We took 3 sets of 2½-in. wide ready-to-finish shutters and painted them to match the room.

2½-inch wide-blade shutter set. 27 to 39-inch width sets have 2 panels; 47 to 75-inch sets have 4 panels per set.

how to measure

for blinds, shades and shutters

Horizontal/vertical blinds and pleated shades

Fig. 1A

POSITIONING

Inside frame (Fig. 1A): At least 1 inch of flat surface is needed on inside casing for brackets.

Outside frame (Fig. 1B): Hang this way if less than 1 inch flat surface on inside casing.

Fig. 1B

MEASURING (Use wood or metal ruler.)

Measure length and width. Floor-length verticals require ½-inch clearance.

Inside frame (Fig. 1C): Measure width between bracket location—top, middle and bottom. Use the narrowest measurement. Measure length from top inside casing to sill.

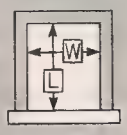

Fig. 1C

Outside frame (Fig. 1D): Measure width of area to be covered. Measurement must overlap window by at least 1½ inches on each side.* Measure length from at least 3 inches above window to bottom sill. If there is no bottom sill, add 1½ inches.*

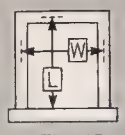

Fig. 1D

Ordering: Use size charts for each item to order correct width and length. If size is unavailable, order a custom-size blind.

*Provide exact measurements when ordering custom-size blinds. Factory will make adjustments.

Roller shades

Fig. 2A

POSITIONING/MEASURING (Use wood or metal ruler.)

WIDTH: To replace a shade, measure from tip to tip including metal pins. Most manufacturers deduct ⅛-inch from the width you specify, so add ⅛-inch to your measurement.

When installing a new shade:

Outside mount without trim (Fig 2A): Allowing 3 inches outside window on each side, measure width to be covered (bracket placement).*

Fig. 2B

Outside trim mount (Fig. 2B): Measure width to be covered (bracket placement).*

Inside window mount (Fig. 2C): Measure width inside frame at the top of the window.*

*NOTE: Finished width of the shade material will be 1¼ to 1½-inches less than the roller measurement including metal pins.

Fig. 2C

LENGTH: Shades fit windows up to 6 inches shorter than standard lengths. Some come in 2 lengths. Check specific listings.

Shutters

POSITIONING

Tier-on-tier (Fig. 3A): When measuring window length, subtract ¾ inch for clearance. Divide this number by 2. Order 2 sets whose combined measurements equal this length.

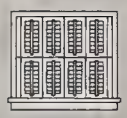

Fig. 3A

Cafe style (Fig. 3B): When measuring window length, divide this measurement by 2 and add 2 inches (or enough for shutters to cover latch).

Full window (Fig. 3C): No clearance adjustment necessary.

Fig. 3B

MEASURING (Use wood or metal ruler)

First: Decide whether shutters are to be mounted inside or outside window opening. We recommend outside mounting.

For outside mount (Fig. 3D): Shutters must extend at least 1 inch beyond window opening on each side.

Fig. 3C

Width: Window frames may be uneven, so measure windows at 3 places (top, middle and bottom) from at least 1 inch beyond the window opening on left and right sides. Use widest measurement.

Length: Measure in 3 places (left, middle, right) at least 1 inch above window opening to at least 1 inch below window opening. Use longest measurement.

For inside mount (Fig. 3E): Remember that window must be "square" for inside mount to fit correctly. If diagonal measurements of window opening differ by more than ½ inch, use an outside mount.

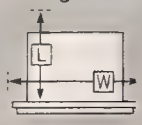

Fig. 3D

Width: Measure in 3 places (top, middle and bottom) from inside left casing to inside right. Use narrowest measurement.

Length: Measure 3 places (left, middle and right) from inside top casing to top sill or inside bottom casing where there is no sill. Use shortest measurement.

421 Hyacinth	403 Sand	431 Twilight blue	423 Silvery gray

Graber®

A and B. Twincell® and CrystalPleat® shades feature double-cell construction for strength and durability. Pleats will hold their shape even when the shade is lowered. Concealed cords run within the structure so there are no holes to be seen. Three layers of soft polyester fabric provide extra privacy and insulation. And a hidden cord mechanism contained within the headrail makes operation easy. Material and workmanship are backed by a full 3-year manufacturer's warranty. To write for a copy, see page 1139. Since shades made to your exact size are shipped from the manufacturer, use SearsCharge, Discover Card, MasterCard or VISA. Checks accepted with mail orders only. Shipping charge for custom size is based on the 2 lb. rate regardless of size. To order, state catalog number, color number, then exact width and length to nearest 1/8-inch. Allow 21 days for delivery.

Twincell®

24 R 43757H—Wt. .44 lbs ..... Each **$17.88**

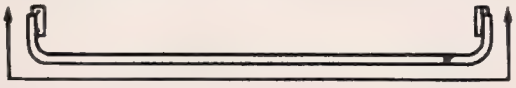
To create the look shown
Use four 60x84-in. panels, 1 pair swags, 2 crescent valances and 2 balloon curtains hung on a triple curtain rod.

how to measure
for rod-pocket curtains

For starters: If replacing curtains with a similar style, measure existing curtains and order the closest size. If you have no curtains, but rods are already installed, measure the length and width, using the instructions that follow. If rods are to be installed, note that curtains come in standard widths and lengths, and install rods accordingly.

Length: Measure from the top of rod to desired curtain length. Please note header size (the part of curtain that is above the rod pocket) and whether it's included in the lengths we quote on the curtain you are ordering.

Width: For a full look, order opaque fabric curtains 1½ to 2½ times rod width and sheer or semi-sheer and lace curtains 2 to 3 times rod width.



Rods: Each curtain "layer" and top treatment requires its own rod.

Panels or priscillas alone require a single curtain rod

*Adding a regular valance requires a double curtain rod**

*Panels or priscillas plus a valance and an undertreatment require a triple curtain rod**

*Certain valances require a special rod. See each item for details.

What you should know about rods: There are many styles of curtains that come with a wider rod pocket. This is done so you can use decorative rods and achieve a fashionable look. Two of the most popular styles are decorative cafe or pole rods and 2½-inch Dauphine rods. Sheer and lace curtains will look best if you use our sheer clear collection of curtain rods. These rods virtually disappear for a more attractive appearance. Rods are sold on pages 226-229.

Measuring instructions for double rod pocket panels: Doors with small windows in them, French doors, palladium windows or any hard to fit window are good candidates for double rod-pocket curtains. Here are a few tips on types of rods and how to measure for these panels:

Rods: If you want an inside mount, you can use a spring tension rod. For inside or outside mount, use a sash rod or tier rod. See pages 226 and 228 for these rods.

Measuring width: Some panels are pre-shirred. Look for this information in the copy for each product. Details on window widths are included. Order as many panels as needed to fill the window. If the product is not pre-shirred, you need to measure the width of the window and multiply that number by 2 or 3 depending on the fullness you want. Again, order as many panels as needed to fill the window.

Measuring length: Measure the window to determine how long the curtain needs to be. If you intend to use a tieback, add 2 inches to the length of the curtain you order to allow for the "cinching" in the middle.

Installation: For best appearance, stretch panels tightly between the rods. Install the panel on the upper rod first. Next, insert the bottom rod in the curtain and pull downward to achieve the desired tautness (if using tieback, put it around curtain before stretching). Mark the window frame to indicate where to install the bottom rod.

let us do your windows!

Look for the "boxes" toward the bottom of our curtain and drapery pages for tips and instructions on how **to create the look shown.** You'll find that we've taken our coordinates and created some great looks that are easy to achieve. Just choose your favorite coordinates and let us show you how!

draperies in just the right size

Ready-made drapery sizes: The most popular and economical way our customers order their draperies is to choose from sizes that are ready-made for you.
Custom draperies made to length: Maybe you have windows that are a little longer (or shorter) than most. Choose a standard width and tell us exactly how long (or short) you need your drapes.
Custom draperies made to length and width: Perfect for odd-shaped windows, or when you want your drapes to fit the exact dimensions of your window.

how to choose the right rod

If you have only 1 set of pinch-pleated draperies, you need a basic traverse rod.

If you have 1 set of pinch-pleated draperies and a valance, you need a traverse rod with a valance rod (standard 1½ in. or new 2½ in. Dauphine).

If you have 2 sets of pinch-pleated draperies on one window, you need a double traverse rod.

If you have 1 set of pinch-pleated draperies and 1 set of stationary rod-pocket panels, you need a traverse rod with a stationary sheer rod.

If you have 1 set of pinch-pleated draperies, 1 set of stationary panels and a valance, you need our 3-in-1 rod.

If you have one-way draw pinch-pleated draperies, you need a one-way draw traverse rod. (Note: all of our traverse rods can be converted to one-way draw).

how to measure
for pinch-pleated draperies

1. Determine rod location
(If using existing rod, go to Step 2.)

Using a metal tape measure, determine the width of the window opening. The rod should extend past the window far enough to allow draperies to "stack" when fully open to avoid obstructing your outside view. This stacking area should be equal to roughly 15% of the window width. Helpful tip: position the rod above the window so that drapery hooks and pleats are not seen from the outside.

2. Determine drapery width

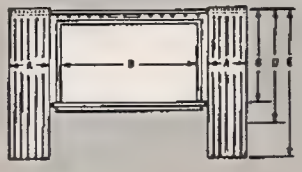
For center-draw draperies, measure the window width including the projections from the wall on both sides, then add 4 inches for overlap at the center. For one-way draw draperies, measure the window width, add the projection for just one side plus 1 inch for the drapery to extend past the rod. For undertreatments, measure the window width including the projections from the wall on both sides. For rod-pocket valances, use 1½ to 2 times this measurement to allow for shirring. If your exact drapery width is not available, check for custom sizes.

If total rod measurement is	Order drapery width	Pleats per pair	Hooks needed
42 to 48 in.	48 or 50 in.	10	14 per pair
49 to 72 in.	72 or 75 in.	14	18 per pair
73 to 96 in.	96 or 100 in.	20	24 per pair
97 to 120 in.	120 or 125 in.	26	30 per pair
121 to 144 in.	144 or 150 in.	30	34 per pair

3. Determine drapery length

Measure from the top of the rod to the desired drapery length. Common lengths are to the top of the sill, just below the window trim or to the floor. For added length adjustability, use pin-on hooks sold on page 229.

For decorative rods, do not measure from the top of the rod. Measure from the eye of the carrier ring to the desired length. If your exact length is not available, be sure to check for custom sizes.



(A) Stacking area equal to 15% of (B)
(B) Window width
(C) Sill length
(D) Apron length
(E) Floor length

Shimmering chintz fabric in Colormate solids and florals proves decorating with these lined draperies doesn't have to be difficult . . . or expensive!

$29.99 *Solid drapery pair, 48x84 inches when you buy 2 pairs*

A thru F. Colormate chintz draperies in solid colors and floral prints! Solids and florals are designed to coordinate with each other and to complement all of our other Colormate lines of home fashions. We show just a few of the variations you can achieve in your rooms. Both Colormate floral prints work beautifully with solids 592, 816 and 828. The fabric is a shimmery, rich chintz made of a long-lasting blend of polyester and cotton. Each features a premium-quality polyester and cotton lining. Dry clean. Made in USA. Allow 14 days for delivery. State color numbers from swatches on facing page.

For assistance with How-To-Measure, see page 265. For further assistance and product information, call toll-free 1-800-323-6790, Monday thru Friday, 8 AM to 3:30 PM Central Time. To place an order, call toll-free **1-800-366-3000.**

drapery liners

Do it yourself and save money!

D. Liners provide extra insulation, privacy and fabric protection. To install, just slip any size drapery hook through fringe heading. Bottom corners are weighted for better draping. One-way draw liners are ideal for patio doors and corner windows. Liners are 4 inches shorter than standard drapery lengths for proper fit. Machine wash. Made in USA. State color number.

2-layer insulating liner has polyester and cotton face fabric with a thermal-suede backing.

SIMMONS UPHOLSTERED FURNITURE

Why the original is still the best

Simmons® Hide-A-Beds® combine solid furniture construction with the famous Simmons® sleep support for the ideal marriage of comfort, beauty and versatility.

Simmons® upholstered furniture features:

- All top grade fabrics and hardwood construction
- Quality craftsmanship and personalized inspection
- High density polyurethane foam filled back and seat cushions
- Additional upright supports for built-in quality and durability

In addition, Simmons® Hide-A-Beds® feature:

- Tubular steel frame, one piece leg support and deck cross wires to give bed added stability, both in open and closed positions
- SyncroBalanced™ linkage design for minimal operational effort
- Unit tilts forward for easy-access cleaning
- Low-profile sides and linkages that won't snag or tear your linens

All sofa styles on these two pages are available as sleepers with the Simmons® Hide-A-Bed®.

Solid vinyl colors and fabrics available in all styles. Print vinyl colors 27 and 22 available in styles (A thru C); color 27 also available in style (D) and (G thru K).

HOW-TO-MEASURE replacement seats, backs and buckets:

(1) Before ordering, be sure your chair frame or stool is the type that remains standing after seat and back are removed.

(2) Next, match your type unit to those shown in the diagrams. Chair dimensions given in inches.

(3) Then, after finding the correct style, measure units to see that they agree with measurements given in the illustrations.

Questions regarding measurements? Call toll free 1-800-486-5303, 8:30 am to 5:00 pm Central Time.

A thru C. Replacement seats and backs. Choose channel-quilted or button-tufted fabric-backed vinyls (27-multi print is not fabric-backed) or durable olefin fabric covers. Save $20 to $50 on futons and frames—and profit from

A thru D. Futon frames and tables are $10 to $50 less than in our 1992 Fall Big Book! When you're looking for a new couch, a guest bed and some extra space, look for futons. They've been an ideal space-saving furnishing for centuries. We've got two good-looking finishes in 2 and 3-position styles. See note below. Dimensions are approximate. Made in USA. State finish number 1–Natural or 2–Black lacquer.

A. 2-position frame serves as fine furniture during the day, and at night it converts quickly into a bed. Crafted of solid birch, this frame is perfect for a studio apartment or spare room. Folds down to a full or queen bed size. Some assembly required.

Size	Measures WxDxH, in.	WxDxH, in. when open	Catalog Number	Wt., lbs.	1992 Fall Big Book	Now

12 reasons why so many Americans buy Sears Best

1. **Quality**—Bedding is manufactured by one of America's premier companies.
2. **Selection**—Full range of comfort and firmness levels.
3. **Value**—Sears low prices make quality bedding more affordable.
4. **Satisfaction guaranteed or your money back.** You can buy bedding at Sears with confidence.
5. **Fast delivery**—All sizes and styles ready for prompt delivery.
6. **Sears credit plans**—Terms are tailored to your budget; see page 1144.
7. **Product testing**—Sears laboratories ensure best possible quality and years of satisfied use.
8. **Sears-O-Pedic Imperial innerspring technology**—Advanced Triple-Flex design support for superior comfort and spinal alignment. Provides state-of-the-art hinging action for "no roll-together" support.
9. **Miracle Edge border design**—Diamond Beam reinforces outer coils to provide firm response to body weight. The greater the pressure, the firmer the edge for sleeping and sitting.
10. **Super-thick border rod**—Works with the Miracle Edge to keep the entire mattress firm and stable.
11. **Posture Module foundation**—8 torsion elements in each interior module plus rugged steel backbone provide the ultimate in sleep set durability.
12. **You've got a choice**—Innerspring bedding's firm support, or the body-conforming resilience of foam bedding.

sets thru March 31!

C thru E. Sears-O-Pedic bedding is made to our exact specifications. Innerspring mattresses have Miracle Edge® support to keep the edges as firm as the center. ♦On SearsCharge, see page 1144.

‡FULL WARRANTY: For 5 years (Imperial Elegance Plush, Imperial Elite, Imperial Paramount II and Imperial Superba II) and 1 year (Dream Velvet) Sears will repair or replace defective bedding.

LIMITED WARRANTY: For 20 years (Imperial Elegance Plush and Imperial Elite), 18 years (Imperial Paramount II), 15 years (Imperial Superba II), and 10 years (Dream Velvet) Sears will repair or replace defective bedding, charging you 1/20 (Imperial Elegance Plush and Imperial Elite), 1/18 (Imperial Paramount II), 1/15 (Imperial Superba II), and 1/10 (Dream Velvet) of the then current selling price of repair or replacement bedding for each year from date of purchase.
On Queen size bedding warranty only applies when used with rigid center support on bed frame.

for economy and quality . . . Sealy Comfort Guard

Sealy Comfort Guard is one of America's most popular choices in bedding, and it's no wonder! Sealy bedding is built with quality, to give you the most delicious night's sleep. It's durable, to keep you refreshed year after year. And our prices won't keep you awake nights! We recommend purchasing a set—the mattress will support you best when it's supported by the proper foundation.

A thru C. See page 1139 to write for manufacturer's warranty. Sizes approximate. Dimensions given on facing page. See "N" suffix note, page 1138.

Save $20 to $150 on bedding sets thru March 31!

Special savings on sets of Ultra-Plush and Ultra-Firm bedding from Serta and Simmons . . . engineered for your choice of sleep comfort.

Now you can choose your favorite level of firmness for your best sleep ever! Ultra-Firm innerspring bedding offers the ultimate in firm support. Ultra-Plush adds an additional cushiony layer to the firm innerspring mattress for extra luxury. Either style, same price—and even less when you order in sets, thru March 31! We always recommend purchasing your new bedding as a set, because the mattress will support you best when it's supported by the proper foundation. Measurements are approximate. Ultra-Firm and Ultra-Plush options are available only for Serta Perfect Sleeper and Simmons Beautyrest. See page 1139 to write for a copy of manufacturer's warranty. See "N" suffix note, page 1138.

A. Save $40 to $100. Serta Haverton Perfect Sleeper innerspring bedding offers gentle firm support. Firm mattress is quilted to 1 inch regular foam and is 8 inches high at edge and 10½ inch high at center. Pillow soft mattress is quilted to ½ inch Super Soft foam and ½ inch regular foam and is 8½ inches high at edge and 11 inches high at center. Matching foundation (in sets) has no-slip panel.

B. Save $50 to $150. Serta Waverly Perfect Sleeper innerspring bedding offers the most substantial support. Plush version has a pillow top that has a cover quilted to ½ inch Super Soft foam plus ½ inch regular foam. Measures 10 inches at edge and 13 inches at center. Firm mattress has cover quilted to 1 inch regular foam and is 9 inches at edge, 10 inches at crown. Polyester woven damask cover is quilted to 2-inches of polyurethane foam. Mattress is 8¾ in. high at taped edge, and 10¼ in. high at the center. Matching foundation (in sets) has no-slip panel.

C. Save $30 to $50. Sertapedic® Sheridon brings you firm support. The Posture Suspension System uses only the heaviest gauge border rods with steel clips, so your support extends to the very edge of the mattress. Extra support in the center third of the mattress (just where you need it) and head-to-toe helicals provide each sleeper balanced support. The continuous wire construction requires fewer parts so there's less to wear out. Polyester damask cover is quilted to ¾-inch of soft polyurethane foam. Mattress is 7¼ inches high at taped edge and 9 inches high at the center. Matching foundation (in sets) has a no-slip panel.

you won't know it's a waterbed until you sit on it!

A thru C. Sleep on a sea of comfort! No need to buy specialty sheets or bedframes! New Beautyrest flotation systems from Simmons conform to your unique body shape with no hard spots, pressure points or side-to-side movement. Adjust the firmness of the bed by the amount of water put into the cylinders. They all use standard bed linens and heavy-duty frames. All sets include mattress, matching foundation, and individual vinyl water cylinders, which fill easily in your bathtub or sink. Each cylinder comes with a water conditioner tablet installed. (A and B) have polyester damask covers, quilted to 1 1/2-inch polyurethane foam, plus an additional 3/4 inch thermal pad inside that alleviates the need for a heater. (C) features a polyester and polypropylene olefin damask cover, quilted to 1 oz. of Beautyloft polyester fiber and 1 1/8-inch polyurethane foam; solid state heater and control included. Warranted by manufacturer; to write for a free copy, see page 1139.

for special needs: adjustable beds and air mattresses

A. Multi-position adjustable beds provide customized comfort. Because there are two motors, you can raise or lower the head and foot sections separately using the remote control. A two-speed recessed vibrator is also positioned at the head and foot area for relaxing massage. This 80-inch long bed has a firm 9-inch Spring Air Back Supporter™ innerspirng mattress with high carbon steel coils. The polyester mattress cover is quilted to 5/8 inch of soft urethane foam for a luxurious feel. The twin bed comes with a swing hinge for pairing two beds with a king-size headboard. Simulated wood-grain bottom panel conceals the frame and legs. 8-ft. power cord. Assembled. Headboard brackets included. See page 1139 to write for copy of manufacturer's 15-year limited warranty. Made in USA.

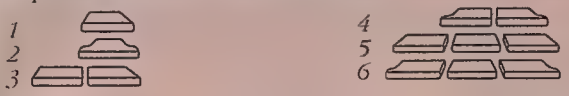
6 easy steps *to custom-look slipcovers*

Step 1 Removable Seat Cushions



*Circle the digit that indicates the number and shape of your removable seat cushions and enter number in box above.**

Step 2 Back Pillows. Circle the digit that indicates the number of your removable back pillows and enter number in box at right.

1 One removable back pillow
2 Two removable back pillows
3 Three removable back pillows
4 Furniture does not have back pillows or back pillows are attached and not removable.

*Step 3 Arm styles. Remove all loose cushions. Circle digit indicating side view of your furniture and enter number in box at right.**

Step 4 The 3 digits entered in the boxes above indicate your item number. On the chart at right, circle your item number in the first column. Verify that your selection resembles your furniture's general appearance and has the proper shape and number of seat cushions and back pillows.

Step 5 Now measure your furniture. With a measuring tape, take the following easy measurements and write them down in the spaces below. Measure back, arm and wings at their widest points.

_____ inches _____ inches _____ inches

Step 6† For item numbers you have circled, verify that your measurements fall within the ranges indicated. If an item number is followed by an A or B, select the correct item number from your measurements.
†Style number in the last column should match the style number of merchandise selected on pages 440 thru 445. Order the catalog number that corresponds to your style number.
**If seat cushions are not removable or if furniture does not match illustration (exposed wood or metal) select casually fitted covers sold on pages 446-449, and refer to How-to-Measure below.*

Item Number	Appearance	Removable Seat Cushions	Removable Back Pillows	Furniture Measurement Ranges (Inches)			Style Number
				Back	Arm	Wing

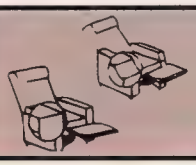
How-to-Measure for throws and casually fitted covers
Use tape measure for measuring complete front width (do not remove cushions). Start at floor level on one side, across width of front and down to floor level on other side.



Furniture measurements for styles 60, 67 and 90. Arms: 3 to 5 in. wide. Back: up to 42 in. high (except style 90 which has back up to 38 in. high). Footrest: up to 22 in. wide (except style 90 which has no footrest).

Loose Cushion Sets
Style 107 includes covers for 1 seat and 1 back. Backs fit 20x17½ inches to 22½x22¼x4 inches. Seats fit 20x20x3 inches to 23x23x4½ inches. See pp. 440 to 445 for individual cushion covers.

Recliner sets include 1-piece seat and back, 2 arm and 1 footrest covers (style 67 for recliner with side handle only). Swivel rocker and ottoman sets include 1 cover for entire piece, plus a separate adjustable skirt. Swivel rocker (style 90) has one cushion cover.

Create a new look for tired furniture by adding foam pads, cushions or bolsters

R thru V. Non-allergenic, high-density polyurethane foam for extra-firm support, resilience, durability. Odorless; moth, mildew resistant; may be spot cleaned. Easily trimmed, or bonded with bonding cement. (S, T and U) also available with polywrap—a thick shell of soft polyester fiberfill around a foam cushion core. USA.

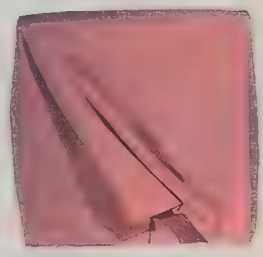
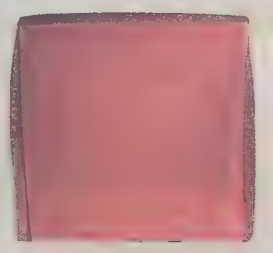
furniture covers when you buy 2 or more

Now you can brighten your room the easy way. With Casual Covers you can achieve a beautiful new look in minutes.

1. Center and drape the Casual Cover over entire furniture piece. Tuck in around sides and back of seat cushions.

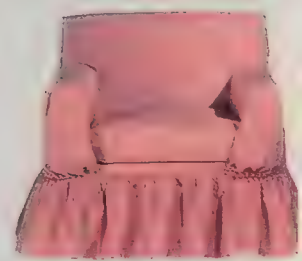


2. Lift fabric at back and fold excess under toward center back. Repeat on opposite side.



3. Smooth fabric over back. Secure at bottom by fastening upholstery pins (included) into existing upholstery.

4. Slip elasticized skirt over furniture and adjust around all sides. Style fabric to achieve your look.



Pull and tuck for a neat tailored look. Blouse and drape for a casual look.

Knit throws immediately transform the look of your room!

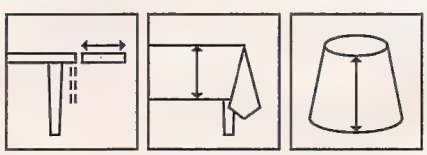
HOW-TO-MEASURE TABLECLOTHS

Measure tabletop. For rectangular and oval tables, measure length and width. For round, square and hexagonal table, measure diameter only. IMPORTANT: Add length of leaf/leaves (1) if applicable.

Add twice the drop length. The drop is the part of the tablecloth that hangs from the edge (2) of the table. This measurement must be added to the length AND width. Add an extra 16-20 inches for 8-10 inch formal drop, add 12-16 inches for 6-8 inch casual drop.

For decorator tables, add twice the table height (3) to the diameter.



(1) Add length of leaf/leaves, if applicable

(2) Add twice the length of the desired drop to overall measurement

(3) Add twice the table height to the diameter for decorator tables

B C D E

1. Twist and lock disposer into position

2. Connect sink, drain, and electrical

SIMPLIFIED REPLACEMENT INSTALLATION. Simply attach the disposer to the existing mounting system. These major brands use our mounting system: In-Sink-erator, Emerson, Crosley, Ace, Dayton, and most Kitchen Aid and Jenn-Air.

Kenmore® disposers *by In-sink-erator®*

A thru E. America's best-selling disposers are designed to handle the toughest jobs you can dish out. Let our comparison chart help you decide which disposer fits your needs. All disposers have water seal, self-service wrench and lifetime lubricated bearings. See installation and electrical note below. Warranted by Sears. Write for free copy, see p. 1139.

A. Sears Best 1-hp continuous-feed disposer. Automatic reverse helps increase the life of grinding elements, and helps prevent jamming. Nickel-cast shredder ring. Sound insulated. Detergent shield helps protect motor.
42 R 6070—Wt. 26 lbs. **$189.88**

Sears Best batch-feed model (not shown) is like (A) but has 1-HP motor with an internal switch that is activated by stopper to dispose of one load at a time.
42 R 6072—Wt. 26 lbs. **$194.88**

B. Our better continuous-feed disposer has sound insulation.
42 R 6040—Wt. 17 lbs. **$94.88**

C. Our premium continuous-feed disposer has sound insulation plus automatic reverse.
42 R 6050—Wt. 19 lbs. **$124.88**

NOTE: All disposers manufactured by In-Sink-Erator.

†SHIPPING NOTE: For items with an "F" prefix, allow 14 days for delivery.

D. Heavy-duty continuous-feed unit stands up to your toughest clean-ups. Automatic reverse.
42 R 6051—Wt. 22 lbs. **$149.88**

E. Our budget continuous-feed disposer.
42 R 6010—Wt. 1350 lbs. **$38.88**

Continuous-feed disposer (not shown), similar to (E), with 1/2-HP motor.
42 R 6011—Wt. 990 lbs. **$54.88**

Disposer installation kit (not shown) incl. all parts necessary for most installations.

For double-basin sinks.†
F 42 R 19349—Wt. 2.00 lbs. ..... Kit **$15.99**

For single-basin sinks.†
F 42 R 19350—Wt. 1.00 lb. ..... Kit **$10.99**

ELECTRICAL NOTE: Separate circuit is recommended, 15 amps adequate. Continuous feed units require standard wall switch. In rural areas, septic systems and seepage units built to FHA standard permit use. Check local codes.

Available for immediate pickup at most freestanding Catalog Sales Stores, except items (D) and (E). $5 shipping charge applies.

Shipping and handling charge for disposers is only $5 per item when delivered to your nearest Sears Catalog store for pickup within the United States, except Alaska, Hawaii and Puerto Rico. Ask for details.

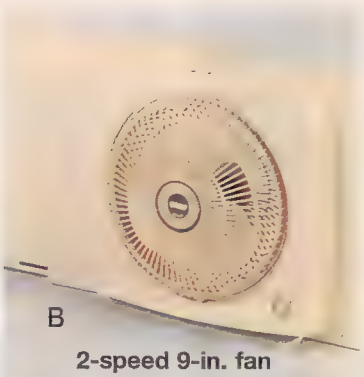
WHOLE HOUSE PORTABLE FANS

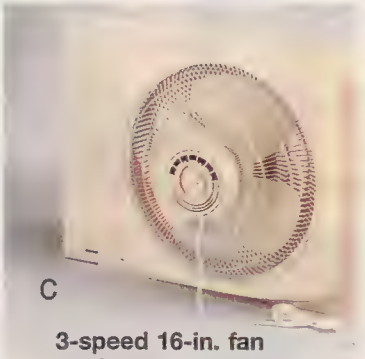
A

Our most powerful 3-speed 20-inch whole-house fan with thermostat



B

2-speed 9-in. fan cools one room



C

3-speed 16-in. fan cools up to 3 rooms

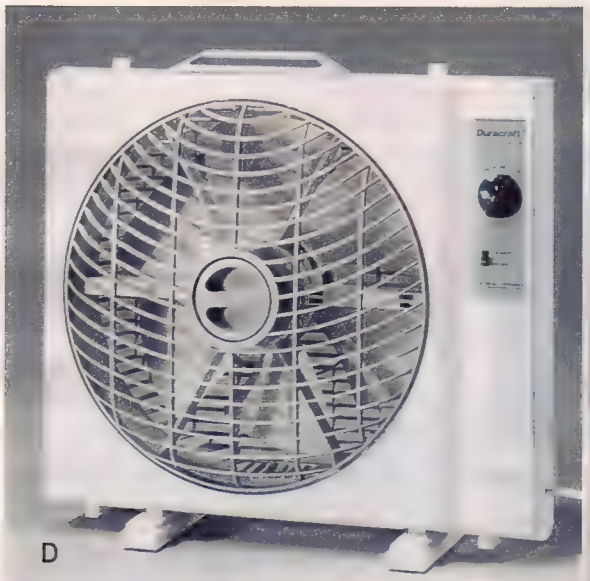
Sears fans by Lasko® are made in the USA

A thru C. Fans electrically reverse to allow for air intake or exhaust. Plastic housing, zinc-plated steel grille. Warranted.*

A. Our most powerful high-velocity whole house window fan has comfort control that automatically turns fan on and off as temperature changes. 3 speeds. Fits windows 26¼ to 41¾ inches wide, 26¼ inches high. 27¼Wx11Dx26¼H in. Plastic blades. 3040 CFM, 870 RPM max., 120-volts, 390 watts.
32 R 9023—Wt. 35 lbs **$139.99**

B. 9-inch window fan has two speeds. Manually reverses for air intake or exhaust. Adjusts to fit windows 23 to 34 inches wide, 15 inches high. Plastic housing, blades and grille. 640 CFM, 2100 RPM max., 120-volts, 50 watts. 22Wx6Dx15H in. Warranted.*
32 R 9009—Wt. 6.95 lbs **$24.99**

C. 16-inch window fan fits space 26½ to 36¾ in. wide, 22 in. high. 3 speeds. 27Wx9Dx22H inches. Plastic blades. 1340 CFM, 1650 RPM max., 120-volts, 70 watts.
32 R 9016—Wt. 14 lbs **$44.99**



D

Convertible fan (D) goes from being a floor fan to a window fan, quickly and easily

D. Versatile 12-inch, 3-speed fan cools from floor or window! Legs recess so fan can conveniently slide in and out of window sill. Slim design allows screen to remain in window. Includes electric intake/exhaust control; adjustable, rotating grill for airflow direction; and convenient slide handle. Fits virtually all double-hung windows (minimum width 20 inches, minimum opening height 15½ inches). 600 CFM. 120 volts, 60 watts. Imported. 1-year limited warranty.*
32 R 9019—Wt. 8.95 lbs **$49.99**

E. Duracraft commercial grade high velocity fan has a three-speed motor and is perfect for cooling large areas like churches, warehouses or large living rooms. On/off rocker switch, air flow adjustment. 3-prong grounded cord. Limited 2-year warranty on entire fan by manufacturer. Write for free copy, see page 1139. Meets UL, OSHA and "National Electric Code" standards for commercial, industrial performance.
32 R 80168—Wt. 20 lbs **$59.99**

F. Lasko Mega® fan. This powerful 3-speed fan is designed to circulate air in banquet halls, offices, restaurants, churches, warehouses and other large areas. 30-inch 3-paddle aluminum blade. Steel grille with powder coat finish meets OSHA requirements. Base is constructed of heavy-duty steel with a durable baked enamel finish. Height adjusts from 72 to 106 inches. Grounded cord. Made in USA. 248 watts, 120 volts. UL listed.
32 R 8013N—Wt. 80 lbs **$229.99**

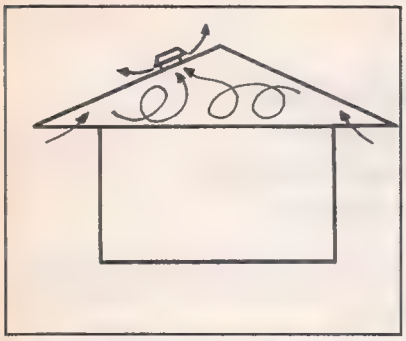
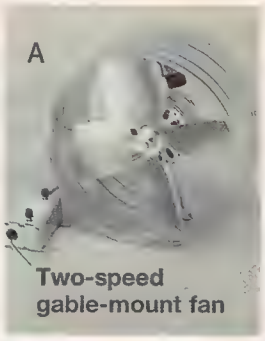
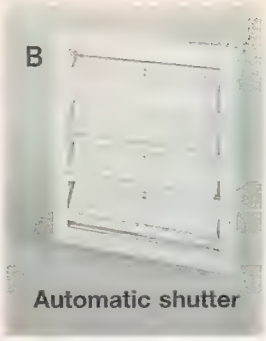
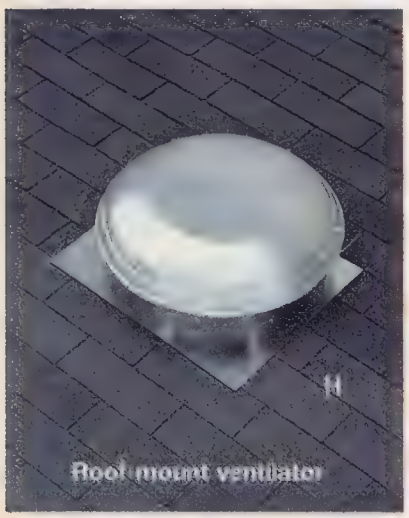
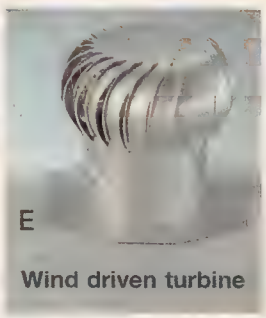
ATTIC VENTILATION

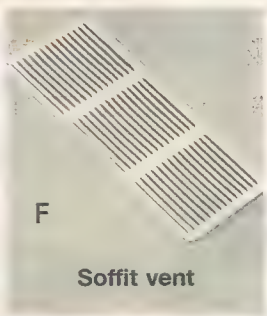


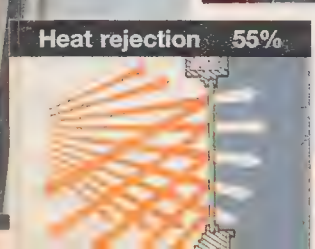


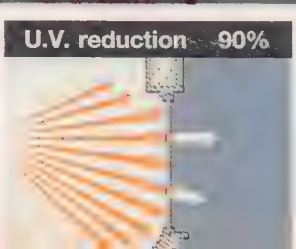


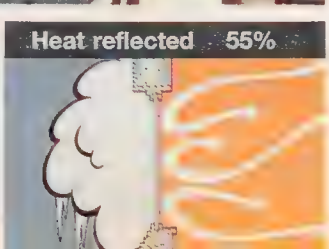












A. High capacity two-speed gable-mount fan has an electronic thermally activated two-speed controller, dual thermostat control and an all metal housing. Custom set your own temperature ranges. Also features a 2-speed energy mizer motor that provides a savings of 1/3 on low speed. 4.1-amp thermally protected permanent split capacitor motor. 6 MFD capacitor. 1565 rpm high, 1850 CFM high, 1300 CFM low. Order gable shutter (B) separately, below.‡
F 32 R 64838—Wt. 10.00 lbs **$99.99**

B. Automatic shutter features aluminum construction, requires 16x17 3/8-in. cutout for flush installation. Use with (A) above. Employs linkage strip for simultaneous operation.‡
F 32 R 64847—Wt. 2.50 lbs **$39.99**

C. 1200-CFM ventilator mounts on roof between 16-in. studs. 12-in. blades, aluminum housing. 26 1/4-in. Dx9H in. hood. 120 volts, 285 watts.
32 R 64846—Wt. 14 lbs **$62.99**

Humidistat (not shown) turns (C and D) on and off based on humidity level in attic.
32 R 6415—Wt. 1.19 lbs **$19.99**

D. 1100-CFM ventilator has adjustable thermostat pre-set to turn fan on at 100°F.; overload protector shuts fan off at 204°F. Includes mounting brackets. Use with shutter sold above. Aluminum housing is 14 1/4Wx14 3/4Lx10 1/4H in. 120 v., 285 w. Warranted.*
32 R 64844—Wt. 10.00 lbs **$49.99**

Automatic gable shutter (not shown) for (D). Fits 17Wx17H in. opening. Metal.
32 R 6450—Wt. 4.00 lbs **$29.99**

E. Wind driven turbine with interior bracing. Mill finish aluminum. Base included.
32 R 64411—12-in. diam.; Wt. 6.35 lbs ... **$29.99**
32 R 64417K—14-in. diam.; Wt. 7.55 lbs . **$34.99**

F. Soffit vent acts as air intake. Pkg. of 6. 16Wx8H in. White painted aluminum with insect screen.
32 R 6468—Wt. 2.00 lbs ..... Pkg. **$10.99**

G and H. High capacity roof-mount ventilator comes with electronic thermally activated 2-speed controller, dual thermostat control and an all metal housing. Custom set your own ranges. Also features a 2-speed energy mizer motor that provides a savings of 1/3 on low speed. 4.1 amp thermally protected permanent split capacitor motor. 14-in. blades. 6MFD capacitor. 1565 rpm high. 1700 CFM high, 1190 CFM low. Available in mill or brown finish.‡
G. F 32 R 64831—Brown; Wt. 21 lbs ... **$99.99**
H. F 32 R 64832—Mill; Wt. 21 lbs **$99.99**

J. Octagonal gable vent is constructed from heavy-duty polypropylene, has a white finish woodgrain look. Easy to install. Paintable. 22Wx22H. 10-yr. limited warranty.*‡
F 32 R 64491—Wt. 7.00 lbs **$34.99**

K. Low E® window film kits. Easy-to-install film is designed with different layers and coatings that bounce back heat rays from the sun in the summer and help prevent the loss of heat in your home during winter. Because it blocks radiation, film transforms dual pane windows that block only convective heat flow into high performance windows. The light neutral color works in all geographical climates and allows the maximum light through during winter months. Durable polyester layer for longer wear, scratch resistance and less fading includes ultraviolet inhibitors that help block up to 99% of the UV radiation to protect your carpeting and furnishings. Film helps prevent windows from shattering, reduces glare. Comes in 15 foot rolls in 3 window widths.
32 R 80004—24-in. Wt. 1.19 lbs **$19.99**
32 R 80005—36-in. Wt. 1.50 lbs **25.99**
32 R 80006—48-in. Wt. 1.20 lbs **29.99**

Tool kit (not shown) helps ease installation.
32 R 80007—Wt. .31 lbs **$3.99**

*Warranted by Sears. Write for free copy, see p. 1139.

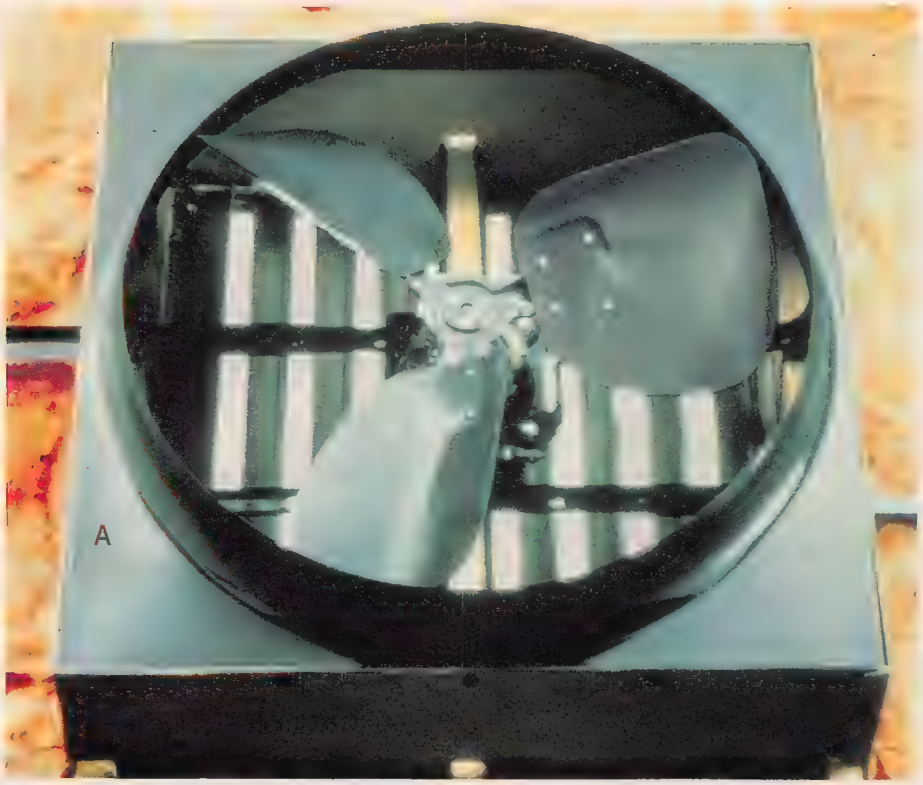
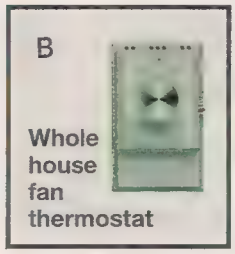
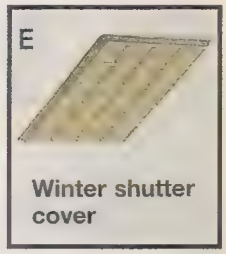
HEAVY DUTY WHOLE HOUSE FANS

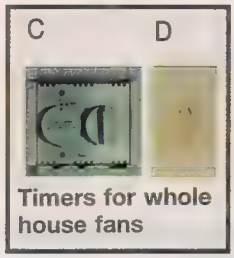


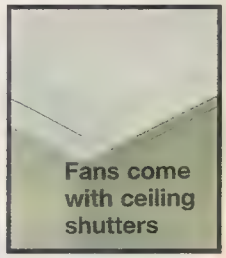
Superior construction and quality features make these fans heavy-duty performers

- Unique quiet blade assembly
- Rubber mounting throughout unit isolates components for smooth, quiet operation
- Direct-drive 1/3-HP motor. 5-year warranty* on all motors
- Deep steel venturi funnels air for maximum efficiency
- Plenum sleeve eliminates need for wood framing
- Wall mounted speed control









Why a whole house fan?

One of these fans installed in your attic works with opened windows to add cooling breezes, pushing stale air out of the attic and drawing fresh air in windows. Use the fan to exhaust hot attic air before turning air conditioning on, or instead of air conditioning to save energy. Attic location helps reduce the noise level, keeps the fan hidden from living areas.

A. Direct-drive can be mounted vertically. 1/3-HP fan is designed for maximum air flow efficiency. Heavy-duty motor provides top performance. Outfit is complete with white ceiling shutter, variable-speed control, plenum skirt, screws and template. No need to buy lumber or cut ceiling joists; fan rests on joists. Ceiling shutter covers hole; opens and closes automatically as fan operates. Includes flush mount shutter shown below in inset. Extra rubber insulation mounting on steel frame gives smoothest, quietest operation. To install in gable; order sidewall shutter and 6422 below. Fan is fully assembled. Snap-on fiberboard plenum skirt with joist and cutout templates. Does not include firestat, available separately below. Warranted by Sears. Write for free copy, see p. 1139. See note below and "N" suffix note, p. 1138.

24-inch fan ventilates up to 1200 sq. ft. at 3600 CFM. 29Wx29Lx14D inches.
32 R 64424K—Wt. 51 lbs **$199.99**

30-inch fan ventilates up to 1700 sq. ft. at 5100 CFM. 34Wx34Lx14D inches.
32 R 64430N—Wt. 60 lbs **$209.99**

Our most powerful fan (not shown), like (A) except belt-drive with 1/2-HP motor. Includes drop-down shutter. 36-in. fan cools up to 2400 sq. ft. at 7200 CFM. 43Wx43Lx19H in. Requires hallway 36 inches wide. Requires timer (D), (not included).
32 R 64360N—Wt. 80 lbs **$319.99**

Unpainted aluminum sidewall shutters (not shown) must be used for gable installation of (A). Can also help attain necessary attic ventilation for ceiling install. of (A) or (B). See "N" suffix note, p. 1138.
32 R 6425—24-in. fans. Wt. 10.50 lbs .. **$54.99**
32 R 6426K—30-in. fans. Wt. 16 lbs **69.99**
32 R 6427N—36-in. fan. Wt. 25 lbs **99.99**

Bracket kit (not shown) eases gable install. of (A).
32 R 6422—Wt. 4.06 lbs **$24.99**

Firestat (not shown) for (A and B) shuts fan off if attic temperature is too high. House wire runs through unit to fan.
32 R 6414—Wt. .56 lbs **$8.99**

B. Thermostat for (A) has manual start to prevent start-up when you are out; turns fan off automatically at preset comfort level. Fits other brand fans rated 120v. (3/4-HP or less). 3 1/4Wx5 1/8H in.
32 R 9130—Wt. .56 lbs **$44.99**

C and D. Timers automatically shut off fan at preset interval up to 12 hours. Manual start. Wall mount.

C. Mounts with fan control in same double gang outlet box. For (A) and older 64066 and 64077.
32 R 6421—Wt. .56 lbs **$36.99**

D. For (A) and (F). Requires separate single gang outlet box.
32 R 6419—Wt. .38 lbs **$24.99**

E. Cover for ceiling shutter helps control winter heat loss. Insulation value R-4.

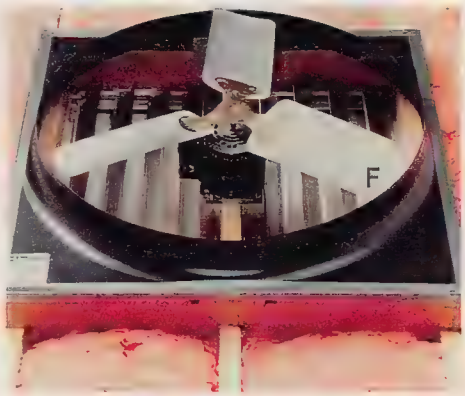
Flush mount shutter cover for 24-inch fans.
32 R 64324—Wt. 3.80 lbs **$25.99**

Flush mount shutter cover for 30-inch fans.
32 R 64330—Wt. 5.00 lbs **$32.99**

For drop down shutters.

30-inch for older 64300 and 64077.
32 R 6412—Wt. 5.00 lbs **$29.99**

36-inch for 64360.
32 R 6413K—Wt. 5.00 lbs **$33.99**



$139.99
$10 MONTHLY†

F. Direct drive, 2-speed, 1/3-hp fan includes flush-mount shutter shown above, right in inset. Requires some assembly. 34 1/2Wx34 1/2Lx12H inches.
32 R 64232K—Wt. 49 lbs **$139.99**

†See page 1144.
NOTE: Variable speed fans rated at high speed, according to accepted industry standard at 0.10 in. static pressure with ceiling shutter in place.

Sears Kenmore performance features

Super thrust air control provides higher air velocity than normal setting to reach distant areas faster.

Power saver automatically stops the fan when the compressor is not running to help save on energy.

Fan speeds provide HIGH for quick cooling, MEDIUM for normal operation and LOW for quiet cooling.

Fresh air circulates fresh outside air with or without cooling.

Air exhaust removes stale, smoky air from the area, also with or without cooling.

Quick-mount installation means that the unit can be installed quickly, with side curtains expanding to fill window opening and with no special tools needed.

Rust-resistant construction with steel parts treated to help resist rust, plus heavy-gauge steel to help reduce noisy, damaging vibration.

Protective rear grille helps protect chassis from blown or thrown objects.

Slide-out chassis is designed like a drawer, sliding in and out of cabinet for easy installation, cleaning and maintenance. Includes a condensate water drain hose attachment on selected models.

4-way air direction control provided by adjustable louvers to direct the air in four directions.

Fragrance air freshener helps mask room odors and gives outdoor freshness to closed up rooms.

Filter monitor indicates when filter needs cleaning for more efficient operation.

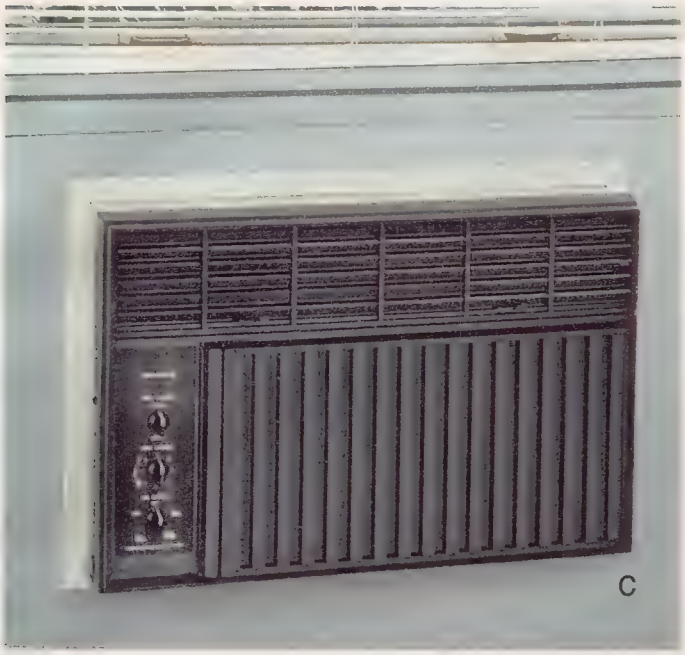
FOR **SPECIALTY APPLICATIONS**

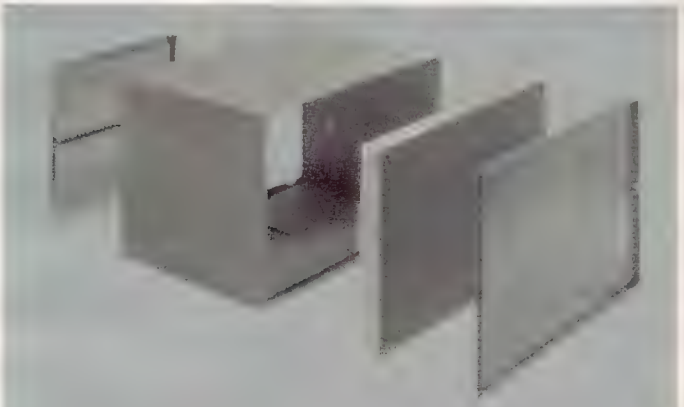
on these 2 pages thru February 28, 1993

MANY AIR CONDITIONERS ARE IN STOCK AT YOUR LOCAL CATALOG STORE



6000 to 11,000 Btuh models install thru-the-wall with required sleeve (8130) sold below

- Units have thermostatic controls
- Also available in heat/cool model with 11,000/10,800 Btuh cooling and 11,100/9100 Btuh heating functions



Heavy-duty foam insulated sleeve is 16 7/8Hx25 3/4Wx18 19/32D inches. Thru-the-wall depth is 12 inches.

32 R 8130—Wt. 25 lbs. **$49.99**

32 R 8110—Wt. 24 lbs. **49.99**

Heat/cool unit with top discharge

Unit works as an air conditioner with 10,300/10,100 Btuh cooling rating; heat pump with 9100/8900 Btuh heat output or electric resistance heater with 11,100/9100 Btuh output. When the outside temperature is above 45°F, the heat pump delivers heat at the lowest operating cost. Below 45°F, the unit switches automatically to resistance heating for the full rated heat output. Unit also features thermostatic control. Requires sleeve (8110) sold at left.

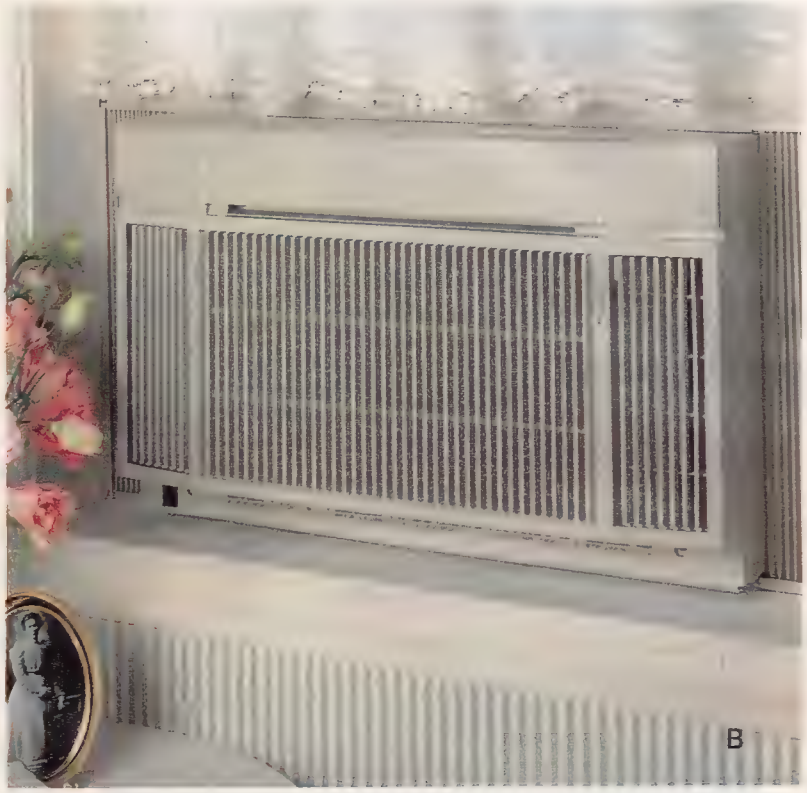
KENMORE® ALL-SEASON HEAT/COOL ROOM AIR CONDITIONERS for year-round comfort

Save $30 to $70 when you buy any Kenmore air conditioner on this page thru February 28, 1993



Change from hot weather cooling to sweater weather heating at the touch of a switch!

A and B. Choose from 5 models that cool 350 to 1105 square feet with galvanized steel cabinets and thermostats to maintain the comfort level you select. Warranted by Sears. Write for free copy, see p. 1139.

A. Woodgrain-look units feature panel to cover the controls. 8000 Btuh cooling/5500 Btuh electrical resistance heat model (72084)† is for thru-the-wall installation only. For combination cooling/heat pump/resistance heating, we have 2 models that can be installed in windows or thru-the-wall. Above 45°F, the heat pump wrings heat out of the air with the lowest operating cost; below 45°F, units automatically switch to electric resistance heat for the full rated heat output.

B. Stereo-look design units can be adjusted to send air 8 ways. Features 3 speeds with fan-only setting and easily removed flip-front filter. Can be installed thru-the-wall in walls up to 8 5/8 inches in thickness or mounted in a window. 8000 Btuh cooling/7000 Btuh heat pump model recommended for areas where temperature does not fall below 45 degrees. The combination cooling/heat pump/resistance heat model wrings heat out of air that is above 45°F with the lowest operating cost; below 45°F, the unit automatically switches to electric resistance heat for the full rated heat output.

#Ordering information included with units. ♦Shipping charge to Sears store (except Alaska, Hawaii and Puerto Rico, ask for details). ‡On SearsCharge PLUS, see p. 1144. †Not for sale in California. *Installation types: (A) Thru-the-wall only; (B) Thru-the-wall or window mount with cut-to-fit fiberboard. ☆Btuhs per watt based on U.S. Dept. of Energy test procedures. For more energy information, see page 1139. **Due to heating variables, area heated quotation can't be made. N/A—Not applicable; unit can't be installed in a window.

For our complete line of fireplaces, humidifiers and heating products please see pages 1127-1167 of our 1992 "Y" Fall General Catalog. All items on these pages can be ordered until 7/15/93 while quantities remain available. With our broad assortment of features and sizes, you're sure to find the answer to your particular need.

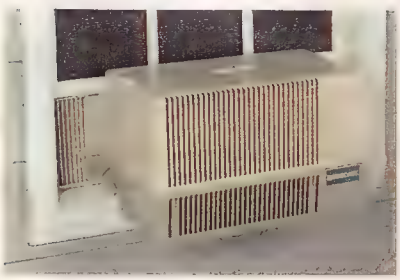
†Amps per watts based on Dept. of Energy test procedures. For additional energy information, see page 1139. §Of all industry models of similar size. *Installation styles: (1) Window installation only, expandable side curtains; (2) Window or thru-the-wall installation with cut-to-fit fiberboard panels. ◆Except Alaska, Hawaii or Puerto Rico. ‡Using SearsCharge PLUS, see page 1144.

The Frigidaire Elite™ with fully electronic controls. 7000 and 10,600 Btuh models install in windows and have handles for portability; 18,000/17,600 Btuh model is designed for window or thru-the-wall installation

C. This unit offers the very latest in dependable solid state controls. Touch pad comfort control lets you make more precise temperature selections in degrees Fahrenheit. The electronic temperature sensor is 50% more accurate than standard types; no more guessing as with '1 thru 10' type selectors. Touch pad controls and indicator lights allow easy operation and at-a-glance status checks. The Delayed Timer with start-or-stop convenience lets you program your air conditioner to run a set time period (up to 14 hours) or to start automatically any time within a 14 hour period. Tilt-panel filter access for easy filter removal. Galvanized steel cabinets. Warranted by the manufacturer. Write for free copy, see page 1139.

Lightweight design with dual handles for easier installation



Polycarbonate cabinet resists rust and corrosion

D. $10/$11 Monthly.‡ 5000 Btuh, 8.0 EER unit. Low profile design cools without blocking your view. Engineered to run quiet, it's one of the quietest Frigidaire models you can buy. Cools 150 square feet. 3-speed fan with super thrust, 4-way air direction and thermostatic control to maintain comfort level. Air exhaust removes stale room air. 115 volts, 60 Hz, AC. 6.0 amps. 625 watts. 12 1/2Hx20 5/8Wx19 3/8D inches. Fits windows 23-38 inches wide. Uses outside cover 92020. 6-ft. cord. $12 shipping charge.◆ Limited 5-year warranty by manufacturer. Write for free copy, see p. 1139. Slide out filter for easier access. Wt. 59 lbs. **32 R 72051**Thru 2/28/93 **449.99**; After 2/28/93 **$499.99**

New at Sears! The Quiet 1™ low profile room air conditioner

Save $40 to $60 when your buy any Frigidaire air conditioner on this page thru Feb. 28, 1993

PORTABLE AIR CONDITIONERS

Save $50 to $80 on air conditioners on this page when you buy thru February 28, 1993

Room air conditioners work in rooms without operating windows or as a supplement to central air conditioning

4000 Btuh model cools approximately 85 square feet

(A and B) have one-touch switch panels

Smoked glass covered panel has easy access to all controls including 6 hour timer that shuts unit off afte 1 to 6 hours, fan speed, cool or fan only, oscillating louver control and tank full light

7000 Btuh model cools approximately 285 square feet

5500 Btuh model cools approximately 185 square feet

A thru C. Portable windowless air conditioners allow you to bring powerful cooling where it's needed in lightweight portable units. Use where you may not want or be able to use a window unit; or to supplement central air conditioning in additions and rooms that receive large amounts of sunlight. The sleek look of the units will blend in with any decor. Units takes up less than 12 by 15 inches of floor space—fit unobtrusively in any room and store easily in a closet during cool seasons. Unique cylindrical fan and ultra-efficient cooling unit for whisper-soft operation that lets you work and sleep in peace. Silent casters let you glide the units where needed; won't mar floors. Units feature programmable 6-hour timer and adjustable thermostat. Built-in water tank collects water from dehumidified air and features automatic shut-off when full and "full tank" signal light. Units discharge heat from the rear. For maximum efficiency, the units should be vented outside with included adapters and flexible air duct. Units will function, however, without being vented. Warranted by the manufacturer. Write for free copy, see p. 1139. UL listed. Imported.

†On SearsCharge PLUS. See page 1144.

A and B. Convenient one-touch switch operation. 3 independent fan speeds, high, low and intermittant for a natural breeze effect. White finish cabinet.

A. 4000 Btuh model. $11/$12 Monthly.† 0.58-gallon tank. Fan operates at 240 CFM. 115-volts, 4.0 amps, 400 watts, 60 Hz AC. 26Hx10¼Wx14D inches.

Thermostats

Our economical thermostats stretch your dollar and increase your comfort

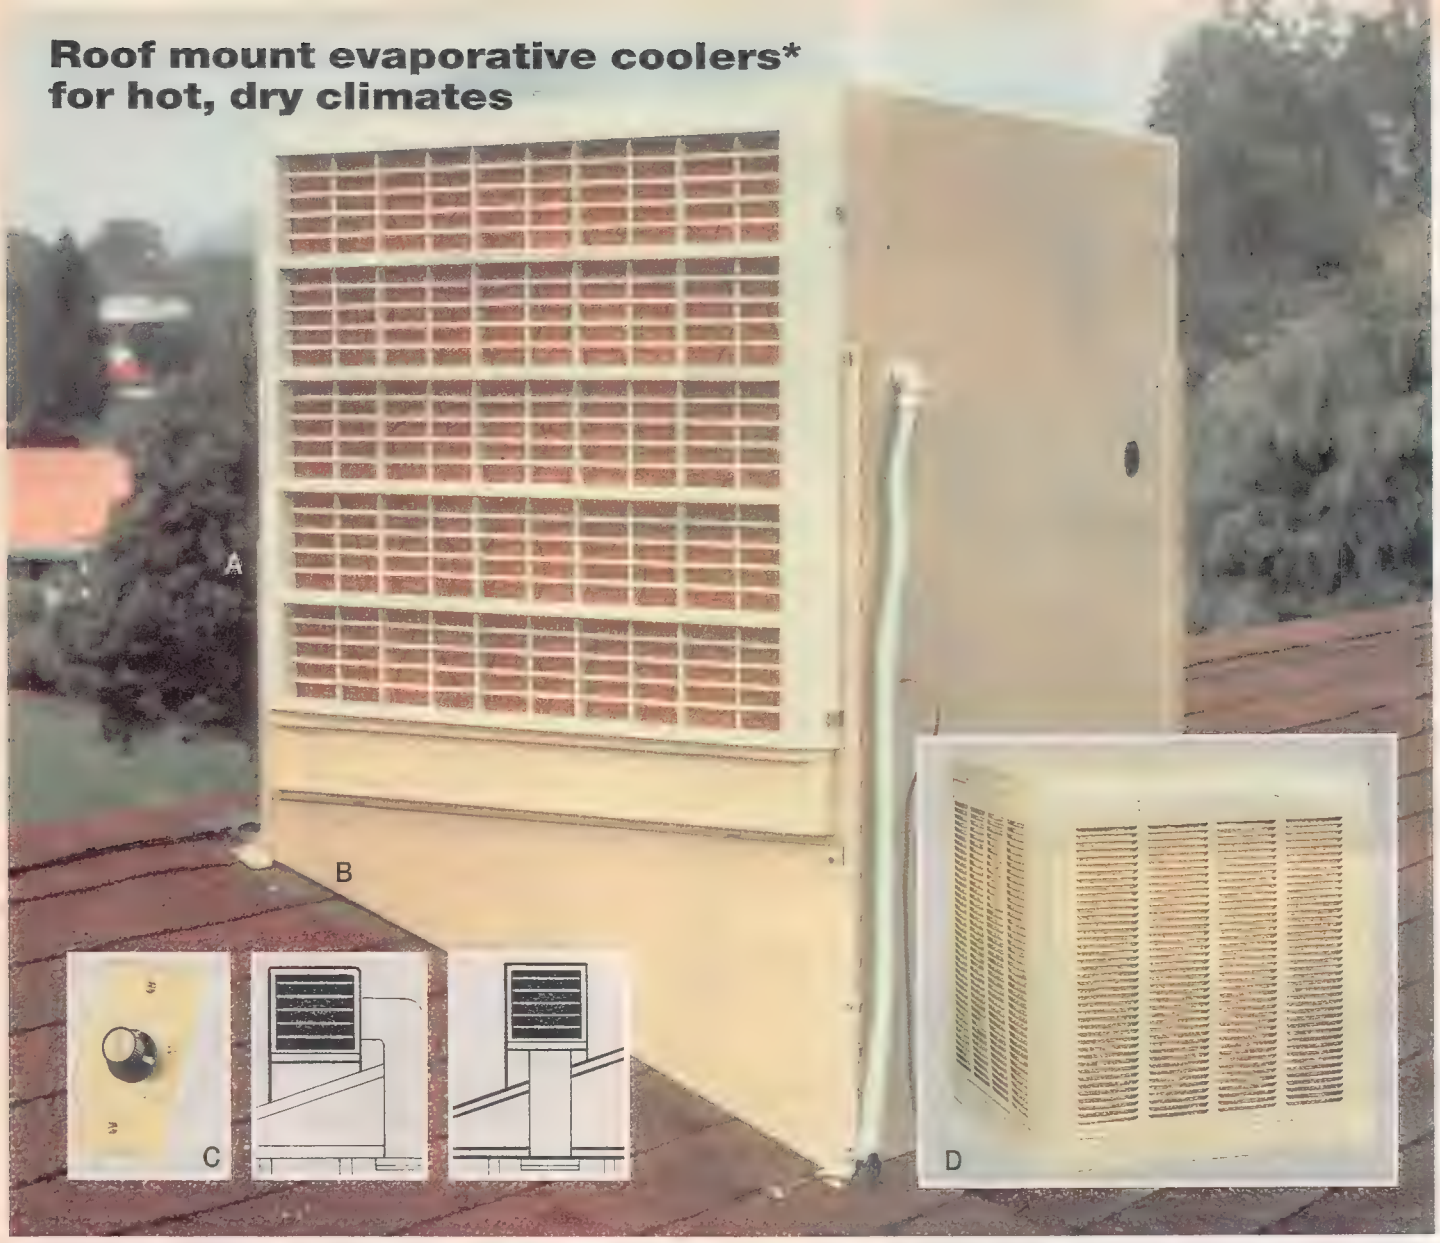
H and J. Robertshaw digital set-back thermostats can pay for themselves by helping cut heating and cooling costs. Temperature settings between 58-98°F. Vacation hold for constant temperature when you're away with setting range from 40-90°F. Override for temporary changes without reprogramming. LCD readout shows time, temperature, and set temperature. Easy installation: replace your old thermostat using the same wiring. For heat/air conditioning, heat only or air conditioning only systems. Use with gas, oil or electric systems. For most 24-volt systems. Not designed for 2-stage electric heat, 3-wire zone valves, heat pump or millivolt systems. Use 2 "AA" batteries, not included. For programming info. call 1-800-421-1130, in California call 1-800-262-1173.

H. 5-1-1 thermostat has separate programs for weekdays, Saturday, Sunday with four time and set-point normal temperature settings.
42 R 91114—Wt. 0.63 lb. **$59.99**

J. Easy-Stat has separate programs for weekdays and weekends already entered, just install and turn on. Can be easily reprogrammed to suit your individual needs.
42 R 91115—Wt. 0.63 lb. **$39.99**

K. Honeywell deluxe round thermostat with quiet, long-lasting mercury switch. Temp. settings between 40-90°F with heat anticipator. Dial has room-temperature thermometer.
42 R 91116—Heat only. Wt. 0.56 lb. **$24.99**
42 R 91117—Heat/Air cond. 0.56 lb. **39.99**

Roof mount evaporative coolers* for hot, dry climates



Economic coolers feature louvers and reservoir made of PVC plastic to eliminate costly, unsightly rust; a belt that removes easily for cleaning or replacement and pad frames with no open areas, so there's no water seepage

A. Roto-Belt® roof mount coolers. Air output opening is standard size to replace most existing coolers. 4000 to 7200 CFM Roto-Belt® roof mount units cool up to 7 rooms. 1/4-inch outside diameter copper water inlet. 3/4-inch drain. 4000 and 4500-CFM units have 17 3/4-in. square output openings; 5200, 6600 and 7200-CFM units have 19 3/4-inch square openings. 4000 and 4500 CFM require bleed-off kit, see p. 553. Bleed-off kit included in 5200, 6600 and 7200-CFM units. Shipped in down discharge position, adapts to side discharge, see inset. Requires rotary switch (C) sold at right if converting from aspen pad unit. For finished appearance or if replacing aspen pad unit, order roof-mount kit (B) below. Incl. chain kit.

CFM	HP	WxDxH inches	Catalog Number	Wt lbs.	Price
4000	1/3	30x36x30	32 R 62442N	150	$419.99
4500	1/2	30x36x30	32 R 62392N	150	429.99
5200	1/2	34x38x34	32 R 62453N	190	529.99
6600	3/4	37X43X37	32 R 62463N	230	619.99
7200	1	37x43x37	32 R 62467N	244	704.99

B. Roof mount kits with metal skirting for (A). For flat roofs or roofs sloped up to 6 in. per running ft. Unassembled.

Fits cooler	Catalog Number	Wt. lbs.	Price
62392 and 62442	32 R 6256	25	$54.99
62453	32 R 6257	25	59.99
62463 and 62467	32 R 6258K	30	63.99

*Evaporative Cooler Note: For use only in hot, dry areas where typical relative humidity is less than 30%, generally west of the Mississippi River. For correct size, determine total cubic feet of area to be cooled (multiply width by length by ceiling height). Divide by 2 for a change of air every 2 min. and order a cooler with equal or higher CFM capacity. **NOT AVAILABLE EAST OF THE MISSISSIPPI RIVER**; orders from east of the Mississippi will not be filled. Ask for details.

C. 5-position switch for Roto-Belt® roof-mount coolers only. May be used with existing wiring. UL listed. Allow 18 days for delivery.
F 32 R 6251—Wt. .38 lbs. **$15.99**

Replacement double-sided Roto-Belt® pads (not shown) for (A) are tough polyester fiber.

Fits cooler	Catalog Number	Wt. lb.	Price
62392 and 62442	32 R 6293	.69	$13.99
62452 and 62453	32 R 6294	.88	14.99
62463 and 62467	32 R 6295	.50	17.99

CEILING DIFFUSERS (not shown) for Roto-Belt coolers. Features 4-way directional air flow. Incl. louvered grille, bracket, fittings. Roof flange and ducting not included. Diffuser for mobile home installation includes 6 position switch mounted directly in grille. Allow 18 days for delivery.
F 32 R 6264—Standard installation. Wt. 4.75 lbs. **$48.99**
F 32 R 6253— Mobile home installation. Wt. 7 lbs. **$79.99**

D. Aspen pad roof-top down and side discharge units available in 4000 CFM to 6500 CFM. Units for use in hot, dry climates only. Thermal overload protected, 2-speed motors. Quiet operation. Heavy duty pad frame for long life. Corrosion-resistant heavy gauge, galvanized steel cabinet with Polybond® coating. 4000 and 4500-CFM units have 17 3/4-in. square output openings; 5500 and 6500-CFM units have 19 3/4-in. square openings. Bleed-off kit included. Warranted by Sears. Write for free copy, p. 1139.

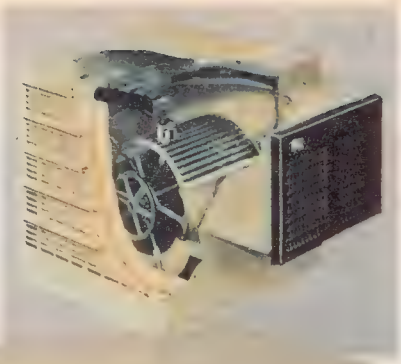
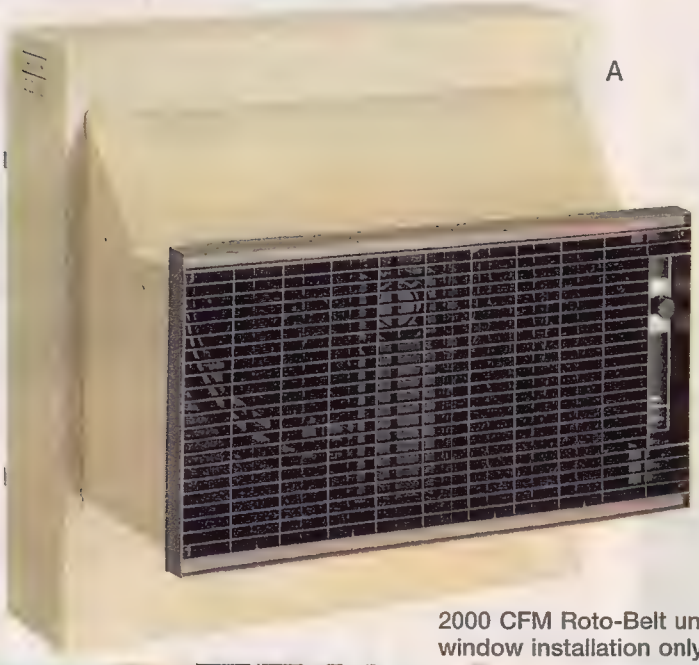
STORE PICKUP STILL AVAILABLE FOR 'N' SUFFIX ITEMS! DELIVERY CHARGES MAY BE LESS THAN HOME DELIVERY.

Whole house evaporative coolers*

Roto-Belt coolers (A and B) feature PVC plastic louvers and reservoir to eliminate rust, easy belt removal for cleaning or replacement, sealed pad frame to prevent leakage, no water distribution tubes to clog and no water pump to fail...eliminates spider-type water distribution systems that can cause cooler failure





2000 CFM Roto-Belt unit for window installation only

4300 to 5600 CFM Roto-Belt models can be installed in windows or thru-the-wall

1300 CFM 3-speed fan can be used in window or on cart

A and B. Coolers for use in hot, dry climates only. Fit most standard windows. 4300, 4700 and 5600 CFM sizes can be converted for casement windows or thru-the-wall installations. Thermal overload protected motors and unitized construction for quieter operation, plus they're built to take the punishment of heat, cold and sun. 2-speed motors. Pads eliminate dry spots and reduce lime buildup. Plastic pad frame, external grille and water reservoir resist corrosion. Bleed-off kit (for hard water areas) sold below. UL listed. See cooler note on facing page. Warranted by Sears. Write for free copy, see page 1139.

A. 2000-CFM model with 1/8-HP motor. Woodgrain-look interior grille. Fan has 14-inch blades, instead of blower. Adjustable air direction. Incl. chain kit. 6-ft. cord. 25 1/4Wx16Dx25 1/4H inches. See 'N' suffix note, page 1138.
32 R 62472N— Wt. 56 lbs **$234.99**

B. 4300-CFM model with 1/3-HP motor. Woodgrain-look interior grille. Adjustable air direction. Weather guard panel over grille closes off outside air during cold weather. Includes chain kit. 26Wx30Dx26H inches.
32 R 62492N— Wt. 137 lbs **$439.99**

Cooler same as (B) except 4700-CFM, 1/2-HP motor. 30Wx36Dx30H inches.
32 R 62602N—Wt. 174 lbs **$499.99**

Cooler same as (B) except 5600-CFM, 3/4-HP motor. For larger homes. 30Wx36Dx30H-in.
32 R 62692N—Wt. 177 lbs **$537.99**

Replacement double-sided Roto-Belt pads for (A and B) are made of tough polyester fiber

Fits cooler (32 R 62472N) and (32 R 62492N).
32 R 6290—Wt. .50 lbs **$11.99**

Fits cooler (32 R 62602, 32 R 62692).
32 R 6293—Wt. .69 lbs **$13.99**

C. Window/cart model. Plastic grille vents to each side and forward. Just set on cart or attach side filler curtains (included) to fit most standard windows up to 42-in. wide. 4-gallon reservoir provides up to 6 hours of cooling.
32 R 6160—Wt. 39 lbs **$157.99**

Aspen pad evaporative cooler

2800 to 4700 CFM Aspen pad unit...install in window or thru-the-wall

Aspen Pad units with chain kit fit most standard size windows. Can be used for casement or thru-the-wall installation. Attractive interior grille. Adjustable air direction and 2-speed fan. Easy to install. 4000 and 4700 CFM units have Polybond® finish to resist rusting. Includes bleed off kit also sold below. UL listed. See 'N' suffix note, page 1138.

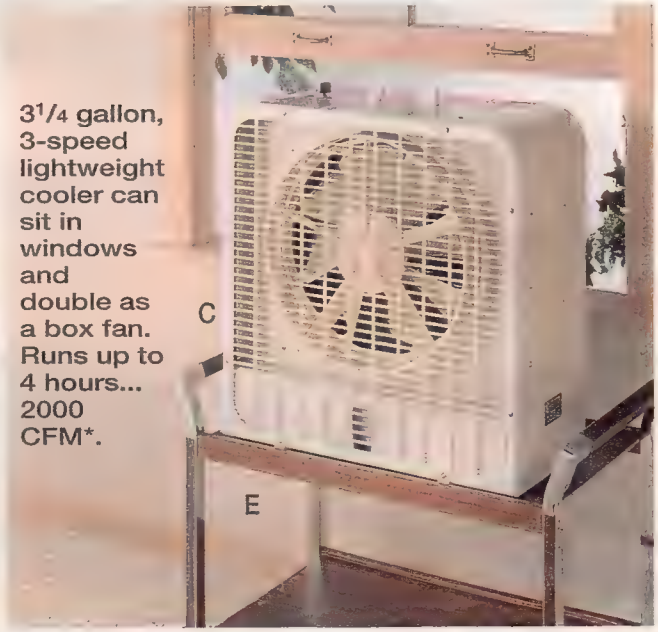
2800 CFM unit has 1/8-HP motor. Measures 22Wx22Dx27H inches.
32 R 62230N—Wt. 76 lbs **$239.99**

4000 CFM unit has 1/3-HP motor. Measures 28Wx28Dx35 1/4H inches.
32 R 62231N—Wt. 115 lbs **$349.99**

4700 CFM unit has 1/2-HP motor. Measures 34Wx34Dx35 1/4H inches.
32 R 62232N—Wt. 165 lbs **$407.99**

Bleed-off kit (not shown) permits water to run off, eliminating stagnation. Cycles automatically. Fits (A and B).
32 R 62562—Wt. 1 lb **$17.99**

Portable evaporative coolers†



A. 7.7 gallon cooler with easily removable tank system makes refilling simple. No duct work or installation needed. Adjustable grille provides 180° of twin air. Fan only setting recirculates stale air. Automatic shut-off. Refill, power and saturation lights. Ice tray provides extra cooling power. UL listed. 17Lx38Hx17½D in.
32 R 6255—Wt. 46.00 lbs **$254.99**

B. Console evaporative cooler has a unitized motor, blower and pad assembly for easier filling, cleaning and pad replacement. Top air inlet lets you place unit against wall, out of the way, without loss of performance. Conveniently fills from top. Water level indicator and empty light. Casters provide easier movement from one location to another. 27¾Wx13⅝Dx23H inches. UL listed.
32 R 6190—Wt. 45.00 lbs **$244.99**

Replacement filter for (B).
32 R 6296—Wt. 1.50 lbs **$9.99**

C. Evaporative cooler box fan conveniently fills from back while unit is in window. Quality constructed steel cabinet adds to its longevity. 22Wx10¼Dx23H inches. UL listed. 6-ft. cord.
32 R 6140—Wt. 26.00 lbs **$99.99**

*Cubic Feet Per Minute

D. This powerful cooler has the ability to effectively cool medium and large rooms. Side water fill up to 4½ gallon capacity. Fits cart (E), sold separately below. Steel cabinet. 6-ft. cord. UL listed. 24Wx16Dx16H inches.
32 R 6180—Wt. 49.00 lbs **$199.99**

Cooler (not shown) is similar to (D) with 2-speed motor and 6-inch rotary blower. Quietly cools a small room. Plastic grille. 1000 CFM. 3¾ gallon water capacity. Top water fill. Runs up to 6 hours. 19Wx13Dx13¾H inches. UL listed.
32 R 6150—Wt. 26.00 lbs **$109.99**

E. Sturdy cart has 2 walnut-grained vinyl shelves, chrome-plated steel trim and 4 casters. Unassembled. Fits (C and D), and (32 R 6150), above.
32 R 6218—Wt. 18.00 lbs **$42.99**

†EVAPORATIVE COOLER NOTE: For use only in hot, dry areas where typical relative humidity is less than 30%, generally west of the Mississippi River. For correct size, determine total cubic feet of area to be cooled (multiply width by length by ceiling height). Furnace mount air cleaners

Our finest furnace-mount air cleaner removes up to 98% of common pollens and 75% of tobacco smoke

A

A. Air cleaner is able to remove pollutants as small as .01 microns. Features high efficiency twin collecting plates and pre-filters. Pre-filters trap large debris. 2-piece dishwasher safe electronic filter collects small particles. Installs vertically or horizontally. No need to disturb present wiring but may require changes to some ductwork. Requires 14-in. clearance in front of power door to allow for cell removal. On indicator light and air flow monitor. Warranted by Sears. Write for free copy, see page 1139. See Tax Note below.

For systems to 130,000 Btuh heating. 42,000 Btuh cooling. $16^{7}/_{16}$Hx$26^{1}/_{4}$Wx$6^{7}/_{8}$D inches.
32 R 84919—Wt. 42.00 lbs **$249.99**

For systems to 210,000 Btuh heating. 60,000 Btuh cooling. $20^{5}/_{8}$Hx$26^{1}/_{4}$Wx$6^{7}/_{8}$D inches.
32 R 84921—Wt. 50.00 lbs. **$269.99**

Whole house electronic air cleaner removes up to 95% of common pollen and mold spores, 80% of animal dander and dust and 35% of tobacco smoke

B

B. Cleaner requires no installation or assembly. Just remove old filter, slide in collector cell, then plug the power module into any 110-v. outlet. Fits standard and closet furnaces, even heat pumps. Aluminum mesh pre-filter and after-filter. Permanent ionizer/collector cell is easy to clean. Removes dust, dirt, pollen, lint, hair, animal dander and more. White PVC vinyl frame finish. Order same size as your furnace filter. UL listed. Warranted by Sears. Write for free copy, see page 1139. See TAX NOTE below.

16Wx20H inch filter.
32 R 83481—5.90 lbs **$129.99**
16Wx25H inch filter.
32 R 83482—6.00 lbs **$134.99**
20Wx20H inch filter.
32 R 83483—6.50 lbs **$139.99**
20Wx25H inch filter.
32 R 83484—6.75 lbs **$144.99**

C. Single narrow cell pre-filter requires no assembly or installation. Removes many pollutants as small as .03 microns in a single pass through cleaner. Plugs into any 110-volt outlet. Snap-in solid state power supply. Operating light and built-in air flow monitor. Baked enamel finish. Require no major duct modification. Can be washed easily in sink or laundry basin. UL listed, AC. Warranted by Sears. Write for free copy, see page 1139. See Tax Note below. Allow 14 days for delivery.

Furnace mount electrostatic air filters help provide allergy, asthma and respiratory relief. Remove up to 81% of common pollutants.

Electrostatic air filter uses natural process of 'static electricity,' to trap dusts, pollens, molds and animal dander. Helps remove these symptom-causing allergens from the air, which often allows you to breathe easier. Produces no ozone. Plastic frame is perfect for most residential applications. Replaces your current fiberglass throw-away filter. Metal frame is for applications such as prefilters to Electronic Air Cleaners and Window A/C units. Warranted by Sears. Write for free copy, see page 1139. Allow 14 days for delivery.

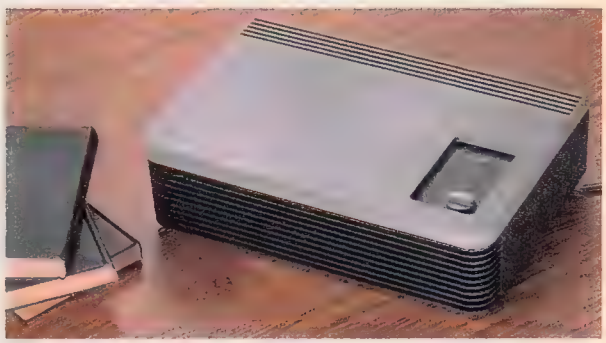
†Square Foot measurements are based on laboratory testing in open area.*Cubic feet per minute.



Trion tabletop air cleaner

Trion tabletop portable room air cleaner clean up to 900 sq. ft. at a maximum 120 cubic feet per minute. 5-way action includes negative ion generator to freshen stale air. Great for home or office. Three speed control includes "Super Clean" setting for maximum power. Measures 4 3/8Hx15 1/2Wx10 1/2D inches. Warranted by manufacturer. Write for free copy, see page 1139.
32 R 83120—Wt. 11.00 lbs **$99.99**

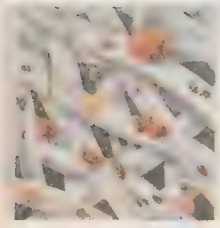
Replacement charcoal after filter for unit above helps remove household odors up to one year.
32 R 83210—Wt. .13 lb **$8.99**

All Bionaire air purifiers on this page have the following features*

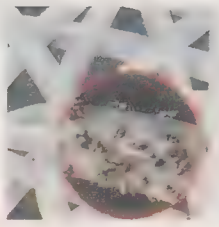
- Extra-high air volume twin turbo fan blower system
- Four speed fan control
- Easy access for replacement center
- Side air inlet grill for optimum air circulation
- Exclusive filter condition monitor lets you know when it's time to change filter
- Independently controlled ionizer revitalizes air

A

Bionaire's best 250 CFM‡ model cleans up to 2250 sq. ft. per hour†



(1) Pre-filter



(2) Micro-filter

(3) Post-filter

(4) Carbon filter

Each air cleaner features the 4-stage filter system at left

(B) 150 CFM‡ model with adjustable louvers cleans up to 1125 sq. ft. per hour†

(C) 150 CFM‡ model cleans up to 1125 sq. ft. per hour†

(D) 100 CFM‡ model cleans up to 750 sq. ft. per hour†

(E) 70 CFM‡ model cleans up to 525 sq. ft. per hour†

A thru E. Ultra-high performance air purifiers/ionizers help remove up to 95% of air-borne particles as minute as 0.1 micron and up to 99% of larger particulate pollutants. In addition, the carbon filter removes unpleasant household odors and harmful ozone. All feature a four-stage filtration system plus ionization; Pre-filter removes large particles of dust and dirt; electrostatic filter removes sub-micron-sized particles; post-filter further cleans air and carbon filter helps remove bad odors. L-shape allows placement in corners. These units not only fit any decor in your home or office, but are also wall-mountable, energy-efficient and whisper quiet. See TAX NOTE at right.

AMERICA'S BEST SELLING DEHUMIDIFIERS

Sears Best

A

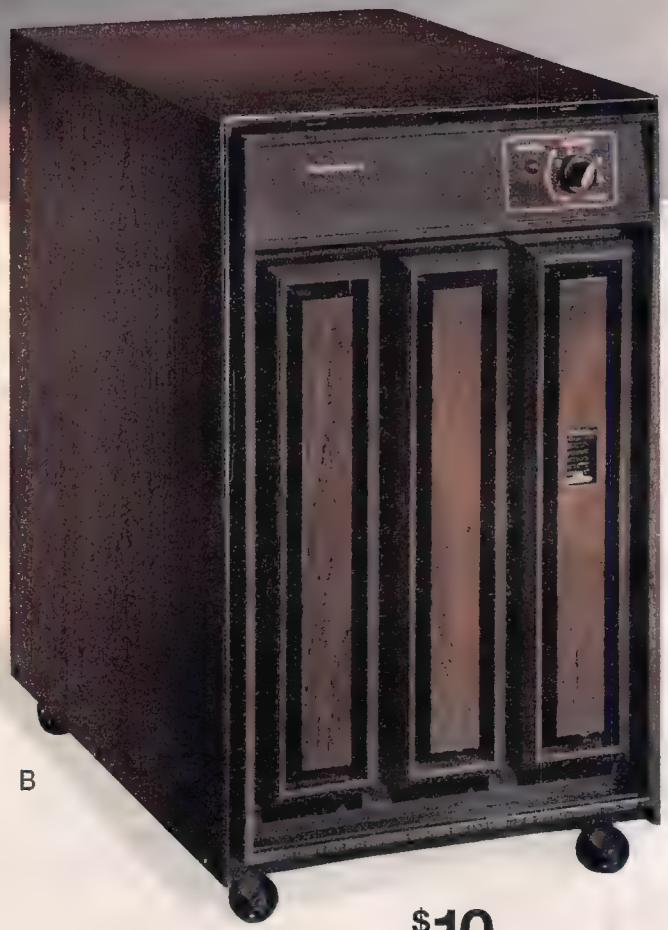
Our most powerful and largest capacity dehumidifier

- 50 pint moisture removal* rate
- Every 24 hours it dehumidifies about 2900 sq. ft. under extremely wet conditions
- Dehumidifies about 4300 sq. ft. under very damp conditions

$10 LESS than our 48-pint model in our 1992 Fall Big Book, page 1125

Dehumidifiers help dry out stale, damp air and remove musty odors. Help stop mildew to protect clothes, carpets and furniture

A dehumidifier's moisture removal capacity is measured by how many pints of moisture it removes in a 24 hour period. When selecting the right dehumidifier for you it's important to know that size is a speed advantage. Unlike an air conditioner, you can't oversize a dehumidifier. A 40 pint unit will clear up a problem twice as fast as a 20 pint unit, yet doesn't cost twice as much. However, an undersized unit will run continuously and may not be able to reduce the humidity to the maximum desired comfort level.



B

40-pint model...in 24 hours dehumidifies about 2200 sq. ft. in extremely wet areas and 3300 sq. ft. in very damp areas

$10

LESS than comparable 40 pint model in our 1992 Fall Big Book, page 1125

30 pint model*...in 24 hours dehumidifies an extremely wet area up to 1500 sq. ft. and a very damp area up to 2300 sq. ft.

$10 LESS‡

25-pint model*...in 24 hour dehumidifies an extremely wet area up to 1100 sq. ft. and and very damp area up to 1800 sq. ft.

$10 LESS†

15-pint model*...in 24 hours dehumdifies an extremely wet area up to 470 sq. ft. and a very damp area up to 800 sq. ft. Not for use below 65°F

$5 LESS†

Kenmore quality dehumidifier features:

Automatic Humidistat lets you choose and set your desired comfort level. Unit turns on when moisture in the air exceeds desired level and shuts off when comfort level is reached.

De-Icer Control allows dehumidifier to operate at a reduced rate when temperatures are below 65°F. It senses ice build-up on condenser coils and shuts the unit off. Operation resumes when ice has melted.

Automatic Shut Off turns unit off when moisture collection pan is full. Helps prevent overflow damage to carpets and floors.

Pan Full Signal Light lets you know when pan needs to be emptied.

Adjustable Water Level shuts off unit before drip pan is full, so there's a lighter load to empty.

2-Speed Fan lets you set unit on 'Normal' or 'Low' setting when maximum dehumidification is not needed.

Air Fragrance Dispenser freshens air with 3 choices of fragrance, each lasting 200 hours.

Full Swivel Casters for easier movement over carpets and floors.

Drain Hose Connection makes it easier to drain water without lifting the pan.

A thru E. Dehumidifiers are warranted by Sears. Write for free copy, see page 1139. UL listed, AC. 6-ft cord.

Very damp conditions: Damp area with musty odor, damp spots on wall and floors.

KENMORE ELECTRIC WATER

Over ten years ago, Sears was one of the first to introduce a new, more effective insulating material, polyurethane foam, bringing our customers one of the most energy efficient water heaters available. Yet we didn't stand still! In our continuing quest to supply the finest quality water heaters available . . . we present our Duron™ seamless tank. Once again we're on the cutting edge of water heater technology!

Drain pan (not shown) helps to avoid possible water damage to your home if tank leaks. 1-inch drain connection. Aluminum. Allow 14 days for delivery.

20-in. pan for units 18-in. in diameter and under.
F 42 R 33007—Wt. 2.50 lbs. **$16.99**

28-in. pan for units 26-in. in diameter and under.
F 42 R 33009—Wt. 4 lbs. **$24.99**

Water heater installation kit (not shown) includes 2 flexible 12-inch long water connections with 3/4-inch female fitting, two 3-inch non-conductive, plastic-lined galvanized nipples to help guard water heater from corrosion. 3/4x3/4-inch copper solder adapters and 4 feet of Teflon® thread sealant tape. Allow 14 days for delivery.
F 42 R 33092—Wt. 1.81 lbs. **$16.99**

Timer (not shown) for 208/250-volt water heater turns heater on before peak periods of use, off when hot water is not needed. 24-hr. cycle. includes 2 sets of on/off trippers. UL listed. 40 amp. 5Wx3Dx6 1/4H inches. Warranted by Sears. Write for free copy, see p. 1139.
9 R 83241—Wt. 2.38 lbs. **$19.99**

What size water heater do you need?

ABOUT SIZE: If your old water heater was adequate, order a new one with the same or slightly larger capacity. New, more efficient models are larger than previous models. Measure space if you plan on installing in a confined area to be sure new heater will fit. If your old heater was not adequate, allow 1 unit for each person, 1/2 unit for each bath, washing machine or dishwasher. Add units together and refer to size chart below.

Recommended minimum tank size, gallons

Total units	Electric (watts)		Total units	Electric (watts)	
	3800	5500		3800	5500
3	30	...	6	66	52
4	40	...	7	82	66
5	52	40	8	...	82

Note: This sizing guide is an estimate only. Where incoming water temperature is unusually warm, less capacity may be adequate. Where hot water usage is higher than normal, a higher capacity should be considered. In some cases the space available for installation may not allow a larger size water heater to be installed.

A word about the phrases we use:

In order to help you make a wise buying decision there are some phrases you should know.

ENERGY FACTOR: A measure of the overall efficiency rating of a water heater—the higher the number, the more efficient the heater.

1st HOUR RATING: The calculated amount of hot water a fully heated water heater can deliver in the first hour.

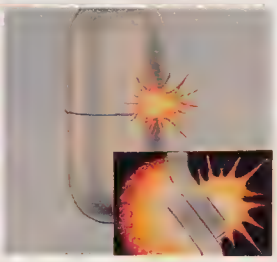
RECOVERY: Gallons of water per hour a heater can raise the temperature of by 90°F. A higher recovery rate on the same size water heater increases the first hour rating.

NAECA: National Appliance Energy Conservation Act of 1987. Sets minimum efficiency standards for water heaters. All of our water heaters comply with the act.

R-VALUE: A measure of insulating value; the higher the R-value the greater the resistance to heat transfer.

NEED HOT WATER FAST? Selected models in stock and emergency installation within 24 hours available at most Sears Catalog Stores except Sundays and Holidays—call your local store for information

The Duron™ tank—built a totally different way . . .



First, two pieces of premium steel are laser-welded with a 71 million watt beam of invisible laser light, fusing the steel for a superior weld that is actually stronger than the rest of the tank

Duron™, a sophisticated composite material engineered for long-term storage of hot water is then molded inside the steel outer tank for a seamless inner tank with no holes or flaws—water cannot touch the outer metal tank, helping to prevent rust

Since water doesn't touch the metal in a Duron™ tank it should last longer without an anode. This will eliminate the potential rotten egg smell that can occur when certain water reacts with the anode rod

The Kenmore Endura, Power Miser 10 and Power Miser 8 exceed the 1990 Federal energy standards and may qualify for a rebate from your local utility company . . . contact your local utility company for details

The strength of steel... the protection of space-age polymers

DURON THE PERFECT SEAMLESS TANK

Our Sears Best Kenmore Endura features a limited lifetime warranty against leaks for as long as you own your home! Plus, a limited 10 year parts warranty

Sears Best

HEATERS

B

Power Miser 10+ has limited 10-year warranty against tank leaks, limited 5-yr. parts warranty

C

Power Miser 8+ has limited 8-year warranty against tank leaks, limited 4-year parts warranty

D

Power Miser 6+ has limited 6-year warranty agaisnt tank leaks, limited 3-year parts warranty

E

Economizer 5+ has limited 5-year warranty against tank leaks, limited 1-year parts warranty

A thru E. All of our Duron™ water heaters have these great features: Exclusive Dualwatt convertible wattage lower element; meet or exceed NAECA* and ASHRAE 90A standards, can be used in all states; easy-adjust lower thermostats for easier temperature control; energy cut-off automatically shuts off power if thermostat fails; factory-installed temperature and pressure safety relief valves. UL listed. 220-240 volts, 60 Hz., AC. Warranted by Sears. Write for free copy, see p. 1139.

A. Our Sears Best Kenmore Endura features 2 3/4 in. of efficient polyurethane foam insulation (R-value 23.0) and factory installed heat trap nipples that keep the heat in your tank when hot water is not in use. 2 Super Limeguard stainless steel heating elements for superior resistance to lime build-up. RotoSwirl™ cold water inlet tube helps prevent mineral build-up. External adjustment knob for easiest temperature adjustment. Indicator light shows when the upper element is on and limited hot water is available. Lower element handles normal needs while upper element quickly responds after heavy use.

B. Power Miser 10+'s insulation provides 20% more insulating effectiveness than The Economizer 5+ series. 2 1/2-in. polyurethane insulation (R-value 20.0). Roto-Swirl™ dip tube helps prevent mineral build-up. 2 Super Limeguard stainless steel heating elements for superior resistance to lime build-up. One element handles normal needs, other quickly heats water after heavy use. Indicator light shows when upper element is on and limited hot water is available. Heat trap nipples keep heat in tank when hot water is not in use. Control knob for easier temperature adjustment.

C. Power Miser 8+'s insulation provides 20% more insulating effectiveness than The Economizer 5 series. 2 1/2-in. polyurethane foam insulation (R-value 20.0). Roto-Swirl™ dip tube helps prevent mineral build-up, maintains efficiency. 2 Super Limeguard stainless steel heating elements for superior resistance to lime build-up; lower element handles normal needs, upper quickly responds to higher demands. Indicator light shows when upper element is on and there is limited hot water.

D. Power Miser 6+ electric water heaters have 2 inches of polyurethane foam insulation (R-value 16.67). 2 Limeguard heating elements resist lime build-up; lower element handles normal needs, upper quickly responds after heavy use.

E. The Economizer 5+ water heater has 2-in. polyurethane foam insulation (R-value 16.67). 1 Limeguard heating element resists lime build-up.

Kenmore electric water heaters on this page are factory set for 3800-watt operation; require 12 gauge wire and 20 amp fusing. At this setting they provide 17.3 gallons per hour of recovery at 90°F temperature rise. Units easily convert to 5500-watt operation. This requires 10 gauge wire and 30 amp fusing. At this setting they provide 25.0 gallons per hour of recovery at 90°F temperature rise. Conversion parts and instructions included.

KENMORE GAS WATER HEATERS...

A

Sears Best

● Power Miser 10 and Power Miser 8 gas water heaters exceed the federal energy standard and may qualify for energy efficiency rebates. Rebate programs are in place at the time of publication in the states of California, New York and Wisconsin. Check you local gas utility for details.

All the water heaters on these two pages have porcelain glass-lined steel tanks to resist corrosion. Safety features include adjustable thermostats with high-temperature safety energy cut-off and factory installed temperature and pressure safety relief valves. They all meet NAECA* and ASHRAE 90A energy standards.

A thru D. All water heaters feature 1 in. of energy-efficient polyurethane foam insulation (R-value 8.33), non-corrosive drain valves and energy saving pilots. Design certified by the American Gas Association. Order from charts on facing page.

Sears Best Power Miser 10 with limited 10 year warranty against tank leaks costs $12 to $17 less per year to operate than comparable size Power Miser 8

A. A unique combustion chamber and air intake design give this unit 80 to 85% recovery efficiency rate. Combustion air enters through side portholes and is preheated before it enters the combustion chamber. Stainless steel reflector shield surrounds burner and directs radiant heat to bottom of tank. High-domed tank bottom provides greater heat transfer surface to increase recovery; 5.1 gallons per hour more than the Power Miser 8. Roto-Swirl™ cold water inlet tube helps prevent mineral build-up...a major cause of lost efficiency. Heat-trap nipples help keep heat from escaping when water is not in use. 2 magnesium anode rods help fight corrosion. 2-stage ignition for quiet operation. High temperature safety cut-off. Accepts 3 or 4-inch vent. Limited 5-year parts warranty.♦ Natural gas only.

Power Miser 8 with limited 8 year warranty against tank leaks provides 24% more recovery per hour than our 40-gallon size Economizer 5 series

B. 76% recovery efficiency. Roto-Swirl™ cold water inlet tube helps prevent mineral build-up. 1 magnesium anode rod. Two-stage ignition for quiet operation. Accepts 3 or 4-inch venting; high-recovery models require 4-inch venting. Limited 4-year parts warranty.♦

Power Miser 6 with limited 6 year warranty against tank leaks provides 10% more recovery per hour than The Economizer 5 series

C. 1 aluminum anode rod. 76% recovery efficiency. Single stage ignition. Accepts 3-inch vent. Limited 3-year parts warranty.♦

The Economizer 5 comes with a limited 5 year warranty against tank leaks

D. One anode rod and single-stage ignition. 76% recovery efficiency. Accepts 3-inch vent pipe. Limited 1-year parts warranty.♦

ABOUT INSTALLATION: Water heater must be installed by a licensed plumber where law requires. These water heaters are for 1 or 2 family residences only, not for commercial use. 3/4-inch NPT water connections. 1/2-inch black iron pipe required for gas supply. AGA design certified connector can connect gas supply to water heater.

What size water heater do you need?

ABOUT SIZE: If your old water heater was adequate, order a new one with the same or slightly larger capacity. New, more efficient models are larger than previous models. Measure space if you plan on installing in a confined area to be sure new heater will fit. If your old heater was not adequate, allow 1 unit for each person, 1/2 unit for each bath, washing machine and dishwasher. Add units together and refer to chart below.

Recommended minimum tank size in gallons					
Total Units	Gas (Btuh)		Total Units	Gas (Btuh)	
	30-35,000	40,000		40,000	50-52,500
3	30	...	7	50	...
4	40	30	8	50	...
5	40	40	9	65	50
6	50	40	10	...	65

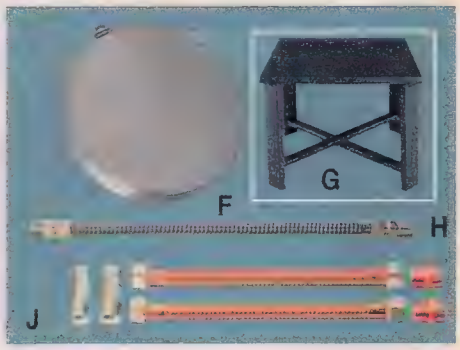
NOTE: This sizing guide is an estimate only. Where incoming water temperature is unusually warm, less capacity may be adequate. Where hot water usage is higher than normal, a higher capacity should be considered. In some cases the space available for installation may not allow a larger size water heater to be installed.

♦Warranted by Sears. Write for free copy, see page 1138.
*National Appliance Energy Conservation Act of 1987.

NEED HOT WATER FAST?

Selected models are in stock with 24 hour emergency installation available at most Sears Catalog Stores except Sundays and holidays. Call your local store for information.

WARRANTED AGAINST TANK LEAKS



HIGH ALTITUDE NOTE: When installed up to 3,300 ft. above sea level, order standard model only. When installed over 3,300 and up to 5500 ft. above sea level, order high-altitude model. When installed over 5500 ft., order high altitude model and contact your local gas utility or Sears Service Center for further required modifications.

27 gal.	0.89	21x25x36	42 R 31803N	141	$229.99
40 gal.	0.88	24x25x36	42 R 31813N	183	249.99

Power Miser 8, low as $11 monthly,** has a limited 8-year tank, 4-year parts warranty. Super Limeguard stainless steel heating element provides superior resistance to lime build-up. Roto Swirl™ dip tube helps prevent sediment buildup. Magnesium anode rod.

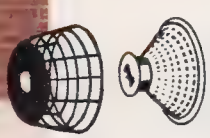
Tank size	Energy factor	WxDxH inches	Catalog Number	Wt. lbs.	Price
27 gal.	0.89	21x25x36	42 R 31823N	141	$279.99
40 gal.	0.88	24x25x36	42 R 31843N	183	329.99

B

B. Economizer 5 thru-the-wall direct vent gas water heater has limited 5-year warranty against leaks. 40-gallon unit vents horizontally, directly thru an exterior wall. Special vent kit brings in outside air for combustion; adjusts for wall thickness up to 10 inches. 40,000 Btuh input provides 40.4 gallons recovery per hour at 90°F. temperature rise. Energy factor 0.60. 1-inch of energy efficient polyurethane insulation (R-value 8.33). Includes 6-inch vent pipe, elbow, finishing plate and vent cap assembly. High temperature safety cut-off. Factory installed temperature and pressure relief valve. 21Dia.x48¾H inches to top of heater. Max. ht. with incl. vent kit, 63¾-in. AGA design certified. Req. no elec. Warranted.*

Nat. gas model. $10 monthly on Searscharge Plus.**
42 R 33361N—Wt. 195 lbs. **$449.99**
LP gas model. $11 monthly on Searscharge Plus.**
42 R 33371N—Wt. 195 lbs. **$499.99**

*Warranted by Sears or manufacturer. Write for free copy, see page 1139.
**See page 1144 for credit details.



Optional mesh vent grille must be used when local codes require or when vent cap is low enough to be touched (sold at right)

Optional extension venting kits, (not shown), for (B) at left, below. For application where water heater is located further than 10 inches from the exterior face of outside wall (maximum of 48 inches) or additional vertical height is needed (max. ht. 110 in.).

7-inch kit extends horizontal distance from 10 to 15½ in. or provides 72 to 77½ in. vertical height.
F 42 R 33017—Wt. 6.00 lbs. **$44.99**

12-inch kit extends horizontally from 15½ to 25½ in. or provides 77½ to 88½ in. of vertical height.
F 42 R 33012—Wt. 10.00 lbs. **$46.99**

23-inch kit extends horizontal distance from 26½ to 48 in. or provides 88½ to 110 in. of vertical height.
F 42 R 33023—Wt. 34.00 lbs. **$49.99**

Vent cap protective grille.
F 42 R 33025—Wt. 1.75 lbs. **$24.99**

C. Economizer 5 compact water heater, only $10 monthly,** features limited 5-year warranty* against tank leaks. 2-inch thick polyurethane foam insulation (R-value 16.67). On/off switch. Provides 7.5 gallons of recovery at 90°F. temperature rise. Glass-lined tank with one aluminum anode rod to help protect tank from corrosion. Factory-installed temperature and pressure relief valve. ¾-inch NPT side inlet and outlet water connections. Safety cut-off. One 1650-watt heating element. UL listed. 110-120-volt, 60 Hz., AC. Requires minimum 12-gauge wiring and 20-amp fuses. Available in all states.

Tank size, gal.	Energy factor	Diameter x height	Catalog Number	Wt. lbs.	Price

Sump pumps and battery-operated back-up pumps

A. .3-hp cast iron submersible sump pump pumps maximum 46 gpm.◆ 1½-inch pipe thread discharge. Automatic diaphragm switch. 6Hx9½D-inches. 8-foot, 3-wire cord. 115-volts. UL listed.
F 42 R 3055—Wt. 17 lbs. **$99.99**

B. ½-hp sewage ejector pump is ideal for sewage basin or heavy duty performance sump pump. Handles hair, lint, paper and solids up to 1⅝-in. without clogging. 2-in. discharge. Stainless steel motor housing, ABS plastic pump body. Max. 85 gpm.◆ Float switch. 12.8Hx15.5D-in. 115-v. UL listed.
F 42 R 30401—Wt. 10 lbs. **$169.99**

18x30-inch pump and ejector pit, (not shown), includes ½-hp sewage ejector pump and 2-inch check valve. Full flow 18x30-inch gas-tight basin.
F 42 R 30402—Wt. 35 lbs **$279.99**

2-inch PVC solvent weld full-flow check valve.
F 42 R 27890—Wt. 1.31 lbs **$21.99**

C and D. Sump pumps with permanently lubricated motors fit sumps with 12-inch or larger diameter. 1¼-inch discharge. Order check valve and hook-up kit, right. 115-volts. UL listed. Warranted.*

C. ⅓-hp pedestal sump pump. Corrosion-resistant ABS plastic. Float-operated double pole switch. 9Dx32H-in. Max. 50 gpm.◆ Max. amps 5.0.
42 R 3033—Wt. 11.25 lbs. **$67.99**

D. Craftsman ½-hp submersible sump pump has corrosion resistant thermoplastic and stainless steel construction. Dependable float switch. Max. 61 gpm.◆ 10Hx9D-in. Maximum 7.6 amps, 115-volt. Full 2 year warranty.*
42 R 3050—Wt. 11 lbs. **$114.99**

Discharge hose kit, (not shown), expels water from house. 24-ft. flexible corrugated polyethylene hose may be cut every 8 ft., install with any sump pump. Includes clamp, 1¼-in. plastic pipe adapter.
42 R 2790—Wt. 2.88 lbs. ..... Kit **$5.99**

Plastic check valve, (not shown), fits 1¼-in. pump discharge tappings. Adapts to 1¼ or 1½-in. piping.
42 R 2789—Wt. .38 lb. **$6.99**

Hook-up kit, (not shown), for all but (B) fits 1¼ or 1½-in. pipe. Incl. rigid pipe, flexible connector, reducers and clamps.
42 R 2771—Wt. 1.19 lbs. ..... Kit **$7.99**

Replacement float switch with piggy-back plug (not shown). Operates any sump pump equipped with a float-type switch.
42 R 3031—Wt. 1.00 lb. **$24.99**

E and F. Submersible sump pumps with permanently lubricated motors fit sumps with diameters of 12 inches or larger. 1¼-inch discharge. 115-v. Order check valve and hook-up kit above. Warranted.*

E. ¼-hp pump has corrosion-resistant pump body and impeller. Epoxy-coated motor housing, stainless steel hardware. Dependable float switch. 9Dx10H-in. Max. 38 GPM.◆ Max. amps 8.5. UL listed.
42 R 30455K—Wt. 8.56 lbs **$64.99**

F. ⅓-hp pump has corrosion-resistant cast iron and plastic body. Dependable float switch. 9Dx10H-in. Max. 50 GPM.◆ Max. amps 8.0. UL listed.
42 R 3046—Wt. 14.13 lbs. **$89.99**

◆Gallons per minute at 5-foot lift.
Items with an 'F' prefix, allow 10 days for delivery.

G. Ace in the hole™ stand-by submersible sump pump, pumps up to 4 hours on single charge, up to 5500-gallon. Battery-operated. Triggered by liquid-level sensor switch. High volume cap. 1200 GPH at 10-ft. lift. Uses 12-v. RV/marine battery up to 8Wx13Lx9½H-in. Thermoplastic. 1¼-in. discharge; built-in check valve, pump mounting hardware included. 6½Dx7½H-in. Warranted.*
F 42 R 3062—Wt. 19 lbs. **$219.99**

Extended operation kit, connects second battery to (G). Includes battery box and hardware.
F 42 R 2787—Wt. 4.00 lbs. **$39.99**

H. Craftsman 12-v. automatic back-up sump pump system provides back-up protection if regular sump pump fails or during power outage. Powerful 10-amp, solid state charger keeps full charge thru continuous monitoring, ext. battery life by preventing over-charging. Power on, charging and fully charged indicator lights plus a pump operating and low battery voltage alarm. Delivers up to 22 gpm◆. Use any 12-v. deep cycle marine battery (not incl.), not larger than 7Wx12⅝Lx9⅜H in., incl. terminals. Pumps up to 7750 gal. on single charge when used with size 27M deep cycle marine battery. Tee and reducer bushings incl. Installs on 1¼ or 1½-in. PVC pipe. Incl. check valve. Not rec. as primary sump pump. If primary pump has no in-line check valve, one must be install. between primary and back-up pump (left). Over-load protected. Full 2-yr. warr.*
42 R 30606—Wt. 16 lbs. **$199.99**

Battery back-up sump pump installation kit, for shallow, small-diam. sumps. Allows install. of (H) in sumps less than 22-in. deep, 12-in. in diam.
F 42 R 2785—Wt. 1.00 lbs **6.99**

ELECTRIC PUMPS

A. High-pressure sprinkler pump has Hydro-Glass® construction, resists corrosion. Discharge pressure as high as 50 lbs. per sq. in. Suction lift limit is 20 feet. Continuous-duty, permanently lubricated motor has overload protection. 1 1/2-inch suction and discharge tappings on 1 and 1 1/2-HP models; 2-in. on 2-HP. Wire directly to power source. UL listed. Full 1-year warranty, limited 2-year warranty*.

B. Portable 1/4-hp unit pumps from pools as shallow as 1/2-in. deep. Screened bottom inlet pumps clean to within 1/8-in. of floor. Typical performance is 29 gals. per min. at 5-ft. lift. Corrosion-resistant thermoplastic. 1 1/4-in. discharge. 3/4-in. garden hose adapter. Carrying handle. Sealed-in oil, continuous-duty motor is overload protected. Removable cord, plug. Not intended to replace a regular sump pump. UL listed. 115-v. Warranted*.
F 42 R 2695—Wt. 8.38 lbs **$64.99**

C. Portable 1/6-hp pump is same as (B) but typically runs at 19 gals. per min. at 5-ft. lift. Warranted*.
F 42 R 2694—Wt. 8.00 lbs. **$49.99**

D. Handy pump for temporary use delivers 6 gals. per min. at 5 lbs. discharge pressure. 20-ft. suction lift limit. Two 6-ft. coupled garden hose and one strainer, 115-v. Warranted.*
F 42 R 2691—Wt. 8.50 lbs. **$64.97**

E. Portable electrical utility pump for pumping water from flooded areas, emptying boats, filling or draining stock tanks. Boosts water pressure by 40 PSI for high pressure cleaning. Use with reinforced garden hose to eliminate suction line collapse and pump damage. Delivers up to 18.5 gpm. Suction lift limit is 15-ft. to water. 3/4-in. suction and discharge tappings. Incl. 3/4-in. garden hose adapters. Thermoplastic body and impeller offer corrosion resistance. Overload protected 115-v. brush-type motor with extra brushes. Not intended for continuous operation. 6-ft. grounded power cord. Full 1-year warranty.*
42 R 26025—Wt. 13.50 lbs **$119.99**

For information on pumps (A) and (E), call 1-800-432-4029. For information on (B), (C) and (D), call 1-800-HOT-PUMP

GAS POWERED PUMPS

A. 3/4-hp lightweight pump weighs just 9 lbs. 2 cycle engine pumps 31 gpm◆ with 20 ft. suction lift. Uses 1-in. suction hose with strainer (incl.), discharges thru garden hose. Couplings, adapters.
F 42 R 26314—Wt. 12.75 ..... **$149.99**

B. Corrosion-resistant thermoplastic pumps handle clear liquids and mild abrasives. Glass filled polyester construction insures strength and portability. Briggs & Stratton engine. 20-ft. suction lift limit. 2-in. suction and discharge tappings. Stainless steel/Buna shaft seal. Hex nipples included. Warranted.*

3-hp pump delivers 121 gpm.◆ 94-ft. max. head.
42 R 26315—Wt. 38 lbs **$279.99**

5-hp pump delivers 128 gpm.◆ 125-ft. max. head.
42 R 26316—Wt. 43 lbs **$319.99**

C. 2-in. trash pumps designed for pumping water containing stones, sticks, mud, other debris up to 1-in. diam. Sand cast constr. Briggs & Stratton engine. 20-ft. suction lift limit. Stainless steel steel/Buna shaft seal. Hex nipples, roll cage. Warranted.*

3-hp pump with 2-in. suction and discharge tappings. All cast iron construction. Handles 1-in. diameter solids. 132 gpm.◆ 54-ft. maximum head.
42 R 26313—Wt. 60 lbs **$369.99**

5-hp pump. 2-in. suction/discharge tappings. Cast aluminum constr., cast iron wear parts. Handles 1 1/8-in. diam. solids. 156 gpm.◆ 94-ft. max. head.
42 R 26317—Wt. 80 lbs **$469.99**

D. 1.6-hp general purpose pump with 2-cycle engine pumps 38 gpm.◆ 1-inch suction and discharge tappings. Adaptable for garden hose on discharge, 3/4-in. brass adapter included. Use 1 inch suction hose (2745) sold below. Cast aluminum construction with stainless steel/Buna shaft seal.
42 R 2633—Wt. 13 ..... **$219.99**

E. 3-hp cast iron pump with stainless steel/Viton seal allows for wide range of farm, constr. site applications. Use on muddy, sandy water, herbicides, insecticides, liquid fertilizer. 3-HP Briggs & Stratton engine pumps 150 gpm.◆ 20-ft. suction lift limit. 2-in. suction/discharge tappings. Use 20-ft. suction hose, sold below. Nipples incl.
42 R 2631—Wt. 57 ..... **$299.99**

F. High flow dewatering/irrigation pump. 5-HP Briggs & Stratton engine pumps 194 gpm.◆ 20 ft. suction lift limit. 3-in. suction/discharge tappings. Cast aluminum constr., cast iron wear parts. Stainless steel/Buna shaft sleeve. Roll cage, nipples incl. Warranted.*
42 R 26318—Wt. 71 lbs **$499.99**

SUBMERSIBLE WELL PUMPS

A

Our energy efficient pumps deliver water in amounts and at pressures that exceed most municipal systems!

Delivers city water pressure...

Plenty of water when you need it!

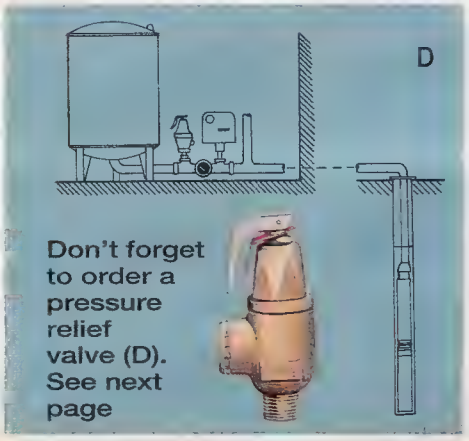
We believe these pumps are the best you can buy—and we back them up with a full 1-year and limited 3-year warranty! New stainless steel and Hydro-Glass® thermoplastic construction gives our submersible pumps more complete defense against rust, corrosion and scale, which shorten pump life. Power bonus motors provide up to 80% more horsepower than our ratings show. Water-filled motors are designed for constant lubrication. All pumps have the 40 to 60-lb. operating pressure needed for modern appliances. Built-in overload and power surge protection prevents pump damage from power surge. Built-in check valve prevents water from draining back into well. Complete instructions included for simplified installation. U.L. Listed.

Installation Note: All residential and limited-capacity pumps are tapped 1¼ inch. Use 1¼ to 1 inch reducer bushing to connect to 1 inch pipe. Use 1-inch 100-lb. polyethylene pipe to 100 feet, 1-inch 160-lb. deep well polyethylene pipe to 220 feet and 1-inch galvanized pipe for any greater depth. High-capacity pumps are tapped 1¼ in. Use 1¼-inch 100-lb. polyethylene pipe to 100 feet, 1¼-inch 160-lb. deep well polyethylene pipe to 220 ft. and 1¼-in. galvanized pipe for any greater depth. Use safety rope with polyethylene pipe. Polyethylene pipe sold on p. 573. Also see manifold kit sold on facing page.

Tank Note: If pump is used with Captive Air® tank, no air volume control is needed. If used with conventional tank, order air volume control kit sold on facing page.

B

C



D

AND ACCESSORIES

A. Replace your old, worn out pump now and enjoy all the benefits of plenty of water and pressure throughout your home. Our residential submersible pumps are designed to fill the needs of most homeowners. Dishwashers, automatic washing machines and other modern water-using appliances work better because these pumps deliver an average of 10 gallons per minute of water and 40 to 60 pounds per square inch pressure.

These dependable and powerful pumps fit wells with 4-inch or larger diameters. Includes electrical cable splice kit. Be sure to install a pressure relief valve (D) when installing your pump. Pressure switch, pressure guage, manifold kit and waterproof copper cable sold separately to complete installation.

Three wire pumps require new above-ground control center, sold below. These new pumps cannot be installed with Sears control boxes purchased prior to 1991.

Two-wire residential-capacity pumps . . . deliver an average capacity of 10 gallons per minute. Two-wire residential pumps have a capacitor-start motor that needs no separate control box since starting components are inside the pump. This enables the use of less expensive 2-wire pump cable. U.L. Listed.

Motor HP		Volts	Max. load amps	Impeller stages	Depth to water, in feet	Gallons per minute in depth range	Catalog Number	Wt. lbs.	Price
Rated	Actual								
1/2	.80	115	11.9	6	20-100	13.6-8.6	42 R 28551	24	$289.99

3/4	1.125	230	8.0	8	60-175	13.5-7.9	42 R 28553	29	329.99

Three-wire residential-capacity pumps . . . deliver an average capacity of 10 gallons per minute and are designed to fill the needs of most home owners. Starting controls are located in above-ground control box, sold separately, for ease of servicing without removal of pump from well. Require 3-wire pump cable. U.L Listed.

Motor HP		Volts	Max. load amps	Impeller stages	Depth to water, in feet	Gallons per minute in depth range	Catalog Number	Wt. lbs.	Price
Rated	Actual

Three wire limited-capacity pump . . . delivers an average capacity of 7 gallons per minute—specifically designed for use on wells delivering less than 10 gallons per minute. Prevents damage to pump due to over-pumping well. Requires 3-wire pump cable. U.L. Listed.

Motor HP		Volts	Max. load amps	Impeller stages	Depth to water, in feet	Gallons per minute in depth range	Catalog Number	Wt. lbs.	Price
Rated	Actual								
1/2	.80	230	8.0	11	20-200	10.8-2.8	42 R 28400	26	$299.99

Three-wire control boxes (sold below) must be ordered with 3-wire submersible pump. All 2 and 3-wire pumps require 40-60-lb. pressure switch 42-2782 sold at right.

B. Three-wire control center: Standard control centers feature single capacitor for powerful pump starting in 1/2 through 1 HP models only. Energy-efficient control centers feature second capacitor for quiet, smooth and more efficient operation. Power usage is reduced by as much as 15% over standard control centers. Energy-efficient control center not available for 115V pump model. These new control centers cannot be installed with Sears three wire submersible pumps purchased prior to 1991. (28000 Series) U.L. Listed.

Pump HP	Pump volts	Standard models			Energy efficient models		
		Catalog Number	Wt. lbs.	Price	Catalog Number	Wt. lbs.	Price
1/2	115	42 R 28411	3	$49.99	...	...	...
1/2	230	42 R 28412	3	49.99	42 R 28422	6	$69.99

3	230	...	...	...	42 R 28427	9	149.99

C. Pump guard automatically shuts pump down when water level drops below pump level. 1 1/2-inch tapping can be reduced to 1 inch with bushing (not included). For 115 or 230-volt pumps. Check local codes before ordering. Warranted by Sears. Write for free copy, see page 1139.
42 R 2720—Wt. 3.06 lbs **$69.99**

D. Pressure relief valve must be installed on all submersible pumps to help prevent damage from excessive pressure that could develop with pressure switch malfunction. See manifold kit (G) for simplified installation.
42 R 27220—Wt. 1 lb **$19.99**

E. Plastic centering devices for 4, 5 or 6-in. diam. well casing, 1, 1 1/4 or 1 1/2-in. drop pipes. Use 1 every 15 ft. Package of 8.
42 R 2724—Wt. 1.13 lbs ..... Pkg. **$8.99**

Cable splice kit (not shown) includes 3 plastic water-tight connectors for 10, 12 and 14-gauge wire.
42 R 2753—Wt. .19 lbs ..... Kit **$5.99**

F. Waterproof copper cable with ground wire for connecting submersible well pump to power source. Thermoplastic coating resists abrasion. Splice kit included.

Cable	Gauge	Length, ft.	Catalog No.	Wt. lbs.	Price
2-wire	12	125	42 R 27102	11	$39.99

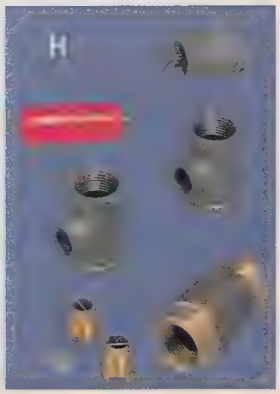
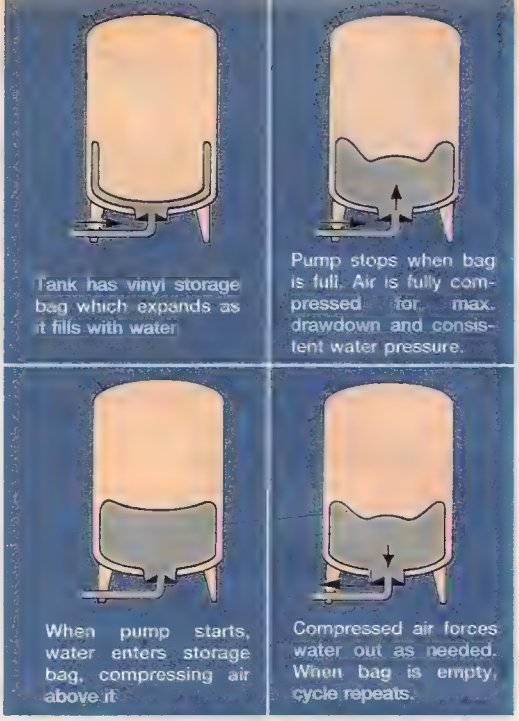
40-60-lb. pressure switch (not shown). 1/4-in. threads.
42 R 2782—Wt. .88 lb **$18.50**

Pressure gauge (not shown) fits 1/8-in. tappings. Includes 1/4-in. x 1/8-in. reducer bushing.
42 R 2768—Wt. .31 lb **$7.50**

For information on pumps, call 1-800-432-4029





Captive Air® Tanks

A. Compare a Captive Air® tank with any equal-size standard tank and you'll find an amazing difference: an ordinary tank's air charge can be absorbed by the water, causing the pump to cycle frequently—a common cause of pump failure—but the Captive Air tank keeps water and air separated so tank can't lose performance due to absorbed air. This allows Captive Air tanks to do the job of tanks twice their size. You get stabilized water pressure with increased, steady water flow and less energy use. Since waterlogging is eliminated, no air volume control is needed. Storage bag resists acids and alkalies and keeps water away from metal tank so water won't taste rusty or metallic. 6-gallon tank is for horizontal jet pump, others are for jet and submersible pumps. 19-gallon meets FHA requirements to replace a conventional 42-gal. tank. Working pressure 100 psi. Heavyweight steel, enameled exterior. Full 3-year warranty and limited 5-year warranty, see warranty below. See "N" suffix note, p. 1138.

Size	Draw-down in gal.	Diam. x height in inches	Disch. size, inches	Catalog Number	Wt. lbs.	Price
6-gal.	2.0*	12x16	3/4	42 R 29115	19	$54.99
19-gal.	6.3	20x23	1	42 R 29155	48	99.99
36-gal.	11.4	20x35	1	42 R 29165N	72	129.99
50-gal.†	18.3	24x36	1 1/4	42 R 29169N	92	169.99
85-gal.†	29.2	24x53	1 1/4	42 R 29175N	126	199.99

*With 20 to 40-lb. pressure setting
†50 and 85-gal. tanks do not have pump mounting bracket. 6-gal. tank mounts directly to pump.
Full 3-year Warranty for Captive Air Tanks: For 3 years, Sears will replace defective tanks. Limited Warranty: After 3 years and through 5 years from the date of purchase, Sears will furnish replacement parts, not including labor. Write for free copy of Sears complete written warranty, see p. 1139.

Special application Captive Air® Tanks

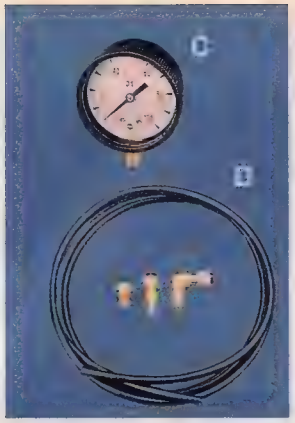
B and C. Tanks are like (A), but instead of a storage bag, water is pumped into a reservoir which compresses a diaphragm into the air chamber. Warranted by Sears. Write for free copy, see page 1139.

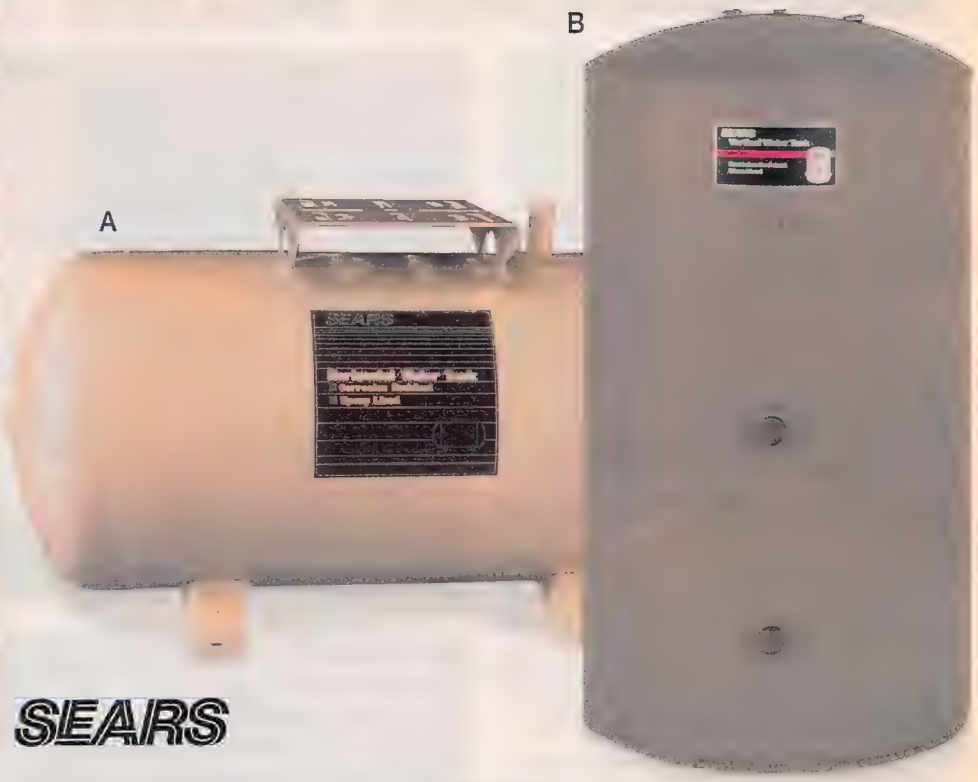
B. Horizontal tank has a butyl diaphragm to separate air from water. No air volume control needed. Heavy-gauge steel. 1-in. NPT pipe fitting. Includes bracket to mount pump. 14Dx17 3/8Hx27 1/8L in.
42 R 29100—Wt. 32 lbs **$99.99**

C. Vertical Tank for use with 1/2-HP or smaller jet pumps wherever space is limited. Durable butyl diaphragm separates air and water. No air volume control needed. 3/4-in. NPT pipe fitting. Easily installed, mounts directly on pump. 8 3/8Dx12 9/16H in.
42 R 2909—Wt. 5 lbs **$31.99**

Note: All new pump tanks should be installed with a new pressure relief valve, item (D) sold on page 571.

For questions or product information, call 1-800-432-4029





SEARS

Conventional storage tanks

Horizontal tanks for jet or submersible pumps

- Epoxy-lined to help keep tank rust-resistant and water clean
- Heavyweight steel tank

Vertical tank for jet or submersible pumps

- Glass-lined to keep tank rust-resistant and water clean
- Built-in anode rods to guard against corrosion
- Air volume control tappings are at levels to provide efficient air cushion
- Heavyweight steel tank

A. Conventional epoxy-coated horizontal tanks made of high-grade steel. Components are chemically cleaned and dried. Two catalyzed epoxy coatings inside tank provide superior corrosion protection. See "N" suffix note on page 1138.

Tank size, gal.	Diam. x height, inches	Water connections (NPT)	Catalog Number	Wt. lbs.	Price
30	16x18 1/2	1 1/4-in.	F 42 R 29503N	36	$89.99
12	12x15	1 1/4-in.	F 42 R 29502N	25	64.99

B. Conventional glass-lined vertical tanks. 1/4-in. air volume control tapping for jet pumps; 1 1/4-in. for submersible pumps. For submersible pumps, order air volume control kit 2770 (residential) or 2756 (high-capacity), both sold on page 571. One water connection 6 3/8-in., one water connection 3 7/8-in. on center above tank bottom. For jet pumps, order air volume control kit below. Working pressure 75 PSI. Warranted by Sears. Write for free copy, see p. 1139.

Tank size, gal.	Diam. x height, inches	Water connections (NPT)	Catalog Number	Wt. lbs.	Price

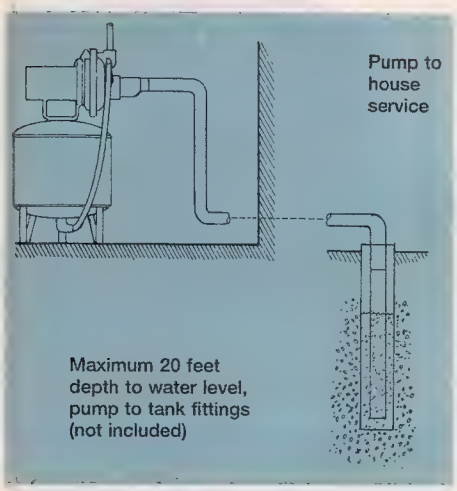
(Not shown)
42 R 27401—1 1/2-in. Wt. .56 lbs 15.99

R. Rotary drum pump. Cast-iron casing construction with carbon vanes. For dispensing and transfer of lubricants, fuel oil and other non-corrosive liquids. Self-priming. 9 GPM ar 125 RPM. 1-in. NPT inlet. 3/4-in. NPT discharge. 2-in. bung adapter and 40-in. suction tube are included.
42 R 27492—13.25 lbs $34.99

S. Stainless steel drum pump. Hand-operated piston driven. 304 stainless steel construction. Teflon® components and suction tube. For acids, solvents, Perchlorethylene and other liquids compatible with 304 stainless steel. 8-oz. per stroke flow rate. 2-in. bung adapter, suction tube included.
42 R 27491—3.25 lbs $84.99

AMERICA'S BEST SELLING JET PUMPS

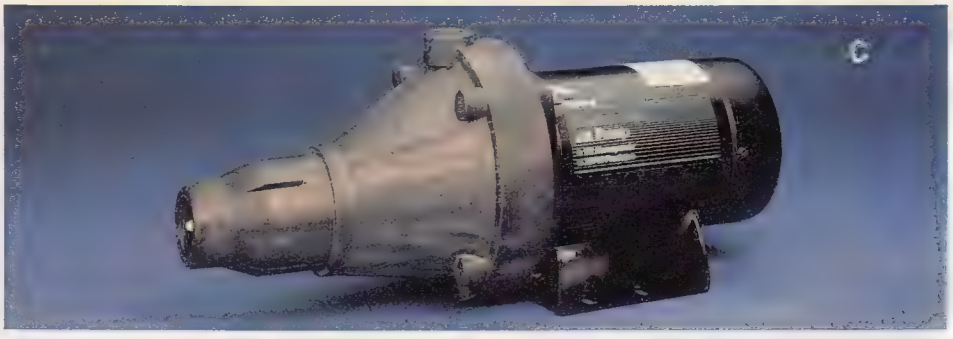


A thru E. Pumps feature powerful performance, are virtually maintenance-free. Lexan® plastic impellers and diffusers withstand abrasion and wear. Sealed starting mechanism means protection against dust, dirt and insects . . . all common causes of pump failure. Lubricated and sealed ball bearings mean longer pump life, quieter operation. Hydro-Glass® Thermoplastic construction (except A) won't rust or corrode. Warranted.* See tank note, facing page.

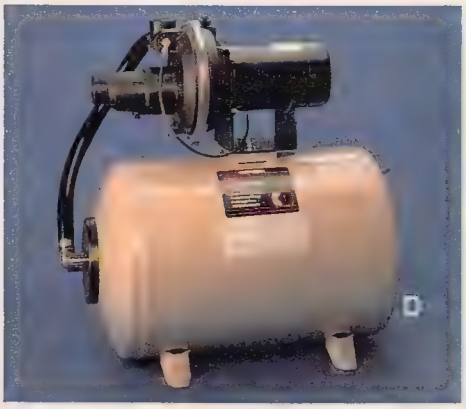
A. Sears cast iron shallow well pump features a split-phase motor. 1/2-HP rated motor actually delivers 0.65 HP. Pumps 7.3 to 4.2 typical gpm.♦ Built-in jet and check valve. Self-priming after initial start-up. 1 1/4-inch suction, two 3/4-inch discharge tappings. 20 1/2Wx8 1/2Lx 11 1/2H in. Max. 9.4 amps. 115 volts only. 20/40 PSI.† Full 1-yr. warranty. UL listed.
42 R 25025—Wt. 43 lbs **$144.99**

B. Sears Best Craftsman® Hydro-Glass® shallow well jet pump. Simplified installation. 3/4-HP rated motor actually delivers 0.95 HP. Pumps 10.9 to 7.5 typical gpm.♦ Built-in jet and check valve. Self-priming after initial start up. 1 1/4-in. suction, two 1-in. discharge tappings. 21Lx11Wx12H in. Max. 12.4/6.2 amps. 115/230 volts. 40/60 PSI.† Full 1-yr. limited 3-yr. warr. UL listed.
42 R 25188—Wt. 29 lbs **$219.99**

C. Sears corrosion-resistant shallow well jet pump has lightweight, corrosion-resistant construction. 1/2-HP rated motor delivers 0.65 HP and pumps 7.3 to 4.2 typical gpm.♦ Built-in jet and check valve. Self-priming after initial start-up. 1 1/4-inch suction, 3/4-inch discharge tapping. Max. 9.4 amps. 115 volts only. 20 to 40 PSI.† Full 1-year warranty.* UL listed.
42 R 25028—Wt. 23 lbs **$119.99**



D. Craftsman® shallow well jet water system has lightweight Craftsman® pump with Hydro-Glass® corrosion-resistant construction. 1/2-HP motor delivers 0.65 HP and pumps 8.2 to 5.0 typical gpm.♦ Built-in jet and check valve. Self-priming after initial start-up. 1 1/4-in. suction. 1-in. discharge tappings. 30 to 50 PSI.† 19-gallon horizontal Captive Air® tank is heavy-gauge steel with a vinyl storage bag to keep water and air separated. Drawdown is 5.5 gallons at 30/50 pressure; eliminates waterlogging, increases efficiency. 18Dx30Hx32L in. Max. 8.8/4.4 amp, 115/230 volts. Full 1-year, limited 3-year warranty.*
42 R 25215N—Wt. 84 lbs **$269.99**



E. Craftsman® Hydro-Glass® shallow well jet pump similar to (B) above. 1/2-HP rated motor actually delivers 0.65 HP. Pumps 8.2 to 5.0 typical gallons per minute.♦ Max. 8.8/4.4 amps. 115/230 volts. 30 to 50 PSI.† UL listed.
42 R 25148—Wt. 30 lbs **$184.99**

Pump/Tank fittings kit (not shown) to connect jet pump to tank. For all Sears/Craftsman jet pumps
42 R 2788—Wt. 2.50 lbs **$12.99**

♦Gal. per min. at 40 lbs. pressure in 5 to 20-ft. water levels.
*Warranted by Sears. Write for free copy, see p. 1139.
†Pounds per square inch water pressure.

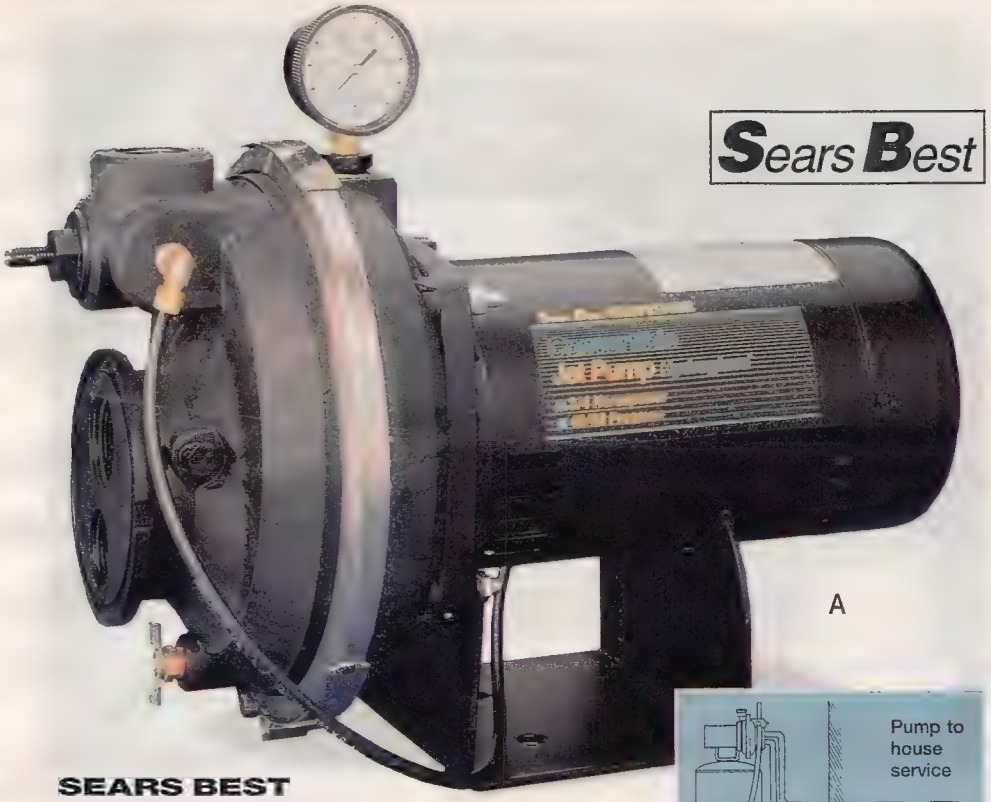
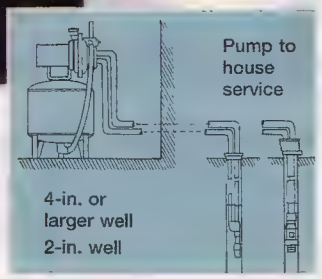
DEEP WELL JET PUMPS



Sears Best

A



SEARS BEST
Craftsman® Convertible Jet Well Pump

- For water depth up to 90 feet
- Full 1 year warranty
- Limited 3 year warranty

A and B. Warranted.* See tank note, below.

A. Sears best Craftsman® convertible jet well pump. Tough Hydro-Glass® pump construction won't rust or corrode, keeps pumps lightweight for easier installation. Delivers 40 to 60 PSI† water pressure. Capacitor-start motor uses less starting energy than Sears models. Adapts to shallow wells to 20 ft.; deep wells to 90 ft. depending on jet package used (sold at right). 1¼-in. suction, 1-in. pressure, two 1-in. discharge tappings.

¾-HP rated motor actually delivers 0.95 HP. 17⅝Lx11Wx12½H in. Max. 12.4/6.2 amps. 115/230 volts. UL listed.
42 R 25198—Wt. 29 lbs **$199.99**

1-HP rated motor actually delivers 1.25 HP. 18⅜Lx11Wx12½H in. Max. 14.8/7.4 amps. 115/230 volts. UL listed.
42 R 25228—Wt. 31 lbs **$219.99**

Sears Convertible jet well pump (not shown) like (A) except delivers 30 to 50 lbs. per sq. in. water pressure, and no capacitor-start. ½-HP motor actually delivers 0.65 HP. Max. 9.4 amps. 115 v. only. 17⅝Lx11Wx12½H in. 1 full year limited 2 year warranty. UL listed.
42 R 25118—Wt. 26 lbs **$159.99**

B. Multi-stage jet pumps. Gallons per minute depend on jet package used and water level. Cast-iron body, over-load protection, stainless steel shaft, mechanical shaft seal. Lexan® impellers. 40/60 PSI.† 1¼-in. suction, 1-in. discharge tappings. Full 1 year warranty.

¾-HP rated motor actually delivers 1.25 HP. 2 impeller stages. 1-in. pressure tapping. Max. 14.8/7.4 amps. 115/230 v. 10Wx 13½Lx17H in.
42 R 25315—Wt. 67 lbs **$309.99**

1-HP rated motor actually delivers 1.65 HP. 2 impeller stages. 1¼-in. pressure tapping. Max. 19.2/9.6 amps. 115/230 v. 10Wx 13½Lx18H in.
42 R 25325N—Wt. 73 lbs **$324.99**

1½-HP rated motor actually delivers 2.20 HP. 3 impeller stages. 1¼-in. pressure tapping. Max. 12.0 amps. 230 v. only. 10Wx 13½Lx20½H in.
42 R 25335N—Wt. 93 lbs **$429.99**

TANK NOTE: Pumps used with Captive Air® tanks (sold on page 572) do not need air volume control. If pump will be used with conventional tank, order air volume control (2761) on page 573.
*Warranted by Sears. Write for free copy, see page 1139.

Jet packages for (A)

Shallow-well jet package (not shown). For use where water level is 20 ft. or less, pump to water. Use 1¼-inch suction pipe if offset (horizontal distance between pump and well) is less than 25 feet; 1½-inch pipe for 25 to 100 feet; 2-inch pipe for 100 to 300 feet. 1¼-inch suction tapping. Wt. 2.19 lbs.

For pump	Typical gpm delivered◆	Catalog Number	Price
25228	17.0-10.5	42 R 29650	$34.99
25198	10.9-7.5	42 R 29650	34.99
25118	8.2-5.0	42 R 29650	34.99

Deep well jet packages (not shown) for 2-inch diameter wells. Include well casing adapter and single pipe jet. Use 1¼-inch galvanized steel suction pipe in well, 100-lb. polyethylene pipe from well to pump (1-in. pressure, 1¼-in. suction).

For pump	Depth to water in feet	Typical gpm delivered◆
25228	20-90	5.0-2.1
25198	20-80	6.1-1.6
25118	20-70	3.4-1.3

42 R 29670—Wt. 13 lbs **$69.99**

Deep well jet package (not shown) for 3-inch diameter wells, same as above except more performance.
42 R 29902—Wt. 13 lbs **$79.99**

Deep well jet package (not shown) for 4-in. or larger diameter wells needs 100-lb. polyethylene pipe in well and from well to pump. 1-in. pressure, 1¼-in. suction for 50 ft. or less of offset.

For pump	Depth to water in feet	Typical gpm delivered◆
25228	20-90	8.2-2.2
25198	20-90	6.6-1.6
25118	20-60	4.1-1.8

42 R 29660—Wt. 7 lbs **$34.99**

Jet packages for (B)

Single-pipe jet package (not shown) for 2-in. diameter wells included well-casing adapter. See note below.

Rated pump	Depth to water in feet	Typical gpm delivered◆
¾ HP	40-120 ft.	8.3-2.4
1 HP	40-180 ft.	11.3-2.0
1½ HP	40-240 ft.	12.0-1.6

42 R 29670—Wt. 13 lbs **$69.99**

Single-pipe jet pkg. (not shown) for 3-in. diam. wells is same as above except performance will be slightly more. See note.
42 R 29902—Wt. 13 lbs **$79.99**

Double-pipe jet package (not shown)for 4-in. or larger diam. wells. See note below.

Rated pump	Depth to water in feet	Typical gpm delivered◆
¾ HP	40-120 ft.	8.4-2.7
1 HP	40-210 ft.	11.7-2.1
1½ HP	40-280 ft.	12.2-2.3

42 R 29660—Wt. 7 lbs **$34.99**

NOTE: Polyethylene pipe sold on page 573. For single-pipe jets, use 1¼-in. galvanized suction pipe in well; from well to pump, use polyethylene pipe.§ Well casing must be in good condition. For double-pipe jets: for water levels as deep as 220 feet, use 160-lb. test deep-well polyethylene pipe.§ For water levels over 220 feet deep, use 1¼-inch galvanized pipe in well; from well to pump, use polyethylene pipe.§
§1-inch pressure, 1¼-inch suction for ¾-HP pumps; 1¼-inch pressure and suction for 1 and 1½-HP pumps. Pipe sizes are for less than 25-foot offset between pump and well. For 25 to 100-ft. offset, use 1¼-in. suction pipe and 1¼-in. pressure pipe. For 100 to 300-ft. offset, use 2-in. pressure and suction pipe for all 3 pump sizes.
◆Gallons per minute delivered at 40 lbs. pressure within depth range.

KENMORE WATER SOFTENERS

Soft water for a softer life

Hard water is hard on your plumbing, reduces the life of your water heater

Skin and hair feel softer. Clothes feel softer, last longer

A water softener can save you up to 80% of your expense for household and personal soap products

Soft water makes the difference

All of our Kenmore® water softeners have these fine quality features: A full 10 year warranty♦ against leaks on the outer brine tank and inner resin tank. High-strength fiberglass resin tank is approved by the National Sanitation Foundation. Solid state controls are easy to program and contain super capacitor which eliminates the need for battery backup (except (D)), units sense power outages and store programs; no need to reset controls when power comes back on. New rotary disc valve has the fewest moving parts of any water softener valves we've ever sold...fewer parts mean higher reliability. 24-volt transformer makes installation easier and more convenient. Just plug into a standard household outlet...no other electrical connections are necessary! Food-grade resin that complies with FDA reg. 173.25 used with all of our water softeners; resin used on potable water to remove undesirable ions. Industry validated by the Water Quality Association.

Helpful definitions

Hardness: expressed in grains per gallon; 3 grains is considered hard water and should be softened

Regeneration: the resin beads in a softener soak up hardness minerals from water. When the beads become saturated, salt water is flushed thru the beads to remove the minerals

Capacity: the amount of hardness grains removed before the softener has to regenerate. The harder the water, the more often a particular water softener has to regenerate

Efficiency: the grains of hardness removed per pound of salt. The higher the efficiency, the more soft water you get per pound of salt

Sears Best

The Genius 50, 80 and 100

- Extra-high capacity
- Maximum salt efficiency
- Use with Resin Mate system for extra iron removal

The Kenmore Genius-The softener with a brain

The Genius uses demand technology to give you the most salt-efficient water softener we sell. It regenerates only when needed based on your actual water usage - simply enter time and water hardness you want and the Genius does the rest!

- The Genius knows the most efficient salt dosage for your particular water type and uses only what's needed, when it's needed
- The Genius saves you time, money and effort in maintaining a salt supply

- Most softeners assume how much water you use - at all times
- The Genius measures the exact amount of water you use - whether you're on vacation or have extra company
- Includes "recharge now" and "recharge tonight" features

Genius 50

A. $12 monthly. Sears Best.** 38% more salt-efficient than the Kenmore 30.‡ Extra capacity has 18,600 hardness grains maximum capacity. Removes 2 ppm* clear water iron, 4 ppm using the Resin Mate system (C) on page 576. 170 lb. salt storage capacity. 17Dia.x42½H in.
42 R 34851N—Wt. 77 lbs. **$529.99**

Genius 80

B. $13 monthly. Sears Best.** 58% more salt-efficient than the Kenmore 30.‡ Extra-high capacity has 23,500 hardness grains max. capacity. Removes 3 ppm* clear water iron, 6 ppm using the Resin Mate system (C) on page 576. 230 lb. salt storage capacity. 17½x47½ inches.

Have Sears test your drinking water

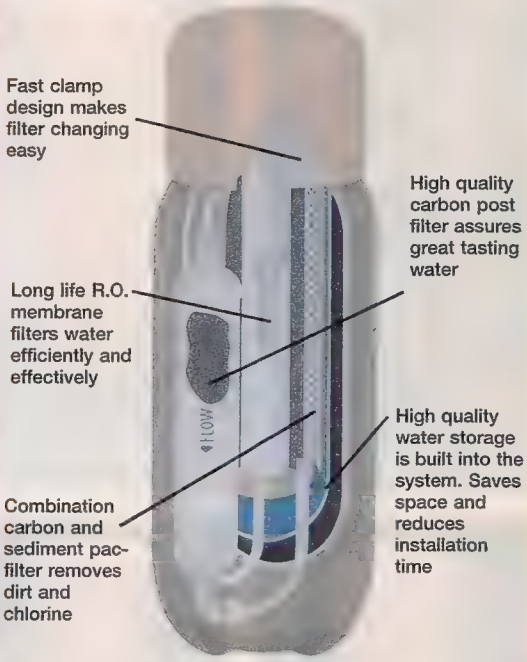
Testing by Water Test Corporation

Water Test includes analysis for Coliform bacteria, nitrates, 12 metals including lead and arsenic and 12 volatile organic chemicals, including benzene, ethylbenzene and TCE which may contaminate water from rusted storage tanks.

The Water Test sampling kit contains everything you need to draw your drinking water sample properly and ship it safely back to the lab for analysis. Return shipping cost is prepaid: you call a toll-free number to arrange for the kit to be picked up at your home. The lab will analyze your sample and send you an easy to understand report telling you everything you need to know about your water.**
F 42 R 3445—Wt. .88 lb **$89.95**

To order Water Test call 1-800-366-3000

Reverse Osmosis Drinking Water System Compare the features:



A. $12 monthly.‡ New undersink Reverse Osmosis Drinking Water System. This revolutionary new system out performs many conventional methods because it produces more water, takes up to 46% less space, has 1/3 less fittings and is much easier to install. Plus this unit is great for replacing your conventional system.
F 42 R 34703—Wt. 12.50 lbs **$349.00**

B. Deluxe electronic monitor. Green light indicates when high quality water is being produced by the system. When substances build up in the filter an amber light indicates that it is time for a maintenance check. Designed for use with (A) reverse osmosis system.
F 42 R 34704—Wt. .40 lb **$129.00**

$10 monthly.† Combination unit (not shown) includes (A) and (B).
F 42 R 34705—Wt. 13 lbs **$449.00**

NOTE: (A) is ineffective against bacteria and high levels of hardness materials (over 10 grains).

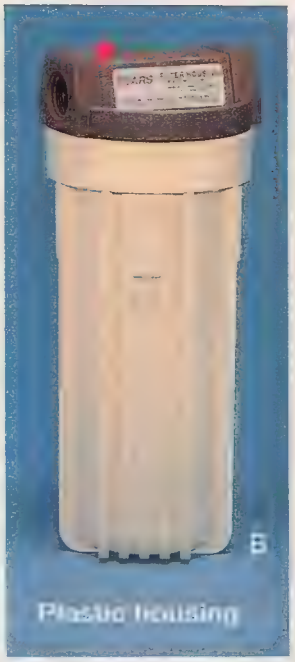
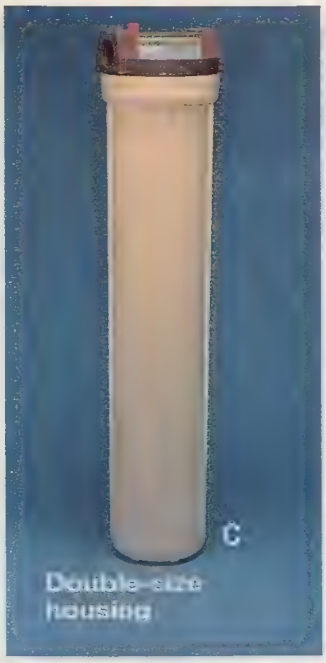
WHOLE HOUSE WATER FILTERS





For common dirt and sediment water problems

A. Clear sump housing allows you to monitor filter. Fingertip control of water shut off, automatic pressure relief for cartridge change. Built-in valve means no extra valve installation. Sealed O-rings help prevent leaking, clogging. 3/4-in. plumbing connection to main water line. 5 1/8Dx13 1/2H-inches.
F 42 R 3473—Wt. 3.25 lbs. **$34.95**

Compression couplings (not shown). 3/4x3/4-in. male iron pipe for installing (A).
F 42 R 33096—Wt. .50 lb. **$7.95**

B. Plastic housing has 3/4-in. plumbing connections to main water line or to 3/8-in. with reducer kit (below) or undersink use. Includes housing wrench for easier cartridge changes. Order external gate valves and mounting bracket below. 52Dx12H-inches.
F 42 R 3412—Wt. 3.50 lbs. **$19.95**

C. Double-size housing filters twice as long as standard housings. Includes housing wrench for easier cartridge changes. Installs on main cold water line with gate valves below. 23 in. high. 3/4-in. plumbing connections. Includes 2 cartridges.
F 42 R 3418—Wt. 6 lbs. **$39.95**

External gate valves for (B and C) (not shown) fit 3/4 or 1/2-in. pipe. Pkg. of 2.
F 42 R 34125— Wt. 1.38 lbs. ..... Pkg. **$15.95**

Reducer kit for (A,B and C) (not shown) has screws, bracket and straight 3/4x3/8-in. reducer elbow connector for installing on copper tubing.
F 42 R 3401—Wt. .69 lbs. ..... Kit **$7.95**

Mounting bracket for (A,B and C) (not shown) for added support. Fits most brands.
F 42 R 34661—Wt. .38 lb. **$3.95**

D thru F. Filters fit housings (A thru C).

D. Good sediment pleated cellulose catridge filters down to 20 microns of sediment. Use with (A thru C) 9 3/4-in. high. Pkg. of 2.
F 42 R 3413—Wt. .81 lb.
Pkg. **$6.95** ..... 2 or more pkg., ea. **$6.25**

E. Better extra-fine sediment cellulose cartridge filters down to 5 microns of sediment. Use with (A thru C). Use this cartridge as replacement pre-filter for former systems 3497 and 3498. 9 3/4-inches high. Package of 2.
F 42 R 3461—Wt. .81 lb.
Pkg. **$7.95** ..... 2 or more pkg., ea. **$7.15**

F. Premium string wound polypropylene extra-life cartridge filters down to 5 microns of sediment. Use with (A thru C). Designed to last twice as long as most cartridge filters. 9 3/4-in. high. Pkg. of 2.
F 42 R 3465—Wt. .88 lb.
Pkg. **$9.95** ..... 2 or more pkg., ea. **$8.95**

G. Whole house filter housing (A) with one filter like (D), includes two 3/4x3/4-in. compression couplings and housing wrench. 5 1/4Dx13 1/2H in. Includes 1 cartridge.
F 42 R 3477—Wt. 3.63 lbs. **$38.95**

H. Phosphate feeder cartridge adds food grade phosphate into water - coats pipes and appliances to help protect from corrosive/acidic water. use with (A and B) only. 9 3/4-in. high.
F 42 R 3453—Wt. 1.88 lbs. **$24.95**

Replacement phosphate crystals for (H) for 2 refills (not shown).
F 42 R 3443—Wt. 3.31 lbs. **$24.95**

F 9 R 57121—Wt. 3.50 lbs ..... Kit **$109.99**

B. Safe & Sound mini door/window transmitter. Simplified installation. Operates on one 6-volt battery, or equivalent (not included, sold at right).
F 9 R 57122—Wt. 1.00 lbs **$16.99**

C. Safe & Sound door/window transmitter installs with just a screwdriver. Small attractive unit handles multiple sensors. Has long battery life. Uses 9-volt batteries (not included).
F 9 R 57123—Wt. 1.00 lbs **16.99**

D. Safe & Sound sensor switch installs with a screwdriver. Handles multiple sensors.
F 9 R 57125—Wt. .50 lbs **$9.99**

E. Safe & Sound arm/disarm transmitter allows you to arm and disarm the system from outside your house. Uses 6-volt battery (not incl., sold at right).
F 9 R 57126—Wt. .05 lbs **$9.99**

F. Safe & Sound power alarm. Power alarm is approximately four times as loud as a typical smoke detector. Operates on a 110-volt transformer (included). Instant no-delay alarm. Built-in battery backup system uses two 9-volt batteries (not incl.).
F 9 R 57127—Wt. 1.00 lbs **$34.99**

G. Safe & Sound glass break detector reacts to broken glass only. Will not false alarm from impact or high winds. Works on most windows up to 1/4-inch thick. Low profile sensor allows for easy opening of sliding doors/windows. Instant installation - just glue on. Built in tester. 6Lx4Wx7/10H inches. Uses 9-volt batteries (not included).
F 9 R 57124—Wt. 1.00 lbs ..... Each **$34.99**
Any 2 or more, each **29.99**

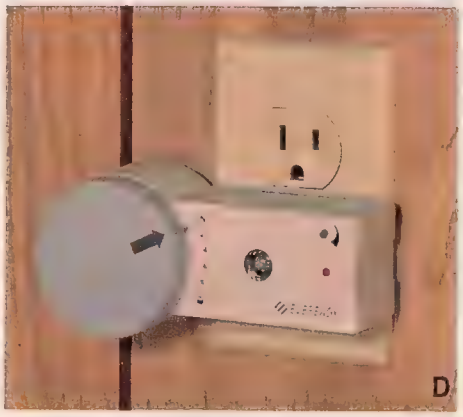
H. Safe & Sound motion detector works with passive infared light pulse count technology. Includes bright light filter, built-in tamper switch, walk test, low battery indicator and pet alley lens. Runs on 9-volt batteries (not included).
F 9 R 57130—Wt. 1.00 lbs ..... Each **$79.99**
Any 2 or more, each **68.88**

J. Safe & Sound external power alarm. Unit is weather proof and has external siren. Simplified installation. Includes batery backup, uses two 9-volt batteries (not included).
F 9 R 57128—Wt. .50 lbs **$49.99**

Safe & Sound 6-volt battery, 2 per card (not shown). Especially for use with Safe & Sound arm/disarm transmitter, and miniature door/window transmitter.
F 9 R 57131—Wt. .50 lbs **$6.99**

K. Safe & Sound flasher/dialer interface is the only lamp flasher available today that offers full use of the lamp. Unit plugs into wall outlet and lamp plugs into unit. Radio signal is sent to lamp flasher when any door or window protected by a Safe & Sound transmitter is opened. Dialer interface automatically dials pre-programmed number after a 40 second delay. Dialer has built-in battery backup. Uses two 9-volt batteries (not included).
F 9 R 57129—Wt. 1.00 lbs **$34.99**

EVERSAFE PROTECTION SYSTEMS



A thru K. Save when you buy any 2 or more Eversafe products on this page. Allow 14 days for delivery. Warranted by manufacturer. Write for free copy, see page 1139.

A. Electric candle. Package of 4 each. Provides up to 3 hours of lighting just by twisting the top. Compact, portable unit runs on 2 "AA" batteries (not incl.). 9 3/4H in. 2-year limited warranty.
F 9 R 57379—Wt. 2.00 lbs ..... Each **$14.99**

DOORS . . . SLIDING OR BI-FOLD

E and F. Bi-fold mirrored doors in your choice of polished curved edge or beveled edge have frameless panels that are mounted on a steel backing and edged with steel for durability and strength. Backing is nylon reinforced for shatter-resistance. Adjustable top and bottom pivots and nylon rollers in bottom and top tracks for quiet, smooth operation. Single doors can be hung to open left or right. For double doors, opening will be in the center. For 48, 60, and 72-in. door openings, order two 24, 30, or 36 in. units. Doors will fit finished openings 80⅝ to 81⅝ in. high. See 'N' note on page 1138.

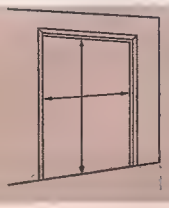
◆Doors in widths of 49 thru 96-in. are shipped as a pair of center opening doors.

How to order:

A. Decide on style and color of door you want. B. Measure width and height of door opening. See how to measure at right. C. When placing order, please provide the following information: (1) catalog number; (2) color number; (3) exact width; (4) exact height; (5) door price; (6) address or Sears store (only for unmailable items) to which you want door shipped.

How to measure interior door opening:

Factory makes all allowances, just give exact opening size in inches and fraction of inches. To determine the door width, measure distance between the faces of the sides of opening. For the door height, measure distance between floor and the top of opening. The standard door height includes allowance for the track and floor clearance.



ECONOMICAL STORM DOORS

Save energy while keeping your home comfortable. Aluminum storm doors can provide great insulation against winters' snow and drafts as well as the hot, humid air of summer.

A thru C. 80-inch high aluminum storm doors feature pile weather stripping, wind check chain and vinyl sweep. Tempered glass panels provide extra insulation and are interchangeable with screen to let in breeze on mild days. Bottom sills are adjustable. Doors are designed for convenience and endurance with 3 self-lubricating hinges, push-button latch, quiet pneumatic closer and full-width drip cap header. Baked-on enamel finishes resist chipping, flaking and corrosion. Fiberglass screens won't rust, rot or sag. You can choose whether doors hinge on left or right. All doors available in stylish bronze or coordinating white. Limited one year warranty by Sears. Write for free copy, see page 1139. See 'N' suffix note on page 1138. See "How to Measure' note below.

A. The Equalite Door features self-storing glass panel and fixed screen. Frame is 1 inch thick by $1\frac{7}{8}$ inches wide.
State color number: 27-White 10-Bronze

36 inches wide.
F 42 R 65546KH—Wt. 35 lbs. **$126.99**

How to Measure storm door opening:

Face door opening from outside. For WIDTH, measure between inside of face boards or brick mold, 6 inches from top and bottom or opening. Use smaller measurement. For HEIGHT, measure from bottom sill to inside of top face board or brick mold, 6 inches from both sides of opening. Use smaller measurement.

Door size (WxH), ins.	Fit rough opening	
	Width inches	Height inches
32x80	$31\frac{3}{4}$ to $32\frac{3}{16}$	79 to $80\frac{13}{16}$
36x80	$35\frac{3}{4}$ to $36\frac{3}{16}$	$79\frac{3}{4}$ to $80\frac{13}{16}$

Note: There must be at least 1 in. flat surface on face boards or brick mold on both sides. Always measure to outermost offset when there's more than 1 offset in door frame opening.

NOTE: Please allow 15 days for delivery.

NOW SEARS DELIVERS MAILABLE ITEMS TO YOUR DOOR FOR THE SAME CHARGE AS A STORE PICKUP! SEE PAGE 1138 FOR DETAILS

★MADE IN USA

A thru H. All Sears storm doors featured on these 2 pages hinge on either left or right with 3 self-lubricating hinges for easier fit and installation. Fiberglass screens are rust-proof, rot and sag-resistant for long wear. Tempered glass panels provide additional insulation. Pre-aligned and pre-drilled mounting frames make installation easier. Baked-on enamel finishes resist chipping, flaking and corrosion. Pneumatic door closers provide quiet closings. See How to Measure Note on facing page. See Note below.

Our good storm/screen doors

Feature 1-pile weather strip, single bottom sweep and 2-year warranty*

See facing page for double door kit.

How to Measure:

Face door opening on outside. For width measure between inside of face boards or brick mold, 6 in. from top and bottom of opening. Use smaller measurement. For height measure from bottom sill to inside of top face board or brick mold, 6 in. from both sides of opening. Use smaller measurement.

Door size	Fits rough opening	
32x80-in.	$31^{3}/_{4}$ to $32^{3}/_{16}$-in. wide	79 to $80^{13}/_{16}$-in. high
36x80-in.	$35^{3}/_{4}$ to $36^{3}/_{16}$-in. wide	$79^{3}/_{4}$ to $80^{13}/_{16}$-in. high

Note: There must be at least 1 in. flat surface on face boards or brick mold on both sides. Always measure to outermost offset when there's more than 1 offset in door frame opening.

Sears Best STORM DOORS ARE THE THICKEST

Frame is 3 7/16x1 5/8-in. thick . . . thicker and wider than any other door we sell!

Weather-stripped tempered glass panels need no clips nor screws

Magnetic weather stripping for added insulation

Door is completely foam-filled to lock out cold and drafts

Dual kick panel stands up to rugged wear

Solid mitered corners for extra sturdiness

A

A thru K. All our Sears Best aluminum insulating doors carry great features as illustrated on photo for door (A) at left, and more! Each frame is highlighted with corrosion-resistant baked enamel finish. Also features heavy duty pneumatic closer and bottom expander with vinyl sweeps. How to Order for (C and D): For solid color covers, state catalog number and solid color number only. For ordering a unit with accent stripes, state catalog number, solid color number and then accent stripe number.

HOW TO MEASURE: For custom-fit awnings (A and B), order exact size; for other awnings, order next larger size. To mount window awnings on wood: measure height from sill to top of casing. Measure width of window from center of casing. To mount window awnings on masonry: measure height as above (add 4 in. for non-custom awnings). Measure width of opening from side to side and add 8 in. To mount door canopies: order canopy at least 8 in. wider than door casing (6 in. for A and B and Mansard-style). Allow mounting space of 11 in. above door. For 19 3/4x48-in. canopy (B), allow 13½ in. of mounting space above door.

Pan-n-cover awnings with matching door canopy

C and D. Sturdy Pan-n-Cover heavy-duty aluminum awnings are designed to filter cool breezes and dissipate heat. See "How to Measure" above. See shipping note on facing page. See "How to Order" above right and color chart on facing page.

MADE-TO-MEASURE DECORATIVE SHUTTERS

Louvered shutters with air-through open design

in 6, 9, 12, 14*, 16 and 18-inch widths; in solid or 2-tone colors.

Save 25% when you buy any 2 or more sets!

Made-To-Measure Decorative Shutters have air-through opening. Full 10-year warranty. Durable, high-impact polypropylene injection-molded construction. Custom made to the exact length you specify (between 24 and 90 in. long). Available in two-tone styles. 7/8 in. deep. Hardware incl. Non-paintable (except color no. 49). Set of 2. Allow 18 days for delivery. Warranted by Sears. Write for free copy, see p. 1139.

State color number:
1--Two-tone†
2--Black
7--Brown
5--Dark blue
15--Green
24--Gray
3--Light blue
19--Brick red
28--Cream
27--White
49--Paintable (not shown)

If you would like a shutter that can be painted, choose color #49, our paintable styrene shutter. Shutter is a light neutral gray which allows you to paint it a light or dark color. Use stock numbers listed on chart. When painting shutter, use a high-quality outdoor latex paint.

HOW TO ORDER:

Be sure to provide all the information needed to properly assemble your shutter order. When placing your order, please provide: 1. catalog number, 2. color number, 3. length to nearest whole inch size (no fractions), 4. quantity and 5. selling price.

†Two-tone colors may be selected from any of the solid colors above. When ordering, first state louver color number and then frame color number.

How to measure for decorative shutters: Measure height of window or door opening, trim may be included. Order closest height for window shutters. When ordering for windows adjacent to each other, measure distance between windows to be sure they will not overlap. NOTE: Width dimension could vary as a result of normal manufacturing process.

D. Louver-style decorative add-on panels for 16-in. shutters only. Constructed of the same rugged materials as our best shutters. 16 in. wide, 4 in. high. Set of 2.

DURABLE STEEL STORAGE

Steel utility buildings

Garage-size buildings, over 8½-ft. high, with 8-ft. wide roll-up door and side utility door. All are vinyl-coated and have 10-year limited warranty

A. Garage-size building made of heavy-duty 100% galvanized steel coated with Sears vinyl for longer life. Mid-wall bracing, double roof ridge beams and heavy-duty truss system for extra strength. 14x21-ft. model has door opening large enough for the widest tractor; building is 40% stronger and 30% thicker than 12x17-ft. or 12x24-ft. models. Each building has side entry door that can be installed on either side. Hardware included. Colors: walls, doors, roof, gable are ivory; roof trim, door track and jamb is coffee. Limited 10-year warranty against rust-through*. Shipped unassembled. See note at right.

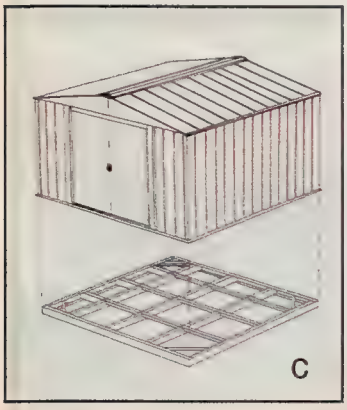
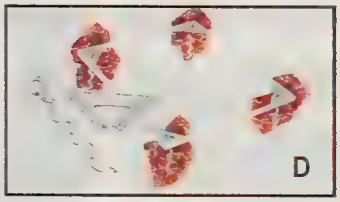
Installation and shipping instructions:

Check local building codes before ordering. We recommend installing concrete slabs or concrete footings with wood or gravel floors.

All items with an 'F' prefix are shipped direct from factory to any local Sears store or your home. Please allow 3 weeks for delivery.

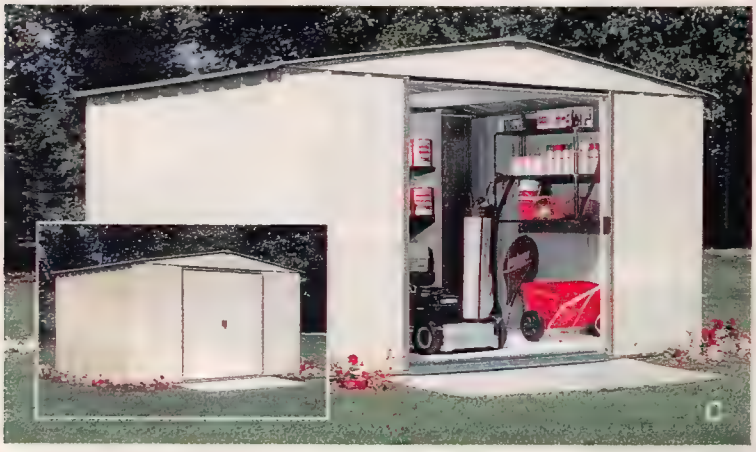




C. Foundation kits are self-squaring, and help level building site. Galvanized steel floor can be finished with plywood, concrete or stone. See 'N' suffix note, p. 1138.
Fits 10x9-ft. and 10x8-ft. buildings.
F 71 R 68385N—Wt. 32 lbs ..... Kit $59.99
Fits 10x13-ft. and 10x12-ft. buildings.
F 71 R 68387N—Wt. 45 lbs ..... Kit $79.99

D. Ground anchor kit secures all lawn buildings. Includes 4 steel corkscrew anchors and reinforcing gussets. Order 2 kits for buildings over 10-ft. in depth.
F 71 R 60297—Wt. 4 lbs ..... Kit $21.99

E. Concrete slab anchor kit includes hot-dipped galvanized steel reinforcing corner gussets, perimeter clips to fit over floor frame, lag bolts to secure to slab and 1/4-in. masonry drill bit. Also fits frame kits for wooden buildings.
F 71 R 68383—Wt. 2 lbs ..... Kit $24.99



All Sears buildings (except C) are made of Rust-Oleum® protected or vinyl coated steel and are ready to assemble with pre-cut, precision drilled and numbered parts

Rust-Oleum® protection means a heavier paint with extra rust resistant zinc.

Vinyl coating provides a baked-on finish that's 5 times thicker than standard building finish.

A thru C. For building dimensions, weights and prices, see chart below.

A. Our most popular style, Rust-Oleum® model has limited 5 year warranty against rust perforation, cracking or peeling; vinyl model has limited 10-year warranty.* Barn roof style gives full stand-up room. Constructed of hot-dipped, heavy-duty galvanized steel. Extra wide 55½-in. door is 5-ft. high for easy walk-in, ride-in access. Over 35% more cubic storage than our economy 10x8-ft. (C). Gambrel roof style gives you more headroom and storage capacity than other models. Internal sliding door on 10-ft. side. Mid-wall bracing provides extra support. Colors: walls are eggshell; jamb and roof are black; doors are grey. All hardware included. See facing page for installation and shipping instructions and foundation anchoring kits.

B. High-gable buildings in your choice of vinyl or Rust-Oleum® finish have a limited 5 or 10-year warranty.* Over 10-inches taller than our economy model (C) for extra storage space and easy walk-in accessibility. Rugged mid-wall and roof bracing for added strength. Constructed of 100% galvanized steel with a 5-year warranty against rust perforation. Vinyl models have a 10-year warranty. Smooth-gliding, deep track 60-in. high doors. Colors: walls and doors are eggshell; jamb and roof are coffee. Hardware included. See facing page for installation and shipping instructions and foundation and anchoring kits.

C. Our economy building is backed by a 2-year limited warranty* and is available in 8x6 and 10x8-ft. models. Buildings feature smooth-gliding Teflon® door glides. Heavy-duty 100% galvanized steel door, wall and roof panels and parts for long lasting rust protection. Deluxe, corrosion-resistant, 7-step, perma-plate XL2® exterior finish for durability and protection. Colors: walls and doors are eggshell; jamb and roof are granite grey. Hardware is included. See facing page for installation and shipping instructions and foundation and anchoring kits.

D. Shelves are made of galvanized steel. Shelf heights are adjustable.

5-tier shelf. Measures 27½Wx14Dx60H-in.
F 71 R 68205—Wt. 21 lbs **$42.99**

3-tier wall shelf (not shown). Measures 33¼Wx10¾Dx30¼H-in.
F 71 R 68204—Wt. 9 lbs **$24.99**

E. Tool hanging rack includes 5 heavy-duty utility hangers and 1 small tool holder. Adjustable spacing. 28¾Wx33¼Dx2¾H-in.
F 71 R 68257—Wt. 3 lbs. **$17.99**

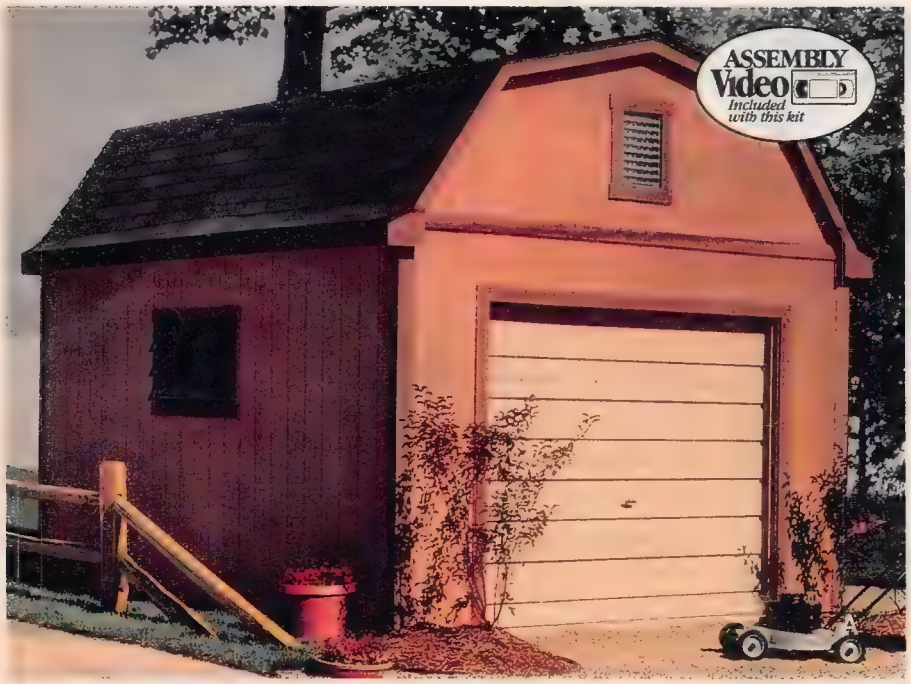
WOOD BUILDINGS **AS LOW AS $259.99**



C

D

E

All Sears wood kits are completely precut with pre-assembled doors. Hardware is included. You provide shingles, paint or stain. Some kits include floors. Floors for all kits are available through Sears.

All kits with the "Assembly Video" symbol include video cassette that shows how to clear and level ground, build floor and assemble building. Caulking, painting, adding vents, shingling the roof are also shown.

Each Sears wood kit building style is available in a variety of dimensions and building materials. Each of the 3 available building materials is also accompanied by either a 15, 10 or 5 year limited warranty.

Cedar siding and Cedar trim
15 year limited warranty
Cedar is easy to maintain and provides beauty, strength, durability and is naturally resistant to decay and pests. To maintain its natural beauty and ensure longevity, we recommend painting, staining or treating cedar wood.

Ultra-side/Fir Plywood siding and Pine trim
10-year limited warranty
Ultra-side panels combine the strength of strand board with a textured overlay saturated with exterior resin which withstands the toughest weather conditions.
Fir Plywood is a stable and strong exterior siding. It is lighter than other plywoods and shows its natural grain.

Waferboard siding and Pine trim
5-year limited warranty
Waferboard is an economical building panel that makes intelligent use of wood resources while also reducing construction costs. Waferboard panels are uniform, knot-free, non-directional and must be painted or stained.

A. Our largest gambrel style wooden storage building with texture 1-118-in. o.c. plywood siding. Features a steel roll-up garage door. Large 2x2-ft. sliding window and gable vent. Measure 12Hx12Wx16D-ft.

How to Measure

Be sure that your house meets minimum clearance requirements on the model you select. Measure the distance between the patio or deck surface and the point where the patio enclosure roof peak will attach. Requires minimum clearance of 1/2-in. See Chart (C) below, for model and minimum clearance height of each.

Pull from carton and form the rough shape

Hook roof tubes to hub and wall panels

Insert vinyl hinge and fasten the cables

Snap on the roof and you're ready to enjoy

Replacement Roofs

For (A thru C) and most Casitas and Patio-Mate units

Vinyl-polyester fabric replacement roofs are available: for ordering size-availability and other information, send for our Replacement Roof Catalog supplement. Mail self-addressed, stamped (29¢) #10 envelope to: G.A. Sears, 1023 Reynolds Rd., Charlotte MI, 48813. State on envelope: Replacement Roofs.

C. Patio enclosure beats the heat and keeps out insects. Assembles easily in 1 afternoon; folds flat in carton for winter storage. Heavy-duty metal frame with vinyl roof. Select color. Door opens outward. Order from chart below.

Additional sling style colors

Padded or cushioned style colors

Padded style has 3 layers of seating comfort

A thru P. Enjoy the comfort and beauty of our all-weather patio furniture. Sturdy white powder-coated aluminum frames are chip, scratch and rust-resistant. Extra wide arms provide added comfort. Chairs and chaise are stackable for easy storage. Swivel rocker is adjustable. Tables have tempered glass tops. Umbrella is crank-operated with 3-position pushbutton tilt mechanism. Umbrella is available in the five sling style colors plus the two floral prints. Choose from three seating styles. Items are shipped direct from manufacturer to your home (except Alaska, Hawaii and Puerto Rico). Allow 2 weeks for delivery. Warranted by manufacturer. Write for a free copy of warranty, see page 1139.

Deluxe sling style seating features quick-drying, easy-clean and mildew-resistant textilene fabric. Choice of five colors.
State color number: 04—Teal/white stripe 05—Teal solid 222—Hunter green 13—Navy 796—Earth-tone tweed

Padded sling style seating with floral print easy-clean polyester fabric on top. 1-inch thick polyurethane inner layer and white vinyl-coated polyester mesh backing support. Choice of two color prints.
State color number: 133—Summertime or 144—Autumn (each reverses to white)

Cushioned style seating reverses for double the wear or to create a different look. Durable, easy-clean polyester floral print on one side with coordinating solid vinyl mesh on the other side. Inner layer of 3½-in. thick 100% thermal-bonded polyester is non-absorbent, resilient and comfortable. Choice of two floral patterns.
State color number: 133–Summertime (reverses to teal) or 144–Autumn (reverses to green)

FABRIC SWATCH NOTE: Swatches are available to help you make your selection. Send a self-addressed, stamped (58 cent) #10 envelope to: SR SWATCHES, P.O. BOX 299, GRANVILLE, NY 12832. State "SWATCHES" on envelope.

sunbrella® GLEN RAVEN MILLS, INC.

Awnings, cushions, umbrellas made of durable Sunbrella® fabric that's easy-to-maintain!

D thru G. Sunbrella® canopy awings, seat cushions and umbrella are constructed of a fabric that was developed thirty years ago; 100% acrylic that can withstand years of normal exposure to sun and rain while resisting mold and mildew. Soft and comfortable; most stains will clean up with soap and water. Retractable canopy is self-supporting, self-storing and obstruction free. Optional electric motor allows you to retract or extend the canopy with the touch of a button. Prices of canopy awnings are from our 1992 "B" Spring Annual Catalog. When ordering state the side you wish the canopy hand-crank to be on (as you face the awning from the outside). Warranted.**

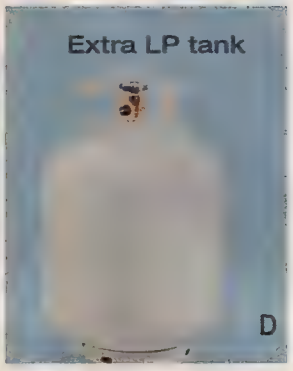
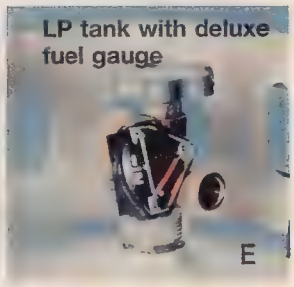
BACKYARD FAVORITE KENMORE GRILLS



SAVE $8 ON EITHER (D or E) TANK WHEN PURCHASED WITH ANY GRILL††



Deluxe side burner gas grills

A and B. 12,000 BTU** side burners offer extra cooking area for vegetables and side dishes, while the split-grid cooking surface lets you quick sear or slow cook, both at the same time. Both on swivel-locking casters and wheels. 20 lb. capacity tank not included. Partially assembled. Ceramic briquets. Warranted by Sears.* Order propane tank separately, below.

A. 40,000 BTU grill** offers 901 sq. in. cooking area (395 primary, 506 secondary) on self-cleaning grids. Complete with push-button ignitor, large glass window with heat indicator plus full-front panel with basket. Includes towel bar, face plate and wood handles. And, for your convenience, all major parts are factory assembled. $11 monthly.†

71 R 10656—Wt. 89 lbs. **$269.99**

B. 35,000 BTU grill** offers 600 sq. in. cooking area (339 sq. in. primary, 261 sq. in. secondary) on dishwasher-safe porcelain enameled grids. Grey redwood front and 2 side shelves, stainless steel and aluminum burners and die-cast aluminum housing. $10 monthly.†

71 R 10585N—Wt. 86 lbs. **$179.99**

C. Deluxe side burner grill offers 612 sq. in. cooking area (352 primary, 260 supplementary fold-away). Aluminum head and all-steel support structure has a pushbutton ignitor plus handy 75 sq. in. side burner for extra grill space. Grill heats up to 400°F in about 5 minutes. Features pre-assembled control panel including knobs, valves, hose, burner and ignitor. The entire burner/heat system is factory assembled. Easy to clean removable burner drawer. Unique casting design offers outstanding performance; a full tank of fuel (not incl.) lasts approximately 63% longer than standard gas grills. Comes with fold-away warming rack, phenolic/wood combination handles and 4-inch hidden wheels. AGA certified. Warranted by Sears.* Order propane tank separately, below. $10 monthly.†

71 R 10655—Wt. 105 lbs. **$199.99**

71 R 22944 . **$27.99**; When purchased with any grill **$19.99**

E. LP gas tank with 'no guess' gauge tells you when the gas is low. 20-lb. capcity. Fuel not incl. Wt. 20 lbs.

71 R 10054 . **$37.99**; When purchased with any grill **$29.99**

†See credit details on SearsCharge PLUS, page 1144. *Write for free copy, see page 1139. **BTU ratings comply with the B.I.A. (Barbecue Industry Association) standards. ††Offer includes grills on these two pages.

WHY BUY KENMORE®

- These gas barbecues feature dual heat controls, twin stainless steel/aluminum burners, push-button ignition, high-density ceramic rocks for efficient heat distribution and lower storage area.
- Barbecues have a 10-year warranty on non-rusting aluminum body, 5 years on stainless steel burner, and 1 year on all other parts (labor incl.).
- Serviced by our fully-trained technicians

F thru K. $10 monthly†. Match-free ignition and dual heat controls allow you to cook 2 foods at the same time, each at its own heat setting. Split grids on (H thru K) give you the option of quick searing close to the fire or slow cooking at a greater distance, both at the same time. The chrome-plated warming racks are just perfect for buns or slow-cooking vegetables. Stainless steel burners and die-cast aluminum housing resist rust and corrosion. Porcelain-enameled grids except (H), clean easily in your dishwasher. Wood sides and flip-up front shelves. Steel bottom shelves. Warranted.*

NOTE: All grills on this spread sold without LP tank. Save $8 on LP tank (D or E) on facing page when purchased with any grill.

Swimming pool buyers guide

Count on quality: When the manufacturer offers pools with warranties for up to 25 years, you can be sure of the quality of the product. And the warranty covers the complete pool, not just some of the component parts. Only premium materials are used, with every phase of the manufacturing process monitored by a quality assurance staff to insure all quality standards. These pools must pass over 25 separate performance measurements so you can buy your pool from Sears with confidence. Also, all pools come with installation instructions on VHS video cassette.

Selecting the right size pool

First consider the proper size for your new pool. Your yard size and the number of people in your family will help determine the appropriate size. Don't forget that if you plan to entertain or have your friends over, you may need to purchase a larger pool. Here's a simple way to test which size pool you need. Mark off an area in your back yard that is the size of the pool you are considering. Have your family stand inside the area you have marked. Keep in mind that you might have a few friends over too. From this simple exercise, you can estimate if you need more or less room than you thought.

Your next step should be to review the Quality levels that Sears offers. We have a variety of construction materials, frame sizes, and vinyl liner gauges. Consult charts below.

Diameter	Depth	Square feet swim area	Gallon capacity♦
Round pools			
12-ft.	3-ft.	113	2,535
12-ft.	4-ft.	113	3383
15-ft.	3-ft.	177	3,370
15-ft.	3½-ft.	177	3,965
15-ft.	4-ft.	177	4,625
18-ft.	4-ft.	254	6,660
24-ft.	4-ft.	452	11,844
27-ft.	4-ft.	572	14,986
Oval pools			
25x15-ft.	4-ft.	327	8,665
30x15-ft.	4-ft.	402	10,518
33x18-ft.	4-ft.	572	13,574

♦Gallon capacity at normal use level

We think so highly of these pools because they have some of the longest manufacturer's warranties in the business!

Additional pool equipment

Every family size pool needs an entry ladder, surface skimmer, and a filtration system. You may purchase these separately, but you can save if you select one of our Filter/ladder/skimmer kits when you buy it with your pool.

Our complete selection of pool filters, skimmers, and ladders is on pages 662 and 663; maintenance equipment on pages 664 and 665; pool chemicals on page 661; and pool covers on pages 666 and 667.

HELP IS JUST A PHONE CALL AWAY! Just dial our PHONE HOTLINE at **1-800-842-6017** if you need help with pool or accessory selection, or if you have a question about how to install your pool. For pool chemical questions, call our Chemical Hotline at **1-800-888-SWIM.**

Save $90 to $100 on filter/ladder/skimmer kits when you also buy any swimming pool!

A and B. Kits include deluxe galvanized steel safety ladder with carpeted platform. Deluxe thru-the-wall skimmer with lift-out strainer basket, floating weir for better skimming action, direct vacuum intake and flow regulator. ◆Gallon capacities are at normal use levels

12-ft. diameter, 3-ft. deep starter pool with liner, ladder and 1/25-hp filter

12 or 15-ft. diameter, 3-ft. deep pool with liner, ladder and 1/12-hp filter

15-ft. diam., 3 1/2-ft. deep pool with liner, over-the-wall skimmer and 1/12-hp Poly-Perm filter®

Starter pool packages from $184.99 to $399.99

C thru E. Complete kits include ladder with slip-resistant steps and a Poly-Perm® filter with reusable cartridge. Winterized vinyl liners with electronically fused seams so pool can be left up all year long. All gallon capacities are at normal use levels. Unassembled. Pool liner and filter are warranted by Sears.*

C. 12x3-ft. Pool kit has 1/25-hp filter with 5 sq. ft. cartridge, 1/2-inch top and bottom rails. 8-gauge liner, steel wall with 1-in. supports. 2535 gallon capacity.
71 R 41111N—Wt. 87 lbs. **$184.99**

D. 12x3-ft. pool kit has a 1/12-hp filter with 7 1/2 square foot cartridge, 1/2-in. top and boottom rails, 8 gauge liner, steel wall with 2-in. supports. 2535 gal. capacity.
71 R 41127N—Wt. 90 lbs. **$229.99**

15x3-ft. kit (not shown) has 5/8-in. top and bottom rails. 10-gauge liner, 3370 gal. capacity.
71 R 41128N—Wt. 132 lbs. **$329.99**

E. Green wood-look pool has electro-galvanized steel wall. 1 1/2-inch top rail, 5/8-inch bottom rim and 2-inch wall supports of hot-dipped galvanized steel. 12-gauge winterized liner. Over-wall surface skimmer. 3,965 gal. cap.
71 R 41200N—Wt. 200 lbs. **$399.99**

POOL INSTALLATION NOTE: Erect pool on firm level-earth foundation. Assembly requires at least 3 individuals. Requires tools and 1 1/2x8x8-inch concrete blocks. These pools do not effect real estate taxes in most localities; can be moved. An adequate pool filter is necessary and may be required by local code. National Electrical Code requires a ground fault circuit interrupter. Check all local codes before purchase.

SAVE $150-$260

on our best 25-year warranty pools with our best filter/ladder/skimmer package!

A. Our best resin frame pool has hot-dipped galvanized steel walls with a textured semi-gloss polyester paint on the inside for additional protection. Outside walls feature an attractive multicolored lithographed pattern. Top rails and upright supports are made of extruded resins, making them virtually rustproof. Soft grey color and coordinating feature stripe are blended into the material as the parts are being formed so the colors will never peel, chip, or rust. The liners are made of 20 mil thick. extruded virgin vinyl. Seams are electronically welded and a fungicide additive helps reduce algae growth. Liners are winterized to withstand severe weather so you can leave pool up all year round. Hung style liners are easier to install and attractive tile border reduces the appearance of water line stains. Packages include: our most powerful 1½ HP sand filters (#41109. p. 662); deluxe ladder (#42206, p. 662); and deluxe thru-the-wall skimmer (#4208, p. 661). low as $40 monthly.***

C. Leaf covers are an ideal and economical companion to your solid cover. Install the fabric net at the same time as the winter cover and remove after the leaves have fallen. Great for summer protection, too. In-ground cover is 4-ft. larger than pool, above-ground is 2-ft. larger. Chart below. Warranted for 3 years.*

Vinyl flotation devices

E. Vinyl water tubes pkg. of 3 secure in-ground covers, especially when tie-downs are not practical. Heavy-duty vinyl resists low temperatures, cracking. Hose valve. 12-in. wide. Available in two lengths.

F 71 R 46045—4-ft.Wt. 3.50 lbs. . **$12.99**
F 71 R 46046—8-ft. Wt. 5.00 lbs.. **15.99**

8-ft. dual-sided heavy-duty vinyl water tube (not shown). Each side has large hose valve.

F 71 R 46047—8-ft. Wt. 1.50 lbs.. **$19.99**

F. Vinyl flotation pillow for above-ground winter covers. Helps prevent ice from expanding and damaging pool's walls. Prevents water and debris from collecting on top.

4½-ft. square anchor grommets.

F 71 R 4489—Wt. 1.40 lbs. . . . **$12.99**

4½x8-ft. vinyl pillow.

F 71 R 41323—Wt. 4.00 lbs. . . **$19.99**

Solar covers 10% less than in our 1992 Fall Big Book

D. Standard and premium solar blankets increase water temperature up to 10° F. Translucent polyethylene forms a suction-like bond on pool surface—no need for weights or tie-downs! Reduces evaporation, heat loss. Standard above-ground and in-ground covers (warranted 3 years*) are 8 mil thick. Premium warranted 5 years*) is 50% thicker-12 mil thick. Cut to fit any shape. 1992 Fall prices $29.99-$379.99

Dog training systems
Use sound, not pain to train your pet

K. The Silencer™ training collar uses sound to control barking. A short harmless burst of high frequency sound is emitted each time your dog barks, startling it, and quickly teaching it not to nuisance bark. New controls allow adjustment of input and output to fit dog's needs.†
F 71 R 61417—Wt. 1.00 lbs **$39.99**

L. Easy Trainer™ remote control training system can be used to train your dog to stop barking, jumping, digging or chewing. Activate the remote control and your pet is startled, and looks to you for a command. Allows both positive and negative stimulus. Includes collar similar to (K) and remote control.†
F 71 R 61418—Wt. 1.00 lbs **$69.99**

M. Easy Trainer® is the only device that provides the positive and negative stimulus required for the most efficient training. TO ORDER CALL TOLL-FREE 24 HOURS A DAY, 7 DAYS A WEEK 1-800-366-3000

Our new Craftsman® Garage door openers are safer than ever! They meet all the new 1993 government safety standards, plus they're loaded with many convenience and security features you'll appreciate

The new 1993 safety standards require that all new garage door openers include either an edge sensing device or a safety reversing sensor. The non-contact safety reversing sensor included in all new Craftsman garage door openers will reverse the direction of the door before it makes contact with an obstruction.

Craftsman Garage door openers all feature: 3-function transmitters that allow you to operate the garage door and optional lighting controls from the comfort and security of your car, a preset private security code that is virtually unduplicatable, a non-contact infrared reversing sensor which reverses door if infrared beam is broken, safety reverse, which reverses door's path if door is obstructed by objects below the safety beam, a 4½ minute light which allows you to exit a lighted garage and an emergency release which allows manual operation of door during a power failure and reconnects when power is restored. Heavy duty gear-chain cable drive mechanism. Meets all UL325 and all ANSI standards. Imported. See shipping note on facing page.*

Feature	(A) Sears Best ½-HP	(B) Sears Better ½-HP	(C) Sears Good ⅓-HP
Transmitter. Opens garage door from convenience of car. Controls interior and exterior lights (sold separately)	Two 3-function Thin Lines. *Warranted by Sears or manufacturer. Write for free copy, see page 1139.
**See page 1144 for credit details.

G and H. Augers for (E and F) have beveled steel cutting blades on steel tube. Spear-point guide tip. Replaceable blades, tips. Rotate counter-clockwise. Note below, left.

G. For (E). 12-inches in diam., 33-inch digging depth. Wt. 34 lbs.
F 71 R 72027 . . . . . $119.99

H. For (F). Digs 36 inches.
6-in. diameter. Wt. 10 lbs.
F 71 R 72014 . . . . . $69.99
9-in. diameter. Wt. 13 lbs.
F 71 R 72015 . . . . . $79.99

J. Steel auger extension when used with 6 and 9-inch augers increases digging depth to 51 inches. 15-inches long. Note, left. Wt. 4.00 lbs.
F 71 R 72005 . . . . . $29.99

Lawn and garden care

A thru C. Compost bins help reduce garden waste sent to landfills and vegetable scraps, egg shells and coffee grounds sent through your disposer.

A. Deluxe compost bin with unique 'shutter-type' flow-thru design regulates heat, moisture and oxygen contents of compost for successful composting. Finished humus can be removed from any side. Cover helps prevent excess moisture and rain from entering bin and helps retain heat. Plastic. Quick and easy assembly. 32½Hx30Wx30L inches.***
F 71 R 12725—Wt. 47 lbs **$74.99**

Compost activator quickly turns leaves, grass clippings, pine needles, other yard and kitchen waste into humus. Contains 100% natural nitrogen and organic proteins to hasten decomposition. Enhances bacterial action, creating temp. up to 160° F.***
F 71 R 12727—Wt. 11 lbs **$19.99**

Compost aerator tool (not shown). 31-inch long steel shaft with 5½-inch wings that churn compost when pulling tool from pile.***
F 71 R 12740—Wt. 1.00 lbs **$14.99**

B. Compost bin is made of 100% recycled material. Slotted sides are angled so air can circulate properly and natural moisture can enter pilé. Solid lift-off top. 9x12-in. door. 30x30-in. base tapers to 27x27-in. at top for a full 12-bu. cap. 30Hx30Wx30L in.***
F 71 R 12726—Wt. 32 lbs **$54.99**

C. Composter turns grass clippings, leaves and yard debris into fertilizer. Kit includes four interlocking mesh panels that provide excellent circulation for decomposition. Plastic resin panels have a UV inhibitor to help prevent rot or deterioration. Two ground stakes included. 29Hx32Wx32L inches.***
F 71 R 12720—Wt. 13 lbs **$39.99**

D. Professional high limb cutter cuts branches up to 10 inches thick, 25 feet high. Add rope to reach even higher. 48-inch chain blade, 2 hand straps. Carbon steel cutters.***
F 71 R 86316—Wt. 3.50 lbs **$39.99**

High-limb cutter (not shown) is like (D) above but has 24-inch chain blade.***
F 71 R 86311—Wt. 2.80 lbs **$27.99**

E. Craftsman fiberglass pole pruner telescopes from 6 to 12-ft. and locks in pos. Has 15-in. curved steel blade. Lightweight molded lopper head. Dual pulley system for easier cutting. Cuts up to 1-in. branches. 14-ft. pull cord with patented grip.***
F 71 R 84901—Wt. 6.00 lbs **$37.99**

F. Craftsman loftwood pole pruner has dual pulley system for 50% easier cutting. 15-in. steel saw blade. Molded cutting head. Lopper cuts branches up to 1-in. thick. Two 5-ft. wood poles. 12-ft. pull cord.***
F 71 R 85299—Wt. 4.00 lbs **$24.99**

G. Craftsman fiberglass pole pruner telescopes from 6 to 12 feet, locks in position. 16-inch imported saw blade. Steel lopper blade is Teflon®-coated for rust resistance, cuts branches up to 1⅛-in. thick. 14-ft. pull cord.***
F 71 R 86392—Wt. 6.00 lbs **$47.99**

Replacement pruner blade for (G). 16-inches.***
F 71 R 86391—Wt. .44 lbs **$9.99**

H. Propane gas torch removes ice or foilage. Attach torch to a liquid propane tank (sold below). Flame heats to 2000° F. and is up to 30-in. long. 500,000 BTU cap. Uses 2 to 30 lbs. gas per hour. Tubular steel, 22-in. handle. 6-ft. hose with fittings, on/off valve and tank adapter. For outdoor use only.***
F 71 R 47121—Wt. 5.50 lbs **$59.99**

Steel LP cylinder. 20-lb. capacity. Fuel not included.
71 R 22944—Wt. 20 lbs **$27.99**

LP cylinder same as above but with gas indicator gauge to show gas level.
71 R 10054—Wt. 20 lbs **$37.99**

CRAFTSMAN® CHIPPER/SHREDDERS

A and B. 5-hp steel chipper/shredders have Briggs & Stratton engines with solid-state ignitions and easy-pull recoil start. Convert twigs and branches up to 3 inches in diameter into a beneficial mulch. 2½-bushel nylon catcher bag handles up to 25 bushels of debris after reduction. 3-stage cutting chamber shreds, cuts and pulverizes. 12 flails inside impeller are reversible and replaceable. 9-in. steel front blade. 2 hardened steel knives. Rugged self-cleaning commercial-grade shredder screen. Replaceable tempered steel blades. Limited 1-year warranty.**

A. Only $16 monthly,* this chipper/shredder has a 20x16-inch drop-down hopper. 10x2½-inch semi-pneumatic tires. Safety goggles.
71 R 79785N—Wt. 139 lbs **$549.99**

B. Only $15 monthly,* chipper/shredder has 16x18-inch durable plastic hopper with leaf vacuum opening. Large safety guard on discharge chute deflector. Dedicated chipper chute with safety door. 10x1¾-inch semi-pneumatic tires.
71 R 79989N—Wt. 120 lbs **$499.99**

C. 8-hp steel chipper/shredder, only $21 monthly,* has a Briggs & Stratton engine with solid-state ignition and easy-pull recoil start. Has a 20x16-inch drop-down hopper. Two dedicated chipping blades accept twigs and branches up to three inches in diameter. 2½-bushel nylon catcher bag. 15 total blades for maximum shredding performance. 10x4-inch semi-pneumatic tires. Warranted.**
71 R 79586N—Wt. 165 lbs **$749.99**

D. 8-hp steel chipper/shredder, only $21 monthly,* features a Tecumseh-Lauson® engine, direct drive with belt idler system...no clutch, no adjustments. Extra-tough, heavy-duty steel frame has a low center of gravity for stability and easy maneuverability. Large capacity feed hopper accepts large loads of yard and garden debris and leaves. 3-inch chipper capacity, with conical chipper chute for easy feeding. 12 swinging flails for fast shredding. Removable ¾-in. 11-gauge discharge screen. 10x2.5-in. semi-pneumatic tires. Limited 1-year warranty.**
71 R 79984N—Wt. 180 lbs **$999.99**

Chipper/shredders

E. Craftsman 12-amp electric chipper/shredder, only $13 monthly,* has the equivalent torque of a 5-hp engine. Large 19½x21-inch hopper accepts twigs, brush, clippings and branches up to ½-inches in diameter. 3½x5-inch chipper tube opening chips irregular-shaped twigs and branches up to 2½-inches in diameter. Unique lay-down feature allows leaves and garden debris to be raked directly into hopper. Heavy-duty nylon bag has 2½-bushel capacity. 3-stage anvil shredding system provides up to 10 to 1 reduction in particle size. 'On-off' switch with safety interlock. Measures 37Lx28Wx36H-inches. Galvanized steel chipping and shredding chambers. Includes mulching screen attachment that further reduces garden debris to minimal size particles. Add-on tool racks mount on side of hopper. Hand tamper tool and safety glasses. UL listed. Shipped direct from manufacturer, allow 10 days for delivery.
F 71 R 79985—Wt. 70 lbs **$399.99**

F. Craftsman 10-amp electric chipper/shredder, only $11 monthly,* has equivalent torque of a 3-hp gas engine to handle tough backyard jobs. Large 9½x13½-inch hopper accepts twigs, brush, clippings and branches up to ¼-inches in diameter. Tapered chipper tube with 2¼x3-inch opening chips irregular shaped twigs and branches up to 1¼-inches in diameter. Tool steel reversible chipping blade. 2-stage shredding system provides up to 8 to 1 reduction in particle size. Chipping and shredding chambers are constructed of polycarbonate and aluminum materials...won't crack, rust or corrode. Includes safety glasses. UL listed. Measures 22Lx22Wx38H-inches. Shipped direct from manufacturer, allow 10 days for delivery.
F 71 R 79987—Wt. 38 lbs **$279.99**

G. Craftsman LEAFWACKER PLUS shreds wet or dry leaves, grass clippings or pine needles with heavy-duty nylon line. Reduces 8 bushels to 1 bushel. Feeds through 21-inch diameter funnel into bushel-size hopper. Hopper tilts to any convenient angle...rotates 180° for storage. Stands on legs or sets directly on trash barrel. 8 amp electric motor. Limited 1-year warranty.** Shipped direct from manufacturer, allow 10 days for delivery.
F 71 R 79986—Wt. 20 lbs **$119.99**

H. Craftsman LEAFWACKER, similar to (G), with 5.9 amps of power. Does not tilt. Shipped direct from manufacturer, allow 10 days for delivery.
F 71 R 79685—Wt. 18 lbs **$99.99**

J. 5-hp Super Tomahawk® chipper/shredder, only $21 monthly,* has a Tecumseh Lauson engine with a manually engaged belt idler clutch. 12 swinging flails with 1-inch shredding capacity, 3-inch chipping capacity. Large 17x25-inch hopper with flared chipper chute to accomodate side branches. Flywheel mounted chipper blade, operating speed of 3600 rpm. Comes with a Full no-time limit warranty.**
71 R 78882—Wt. 253 lbs **$999.99**

CRAFTSMAN® II LAWN TRACTORS

A

14-HP OHV Kohler engine with spin-on oil filter

$1799 $38 Monthly†

Includes shipping to store♦

42-in. "QC" 3-in-1 deck with gauge wheels
6-speed in line transaxle with fender shift

A. Powerful overhead valve engine with hydraulic valve lifters that reduce noise and eliminate valve adjustments. Pressurized lubrication for even and continuous oil distribuiton. Replaceble oil filter traps dirt before it can enter the engine. Factory installed twin mulching blades allow you to mulch, catch, or throw your clippings. Mowing heights are infinitely adjustable between 1½ to 4 inches. Wide 42-inch cutting path with a narrow 25½-inch turning radius. Gauge wheels guide the mower over tough terrain. Convenient electric ignition with 30-amp DieHard battery. Heavy-duty 12 gauge steel frame runs the length of the tractor. 20x10-inch rear and 15x6-inch front Turf Saver tires. 3½ gallon no-rust fuel tank. Headlights for night work. Accepts catcher 24949 sold on page 702. Ltd. 2-year warranty.*

71 R 25545N—Wt. 562 lbs. **$1799.00**

3One Convertible

B

Powerful 18-HP Briggs & Stratton twin cylinder engine

$1599 $34 Monthly†

Includes shipping to store♦

Large, 42-in. "QC" 3-in-1 mowing deck
Sector-and-pinion steering with pivoting front axle for quick, sure response
5-speed transaxle with reverse

B. Designed for quiet performance with less vibration for operator comfort. Cast iron liners withstand wear and abuse while providing improved oil control. Infinite height adjustments with memory from 1½ to 4 inches. Quality Cut mowing deck with improved lifting action mulches, discharges or bags without changing blades. Tight 25½-in. turning radius. Electronic ignition. 30-amp battery. Automotive style air filter traps dirt and pulls out for quick servicing. Heavy-duty, one-piece 12 gauge steel frame runs the full length of the tractor. Large 20x10-in. rear Turf Saver tires give a smooth ride and protect your grass when tractor turns. Large 3½-gallon no-rust fuel tank. Headlights. Accepts catcher 24949 sold on page 702. Limited 2-year warranty.*

71 R 25486N—Wt. 524 lbs. **$1599**

STORE PICKUP STILL AVAILABLE FOR "N" SUFFIX ITEMS! DELIVERY CHARGES MAY BE LESS THAN HOME DELIVERY.

C

Hydrostatic lawn tractor with 14-HP engine by Kohler

$2099 $44 Monthly†

Includes shipping to store♦

Wide, 42-inch "QC" 3-in-1 mowing deck with gauge wheels for tough terrain
Factory installed mulching blade

C. Automatic transmission lets you change speed or direction without using the clutch for less shifting effort and mowing time. Infinite height adjustments with memory from 1½ to 4 inches. Durable heavy-duty 12 gauge steel channel frame. Engine has hydraulic valve lifters that reduce noise and eliminate valve adjustments and pressurized lubrication for even and continuous oil distribuiton. Replaceble oil filter traps dirt before it can enter the engine. Sector-and-pinion steering with pivoting front axle responds quickly with a 25½-inch turning radius. Convenient electric ignition with a 30-amp battery. Automotive style air filter. Turf Saver tires; 15x6 inch front, 18x9½ inch rear. Tight 25½-in. turning radius. 5-quart rust proof gas tank. Headlights for night work. Use with catcher 24949 sold on page 702. Limited 2-year warranty.*

71 R 25546N—Wt. 580 lbs **$2099**

TOUGH CRAFTSMAN® II GARDEN TRACTORS

18-HP garden tractor with Kohler twin cylinder Magnum engine

$2599 $55 Monthly†

Includes shipping to store♦

6-speed extra heavy-duty transaxle with high and low range plus 2 reverse
Extra wide 44-inch triple blade mowing deck

A. Provides real power for your gardening and snow removal needs. Automotive style extra heavy-duty 10 gauge steel rail frame provides the support needed for ground engaging equipment. Infinite height adjustment with memory gives you mowing heights from 1¼ to 4¼ inches. Sector-and-pinion steering with pivoting cast iron front axle responds quickly to changes in terrain with a 30 inch turning radius. Electric clutch lets you engage the mower blades with the flip of a switch. Electronic ignition with powerful 30-amp DieHard battery. 15-amp regulated charging system keeps power to the battery when needed. Ammeter. Automotive style air filter. Pressurized lubrication for even and continuous oil distribution. Replaceable oil filter. Knob adjustable seat, no tools required. Turf Saver tires; 16x6½ inch front, 23x10½ inch rear. 3.5 gallon no-rust fuel tank. Headlights. Accepts tractor attachments sold on page 710. Limited 2-year warranty by Sears.*

71 R 25598N—Wt. 743 lbs. **$2599.00**

18-HP Briggs & Stratton Industrial Commercial Gold engine

$2299 $48 Monthly†

Includes shipping to store♦

Wide, 44-in. deck
6-speed extra heavy-duty transaxle with dual range

B. Twin cylinder design for quiet, vibration-free, powerful performance. Laminated blower housing for reduced noise. Cast iron liners withstand wear and improve oil control. Cobalite exhaust valve and dual air cleaner for longer engine life. Sector-and-pinion steering with pivoting front axle responds to changes in terrain for a clean, close cut. Mowing deck adjusts from 1¼ to 4¼-in. Tight 30-in. turning radius. 6-speed extra heavy-duty high/low range transaxle that's 6 forward (3 high/3 low) and 2 reverse speeds puts more torque at the rear wheels when needed. Electric clutch engages mower blades with just a flip of a switch. Electronic ignition with powerful 30-amp DieHard battery and meter. Automotive style air filter. Heavy-duty, one piece 10 gauge steel rail frame. Accepts tractor attachments sold on page 710. Knob adjustable seat, no tools required. Turf Saver tires; 16x6½-inch front, 23x10½-inch rear. 3.5 gallon, no-rust fuel tank. Headlights. Limited 2-year warranty by Sears.*

71 R 25597N—Wt. 736 lbs. **$2299.00**

18-HP Briggs & Stratton Industrial/Commercial twin cylinder engine

$2099 $44 Monthly†

Includes shipping to store♦

6-speed in-line fender shift
44-inch triple blade mower deck

C. Extra heavy-duty transaxle with automotive type differential accepts an array of ground breaking attachments. Engine has cast iron liners for longer life. Mowing deck adjusts from 1½ to 4-inches and has better lifting action for a cleaner cut. Cobalite exhaust valve for longer life. Sector-and-pinion steering with pivoting front axle responds quickly to changes in terrain with a tight 20-inch turning radius. Extra-heavy duty, one-piece 11 gauge steel frame runs the full length of the tractor. Electronic ignition. Adjustable seat. Automotive style air filter traps dirt and pulls out for quick servicing. Turf Saver tires; 15x6 front, 23x8½-in. rear. 3.5 gal. no-rust fuel tank. Headlights. Accepts tractor attachments sold on page 710. Limited 2-year warranty by Sears.*

LAWN & GARDEN ATTACHMENTS

Dethatchers

A. Front-mount dethatcher controls thatch build-up, sets up grass for more uniform mowing or seeding. Adjustable 7-in. gauge wheels and 3/16-in. diam. spring-steel tines. Has lift handle with lockout position for transport. Steel frame.

For lawn, yard and garden tractors, unit has 20 teeth that clear an area 38-in. wide.*
F 71 R 24301—Wt. 50 lbs. **$119.99**

Unit for rear-engine riders (not shown) has 16 teeth that clear an area 30-in. wide.*
F 71 R 24302—Wt. 36 lbs. **$119.99**

B. 28-in. steel lawn dethatcher loosens and flips thatch and vegetation on lawn for easy removal. 16 tines aerate, turn and stimulate growth.*
F 71 R 2417—Wt. 18 lbs. **$59.99**

C. Rear-tow 40-in. steel lawn dethatcher features heavy-duty spring tines and gauge wheels for stability. Control depth with both leveling and height adjustments.*
F 71 R 24313—Wt. 33 lbs. **$119.99**

Aerators

D thru F. Attachments feature sturdy steel construction with a single-pin hitch that attaches easily to most tractors and rear-engine riders with a rear-pin hitch. Warranted by Sears. Write for free copy, see page 1139.

D. Aerator punctures soil so air, moisture and fertilizer can promote deep root growth. Concrete blocks or sand bags can be added to weight tray for increased ground penetration. Basic steel construction. 2 1/2-in. steel spikes. Wheels for easy transport across driveways or streets.
F 71 R 24371N—Wt. 67 lbs.♦ **$129.99**

E. 28-in. steel aerator has 64 tine points that evenly penetrate 1 to 2-in. deep into soil surface. Allows air and fertilizers to reach roots for improved growth.*
F 71 R 2415—Wt. 20 lbs **$57.99**

F. $10 Monthly.▲ Heavy-duty steel 36-in. coring aerator has 24 hardened steel tines. 8-in. wheels have rubber tires and self-aligning iron-orlite shaft bearings with grease fittings. 150-lb. capacity. Limited 2-year warranty. Write for free copy, see page 1139.
71 R 24351N—Wt. 80 lbs **$229.99**

Rollers

G. Lawn roller features a water-tight steel drum with rounded edges to help prevent gouging turf. Steel axle stubs with replaceable Oilite bushings and hubs. Adjustable scraper and rust-resistant fill plug. Lawn roller measures 36Wx18D inches. Weighs 390 lbs. when filled with water or sand. Not for use with rear-engine riders.
71 R 24084N—Wt. 80 lbs. **$129.99**

H. Combination roller push/pull. Can also convert to be used as a hand push roller. Like (G) except 20Wx14D inches. Weighs 180 lbs. when filled with water or sand. Basic steel construction.*
F 71 R 24083—Wt. 45 lbs. **$99.99**

♦See 'N' suffix note, page 1138. *Allow 10 days for delivery.
▲On SearsCharge. See page 1144 for details.

For tractor batteries see pages 902-903. Trailers for tractors are on page 895.

SWEEPERS

A. High performance sweeper collects thatch, leaves and grass clippings. Adjustable brush heights allow maximum cleaning on turf; high performance sweepers even pick up pine straw. Traction increases as bag fills. Semi-pneumatic tires give stability and traction on rough or hilly ground. Mildew-resistant vinyl hopper bag with windscreen; no tools needed to quickly assemble. Collapsable bag for easy storage. See 'N' suffix note, page 1138.

Lawn Vacuums

B and C. Gas operated lawn vacuums pick up grass, leaves. Briggs & Stratton engines. Durable 6-in. PVC connecting tubes. High volume 4 blade impellers. Quick attach chute. Requires chute adapter sold below. Vacuums will work with any brand tractor if you have the proper chute and hitch attachments. Call Lawn Vac Chute Attachment Hotline below. Warranted.*

B. $17 Monthly.† 5-HP heavy-duty model for yard and garden tractors. Large 34 cu. ft. capacity. Steel top with reinforced poly-vinyl hose. Heavy 14 gauge steel blower housing. Quick-attach mounting for easier assembly and removal. Needs 10-cu. ft. cart item (24355), sold on page 706. Quick-release gate for easy unloading.♦

F 71 R 24471N—Wt. 210 lbs **$799.00**

C. $15 Monthly.† 3-HP engine. Two 32-gallon polyethylene containers take trash bags (not included) for easier cleanup and disposal. 12 bushel total capacity. Single handle lift for easy unloading. Two, 3 wheel ball bearing casters are wide set for stability. Only 36-in. wide for good left side trimming. For all tractors, except 25426, 25575-76.♦

F 71 R 24521N—Wt. 215 lbs **$699.00**

D. Wand attachment helps extend your vacuum's reach and helps you pick up debris in hard to reach areas. Measures 12 feet long and 4 inches wide with steel nozzle and handle.♦

F 71 R 2468—Wt.215 lbs. **$99.99**

HOW TO ORDER
lawn vacuum chutes and hitches for (B and C):

1. Before phoning, note these details about your tractor: Year, Make, Mower Size, Engine Size and Model Number (Example: 1989 Craftsman, 38-in., 16-HP, Model 917.25476).

2. To order, call the Toll-Free Lawn Vacuum Chute Attachment Hotline at:

1-800-777-6074

3. Call Monday through Friday, 8 AM to 4 PM Eastern Time. Tell the operator the lawn vacuum that you are purchasing and give the information from Step 1 above. Operator will then custom-match your tractor with the parts required. (Hotline is not available in Alaska, Hawaii or Puerto Rico. In these areas, call your local Sears Catalog Desk to order.)

4. Prices: Shipped prepaid to your home.
Sears tractors chute adapter **$79.99**
All non-Sears tractors
chute and hitch kits **$129.99**

E. Blades–snow or dozer angle left to right. Control from seat. Include mounting hardware. Require chains, wheel weights (sold on page 710) for stability, traction. For tractor fit see our 1993 Lawn and Garden Catalog.

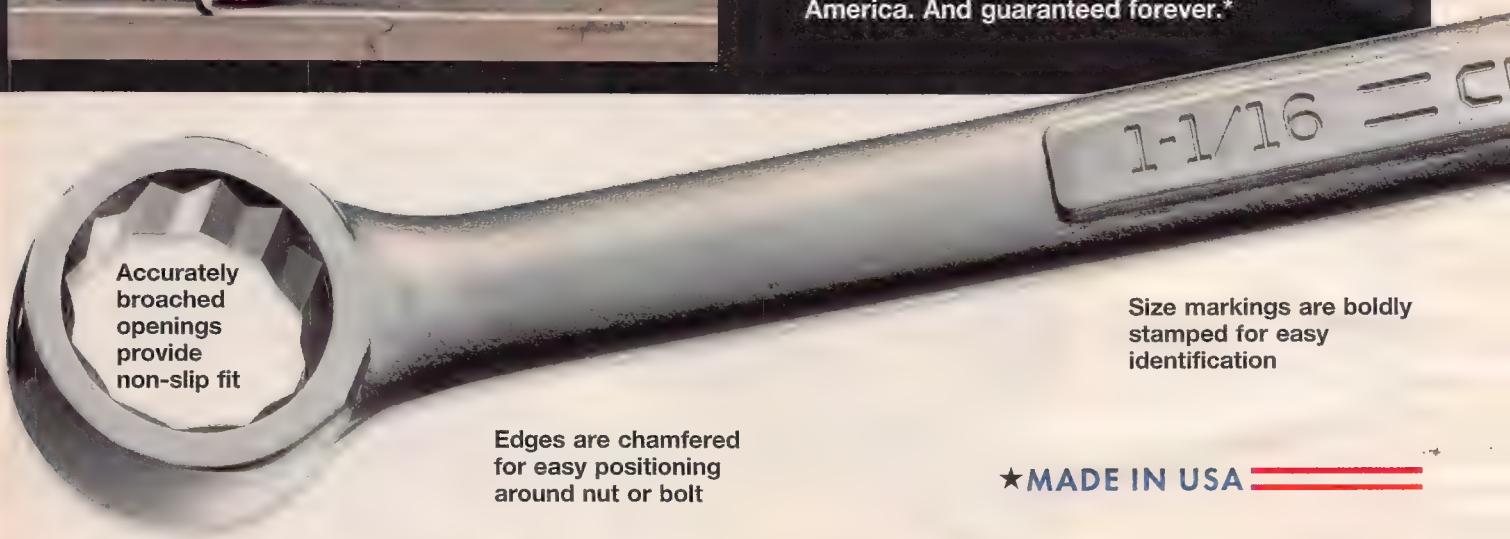
CRAFTSMAN® WRENCHES . . . DESIGNED AND FORGED

CRAFTSMAN® TOOLS ARE THE OFFICAL TOOLS OF NASCAR®, NHRA AND INDYCAR RACING!

The engines are different, the bodies are different. The drivers are different. But the tools are exactly the same. No other tools are engineered to handle the most demanding projects like our Craftsman tools. Plus, rigorous life testing on every tool backs up our promise of Craftsman reliability. Craftsman tools. Made in America. And guaranteed forever.*



★MADE IN USA

*FULL UNLIMITED WARRANTY NOTE: If any Craftsman® hand tool ever fails to give complete satisfaction, simply return it to the nearest Sears store throughout the USA and Sears will replace it, free of charge. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.

TO GIVE YOU THE HIGHEST QUALITY OF PERFORMANCE!

How we make your Craftsman tools

Each Craftsman wrench is hot forged into shape from high carbon alloy steel and then machined and hardened. The resulting hand tool is of the highest strength and durability, meeting or exceeding the standards set by the American National Standards Institute (ANSI).

Openings are offset at 15° angle for a sturdy grip

9 R 34755—Metric. Wt. .75 lbs **16.99**

D. 77-piece tool set with carrying case. Set includes: **1/2-in. drive tools:** 13 sockets (5/16 thru 1-in.); 13/16-in. spark plug socket; universal joint; ratchet; 2 extension bars (5 and 10-in.); 3 combination wrenches (5/16 thru 3/4-in.); sliding T-bar; 10-in. locking pliers; 6-in. diagonal pliers; 6-in. long-nose pliers; 10-in. water pump pliers; 9-in. crimping tool; five screwdrivers; 8-oz. hammer; six hex keys; 6-12-v. auto tester; battery brush; 3-way knife; thirty terminals and plastic carrying case. Imported.
9 R 43029—Wt. 16.00 lbs **$64.99**

E. Squeezedriver is a high-speed reversible screwdriver, nut driver and precision drill that provides the do-it-yourselfer with a high torque 30-in. lbs. at the beginning of a squeeze and 200 RPM at the end. The ratchet drive option can easily deliver torque up to 140-in. lbs. (faster than most cordless tools). The recipient of the 1988 Popular Science award for tools, this handy tool is the ultimate in portability...it needs no batteries or AC power. Low-effort inverse force spring in the handle. Driver moves from high torque to high speed automatically. Direct hand control helps prevent stripped threads and holes. Intended for light to medium duty installing and removing of screws and other fasteners. High-torque ratcheting may be used at any time, either during or instead of squeeze driving. Includes two slotted bits, three Phillips bits, two Torx® bits, 4 sockets and 1/4-in. socket adapter. High-impact plastic housing. Made in the USA.
9 R 41150—Wt. 1.50 lbs **$24.99**

'O-Ratchet', 'O-Socket', 'Pass-Thru' and 'Hexx' are trademarks of O-Ratchet Company, Ada, Oklahoma.

NOTE: Warranted by Sears or manufacturer. Write for free copy, see page 1139.

CRAFTSMAN® TAPS AND DIES

★MADE IN USA

WHY BUY CRAFTSMAN® TAPS AND DIES

- Rust-resistant satin finish cuts smoother with less friction
- Meet American Metal Cutting Institute standards for 'cut thread' tolerance
- Produce class II fit specified by National Bureau of Standards

HOW TO CHOOSE THE PROPER TOOLS:

- To repair stripped or mashed threads or thread a hole, you'll need taps and a tap wrench
- To form threads on a rod or repair threads on a bolt, you'll need dies and a die stock
- Use oil for easier cutting and to prolong the life of taps and dies

A

CRAFTSMAN PROFESSIONAL SET

- Black-oxide coating reduces friction for smooth cutting action
- May be used manually as well as with machine tools

A thru J. Our transits and levels have dust-proof fittings. Lenses are polished to exact curves. Color-corrected lens system. Rack-and pinion focusing, distinct crosshairs. Erect images. Precision-machined fine-motion parts eliminate back and sideplay. Hard-baked finishes for high visibility, abrasion-resistance. All have sunshades (E, F, G, H are removable). All include high-impact carrying case; all foam-lined (except A and B). Incl. plumb bob with string and instructions. See Service information below. Warranted by Sears. Write for free copy, see page 1139.

To determine which instrument is best suited for your needs, ask yourself these three basic questions:

1. Do you need to measure horizontal and/or vertical angles? (see column 2)
2. What leveling accuracy do you require? (see column 6)
3. How far is your working range? (see column 7)

Craftsman® heavy-duty bench vises

A thru C. Vises have v-grooves for extra gripping strength. Instant action vise screw for immediate opening and closing. Four mounting lugs. Swivel 270° for ease of use, feature angular lock nuts for easy operation. Rear channel provides light duty work surface. Extra channel support on back jaw. Reversible jaws are smooth on one side and serrated on the other. Chrome-plated steel screw. Long lock nut handle. Made in USA.

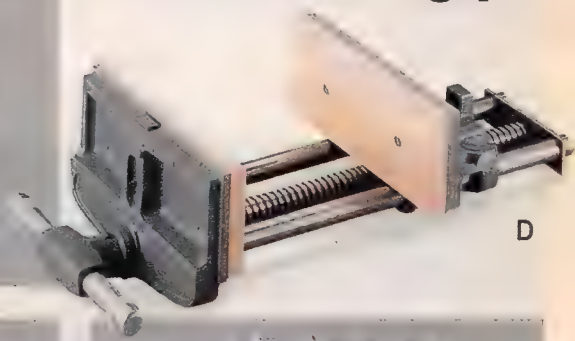
A. 3½-inch vise opens to 4 inches, accepts pipes from ⅛ to 2 inches.
9 R 51861—Wt. 17 lbs ..... Each **$25.99**

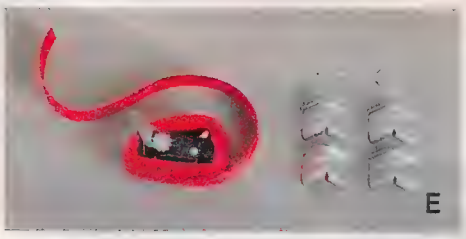
B. 4½-inch vise opens to 5 inches, accepts pipes up to 2½-inches.
9 R 51865—Wt. 27 lbs ..... Each **$36.99**

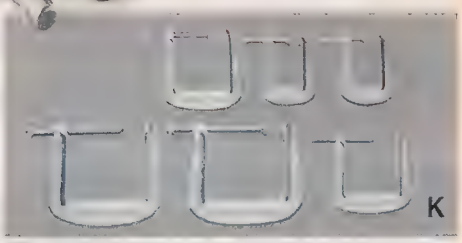
C. 5½-inch vise opens to 6-inches, accepts pipes up to 2¾-inches.
9 R 51871—Wt. 39 lbs ..... Each **$46.99**

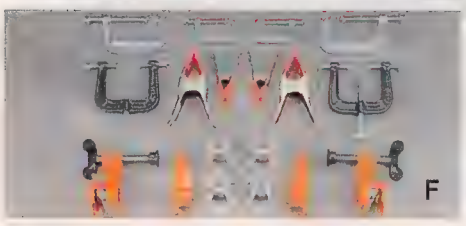
D. Craftsman® woodworker's vise has smooth cast-iron 4x10-inch jaws, wood face included with mounting hardware. Rapid action open and close. Retractable 'dog' acts as bench stop. Steel guide bars keep jaws aligned. Made in USA.
9 R 51875—Wt. 36 lbs ..... Each **$84.99**

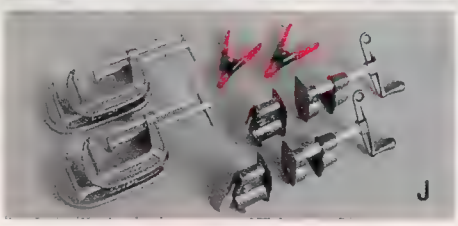
12-inch capacity wood-working vise **$84.99**

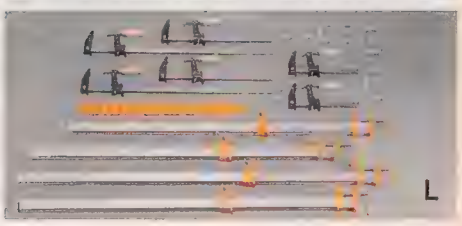












E. Pony band clamp is a 15-ft.x1-in. nylon band which applies clamping pressure around any shape.
9 R 31513—Wt. 1.00 lbs ..... Each **$8.99**

F. 13-piece all-purpose clamp set includes two ¾-inch pipe clamps, one set of pipe saddles, two 3-way edging clamps, four 'C' clamps and four spring clamps.
9 R 31529—Wt. 11.50 lbs ..... Each **$63.99**

*Warranted by Sears or manufacturer. Write for free copy, see page 1139.

G and H. Pipe clamps for use with threaded black pipe for extra long work pieces. Smooth jaw faces.

G. Craftsman pipe clamps fit ½-inch pipe. 1¼x1½-inch jaw face (pipe not included).
9 R 31551—Wt. 1.31 lbs ..... Each **$5.69**

H. Craftsman pipe clamps fit ¾-inch pipe. Spin-quick handle. 1¾x1¾-inch face (pipe not included).
9 R 31552—Wt. 2.13 lbs ..... Each **$9.99**

J. Craftsman® 8-pc. clamp set incl. 2 each: 1-in. spring clamp, ¾-in. ductile iron pipe clamps, 3-in. ductile iron 'C' clamps, 4-in. 'C' clamps. Warranted.*
9 R 65993—Wt. 9.50 lbs ..... Each **$25.99**

K. 6-piece 'C' clamp set features light duty, deep reach ductile frames; plated steel screws, handles and swivels. Includes two each: 1x3, 2x3½ and 3x4½-inch sizes.
9 R 66752—Wt. 4.50 lbs ..... Each **$19.99**

L. 24-piece pro set includes 6 'C' clamps (2 each: 1, 2, 3-inch); 6 steel bar clamps (2 each: 6, 12, 24 inch); 4 aluminum bar clamps (2 each: 36, 48 inch); 8 clamp pads. Shipped direct from factory. Allow extra time for delivery.
F 9 R 66753—Wt. 35 lbs ..... Each **$132.99**

Tape measures and levels

A. Our Best Craftsman tape has high carbon steel blade, high-impact chrome and black plastic case with non-slip design for a sure grip. Exclusive dual-locking system incorporates recessed bottom brake plus front posi-lock button to hold blade firmly in place. Cam-activated Tru-Lock.™ Mechanized inside tip surface helps avoid slippage during use. Power blade return for easy retrieval. Recessed bottom brake. Blade has tough-tip blade protector. Cross-curve® inner spring. Belt clip.

20-ft. long, 1-inch wide tape.
9 R 39461—Wt. .94 lbs ..... Each **$11.49**

25-ft. long, 1-inch wide tape.
9 R 39462—Wt. 1.00 lbs ..... Each **$12.49**

B. Craftsman locking tape has recessed blade brake in base. Non-slip rubber grip surrounds chrome-plated housing. 3-color blades with tough-tip blade protector. Belt clip.

12-ft. long, 1/2-inch wide tape.
9 R 39451—Wt. .31 lbs ..... Each **$7.39**

16-ft. long, 3/4-inch wide tape.
9 R 39452—Wt. .56 lbs ..... Each **$8.69**

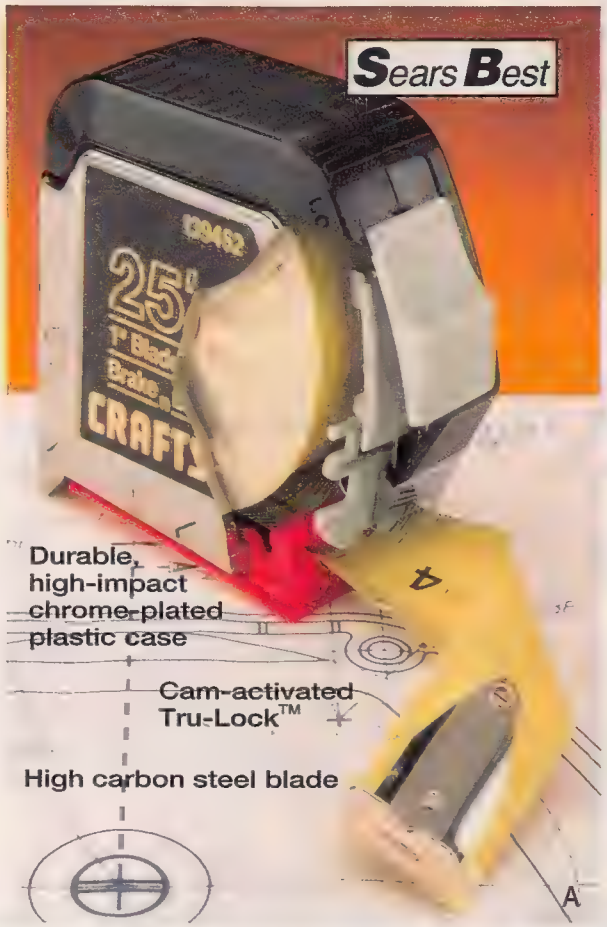
20-ft. long, 3/4-inch wide tape.
9 R 39453—Wt. .69 lbs ..... Each **$9.09**

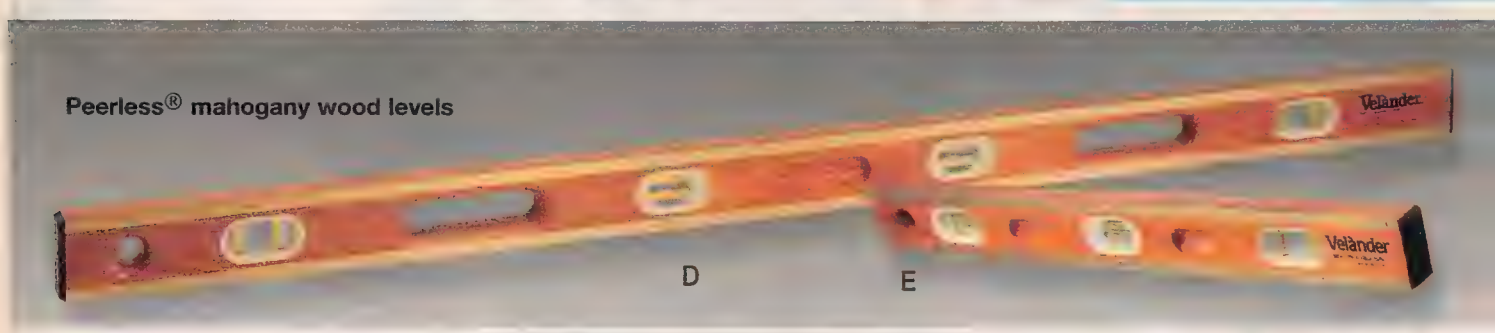
25-ft. long, 1-inch wide tape.
9 R 39455—Wt. 1.06 lbs ..... Each **$10.00**

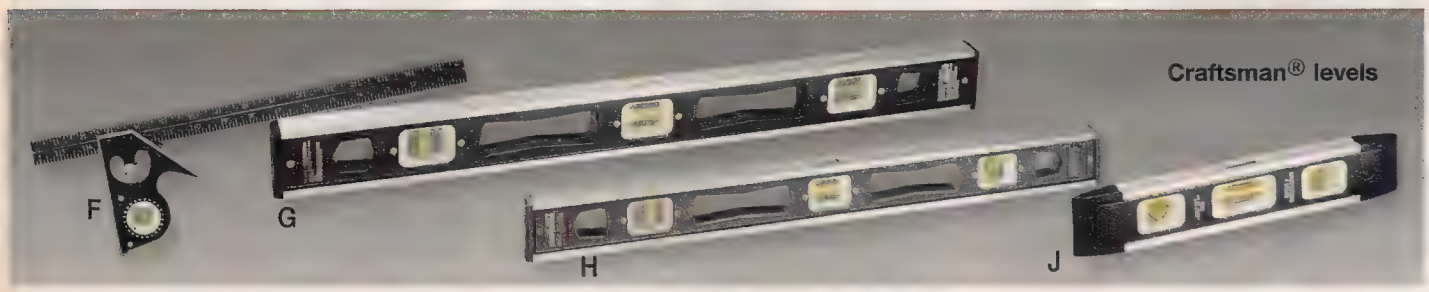
C. Sears cam-activated posi-lock tape for firm grip holding. Blade retracts auto. when lock is released. 3-color blade. Stainless steel belt clip.

25-ft. long, 3/4-inch wide tape.
9 R 39442—Wt. .56 lbs ..... Each **$6.99**

25-ft. long, 1-inch wide tape.
9 R 39443—Wt. 1.00 lbs ..... Each **$7.59**







D and E. Peerless® levels have flat brass edges that help resist warping and add strength and rigidity to work edge. Mahogony is twice-sealed for weather protection. Hand holds for easy use.

D. 48-inch level. 8 vials: 4 level and 4 plumb.
9 R 39879—Wt. 4.35 lbs ..... Each **$49.99**

E. 24-inch level. 6 vials: 2 level and 4 plumb.
9 R 39878—Wt. 2.94 lbs ..... Each **$37.99**

F. Combination square has 16-in. blade. Graduated in eights and sixteenths of an inch. Angle-finding rotating vial.
9 R 39584—Wt. .79 lbs ..... Each **$15.09**

G. Heavy-duty aluminum levels. I-beam construction. Special pitch vial reads from level to 1/2-in. per ft. pitch in 1/8-in. increments. Top read window. 24, 48-in. lengths have rugged ABS panels to absorb shocks. V-groove edge for use on pipe.

24-inch level. 3 vials: 1 plumb, 1 level, 1 pitch.
9 R 39874—Wt. 3.00 lbs ..... Each **$18.99**

48-inch level. 4 vials: 2 plumb, 1 level, 1 pitch.
9 R 39875—Wt. 2.44 lbs ..... Each **$29.49**

72-inch level. 5 vials: 2 plumb, 2 level, 1 pitch.
9 R 39912—Wt. 5.25 lbs ..... Each **$59.79**

H. Heavy-duty magnetic aluminum level. Top read windows. 24 and 48-inch levels have flush-mounted ABS plastic side panels.

24-inch level. 3 vials, 1 each: plumb, level, 45°.
9 R 39876—Wt. 3.00 lbs ..... Each **$21.99**

48-inch level. 4 vials: 2 plumb, 2 level.
9 R 39877—Wt. 2.44 lbs ..... Each **$39.79**

78-inch level. 5 vials: 3 plumb, 2 level.
9 R 39944—Wt. 6.13 lbs ..... Each **$69.89**

J. 9-in. magnetic torpedo level has v-groove working edge. Top read window. 3 vials: plumb, level, 45°.
9 R 39829—Wt. .33 lbs ..... Each **$9.49**

Maintenance free–no oil changes, no belts
Plenty of air for a wide range of jobs
100 PSI* maximum
15-ft. hose, tire chuck

F

3-HP 12-gallon compressor

$294.99

$11 Monthly†

This compressor features advanced technology in pistons, cylinder, valves, heads, crankshaft plus an extra-large squirrel-cage fan for smoother, cooler running. Permanently lubricated so oiling is never needed. No belts to adjust or oil to change. Protective shrouding covers heat-producing parts. Tool storage tray helps keep work area organized. Large, easy-to-read gauges. UL listed, AC. Meet ASME requirements. See our Air Compressor Facts Note below. Warranted.♦

F. 3-HP, 12-gallon compressor delivers 8.5 SCFM at 40 PSI and 7.0 SCFM at 90 PSI, with a 100 PSI maximum. Operates same tools as 9-15331 (C) on facing page, plus spray gun (9-15514); power washer (9-16225); impact wrench (9-18853); impact hammer (9-18915); saw (9-18868); nailers (9-18325, 9-18315, 9-18322) and staplers (9-18300, 9-18305, 9-18310, 9-18307, 9-18303). 120/240 volts. 29½x16x28 inches.
9 R 15313N—Wt. 85.00 lbs **$294.99**

G

3½ and 5-HP oil-lubed electric compressors

$384.99 and up

G. Oil-lubed compressors feature cast-aluminum head and deep fins for cooler operation. Cast-iron cylinder sleeves add durability and long life. Computer-designed crankshaft reduces noise and vibration. Easy-access air intake filter allows fast and simple replacement. 5-HP models operate all tools (F) operates plus spray guns ((9-15515, 9-15518); wrenches (9-18582, 9-18959, 9-18590); sanders (9-18970, 9-18860); saw (9-18863). 125 PSI maximum. Requires oil for operation (at right). 8-in. diam. wheels (10-in. on 9-17695N). 7/8-in. diam. pull handles. Equipped with 1½-in. diam. gauge and outlet valve (except 9-17965 has gauge and pressure regulator). Belt guard helps protect operator. Includes 15 ft. of ¼-in. diam. air hose and air chuck. 3½-HP unit is 120-v. convertible to 240-v.; 5-HP units are 240-v. (order receptacle at right). Meets ASME requirements. See our Air Compressor Facts Note at right. Warranted.♦

AIR COMPRESSOR FACTS NOTE*

Air delivery is measured by Standard Cubic Feet per Minute (SCFM) at Pounds per Square Inch (PSI), SCFM: Air volume output. A higher SCFM allows more paint to be sprayed in a given time and increases the number of tools that can be operated by the compressor. PSI: Air pressure output of the compressor. Higher PSI allows a heavier body paint to be sprayed and more effective operation of many air tools. Extension cords can cause motor overheating and failure to start. Try our air hoses instead. ASME: American Society of Mechanical Engineers.

220-240 v. receptacle (not shown) for 240-volt units. Wt. .19 lb.

SEARS EXCLUSIVE

6-HP, 60 gallon has all these great features:

- Our most powerful single-stage compressor
- Delivers 12.5 SCFM at 40 PSI, 10.2 SCFM at 90 PSI, 125 PSI max.
- Can be used with any air tool we sell

SPECIAL FREE CRAFTSMAN TOOLS OFFER

SEE PAGE 711 FOR DETAILS

A

A. Commercial/industrial and professional-duty single stage air compressor is designed for use wherever permanent installation is desired. Meets ASME requirements. Features our exclusive CRAFTSMAN® pump, built of die-cast aluminum with cast-iron cylinder sleeves for long pump life. Forced air cooling system with aluminum fins for efficient cooling. Crankshaft needle bearings help reduce vibration and wear. Delivers 12.5 SCFM at 40 PSI, 10.2 SCFM at 90 PSI; 125 PSI maximum. Equipped with pressure gauge and no-load start pressure switch. Beltguard helps protect operator. 230 v., 20 amps. Measures 29x26x77 in. high. Requires oil for operation, sold on page 755. Single phase pump. Warranted by Sears. Write for free copy, see page 1139. Before ordering be sure to see our Air Compressor Facts Note on page 755.
9 R 17526N—Wt. 260 lbs. **$579.99**

STORE PICKUP STILL AVAILABLE FOR "N" SUFFIX ITEMS! DELIVERY CHARGES MAY BE LESS THAN HOME DELIVERY.

B and C. Heavy duty 2-stage air compressors. Two-stage compressors are more efficient, run cooler and last longer than single-stage units. Meets ASME requirements. A large cylinder compresses intake air to approximately 40 PSI (first stage). Compressed air is then discharged through an intercooler to dissipate heat and into the smaller cylinder which compresses air to 150 PSI for 60 gallon unit, 175 PSI for 80 gallon units (second stage). Air then passes into storage tank. Cast iron cylinder sleeves for durability. Operates on 240 v., 60 Hz. AC. May be used with all air tools we sell. Warranted by Sears. Write for free copy, see page 1139. Before ordering, see Air Compressor Facts Note on page 755. Please allow 14 days for delivery.

B. Delivers 11.1 SCFM at 40 PSI, 10.8 SCFM at 90 PSI, 150 PSI maximum. Aluminum pump to dissipate heat. Pressure gauge and no-load start pressure switch. Oil level sight glass. Wire belt guard for better ventilation. 29x20x68 in. high. Requires 20 amp circuit breaker or slow-blow fuse.
F 9 R 17525N—Wt. 302 lbs **$849.99**
♦Consult an electrical contractor for purchase and installation according to local wiring and electrical codes. 6000 watts at maximum pressure, check with local power company before ordering.

C. A Sears Catalog exclusive! Compressors with 80-gal. horizontal tanks can hold 1.5 times as much air at 175 PSI as 60 gal. tanks at 150 PSI. Deliver 15.5 SCFM at 175 PSI, for higher SCFM use lower PSI. Pump has die-cast aluminum head with deep fins for improved cooling. Ball-bearings on crankshaft. Rod bearing inserts. Belt and pulley guard help protect operator. Splash lubrication for positive flow of oil. Includes pressure gauge, check valve, safety relief valve and shut-off valve with 3/4 inch NPT** male connection. Units require magnetic starter♦ (not included). Pressure switch for pilot control of magnetic starter. Measures 64x20x41 inches high.
1-phase unit.
F 9 R 17735N—Wt. 390 lbs **$1199.99**
3-phase unit.

CATALOG EXCLUSIVE

Craftsman 1 1/2-HP 4-gallon contractor's compressor

$249.99

$10 Monthly‡

- Elliptical design adds strength
- Never needs oil
- Ideal for decking or roofing work
- 4.6 SCFM at 40 PSI, 3.1 SCFM at 90 PSI, 120 PSI maximum

D. Compact compressor has 'pancake' (patent pending) design . . . doubles strength without adding weight. Ideal to take to job sites. 9 valve ports for maximum flow capacity. Permanently lubricated. Hard coated alloy cylinder runs cooler, reduces friction. Precision balanced crankshaft. Quiet vibration-free operation. Advanced polymer compression ring adds life, helps keep air oil-free. Easy-access intake filter. Maximum 120 PSI. Includes 25 ft. of 5/16-in. diam. air hose, regulator, 1 1/2-in. gauge. 100% pressure-tested tank. Handle for portability. Operates bleeder and non-bleeder accessories. 15 amps at maximum 120-v. UL listed. 14x16x22 in. high. See Air Compressor Facts Note on page 755. Warranted.*

9 R 15342—Wt. 50 lbs **$249.99**

E. Craftsman® heavy-duty compressor includes truck mounting kit. 4-cycle gasoline engine. Delivers 12.0 SCFM at 40 PSI; 10.0 SCFM at 90 PSI. Maximum 110 PSI. Recoil start. Throttle control. Belt and pulley guard. 3 quart fuel tank shut-off valve. Meets ASME requirement. Includes 15 feet of 1/4-inch diameter air hose and air chuck. 8-inch diameter wheels. Converts to stationary operation. Measures 40x20x30 inches high. Operates all air tools we sell. Before ordering, see Air Compressor Facts Note on page 755. Warranted.*

CRAFTSMAN® AIR DRIVE TOOLS

A thru L. Warranted* All (except H, K) imported.

A. 1/2-in. sq. dr. impact wrench delivers 25-400 ft.-lbs. of working torque. For heavy equipment maintenance and auto repairs. Supported ring socket retainer. Built-in power regulator. Balanced for best power to weight ratio. 1300 impacts per minute. 8,000 RPM free speed. Avg. 4.0 SCFM at 90 PSI.
9 R 18899—Wt. 5.60 lbs. **$109.99**

B. 1/2-in. sq. dr. impact wrench delivers 25-225 ft.-lbs. of working torque. Plastic scuff guard and built-in regulator. Reversible. Ring-type socket retainer. 1300 impacts per minute. 8,000 RPM free speed. Avg. 4.0 SCFM at 90 PSI. See Note.
9 R 18884—Wt. 5.80 lbs. **$59.99**

C. 3/8-in. sq. dr. butterfly impact wrench delivers up to 75 ft.-lbs. of torque. Straight handle design and swivel air inlet gives max. maneuverability. Multi-torque regulator for positive speed control. 1800 impacts per minute. 11,000 RPM free speed. Average 2.5 SCFM at 90 PSI.
9 R 18844—Wt. 1.31 lbs. **$44.99**

D. 3/8-in. dr. ratchet delivers 10-45 ft.-lbs. working torque. No-load speed of 160 RPM. Rev. ball-type socket retainer. Finger-controlled throttle. Average 4.0 SCFM at 90 PSI.
9 R 18802—Wt. 1.94 lbs. **$46.99**

E. 1/4-in. sq. dr. mini ratchet delivers 5-18 ft.-lbs. working torque. No load speed of 150 RPM. Features lever throttle, full reverse, rear exhaust. Average 3.0 SCFM at 90 PSI.
9 R 18845—Wt. 1.13 lbs. **$47.99**

F. Rotary orbital-action sander has built-in regulator. 10,000 rpm free speed. 6-in. sanding disc flexes at edges. Circular exhaust. Average 4.0 SCFM at 90 PSI. See Note.
9 R 18978—Wt. 5.00 lbs. **$49.99**

G. Straight line sander delivers 2100 1-inch strokes per minute. Bottom exhaust. Average 8.0 SCFM at 90 PSI. See Note.
9 R 18970—Wt. 5.50 lbs. **$94.99**

Sandpaper assortment for 18970, CP-768 and I-R 315. Package of 5. Three, 80 grit; two, 40 grit.
9 R 18837—Wt. .25 lbs. **$3.99**

H. Short barrel impact hammer gives you 3700 hammer action blows per minute. Removes brake drums, universal joints, exhaust systems and more! Avg. 4.0 SCFM at 90 PSI. Warranted.* Made in USA.
9 R 18897—Wt. 2.80 lbs. **$34.99**

J. General-purpose 3/8-in. air drill develops 2200 rpm free speed. Muffler in handle reduces noise and vents exhaust. Avg. 4.0 SCFM at 90 PSI.
9 R 18895—Wt. 2.40 lbs. **$56.99**

K. High speed cutter has no-load speed of 20,000 rpm. For cutting fiberglass, sheet metal, mufflers and bolts. Average 4.0 SCFM at 90 PSI. Made in USA. See Note.
9 R 18880—Wt. 2.00 lbs. **$46.99**

L. 1/4-in. sq. dr. die grinder has no load speed of 25,000 rpm. Heavy-duty grinder has tough ball-bearing construction for long life. Built-in regulator, rear exhaust. Incl. 2 collet wrenches. Average 6.0 SCFM at 90 PSI. See Note.
9 R 18878—Wt. 1.88 lbs. **$59.99**

5-pc. grinding point asst. for (L). Includes 3/4-in. cone, 1-in. round, 1 1/4-in. flat, 3/4, 1-in. cylinders.
9 R 18836—Wt. 6.40 lbs. **$6.79**

NOTE: For continuous use, average SCFM rating will be significantly higher. *Warranted by Sears or manufacturer. Write for free copy, see page 1139. † On SearsCharge. See page 1144 for details.

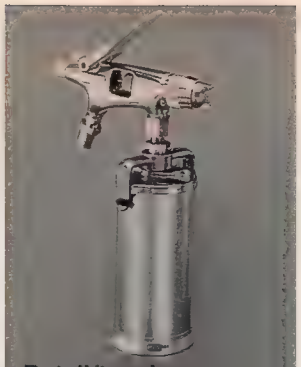
SPRAY GUNS

High performance spray gun
$67.99



Detail/touch up spray gun
$89.99 B

Deluxe general purpose spray gun
$49.99 C

Medium duty spray gun
$39.99 D

Light duty spray gun
$29.99 E

Devilbiss professional spray gun
$149.99 F

2½-gallon paint tank
$89.99 G

A. This Craftsman® gun is designed for professional automotive and other refinishing. Use with fast-drying or medium paints. Spray pattern adjusts from round to oval. Non bleeder, siphon feed. External mix. Incl. 1 qt. drip-free quick-release cup, spray cap and tip. Requires 8.3 SCFM at 40 PSI.
9 R 15515—Wt. 2.19 lbs **$67.99**

B. Craftsman® gun bridges the gap between a full-size gun and an airbrush. Adjusts from fan spray for flat, wide surfaces to round sprays for small irregular work. Non-bleeder siphon feed, external mix. 8-oz. cam-lock cup. Req. min., 2.5 SCFM at 30 PSI.
9 R 15501—Wt. 1.25 lbs **$89.99**

C. Craftsman® gun is perfect for auto painting. Use with all types of fast drying paints. Spray pattern adj. from round to oval. Non-bleeder. Pressure/siphon feed. Internal/external mix. 1 qt. cup, 2 spray caps and tip. Requires 5.0 SCFM at 40 PSI.
9 R 15514—Wt. 2.19 lbs **$49.99**

D. Use this Craftsman® gun with all types of fast drying paints. Spray pattern adjusts from round to oval. Adjustable fan and fluid controls. Non-bleeder. Pressure/siphon feed. External mix. 1 qt. cup, 1 spray cap, tip. Requires 2.7 SCFM at 40 PSI.
9 R 15513—Wt. 2.19 lbs **$39.99**

E. For use on wood finishes, crafts, bicycles and more. Use with all types of paints and finishes. Adjustable fluid control. Bleeder-type. External mix. Incl. 1 qt. aluminum cup, spray cap. Requires minimum ½-HP compressor that delivers 1.5 SCFM at 40 PSI. Imported.
9 R 15510—Wt. 1.31 lbs **$29.99**

F. Professional spray gun has a forged aluminum body that combines rugged durability with lightweight construction. Large fluid passages provide improved air flow and atomization when spraying heavier material. Use with acrylics, primers, lacquers and automotive metallics. Easier maintenance reduces down time. Non-bleeder siphon feed. Requires 9.0 SCFM at 40 PSI. Includes 1-qt. capacity quick-release cup with unique 2-position valve for either drip-free or conventional open-mode spraying. See Spray Gun Terms note below.
9 R 15518—Wt. 3.00 lbs **$149.99**

G. Craftsman® tank for use with spray guns (A thru D and F). Holds 2½ gallons of paint or set 1-gallon can in bottom to cut refill time. Galvanized steel tank. Pressure regulator self-limiting to 60 PSI. Safety valve. Requires ¼-in. diam. air and ⅜-in. diam. paint hoses sold on page 757. 11x11x15 in. high. Not for sale in New Jersey or Puerto Rico.
9 R 16104—Wt. 11.90 lbs **$89.99**

SPRAY GUN TERMS NOTE: Bleeder-type guns are for use with compressors without regulated air pressure. Use non-bleeder guns with tank-type models regulated to maintain constant pressures. Pressure-feed guns for heavy paints and latex. Siphon-feed gun for light-bodied enamels, lacquers, stains, varnishes. Internal mix delivers less overspray and needs less air volume than external mix; not recommended for fast drying paints or high-quality finishes.

SEARS CATALOG EXCLUSIVE

$1799.99

$38 Monthly†

Run tools at the worksite

Make "roughing it" a little less rough

Take your power with you

All generators on this page have these fine features:

- Low-oil shutdown
- Built-in circuit breakers prevent over-loading
- Large mufflers for quiet operation
- Include wheel kits (except D)

A thru D. Craftsman® portable generators are designed to give high-wattage output with quiet operation. All units are manual start except for (9-32839) in chart below. Large spark arrest mufflers meet USDA standards for use in National Forests and camp grounds. Resettable AC circuit breakers protect unit and loads connected to it. Easy access to oil fill and service drain. (A and C) have tank fuel gauges. Non-vibration rubber mounts reduce noise and wear. Extra surge capacity supplies the power you need to start-up tools and appliances. Protective metal cradle. Sears Electric start unit (32839) requires 12-v. battery (not included); can also be started manually. Limited 1-year warranty by Sears.** Order from chart below.

Wheel kit fits any 5000-w. or less Craftsman generator with full cradle. Includes handle.

9 R 32691—5.00 lbs ..... Kit **$39.99**

BEFORE YOU SELECT A GENERATOR:

Consider the combined wattage for the items you want to run and then add a 25% safety factor

To determine wattage, simply multiply the volts of each tool/appliance by the amps. Volts x Amps = Watts

Be sure to check owner's manuals, rated appliance data plate or tool decal of your tools and appliances for power requirements and the additional wattage some motors need to start up

*Twist lock full capacity outlet. ‡National Electric Code requires ground-fault interrupter for generators 5000 watts or higher if used on construction sites. We recommend it for all uses. ▲Electric start does not include 12-volt DC outlet. ■Allow 14 days for delivery.

The deluxe Craftsman® 3500 generator—you have to hear it to believe it

$999.99

$21 MONTHLY†

- Automatic idle
- Low oil shutdown
- 190cc OHV engine
- Extra-large muffler
- Easy-pull start
- Includes wheel kit

E. 3500 watts and our quietest ever! Makes less noise than an average lawn mower because Craftsman® Deluxe Generator has an advanced design that eliminates vibrational noise, an extra-large muffler and an oversized air cleaner with intake silencer. It's fuel efficient too. Overhead valve design combines with automatic idle control to make this generator the most fuel efficient available on a generator this size. Automatic idle control reduces engine speed when tools and appliances are not running which saves you fuel. Engine runs 40 to 50 degrees cooler than competitive engines and has cast iron walls for longer engine life and reliability. Solid-state voltage regulator for superior starting; also protects tools and appliances from voltage surges, and increases fuel saving. Electronic ignition, spark advance and compression release assure smooth, quick starting every time. Yet this unit weighs 30% less than competitive generator designs and is 40% smaller making it more portable for on-site work. Plenty of power too, because our design boosts premium surge watts beyond the limits of larger generators. 4375 surge watts. 29.2 amps at 120-v; 14.6 at 240-v. Circuit breaker protection from overload with easy push reset button. Low oil shutdown prevents engine damage. Extra-large spark arrest muffler meets USDA standards for use in National Forests and campgrounds. Includes handy extension cord holder and service kit. Measures 20Hx16Wx20L-in. 4-gal. fuel tank. Fuel gauge. 15 hrs. @ 1/2 load running time. See outlet capabilities below. Limited 2-year warranty by Sears.**

Keeps vital systems running when the power fails

$4249 and up

Remote-mounted automatic transfer switch quickly transfers household current to AC generator when utility power shuts off

Quiet, powerful air or liquid-cooled engines run on natural or LP gas▲

F. Emergency automatic power system. Generac® presents an emergency power system. When electricity shuts off so does your sump pump, air conditioner, furnace, meat freezer and electric water heater; your security system is rendered useless. At the first sign of power failure the system turns on automatically, providing you and your family with reliable comfort and peace of mind for as long as the utility power remains off. Unit is encased in a weather-resistant sound-dampening enclosure. Features safety shutdowns, up-front state-of-the-art controls, timed trickle battery charger and a 7-day exerciser to help keep system in optimal running condition. Quality-tested before delivery. Order appropriate model from chart below. Warranted by manufacturer. Write for free copy, see p. 1139. See SHIPPING NOTE below.

CRAFTSMAN® MITER SAWS

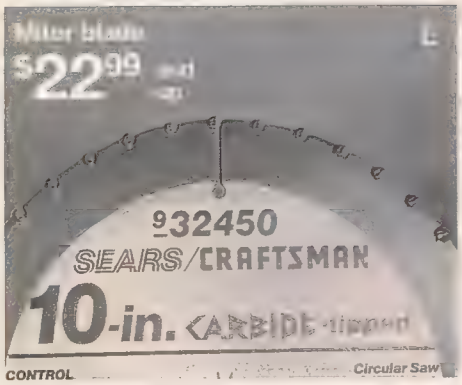
Contractor series 10-inch compound miter saw

$229.99
$10 Monthly†

A. This saw provides full miter as well as compound cutting features. You can cross cut and bevel 2x6-inch stock! Features a direct drive motor which develops a maximum of 3 HP. Also has an electric brake that stops blade in seconds. Positive stops for mitering are 0°, 22.5° right/left and 45° right/left. Sliding 2½-inch fence adjusts for maximum support with small and large stock. Cast iron body gives stability. Lightweight die-cast aluminum upper guard and clear plastic retracting lower guard for added protection. Imported. Warranted by Sears. Write for free copy, see page 1139.
9 R 23486—Wt. 60 lbs. **$229.99**

B. SAVE $12.99 when you buy both saw (A) and accessory pack (D). Separate prices total $272.98.
9 R 23465—Wt. 69 lbs. **$259.99**

†On SearsCharge, see page 1144 for details.



C. Direct drive motor develops 1½-HP to cross cut stock up to 5½x2 1/16 inch thick at 90°, miter up to 3¾x2 1/16-inch at 45°, bevel up to 5½x1¾-inch. Cast iron table gives 13¼x7¼-inch work area, has rotating slot so table never needs replacing. Travel lock. Imported. Warranted by Sears. Write for free copy, see page 1139.
9 R 23468—Wt. 38 lbs. **$129.99**

Dust bag for (C) (not shown).
9 R 23467—Wt. 1.50 lbs. **$9.99**

D. Accessory pack has the tools you need to make the most of your saw. Allows repeated cuts at the same length. Pack includes extension table, table clamp, length stop gauge and carrying case. Imported.
9 R 23469—Wt. 7.44 lbs. **$42.99**

Craftsman leg set (not shown) for (A). 18 gauge steel. Unassembled.
9 R 22246—Wt. 31 lbs. **$67.99**

For (C).
9 R 22244—Wt. 14.50 lbs. **$34.99**

E. Miter blade specially designed for power miter and radial saws. Gives extremely smooth cross cuts. 40 carbide teeth with high-low triple chip grind for extra long life. Shallow gullets for stability required in miter sawing and to help prevent grabbing of work piece.

For 8¼-in. saws. Wt. 1.38 lbs.
9 R 29241 ..... **$22.99**

For 10-in. saws. Wt. 2.44 lbs.
9 R 32450 ..... **$27.99**

3 out of every 4 radial saws sold in the U.S. are Craftsman. Here's why:

- Quality you can trust
- Best value
- Full line of accessories

A and B. Craftsman 10-in. radial saws feature new saw guard which raises when cross cutting and mitering, yet stays in place when ripping. Automatic blade brake which stops blade in seconds. 3-in. max. depth of cut cuts wood to 3-in. thick at 90° and 2 1/4-in. thick at 45°. 17 3/4-in. carriage travel allow for max. crosscut of 15 1/2-in. and max. rip of 26-in. Readily accesssible controls for elevation, bevel, miter and rip means easier adjustment for all cutting functions. Carriage ball bearings are permanently lubricated for maintenace-free care. Replacable steel track that mounts on outside of radial arm is easily replaced after extended use. Miter index at 0° and 45° L/R bevel index at 0°, 45° and 90° allows for quick, accurate placement of blade for most commonly used miter angles. Three piece particle board worktable is 40x27-in. to support wide work pieces. 5/8-in. arbor. 1/2-20 thread end accessory shaft. Sturdy leg stand supports saw at convenient cutting height. On/off switch with removable locking key helps prevent unauthorized use of saw.

A. Capacitor start 1-HP motor develops maximum 2 3/4-HP. Thermal overload protector. 120/240-volts. 12/6 amps.
9 R 19632N—Wt. 181 lbs. **$549.99**

B. Capacitor start 3/4-HP motor develops max. 2 1/2-HP. Operates on 120 volts only.
9 R 19622N—Wt. 181 lbs. **$499.99**

Contractor Series 10-inch belt-drive table saw with leg set

$499.99

$11 Monthly‡

- 1½-HP motor develops maximum 3-HP
- Tough cast-iron extensions provide large 44x27-in. work surface
- Quick-release rip fence with micro adjust makes repositioning easier and provides accurate alignment
- Metal hand wheels

A

Craftsman table saws perform a wide variety of tasks for great results

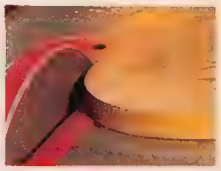
Cut tenons with dado blade

Make 90° dado cross cuts

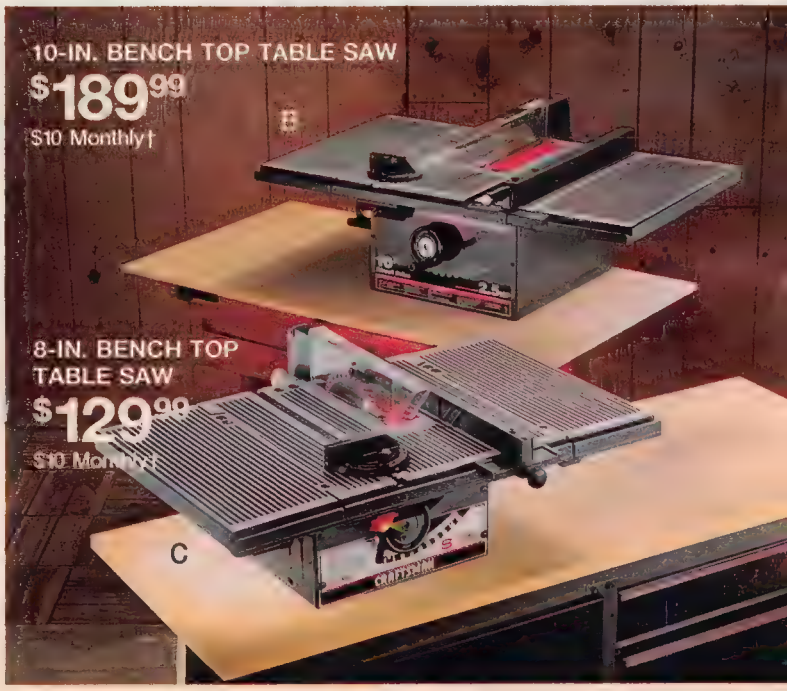
Use molding head set for molding operations

Taper accurately with taper jig

Cut box joint using universal jig



Sand edges with sanding disc



CRAFTSMAN® TABLE SAWS

All our table saws deliver power, performance and features like these:

- Quick and easy access to controls
- Motors designed to give you the power you need for a variety of tasks
- Designed to produce quality cuts
- Adjustable miter gauge guides stock through blade

A. Craftsman Contractor Series cast-iron table saw. Capacitor-start/capacitor-run induction motor. 120/240-volts. Quick-measuring rip scales; 24-in. rip left and right of blade. Deluxe miter gauge, positive stops at 90°, 45°. Carbide-tipped blade. Micro adjust rip fence. Notched belt drive, spring-loaded motor mount to reduce belt slippage. See-thru blade guard, spreader, anti-kickback pawls. Exact-I-Cut indicator. Order from chart below. Warranted.♦

B and C. Bench top table saws rip, cross-cut, miter or bevel. They include all of the features listed above, like our larger saws. Blade tilts for bevel cuts. Outfits include extensions, miter gauge and pickoff-type rip fence. Removable locking key switch. 6-foot, 3-wire cord. Order from chart below. Warranted.♦

B. 10-in. cast-aluminum table saw has 1½-HP, universal, direct-drive motor that develops maximum 2½-HP. Rip capacity is 15 inches right. Maximum table surface in front of blade at 1 inch cutting depth is 10 inches.

C. 8-in. cast-aluminum table saw has ½-HP, direct-drive motor that develops maximum 1-HP. Rip capacity is 12¾ inches right, 13½ inches left. Maximum table surface in front of blade at 1 inch cutting depth is 9 inches.

D. Craftsman high-quality cast-iron table saw features capacitor-start, induction-run motor. 24-in. rip capacity. Features quick-measuring rip scales, miter gauge with positive stops at 90° and 45°. See-thru blade guard has spreader, anti-kickback pawls. Table surface in front of blade at 1-in. cutting depth is 15¼ in. Exact-I-Cut indicator shows where mark on wood will meet blade. Order from chart below. Warranted.♦

E. Craftsman aluminum table saw has direct-drive induction motor, miter gauge. Spreader helps minimize blade binding, kickback. Rubber padded leveling feet. Incl. Exact-I-Cut indicator. 24-in. right rip capacity. Self-aligning pick-off type rip fence. Table surface in front of blade at 1-inch cutting depth is 15¼ in. Order from chart below. Warranted.♦

*Capacitor start, capacitor run 120/240-v.
**24-in. rip left and right of blade with micro adjust.

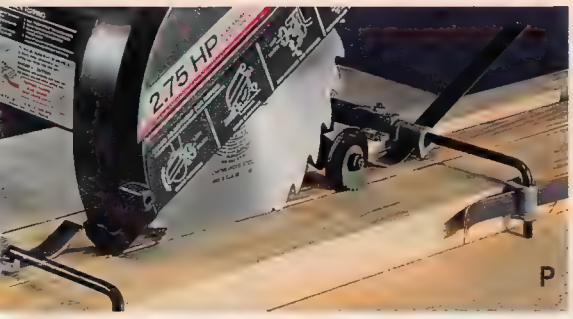
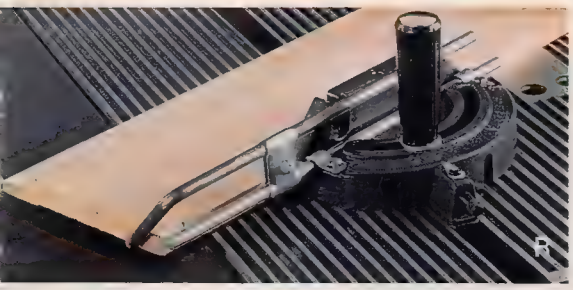
RADIAL AND TABLE SAW ACCESSORIES





P. Hold-down attachment includes 2 clamps with 4 adjustable spring holding-fingers to hold workpiece firmly. May be used with table or radial saws.
9 R 3230—Wt. 2.80 lbs. **$19.99**

R. Length stop rods let you make duplicate cuts quickly and accurately. For (U) below. Fits most other Craftsman miter gauges.
9 R 29924—Wt. 0.81 lb. **$12.99**

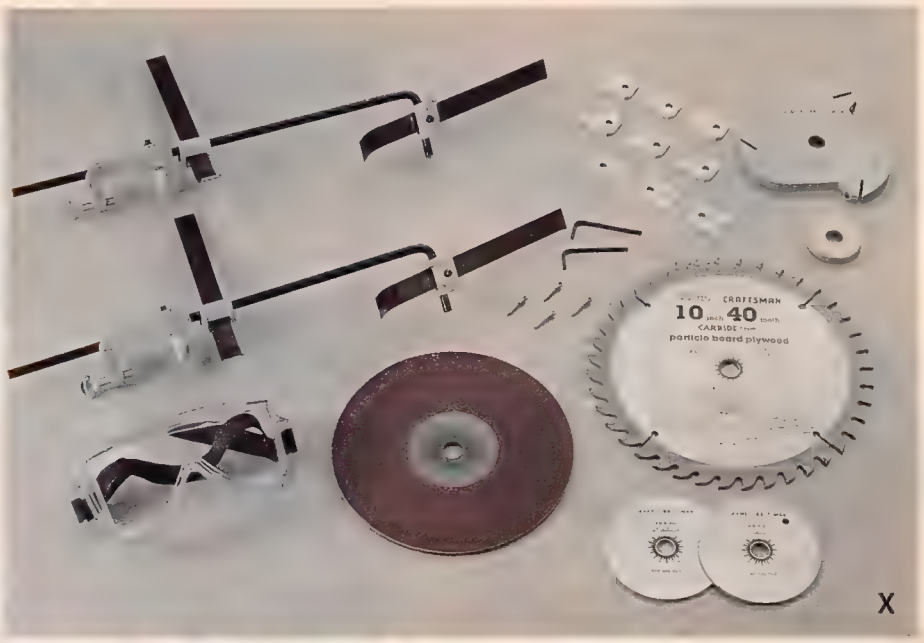
S. Table saw fence guide system with comfortable handle design and hold down stick make ripping safer and more accurate. Adapts to most rip fences up to 2 inches maximum width and 3 1/8 inches maximum height—this includes all current model Craftsman table saws and many competitive brands. Built-in setup aids for checking blade squareness, setting 45° blade angle and depth of cut scale for dadoeing. Adjustable clamping features aid in cutting tenons and sawing spline cuts in miter joints. Will accommodate 3/4-inch scab on most current Craftsman table saw rip fences.
9 R 3237—Wt. 1.75 lbs. **$18.99**

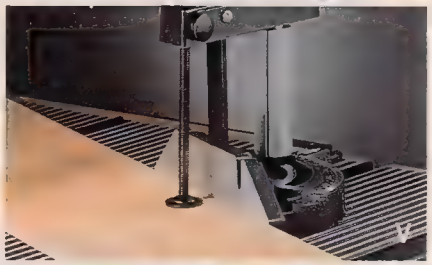
T. Rip fence adapter increases rip cap. to 24 in. right or left. For saws with 20x27-inch cast-iron tables.
9 R 29969—Wt. 18.00 lbs. **$49.99**

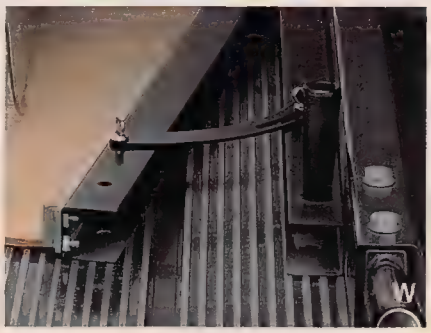
U. Miter gauge with degree indicator has positive stops at 90° and 45° left or right. Fits most table saws and other tools with 3/4x3/8-in. deep miter groove. Not for use with table saws 9-2413, 9-2415, 9-24151, 9-2416, 9-22161, 9-22162.
9 R 29929—Wt. 2.60 lbs. **$31.99**

V. Hold-down clamp holds stock firmly to miter gauge for more accurate cuts. For (U) above. Not for table saws 9-2415, 9-24151, 9-2416, 9-22161, 9-2413. Will not fit miter gauge 9-24214.
9 R 29928—Wt. 1.60 lbs. **$32.99**

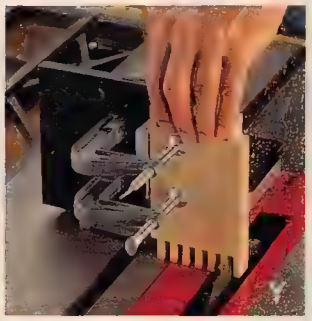
W. Taper jig tapers up to 3-in. per foot or 15°. Handle and scale in degrees of taper and inch per ft. of accuracy. Locking brackets.
9 R 3233—Wt. 2.70 lbs. **$13.99**







X. Radial and table saw accessory kit includes 10-in. carbide-tipped plywood/particle board blade, 8-in. sanding disc, blade stabilizer, molding head, three cutter sets: quarter round bead, cove bead and planer/joiner; and hold down device.
9 R 32070—Wt. 8.38 lbs. **$72.99**



Y. Universal jig fits 3/4-in. wide, 3/8-in. deep miter groove. Cuts to 2 in. thick. Includes 2 aluminum clamps and 2 die-cast plates. Not recommended for use with aluminum-top table saws.
9 R 3236—Wt. 4.00 lbs. **$41.99**

Z. Replacement hand wheels for table saws. Set of 2. Fits all 10-inch Craftsman table saws with 1/2-inch shaft.
9 R 22258—Wt. 2.19 lbs. **$19.99**

AA. Bench power tool know how book describes over 600 operations. Illustrated. 256 pages.
Wt. 1.31 lbs.
9 R 29117 ..... **$9.99**

AA

$44.99

A thru C. Adjustable height work support tables for long or odd-sized pieces of wood. Rollers roll freely in either direction. Non-slip feet. Locking knob. Can be used with bench power and portable tools. Unassembled.

A. Deluxe support. Adjusts from 26 1/2 to 43 inches high.
9 R 25123—Wt. 9 lbs. **$44.99**

B. Standard support. Adjusts from 25 to 43 inches high.
9 R 25121—Wt. 6.75 lbs. **$29.99**

C. Deluxe heavy-duty 3-roller work support provides stability as well as support extension. Precision ball bearings. Adjusts from 26 1/2 to 45 inches high.
9 R 25127—Wt. 37 lbs. **$67.99**

D. Craftsman sanding disc lets you turn your table saw into a disc sander. 5/8-inch arbor.
9 R 22741—8-in. Wt. 1.50 lbs. **$8.99**
9 R 22723—10-in. Wt. 2.13 lbs. **10.99**

E. Sanding drum with 3-in. face lets you do inside contour sanding with your radial saw. Has medium-grit sanding sleeve over an expandable rubber drum. 2 1/4-in. diameter. For 1/2-20 threaded ends.
9 R 25246—Wt. 0.90 lb. **$11.49**

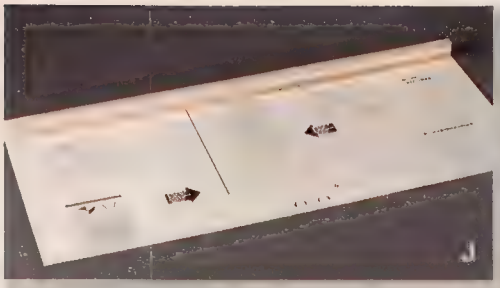
Sanding sleeves for E (not shown). Wt. 0.06 lb.
9 R 28424—Fine (120) **$1.49**
9 R 28425—Medium (80) **1.49**
9 R 28426—Coarse (60) **1.49**

F. 8-in. diameter buffing wheel has bias-cut edge that stops thread fraying. Industrial-grade 1/2-in. wide cotton wheel. 5/8-in. arbor. For radial saws.
9 R 64941—Wt. 0.38 lb. **$4.49**

G. Rotary surface planer planes up to a 2-in. path. Includes 3 carbide-tipped steel blades. For use with radial saws that have 5/8-in. arbor except 9-2922 and 9-23470.
9 R 29513—Wt. 0.60 lb. **$24.99**

Extra 3-piece blade set for (G).
9 R 29531—Wt. 0.06 lb. ..... Set **$12.99**

H. Collet chuck lets CRAFTSMAN radial saws accept routing or drilling bits with 1/4-in. shank. Fits 1/2-20 threaded accessory ends.
9 R 3239—Wt. 0.10 lb. **$3.99**

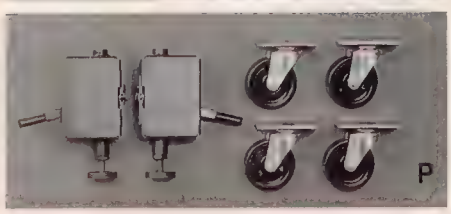


J. Hardboard layout table protects or renews surface of 10-in. radial saws. Crosscut alignment marks at 0° and 45° for accuracy. Compound angle reference chart. In and out rip scales plus conversion chart from decimals to fractions. Fits CRAFTSMAN radial saws sold after June, 1986. 44 1/16x17 3/16 inches. Wood fence not included.
9 R 32766—Wt. 7 lbs. **$19.99**

Layout table is like (J) but is for 10-inch Craftsman radial saws sold before June, 1986.
9 R 32768—Wt. 9.75 lbs. **$19.99**

K. Drill chuck converts radial saw into drill. Holds bit with 5/64 to 1/2-in. diam. shanks. Fits 1/2-20 threaded accessory ends. Includes chuck key. Wt. .81 lbS.
9 R 2980 ..... **$12.99**

L. Carriage return for 10 and 12-in. radial saws except 9-1978, 9-1991, 9-2316, 9-2318, 9-2319 and 9-2945. Not for use with motorized miter saws.
Wt. 1.06 lbs.
9 R 29565 ..... **$44.99**



M. Caster set has 2 front-swivel casters with foot-operated adjusting lever, 2 stationary rear casters. Support up to 400 lbs. Not for use with saws with full cabinets.
9 R 22221—Wt. 5.40 lbs. ..... Set **$47.99**

N. Caster set has 4 swivel casters and foot-operated adjusting lever. Support up to 400 lbs. Not for use with radial saws with full cabinets.
9 R 22222—Wt. 9 lbs. ..... Set **$56.99**

P. Caster set has 4 large swivel casters, 2 with foot-operated adjusting levers. For use with radial saws with full cabinets. Support up to 400 lbs.

FF. Dust collection system. 5-ft. long, 4-in. diam. hose permits easy attachment to most Craftsman bench tools with built-in sawdust ejection. Includes 2½-in. adapter. Casters on base make it easy to move from tool to tool. 27Lx15Wx60H in. 120-v., 60-Hz, A.C. UL listed. Imported.
9 R 29978N—Wt. 72 lbs..... **$279.99**

GG. New at Sears! Radial saw dust collector traps sawdust, wood chips. Fits all current and most older Craftsman 10-in. radial saws. Can be used in all cutting modes-90° crosscut, mitering, beveling, in and out rip. Includes 7-ft. of 2½-in. hose, 5-ft. of 1¼-in. hose, 1 2½-in. coupling and mounting hardware for easy hook-up to 9-29978. Easy mount assembly.
9 R 29963—Wt. 5 lbs..... **$24.99**

HH. New at Sears! Table saw dust collection system helps reduce shop clean-up time and mess. Fits all Craftsman 10-in. full size stationary table saws (belt and direct drive). Includes 7-ft. of 2½-in. hose and 1 2½-in. coupling for easy hook-up to 9-29978. Removable clean-out door. Easy mount assembly.
9 R 29962—Wt. 4.3 lbs..... **$24.99**

Our finest blades

A Dyanite™ carbide blades last longer than any blade we sell. To really "cut it" on tough working jobs you need fine industrial-quality blades. Made of heat-treated steel for super-hard surfaces. These 10-inch blades resist gumming, burning and dulling to a much greater degree than ordinary steel blades. Fit saws with 5/8-inch arbors.

9 R 32033 60 tooth crosscut. Wt. 2.50 lbs.

CRAFTSMAN® DADOS

We believe this is the best dado you can buy!

Excalibur

$79.99

- Exclusive carbide-tipped twin-blade dado adjusts easily and gives you all the smoothness and accuracy of a conventional dado
- Proud American workmen craft all Excalibur dadoes to the highest industrial quality
- Extra-thick tips provide smooth cuts and long life...each tooth is brazed and impact tested
- We use only the finest Dyanite™ carbide

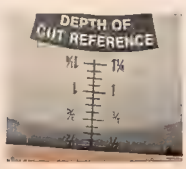
A. Dado body is precisely machined, not mass-produced, to assure exact tip-seat, help prevent minute cracks. Provides high-quality performance under demanding conditions. Tips are cobalt-bonded and impact-tested for outstanding strength; diamond-ground to form a keen cutting edge and epoxy-coated to resist rust and help prevent gum and pitch build-up. 48 carbide-tipped teeth last 10 times longer than ordinary steel dadoes. Quick-adjust collar permits changing of dado widths without removing entire unit from saw arbor. Large 8-inch diameter provides greater depth-of-cut than most other dadoes. 5/8-inch arbor.

9 R 32708—Wt. 3.09 lbs **$79.99**

Twin-blade design helps reduce vibration

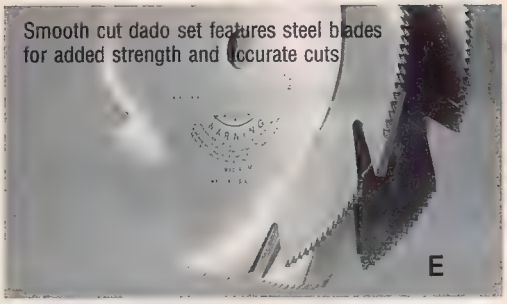
Design helps assure positive alignment

Infinitely adjustable dial for widths from 1/4 to 13/16 in.



Easy-to-read scales

Adjustable dadoes feature carbide-tipped steel blades for added strength and extra-smooth cuts



B thru D. Adjustable dadoes let you plough, groove, trough, slot, rabbet, chamfer, crosscut and more. Adjustable hub lets you change width without removing dado. Dial widths from 3/16 to 13/16-in. Maximum depth 1 1/2-inches. Use on all woods, laminates and sensitive materials. Use on 9, 10, 12 and 14-inch table or radial saws only; not for radial saws with universal motor. Single 7-inch blade has carbide-tipped teeth individually brazed into blade. 3/4-inch arbor, 5/8-inch bushings. Use with radial saw guards or table saw inserts sold on page 137 of our 1992 "GT" Tools Catalog.

B. 32-tooth dado.
9 R 3262—Wt. 2.61 lbs **$49.99**

C. 24-tooth dado.
9 R 3261—Wt. 2.61 lbs **$44.99**

D. 16-tooth dado.
9 R 3263—Wt. 2.61 lbs **$39.99**

E. Craftsman dado set lets you cut sensitive material. Cutters are taper-ground for proper alignment. Cuts up to 1 1/4-inches deep. Fits 5/8-inch arbor. Set includes two 1/8-inch thick outside cutters, four 1/8-inch thick chippers, one 1/16-inch chipper. Add or remove chippers for maximum variation. Use with radial saw guards or table saw inserts sold on page 137 of our "GT" Tools Catalog.

7-inch set.

CRAFTSMAN® BAND SAWS ARE LOADED

Bench-top band saw

$139.99

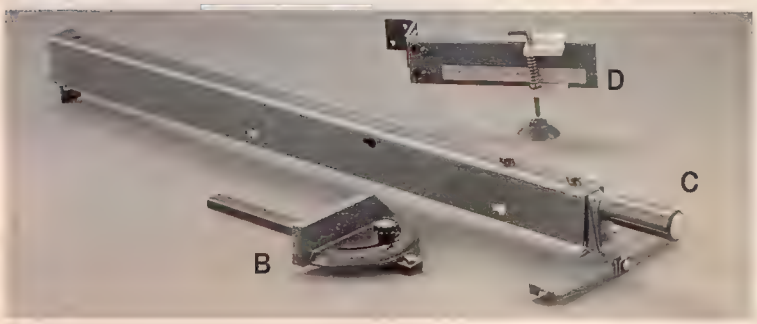
$10 Monthly†

A. Full-size features in a compact design make this Craftsman band saw a perfect addition for any workshop. Powerful direct drive induction-run motor allows you to cut through wood up to 3 inches thick, 10 inches wide. Table tilts 45° for bevel cuts. Dust ejection port. Sturdy cast iron base provides stability. Three 6 1/2-inch diameter wheels with rubber tires for longer blade life. Aluminum table measures 11 1/2x11 1/2 inches square. Includes one 56 7/8-inch skip-tooth blade and removable locking key switch. 6-foot, 3-wire cord. Imported. Warranted.*

9 R 24450—Wt. 30 lbs **$139.99**

†On SearsCharge, see page 1144 for details.
*Warranted by Sears or manufacturer. Write for free copy, see page 1139.

Band saw accessories and replacement blades



B. Craftsman miter gauge with degree indicator has positive stops at 90° and 45° left or right. Fits most band saws, other tools with 3/4x3/8-in. deep miter groove.

9 R 29929—Wt. 2.60 lbs. **$31.99**

C. Rip fences help you make rip cuts evenly. For tilt-head band saws.

9 R 23402—Wt. 4.90 lbs. **$32.99**

D. Circle cutting attachment helps cut up to 12-inch diameter circles in wood, plastic and non-ferrous metals. For saws on facing page and 9-24331, 24721, 24731, 24741 and 24744.

9 R 23411—Wt. 1.10 lbs. **$22.99**

E. Band saw handbook for advanced band saw use. Many illustrations, patterns. 200 p.

9 R 25065—Wt. 1.38 lbs **$9.99**

80X 1/16-in. wide thin blade (not shown) fits most 12-in. band saws. Makes clean intricate cuts for hobby work or professional woodworking. Includes 2 blade guides.

9 R 26591—Wt. .13 lb **$6.99**

Sanding belts (not shown). Package of 5 medium fine grit (80). Wt. pkg. .44 lb.

Each 72 5/8x1/2 in. wide.

9 R 28408 ..... Package **$6.99**

Each 80x1/2 in. wide.

9 R 28407 ..... Package **$6.99**

9 R 30135—*Wt. 2.75 lbs.* *$222.85*

T. Shaper/router is compact so you don't have to worry about limited work space. Features 7/8-HP universal motor, cast iron work table and base. Spindle turns about 9000 rpm for smooth cuts when shaping or molding wood. Uses 2 and 2 1/2-inch diameter 3-wing shaper-cutters with 1/2-inch diameter bore and up to 1-inch thick; 1/4-inch diameter shank router bits when 1/2-inch spindle is replaced with router chuck (included). See-through cutter guard. Individual adj. fence halves. Spindle height adjusts 3/4-inch to accept cutters, sold separately. 10x12-inch grooved table for 5/8-inch miter gauge (sold on page 768). Table insert is flush with surface, can be reversed to position cutter below surface. Radius pin. Rear chip exhaust also fits Craftsman wet/dry vacs. Safety key on/off switch. Cast iron construction. 120-volts, 60-Hz AC. UL listed. Warranted by Sears. Write for free copy, see page 1139.

9 R 23911—Wt. 45 lbs. **$199.99**

Hold down (not shown) for (T) above.

CRAFTSMAN® JOINTER-PLANERS

Fence tilts for chamfers; bevels

Unit smoothes rough stock for fine finish

Square warped and cupped boards

Plane edges for almost invisible joints

A. $10 Monthly.* Maximum 7/8-HP motor drives two blades that rotate on precision ball bearings at 16,000 cuts per minute, creating a knife speed of 3750 feet per minute. Has cast-iron tables (infeed and outfeed), each measuring 12 5/8L x 5 5/8W inches (26 1/2 inches overall). Satin-finish ground table surfaces for smooth support of the workpiece, enhancing both flatness of cut and smoothness of feed. Fence has quick locator detents for setting 22 1/2°, 30° and 45° in both inward and outward directions. Balanced and smooth operation planes and joints cleanly without chatter or end cupping. Planes boards up to 5 1/8-inches wide in one pass. Depth of cut to 1/8-inch. Includes two structural foam hold-down push blocks. Warranted by Sears. Write for free copy, see p. 1139.
9 R 23632—Wt. 44 lbs. **$184.99**

Replacement blade for (A) above.
9 R 23692—Wt. 0.19 lb. **$12.99**

$10 Monthly.* 4 1/8-inch bench-top jointer/planer (not shown). 5/8-HP universal motor makes 16,000 cuts per minute. Planes wood up to 4 1/8-inches wide; maximum cutting capacity of 1/8-inch per pass. Steel fence tilts to bevel up to 45° inward or outward. Cast-iron base helps to stop vibration. Cast-iron table is 21 3/8-inches long. Includes two structural foam hold-down push blocks. Warranted.**
9 R 23622—Wt. 37 lbs. **$139.99**

Replacement knives for 9-23622 above. Set of 2.
9 R 22993—Wt. 0.19 lb. **$11.99**

B. $10 Monthly on SearsCharge PLUS.* 12 1/2-inch thickness planer delivers up to 16,000 cuts per min. (no load) to smooth-finish even rough-cut stock up to 12 1/2-inches wide, 6-inches deep. Maximum developed 2-HP, 14-amp universal ball-bearing motor with manual reset circuit breaker protection. Takes cuts to 3/32 in. per pass at 26 ft./min. Folding infeed/outfeed tables with rollers, carry handles, non-marking power feed rollers, blade alignment gauge, adjusting tools. 115-volts, 60-Hz. AC. Warranted.** Imported.
9 R 23373N—Wt. 75 lbs. **$459.99**

Replacement blades for (B).
9 R 23376—Wt. 0.90 lb. ..... Pkg. of 2 **$21.99**

Knife-setting gauge (not shown) helps eliminate time-consuming planer knife adjustments. Floating pin aligns flush with top of gauge when knives are at the correct height. Adjustable for blades in 12-inch and 8-inch planer/molders. Adjusting block and Allen wrench included.
9 R 23325—Wt. 0.50 lb. **$19.99**

10-inch thickness planer replacement blade set for former planer 9-23372 and Ryobi AP10.
9 R 23375—Wt. 1.60 lbs. ..... Pkg. of 2 **$21.99**

*See page 1144 for credit details.
**Warranted by Sears or manufacturer. Write for free copy, see page 1139.

C. $13 Monthly.* Maximum developed 2-HP induction-run belt-driven motor, 3450 rpm, provides up to 12,900 cuts per min. Cutter head revolves on permanently lubricated ball-bearings. Cutter guard covers 3 precision-ground knives which make max. 1/8-in. depth of cut per pass. Cast-iron fence has pre-cast holes for your own auxiliary fence to accurately joint wide boards. Cast iron infeed, outfeed tables and base. Fence tilts 45° for bevel and chamfer cuts. On/off switch has removable locking key. Outfit meas. about 42x21x9 in. high. Leg set features rubber-padded leveling feet. Includes 2 structural foam hold-down push blocks. UL listed. 6-ft. 3-wire cord. 120-v. 60 Hz. Unassembled. Imported. Warranted.**
9 R 23221N—Wt. 150 lbs. **$399.99**

Chip collector (not shown) for (C) and 9-23220. Heavy-duty bag to catch wood chips. Attach to leg stand (not included).
9 R 29974—Wt. 3 lbs. **$39.99**

Chip collector for former 9-20689, 9-20693 Craftsman jointers.
9 R 29977—Wt. 3.50 lbs. **$39.99**

Set of 2 structural foam hold-down push blocks (not shown). Contoured handles, rubber gripping pads.
9 R 2299—Wt. 1.10 lbs. **$14.99**

Cast iron knife setting gauge set (not shown). Micrometer adjustments for accurate cutter knife installation. Include blade touch-up stone.
9 R 2647—Wt. 1.25 lbs. **$26.99**

Package of three 6 1/8-in. precision-ground steel cutting knives (not shown) fit most Craftsman 6 1/8-in. jointer-planers.
9 R 2293—Wt. 0.50 lb. ..... Pkg. **$24.99**

CRAFTSMAN® CIRCULAR SAWS

The quality and features that the professional demands and the values that do-it-yourselfers expect from Sears. There's a Craftsman Sawmill for you

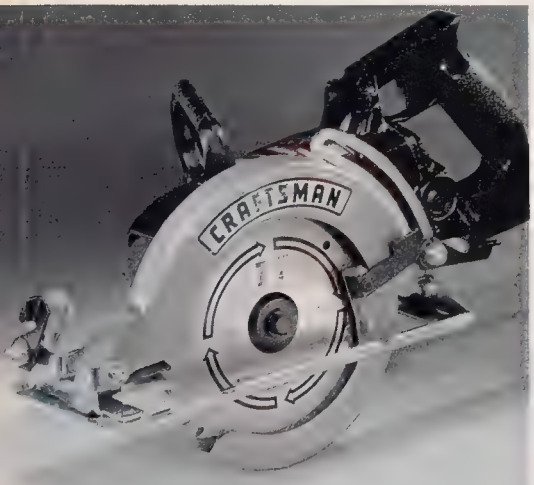
CRAFTSMAN Sawmill

7 1/4-inch, 2 3/4-HP industrial-rated 13 amp circular saw has heavy-duty motor that provides long life and increased overload protection. 2100 watts for maximum power and improved cutting

$109.99

A. Craftsman Sawmill industrial circular saw has aluminum housings and heavy-duty ball and roller bearings for longer tool life. Side sawdust ejection. Convenient knob control allows easy bevel and depth of cut adjustment. Base and edge guides have epoxy coating for durability. Features spindle lock for easy blade changes, helical steel gears and convenient pre-travel trigger switch. Die-cast aluminum blade guards for durability. UL listed. AC. Includes 24-tooth carbide-tipped combination blade. 6-ft. all-weather rubber cord. Warranted.*

9 R 27542—Wt. 13.00 lbs. . . . **$109.99**



Craftsman industrial-rated 2 1/3-HP, 7 1/4-inch saw has no-load speed of 4400 rpm

$144.99

B

Craftsman industrial-rated 4/5-HP, 5 1/2-inch trim saw has no-load speed of 4000 rpm

$109.99

C

Craftsman industrial-rated circular saws

B and C. Smooth-running helical gears, depth, bevel control, 8-foot, 3-wire rubber-insulated cord. Include 1 blade. Warranted*

B. 7 1/4-in. worm drive circular saw has 5/8-inch arbor. Cuts wood to 2 3/8-inch at 90°, 1 15/16-inch at 45°. Heavy-gauge steel foot with depth, bevel controls. Includes 1 diamond arbor blade. 8-foot, 16-gauge, 3-wire cord. 13 amps AC/DC.

9 R 2761—Wt. 13 lbs. **$144.99**

C. 5 1/2-inch trim saw has 1/2-in. arbor. Cuts wood to 1 3/4-inches at 90°, 1 15/16-inches at 45°. Die-cast aluminum blade guards. Conventional pivoting foot. 6.5 amps AC.

9 R 2754—Wt. 8.31 lbs. **$109.99**

*Warranted by Sears. Write for a free copy, see p. 1139.

All of our Craftsman Sawmills have these great features!

CRAFTSMAN Sawmill

- Deliver no-load speed of 5000 rpm
- Textured comfort handles for better balance and secure grip
- Anti-snag cord plug
- Maximum depth of cut 2¼-inches at 90°, 1⅝-inches at 51.5° and 1¾-inches at 45°

A thru C. Craftsman® 7¼-inch Sawmill circular saws have side sawdust ejection and trigger switch with lock off. UL listed. AC. Warranted.*

A. Sears Best Saw has knob controls for easy bevel and depth of cut adjustment. Helical gears; die-cast aluminum blade guards for use of cut-off wheels. Ball and roller bearings. 1/6-HP palm-grip pad sander is designed for easy one-hand sanding. Permanently lubricated ball and sleeve bearings extend tool life

$37.99

D

A. Our finest pad sander operates at 4000 orbits or strokes per minute. Orbital mode provides fast material removal while its straight-line mode produces a fine finish. The cool-running cast aluminum gear case, cut steel gears and ball and roller bearings help extend tool life. 10-foot cord. Sealed switch. Uses 1/2 sheet of 4 1/2x9 1/8-inch or 4 1/2x11-inch sandpaper.
9 R 11616—Wt. 5.50 lbs. . . **$77.99**

B thru D. All our pad sanders are designed to produce fine finishes on wood surfaces and speed stock removal. They're capable of flush sanding on three sides and getting into tight areas. Paper changes quickly with integral lever clamp or use adhesive-backed sandpaper. Warranted.*

B. 1/3-sheet dual-motion pad sander. Straight line or orbital motion. Ball and sleeve bearings. Uses 3 5/8x7 1/4-inch sandpaper.
9 R 11613—Wt. 4.63 lbs. . . **$59.99**

C. 1/3 sheet orbital-motion pad sander. Ball and sleeve bearings. Uses 3 2/3x9-in. sandpaper.
9 R 11611—Wt. 3.56 lbs. . . **$28.99**

D. 1/4-sheet palm grip sander. 14,000 orbits per minute produces an extra fine swirl-free finish. Use 4 1/2x5 1/2-inch sandpaper.
9 R 11602—Wt. 2.25 lbs. . . **$37.99**

*Warranted by Sears; write for free copy, see page 1139.

SANDERS

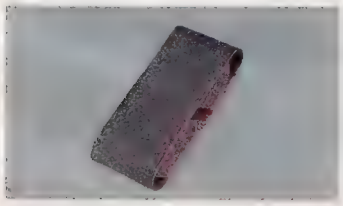
G. Perfect for the serious do-it-yourselfers, homeowners and hobbyists who demand professional-looking results. Large 19 sq. in. platen maximizes surface contact area being sanded for optimum material removed. No-load speeds of 1300 feet per minute. Trigger switch with lock-on for continuous stock removal applications. Front auxiliary grip for greater operator control. Lever-type belt tensioner simplifies belt changes. Uses 4x21-inch belts. Ball bearings. Warranted.*
9 R 11792—Wt. 12 lbs. . . . **$104.99**

H. Sander has a large 14 sq. in. sanding surface which uses 3x21-inch belt. No-load speed of 1300 feet per minute. Trigger switch with lock-on for continuous stock removal applications. Front auxiliary grip for greater operator control. Permanently lubricated ball and sleeve bearings. Warranted.*
9 R 11715—Wt. 12.75 lbs. . **$89.99**

Sander (not shown) is like (H) except no dust pick-up system. Warranted.*
9 R 11713—Wt. 11.75 lbs. . **$77.99**

J. Sander features a 14-sq. inch sanding surface which uses 3x21-inch belt. No-load speed of 1100 ft. per minute. Trigger switch with lock-on for continuous stock removal. Front auxiliary grip for greater operator control. Permanently lubricated sleeve bearings. Warranted.*
9 R 11712—Wt. 8 lbs. **$57.99**

Dust pick-up system (not shown). Hooks up to your wet/dry vac to remove debris as you work. Fits (G, H and J) above plus pad sanders (9-11613, 9-11616) sold on facing page.
9 R 11766—Wt. 1.19 lbs. . . **$15.99**



Sanding belts

Heavy-duty aluminum-oxide cloth-backed sanding belts for portable or bench-type sanders on wood and metal. Belts are butt-spliced and may be run in both directions to prolong belt life. Pkg. of 5.

3/8-inch portable drills

2/5-HP VSR drill. A tough drill at a great price! Features ball bearings for long tool life. 4.0 amps
$59.99

A

1/2-HP VSAR 4.5 amp drill
$84.99

B

1/2-HP dual range VSAR drill has 2 power ranges for drilling hard and soft materials
$124.99

C

1/2-inch portable drills

1/2-HP VSAR 4.5 amp drill has double reduction gearing for greater torque. Ball and roller bearings for longer tool life
$94.99

D

3/4-HP 6-amp single speed reversible drill. Our toughest drill with triple reduction gearing for greatest torque. Ball and roller bearings
$189.99

E

Built to deliver quality performance during continuous use

All Sears Craftsman industrial-rated tools are engineered to stand up to the day-in, day-out use of professionals and contractors. Tighter tolerances in the bearings and precision balancing of the motors translate into less vibration for longer tool life. Smoother running also means that you can operate the tool for longer periods with less fatigue. The gears are cut from steel, not cast or molded from powdered metal. Only top quality precision bearings are used. This all adds up to some tough tools.

Craftsman industrial-rated drill features

Drill	(A)	(B)	(C)	(D)	(E)

Zirconium nitride coated drill bits

A. The split-point and groove design breaks up the chips for faster penetration and more precise drilling. Bit eliminates walking! No center punching, drills on contact all woods, drywall, plastics, metal. Drills rounder, smoother holes than conventional bits. Allows faster feed, speed rates for industrial conditions. Needs less pressure for fast drilling. Gives more holes per charge with cordless drills. Sizes below 1/8 inch are too small to groove. 1/2-inch bit has reduced 3/8-inch shank. Separate price totals from our 1992/1993 "GT" Tool Book.

Pieces per set	Catalog Number	Sizes (inches) 1/16	5/64	3/32	7/64	1/8	9/64	5/32	11/64	3/16	7/32	1/4	5/16	3/8	1/2	Wt. lbs.	Sep. prices total	Set each

High-speed general-purpose drill bits

C. Craftsman high-speed drill bits, the same used in American industry. Heat-treated, hardened and tempered 3 times. Self-lubricating black oxide finish. Precision tolerance assures accurate drilling. 7 to 21 pc. sets have reduced 1/4-in. shank bits to fit all drill chucks; 25, 29 pc. sets don't have reduced shanks and are jobber length. Sep. prices from our 1992 Tool Book.

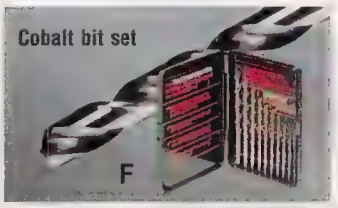
†Comes with fold-type case ◆Comes with index-type case



D. 60-piece wire gauge bit set. Sizes (1-60). Metal case included.
9 R 6819—Wt. 1.50 lbs. . Ea. **$49.99**

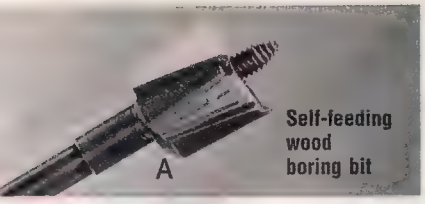
E. Drill guide with chuck for use with 3/8 or 1/2-inch drills. No need to remove chuck. Drills at any angle from 45 to 90 degrees. Adjustable depth stop. Great for drilling dowel holes and lock sets. V-groove holds round stock for center drillings. Angle lock knobs help provide accuracy. Guide rods.
9 R 11235—1.50 lbs. . . . Ea. **$36.99**

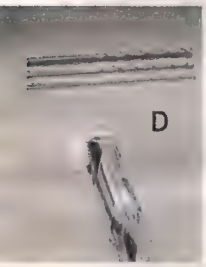
F. Craftsman cobalt 10-piece drill bits. Heavy-duty construction for hardest metals such as steel alloys, stainless steel chrome, armor plate, titanium alloys. Cobalt high-speed steel construction allows bits to withstand the heat generated when drilling high-tensile strength (or hard) metals. Has 135° split-point tip so bit won't "walk" on flat or curved surfaces. Incl. 1/16, 5/64, 3/32, 7/64, 1/8, 9/64, 5/32, 3/16, 7/32, 1/4.
9 R 66044—Wt. 0.31 lb.. Ea. **$19.99**

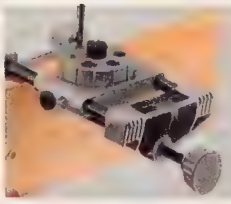
G. 115-pc. HSS twist drill set. 60 wire-gauge bits, 1-60; 29 fractional bits, 1/16 thru 1/2 in. by 64ths of an in.; 26 lettered bits, A-Z; metal index case.
9 R 67115—9.13 lbs. . . Ea. **$219.99**

H. Keyless chuck for 3/8-in. drills. Eliminates need for chuck key. Plastic. 3/8x24 threaded spindle.
9 R 20988—Wt. 0.51 lb. .Ea. **$12.99**

SPECIALTY DRILL BITS AND DOWELING TOOLS







A. 4-pc. wood boring wood eater set from Vermont American includes sizes 1/2, 5/8, 3/4, 1-in. Rugged, industrial-duty design stands up to constant, heavy-duty use. Lasts up to 7 times longer than conventional spade bits! Cuts up to 3 times faster. Precision-ground for smoother, rounder holes. Specially hardened and tempered for long life. Extended spur for faster, cleaner boring action. 6 in. long. Recommended for use with 3/8-in. or 1/2-in. industrial drills only.
9 R 20984—Wt. 0.63 lb.. Ea. **$19.99**

B. 10-pc. screw extractor and drill set for removing broken screws, bolts. Set includes 5 screw extractors (no. 1 thru 5) and five Craftsman drill bits (5/64, 7/64, 5/32, 1/4, and 17/64-in.).
9 R 20616—Wt. 0.50 lb.. Ea. **$14.99**

C. 7-pc. tungsten carbide masonry bit set includes 3/16x3, 1/4x4, 5/16x4, 3/8x4, 1/2x6, 5/8x6 and 3/4x6-in. bits. Bits over 3/8-in. have a reduced 3/8-inch shank. Separate prices total $24.43 in our 1992 Tool Book.
9 R 67347—1.30 lbs. . . . Ea. **$19.49**

D. 4-bit 6-in. long impact masonry bit set includes 1/4, 5/16, 3/8 and 1/2 (reduced 3/8-in. shank) inch bits. Separate prices total $13.26.
9 R 67389—Wt. 0.60 lb.. Ea. **$10.99**

E. 12-piece high-carbon, heat-treated wood boring steel bit set has ground grooved points to bore 30% to 50% faster than non-ground bits. No-jump starts for smooth holes up to 5 in. deep at any angle. Fit 1/4-in. or larger drill chucks. Includes 1/4, 3/8, 1/2, 5/8, 3/4, 7/8, 15/16, 1, 1 1/8, 1 1/4, 1 3/8, 1 1/2-in. sizes. Separate prices total $25.39 in our 1992 Tool Book.
9 R 20863—1.38 lbs. . . . Ea. **$21.99**

6-pc. set has same as (E). Includes 3/8, 1/2, 5/8, 3/4, 7/8, 1-in. sizes. Sep. prices total $12.24 in our 1992 Tool Book.
9 R 20864—Wt. 0.63 lb. . Ea. **$9.99**

F. Set counter-sinks, counter-bores. High-carbon heat-treated steel. Include sizes for numbers 4, 5 screws. (1/2, 5/8, 3/4-in. deep); nos. 8, 9 screws (3/4, 1, 1 1/4-in. deep); nos. 6, 7 screws (5/8, 3/4, 1-in. deep); nos. 10, 11, 12 screws (1, 1 1/4, 1 1/2-in. deep). Depth control incl.
9 R 4201—Wt. 0.50 lb. . Ea. **$17.49**

G. Door lock installation kit. For installation of locks in wood doors. Incl. 2 1/8, 1 7/8, and 1 1/4-in. hole saws; mandrel; 15/16-in. wood bit.
9 R 25751—Wt. 0.50 lb.. Ea. **$11.99**

H. 7-pc. high speed steel hole saw kit. Saw sizes include 7/8, 1, 1 1/8, 1 1/4, 1 1/2 in. 1/4-in. round arbor, arbor adapter, and plastic case.
9 R 25765—1.25 lbs. . . . Ea. **$34.99**

J. 13-pc. hole saw kit cuts holes for piping, tubing, conduit, cable. Incl. 9 bi-metal high-speed steel hole saws. Saw sizes 3/4, 7/8, 1 1/8, 1 3/8, 1 1/2, 1 3/4, 2, 2 1/4, 2 1/2-in. 1/4-in. round arbor; 7/16-in. hex pin drive arbor; arbor adapter; 1/4-in. pilot bit; and plastic case.
9 R 25763—3.31 lbs. . . . Ea. **$79.99**

K thru M. Magnite Power Bit Sets feature ribbed-end bits which hold securely on screws. Made of alloy tool steel for durability and long life.

K. 31-piece magnite bit set with 8-in. magnetic hand driver. Includes 3 slotted insert bits (#5-6, 6-8, 8-10); 3 Phillips insert bits (#0, 1, 3); 3 square insert bits (#R1, R2, R3); 5 Torx® bits (numbers T-15, T-20, T-25, T-30, T-40); 2 2-in. Phillips power bits (#1, 2); 2 2-in. slotted power bits (#5-6, 8-10); C-3 clutch insert bit; 5-hex bits (5/64, 3/32, 7/64, 1/8, 3/16-in.); P2R Phillips dry wall bit and 2 P2 Phillips insert bits. 2 screw finders; 3-in. magnetic bit holder. Plastic case.
9 R 25647—1.19 lbs. . . . Ea. **$19.99**

L. 17-piece magnite power bit set includes 2 Phillips bits (#1, 2); 2 slotted bits (6-8, 8-10); seven 1/4 hex-shank nutdrivers (3/16, 1/4, 9/32, 5/16, 11/32, 3/8, 7/16); 2 double-end Torx® bits (T15/T20, T25/T30); 1 double-end square driver bit (R1, R2); square recess insert bits - used in RVs and motor homes; 1 double-end slotted bit (P3/P10). Includes 2 screw finders.
9 R 25665—Wt. 0.10 lb.. Ea. **$12.99**

M. 7-piece magnite power bit set includes 3 slotted bits (Nos. 6-8, 8-10, 10-12); 3 Phillips bits (Nos. 1, 2, 3), 2 1/4-inch magnetic bit holder and plastic dispenser.
9 R 25662—Wt. 0.21 lb. . Ea. **$7.99**

N. Craftsman doweling jig allows straight drilling, precision alignment of holes for joining wood with dowel rods. Holes for 3/16 thru 1/2-inch drill bits. 4-inch capacity. Revolving turret. 6 1/4x3x2 3/4 in. Drill bit not included.
9 R 4186—Wt. 2.50 lbs.. Ea. **$29.99**

P. Craftsman dial-setting doweling jig produces precise right-angle and T-shaped cuts. Set dial for stock thickness, jig selects proper dowel size and positions on both boards. Has 1/4, 5/16 and 3/8-inch diameter capacity dowel holes. Imported.
9 R 67186—1.31 lbs. . . . Ea. **$41.99**

R. 4-pc. craftsman self-ejecting plug cutter set. Makes 1/4, 3/8, 1/2 and 5/8-in. plugs in wood up to 3/4-in. thick. All shanks are 3/8 in.
9 R 67172—Wt. 0.30 lb.. Ea. **$24.99**

S. 5-pc. brad point wood drill bit set includes 1/4, 5/16, 3/8, 7/16 and 1/2-in. bits. Center point prevents walking, cutting spurs make chip-free entry holes. Heat-treated alloy steel. Shanks reduced to 3/8 in. on bits over 3/8 in. Sep. prices total $23.45.
9 R 6830—Wt. 0.60 lb. . Ea. **$19.99**

T. 5-piece stop collar set easily adjusts to drilling. Fits over 1/4, 5/16, 3/8, 7/16 and 1/2-inch bits.
9 R 67063—Wt. 0.19 lb.. Ea. **$10.99**

CRAFTSMAN® ROUTERS,

A thru D. Craftsman routers with precision ball-bearings are designed for long tool life. 1/4-in. collet size and 0-1 1/2-in. depth of cut. Heli-ring depth adjuster in 1/64-in. increments allows fast, accurate changes. 6-in. round base configuration, 3-hole mount pattern. Thermoplastic sub-base and motor housing. Contoured handles for positive control. Wrench storage. Compatible with accessories on pages 799 thru 804.

A. Multiple speed router has electronic feedback for speed control maintainence and added power. Precision balanced motor reduces vibration, extends tool life. 15,000-25,000 rpm match cutter speed to wood hardness. Dust collection system. Built-in worklight. Features dial speed control and lockable trigger switch for continuous use. 2 position depth stop and lever-operated base lock. Front-auto spindle lock. Aluminum base. Two chip shields. 10-ft., 2-wire cord. Warranted.*
9 R 17473—Wt. 9.13 lbs. **$104.99**

B. 15,000-25,000 rpm speed router. With dial speed control, lockable trigger switch. 2 position depth stop and lever-operated base lock. Front-auto spindle lock and aluminum base. Built-in worklight. Chip shield. 6-ft., 2-wire cord. Warranted.*
9 R 17472—Wt. 8.30 lbs. **$87.99**

C. Single speed router. Lever-operated base lock and front-auto spindle lock. Lockable trigger switch. 2-pos. depth stop. Aluminum base. Chip shield. 6-ft., 2-wire cord. Warranted.*
9 R 17471—Wt. 7.56 lbs. **$64.99**

D. Slide switch router. 25,000 rpm cut speed. Features knob-operated base lock and top slide spindle lock. Thermoplastic base. Plastic chip shield. 6-foot cord. Warranted.*
9 R 17470—Wt. 4.50 lbs. **$54.99**

3 1/2-HP variable speed plunge router with electronic speed control
$239.99

2-HP plunge router
$179.99

E and F. Ideal for accurate starting of internal surface cuts, mortising and inlay work. Industrial-rated routers with precision ball bearings are designed for continuous use. Lockable trigger switch. Use 1/4 and 1/2-in. shank bits (adapter included). Microdepth adjustment knob for fast, accurate changes. Plunge lock in handle lets you lock in desired depth. 3-pos. adj. depth stops provide progressive depth settings for repetitive passes. 0 to 2 1/2 in. depth of cut. Shaft lock with indicator light for easier bit changes. 6 1/2-in. diameter aluminum base, plastic chip shield.

E. 3 1/2-HP 15.0 amp router has electronic speed control to maintain selected speed under varying loads. Dial speed control with 10,000 to 25,000 rpm no-load speeds. Soft start reduces start-up torque and extends tool life. Includes 3 fixed depth stops, edge guide, contour guide and guide bushings.
9 R 27506—Wt. 11.00 ..... **$239.99**

F. 2-HP 12.0 amp router has no-load speed of 25,000 rpm for smooth clean cuts.
9 R 27505—Wt. 13.50 ..... **$179.99**

ROUTER TABLES AND ACCESSORIES

A and B. Router tables with aluminum tops are designed to prevent sawdust buildup. Slot for miter gauge (F) flush to top. Independently adjustable fences included. Fit Craftsman routers (except former 9-1730), others with 6-in. base. Clamp, router, bits not included. Unassembled.

A. Sears Best router table features exclusive fence design that facilitates jointing. Hinged guard covers moving bit but allows you to view carving. Guard and pocket fence can be retracted for regular routing, repositioned for jointing. Miter gauge included for accurate angle cuts. Interlocking carriage secures workpiece vertically during special operations. Dust collection system works with your vacuum. Die-cast aluminum top with reinforced ribs. Steel legs. 15 1/2Hx13 1/4Wx18D-in.
9 R 25479—Wt. 13 lbs. **$64.99**

B. Steel legged table includes miter gauge. Transparent guard helps you view work from all angles. Wood and aluminum fences. 11Hx18Wx13 1/2D-in.
9 R 25444—Wt. 9 lbs. **$49.99**

C. Fence/sawdust collector system fits most Craftsman router tables. 5 1/4Hx18Wx11 1/4D-in.
9 R 25209—Wt. 4.70 lbs. **$21.99**

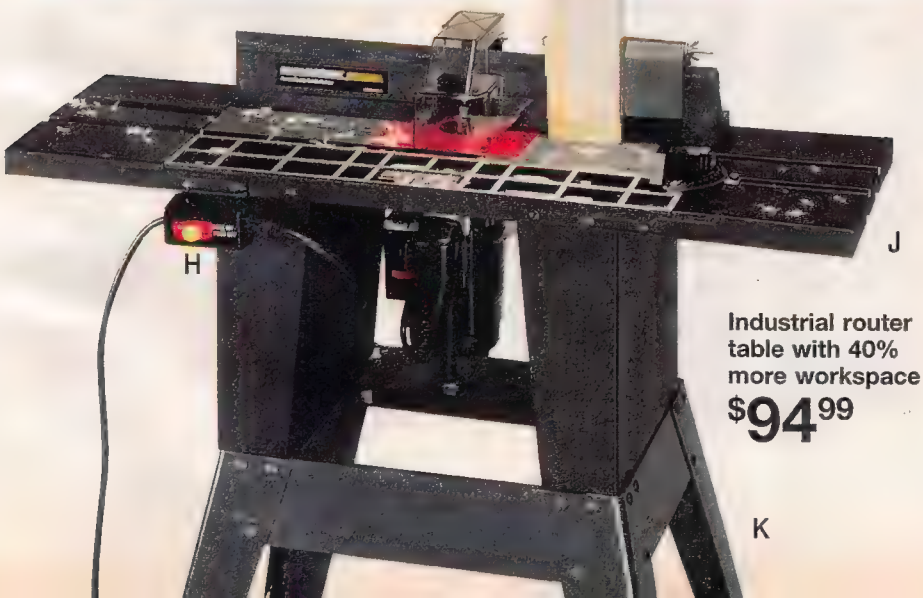
D. Package of 2 table extensions for items (A) and (B) provide over 200 square inches of extra space. Stamped steel with painted finish. 1 1/2Hx8Wx13 3/16L-in. 3/4x3/16D-in. miter slot.
9 R 25211—Wt. 4 lbs. ..... Pkg. **$12.99**

E. Hold-down clamp secures stock.
9 R 29504—Wt. 1 lb. **$8.99**

F. Miter gauge allows you to guide workpiece 0° to 45° right or left, with its graduated protractor, for exact angle cuts. 3/4Wx3/16D-in. bar.
9 R 25213—Wt. 0.60 lb. **$6.49**

G. Cord set/switch mounts on most Craftsman router tables. Insert router plug into switch receptacle and you have an ON/OFF switch with removable locking key. Includes hardware. 6-ft. 3-wire cord.
9 R 25060—Wt. 0.88 lb. **$20.99**
*Warranted by Sears. To write for a free copy, see p. 1139.

Table accessories



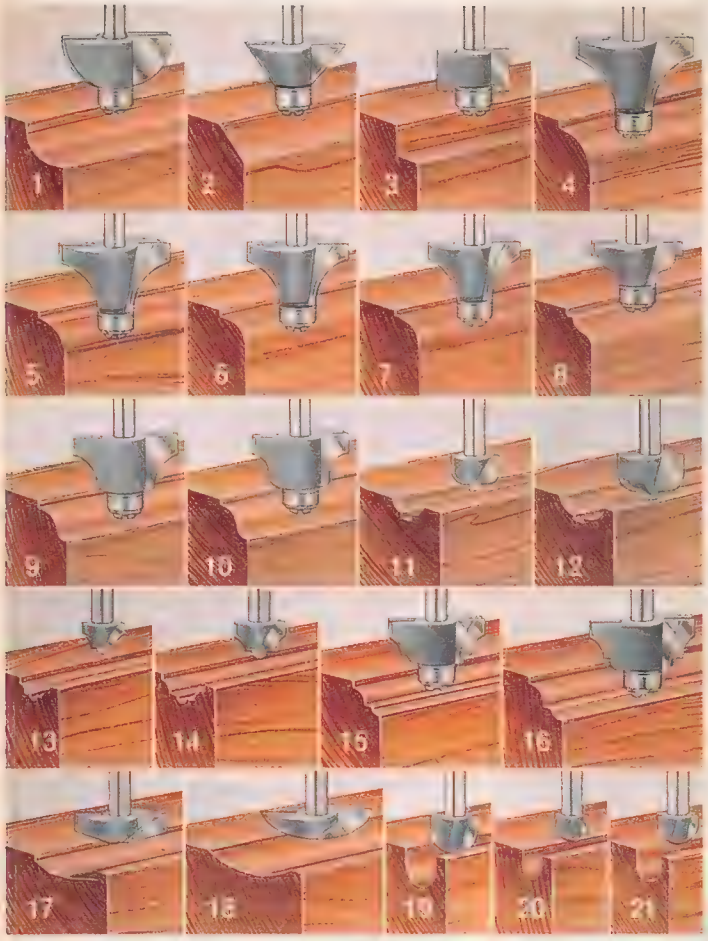
H. Industrial router table provides more usable work space than (A) above and has universal throat plate which accepts most routers. Built-in sawdust collection port accepts 2 1/2-in. wet/dry vac hose; keeps work surface clean. Exclusive fence design with push shoe allows shaping of workpiece in vertical position. Built-in pocket fence for jointing operation. Die-cast aluminum, steel and polystyrene construction. 14Wx24L-in. work surface. Cord set/switch (G) not included, sold above.
9 R 25490—Wt. 23 lbs. **$94.99**

J. Package of 2 extensions for (H) above double the effective width of table surface. Steel 8Lx13Wx 1 1/4H inches.
9 R 25212—Wt. 5 lbs. **$14.99**

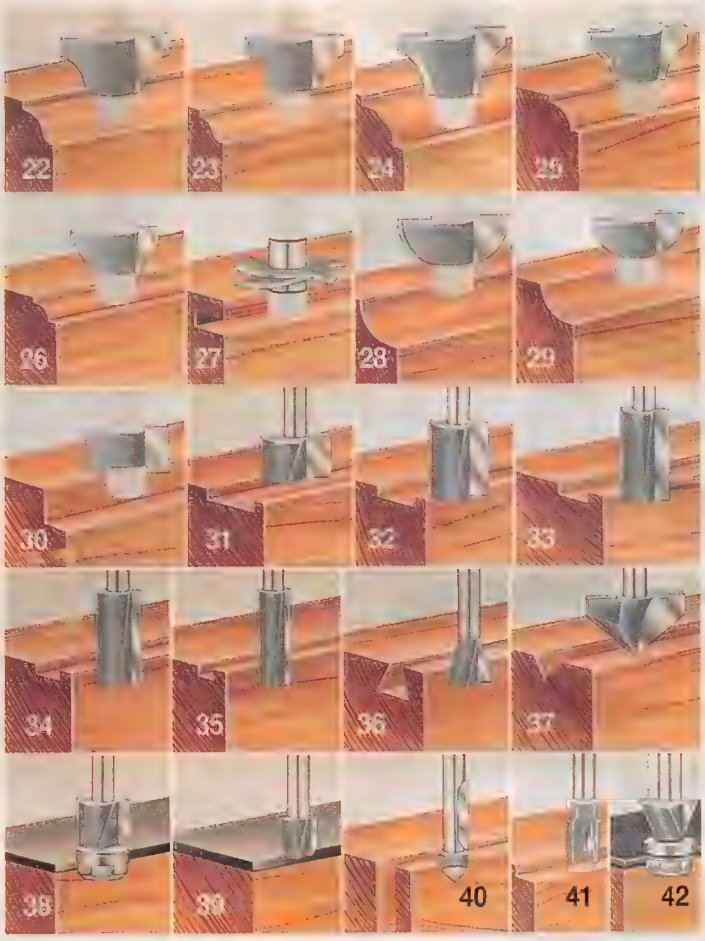
K. Steel stand for (H) above.
9 R 22235—Wt. 20 lbs. **$44.99**

CRAFTSMAN® HIGH PERFORMANCE BITS

Excalibur carbide router bits



Craftsman carbide router bits



4 good reasons these are the finest professional production bits we sell:

- Durable, thick carbide tips
- Tough alloy steel bodies
- 2-flute, high-sheer angle design
- Last up to10 times longer than steel bits

1 thru 21. Our finest Craftsman carbide-tipped bits are the most durable bits we sell. Alloy steel bodies and integral 1/4-inch diameter shanks. Edging bits (1) thru (10), (15), (16) have ball-bearing pilot for smooth cuts, require no arbor.

CRAFTSMAN® WET/DRY VACS

Each Craftsman wet/dry vac can handle even the toughest job you give it and still offers the most dependable, consistent performance . . . here's why!

- High-efficiency blower wheel motor generates powerful suction
- Air flow cuts off automatically during liquid pick-ups to prevent overflows
- Pick up debris, wet spills or both at the same time without removing filter
- Only at Sears will you find a wide choice of gallon capacity and suction power to fit your needs

The toughest wet/dry vac in the country? You be the judge!

Van/RV accessories & refrigeration

NORCOLD

Double-door

Low as **$999.99** with 1.9 cu. ft. freezer

A

American made Norcold refrigerators let you take the good food along for the good times!

- Norcold refrigerator/freezers feature 3-way power...LP gas, 12V DC or 120V AC and operate off one convenient thermostat
- Off-level operation keeps refrigerator working on uneven ground
- Positive lock, self-latching doors eliminate undependable manual latches so your food will follow the turns with you
- Low-temperature freezers actually cool down to 5° below zero...so your ice cream won't melt!
- Adjustable door shelves provide maximum, flexible storage space
- No moving parts so there's nothing to wear out
- Norcold doors provide full 180° door opening and flush mount design so your doors will open fully in smaller areas than ordinary models
- Improved insulation provides more space and much faster cooling than previous models

Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book.
Low as **$99.99**

‡Manufacturer replacement warranty for as long as the original purchaser owns vehicle. Write for a free copy, see page 1139.

Sculptor® running boards flow into your vehicle's design like they were part of it...and we only use the finest quality, strongest aluminum.

A

A. Sculptor® running boards make your vehicle sleek and mean! Durable high density polyethylene splash guards.

Silver-extruded unlighted
Low as $149.99 pair

Black-extruded unlighted
Low as $179.99 pair

Once black...always black! J-mark uses a two-step anodizing process that bonds the color finish with the metal itself. It won't fade, crack or peel...ever! And only J-Mark mills the ribs for best appearance.

J-Mark running boards are jam packed with features!

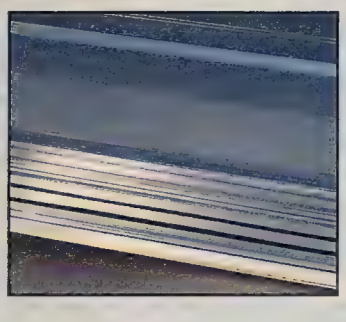
There's no cutting or sawing to install our running boards! All our running board sets have front splashguards, and full length running boards also have rear wheel well splash guards. Lighted boards feature preassembled light modules, prewired and ready for tie-in to your 12-volt vehicle system. Clear, illustrated instructions are included.

The styles and sizes to fit your lifestyle and truck!

From 1-piece full length or cab-length with box extensions for pickups (including specially flared box extensions for duallies). 1-piece full length for vans, minivans and sport-utility vehicles.

Adjustable center bracing

You place the support where you need it most! Or take advantage of existing holes! This gives J-Mark Sculptor and SideIron boards rock-solid support and stability. Thick channel steel braces are galvanized and all hardware is zinc-plated to resist corrosion.



No drilling thru board surface

on J-Mark extruded boards...you get a clean, smooth look. And we use only 100% virgin aluminum that won't chalk or lose luster like lesser recycled aluminum boards.

The secret is out! J-Mark boards look better because they are custom engineered to enhance the look of your specific vehicle.

Your vehicle's shape is not the same as your neighbor's, so why would you settle for the same old board he has? That's why J-Mark makes their running boards with different profiles, widths and heights: so they mate with the contour and lower body shape of your vehicle, giving you a stylish enhancement to your vehicle's lines, instead of an awkward add-on look.

B

B. SideIrons® Running boards feature our thickest aluminum...available in all finishes with or without lights.

Diamond-plate unlighted

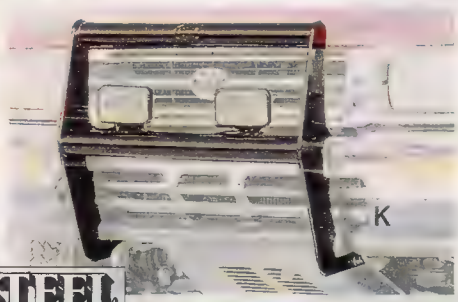
Pro-Steel products outshine the rest!

J thru L. Pro-Steel products are made by Hooker, who pays special attention to details. Chrome bars are made with Trivalent Chrome Process, which provides excellent coverage and pays particular attention to "low current density areas" around welds. Black bars are finished with high-gloss urethane-polyester coating which provides a tough durable film surface that's chip and crack resistant. Each piece inspected prior to shipping and chrome bars are polished after welding to give "bumper quality" finish. Instructions and hardware included.

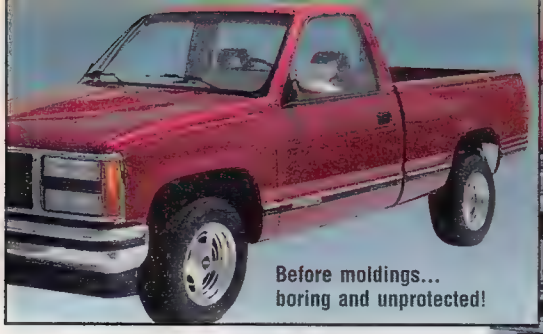
J and K. Pro-Steel push bars provide excellent protection while accenting your vehicle's lines. Carefully designed to follow your truck's bumper and grille contour. Made of heavy-duty 2½-inch diameter steel bars and 5/16-inch steel side plates. Fully welded frame and bumper mount provide extra strength. Comes with two welded tabs for after-market lights.
J. Chrome—**$144.99** **K.** Black—**$89.99**

To order Pro-steel/Hooker products (J) thru (L) only:
Call the toll-free Pro-Steel/Hooker Hotline at 1-800-634-3791, 10:00 AM to 7:00 PM Central Time. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. Have your vehicle's make, model and year ready.



PRO-STEEL
by Hooker

L. Pro-Steel Nerf bars help protect expensive lower body parts from off-road debris. Made of heavy wall 3-inch diameter steel tubing. One piece fully welded, not a universal bolt together design. Includes non-slip tape to provide a convenient step for easier vehicle entry and exit.
Chrome—**$179.99** Black—**$99.99**



Custom fit stainless steel wheel well moldings for cars and trucks, set of four
$89.99

Adds protection and style to your truck. Also available for most cars.

A thru C. Quality Flexsteel seats all feature 3 position seating with mid-seat gravity lock as a safety feature, dual slidetracks for 5-inch forward and backward travel, hidden center cooler tray/storage compartment for travel necessities, lean forward and back Keiper ratchet recliners for easy access to rear and comfort positioning, automotive velvet fabric with Scotchgard® brand fabric protector to resist the kids and the spills, and a Monsanto 2-year Wear Dated limited warranty*. All seats on this page will fit full-size Chevy/GMC 73-93, full-size Dodge 73-93 and full-size Ford 80-93 pickups. All Flexsteel seats meet or exceed all federal motor vehicle safety standards when installed using the manufacturers instructions supplied. Lifetime limited warranty‡ on frame, one-year limited warranty on springs, cushion material, upholstery and metal mechanical parts*. See "To order," below. Seats are shipped motor freight to your local Sears store, and home delivery from store is available for an additional charge.

A. The Marquis sculpted seat. Experience the same luxury and comfort as conversion van owners. Specially sculpted geometric styling with button accents to create a look that is just plain beautiful. And this is one seat that is every bit as comfortable as it looks! This deluxe seat features infinitely adjustable manual lumbar control on the driver side for extra back comfort and support, an all new solid oak console with a flip-up lockable storage compartment and high gloss finish for impact resistance to wear and tear, 3 cassette-tape slots and dual slotted cup-holders. Headrests are moveable. Special mounting kit, instructions included. Because each seat is custom built, please allow 21 days for delivery from factory. Wt. 158 lbs.

Price **$799.99**

* Write for free copy, see page 1139.

‡ For as long as original purchaser owns vehicle on which item was installed.

B. The European seat. Luxury and comfort with a European flare. Each seat independently slides back and forth on its own tracks. They also recline and tip forward. Console features padded armrests and two cup holders. Rugged steel tubular frame, contoured polyurethane foam padding all covered in plush nylon fabric. Instructions included. Required mounting kit sold separately below. Wt. 135 lbs.

Price **$689.99**

C. The Plush-Comfort seat. Tufted pillow-back seats slide back and forth independently on their own tracks, recline and tip forward. Console features padded armrests and two cup holders. Deep nylon plush fabric over a rugged steel frame with contoured polyurethane foam padding. Instructions included. Required mounting kit sold separately below. Wt. 135 lbs.

Price **$549.99**

Mounting kit for (B) and (C) (not shown)

Wt. 8.00 lbs **$11.99**

To order seats (A) thru (C) and mounting kit call: 1-800-877-2880

24 hours a day, 7 days a week. Tell the operator that you are ordering pick up seats from page 834 of the 1993 "R" Spring Big Book. Give the operator: 1) Seat name, 2) Year/make of vehicle, 3) Seat color.

Be sure to see our seat covers on pages 876 to 880.

Low-cost luxury seating for pickups

D. The Classic Contour seat. Bucket seat design allows you and your passenger to independently adjust seat positions. Deeply sculptured seats provide excellent lumbar support. Each seat reclines and tips forward. Console features solid oak tray with two pop-up drink holders. Acrylic plush fabric with Scotchgard® brand fabric protector over a rugged steel frame with contoured polyurethane foam padding. Fits 1980-93 Ford, 73-93 Chevy/GMC and 72-93 Dodge full-size pickups. This seat meets or exceeds all federal motor vehicle safety standards when installed using the manufacturer's instructions supplied. Required mounting kit sold seperately below. Wt. 152 lbs.
Price **$539.99**

Mounting kit for (D) (not shown).
Wt. 5.00 lbs **$11.99**

To order seats (D) thru (F), call 1-800-877-2880
24 hours a day, 7 days a week and tell the operator you're ordering pickup seats from page 835 of the Sears "R" Spring Big Book. Give the operator 1) name of seat, 2) year and make of vehicle, 3) seat color. All seats shipped motor freight to nearest Sears store, home delivery from store available for additional charge

E. The Touring seat. Contemporary seating for mid-size pickups. Seating features high back, deeply contoured seats and back panels. Heavy-duty steel frame for support. Adjustable backs recline 45° or tilt forward. Seats are covered in luxurious, extended-wear, two-tone fabric treated with stain-resistant Milligard/Scotchgard® fabric protector and lined with deep, polyurethane foam for extra comfort. Built-in tapered headrests provide maximum visibility. Fits all 1984-91 Ford Rangers, 1982-91 Chevy/GMC S-10/S-15, 1973-86 Toyota and Mazda, 1973-91 Datsun/Nissan and 1973-81 Ford Courier pickups. Requires drilling and mounting to floor mount. Slides, instructions included. Available in blue, gray or burgundy. See "To Order" above. Wt. 55 lbs.
Price **$449.99**

F. The Journeyman. Low-cost replacement seating for full size pick-ups from 1970-1988. Our most economical seating features Herculon® plush fabric over channel polyurethane foam-padded insert-quilting for added comfort. Flip-up center console features pop-up drink holders and padded armrests. Seats recline 45° and tip forward. Mount directly to floor using existing bench-seat mounts, slides. Requires drilling to floor. Mounts, slides included. Available in gray and brown. See to order, above. Wt. 80 lbs.
Price **$474.99**

G. Rear seat lift kit for Ford "F" series Supercabs improves rear seat comfort while providing valuable inside-the-cab storage. Enhances visibility for your rear seat passengers while improving the slope of seat back and bench. Rear seat is raised 4½-inches, creating usable storage space underneath even when rear seat is locked in upright position or folded down. Patented full-width bench support requires no drilling or alterations to your cab. Installs in about one hour using a simple, 10-bolt installation procedure. Seat belt extensions included. Conforms to applicable national safety standards. Fits 1980 through 1992 Ford "F" series Supercabs only. Hardware and instructions are included. To order, call 1-800-366-3000.

The perfect portable campground!

A. Soft Shell truck tent assembles in your pickup bed in about 10 minutes and gives you comfortable, above-ground shelter with no worry about rocks, snakes or water seepage. New space age metallized material sheds the hot sun and keeps you warm in the cold weather. Material is completely waterproof and far more fire retardant than any other tent material. Tent can be used in windy or rainy weather and has withstood winds up to 50 MPH in tests! Mesh moonroof and entry screen door. Privacy door folds down. Frame formed by 3 snap-together fiberglass poles. Bungee cords attach on outside. Stores in own drawstring bag that will fit behind the seat! 4 sizes to fit most trucks (will not fit dual-wheel, step-side, El Camino or VW trucks). Caution: Do not drive truck with the truck tent mounted.
To order, call toll-free, **1-800-366-3000.**

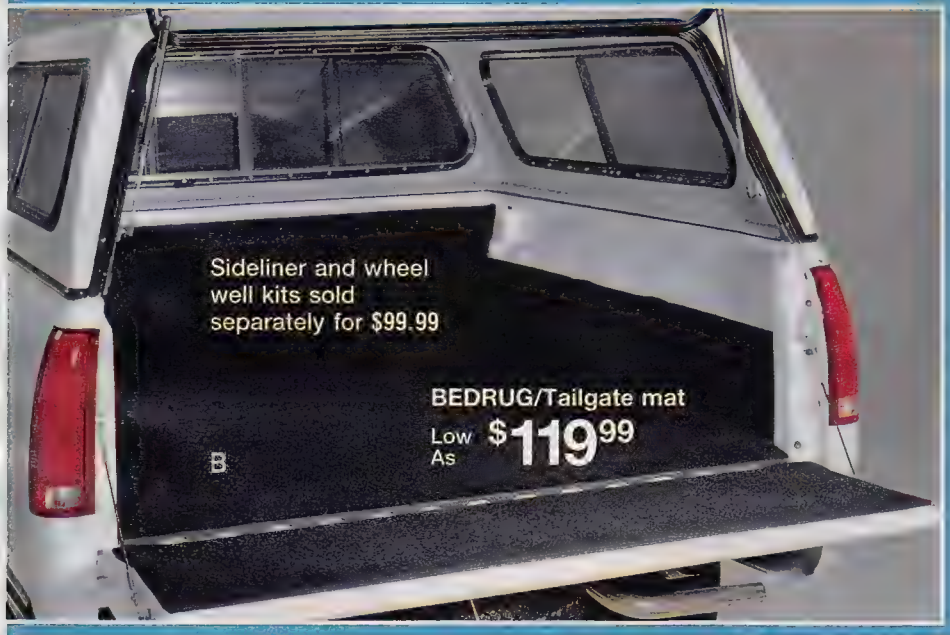
BEDRUG™ protects your truck and your knees!



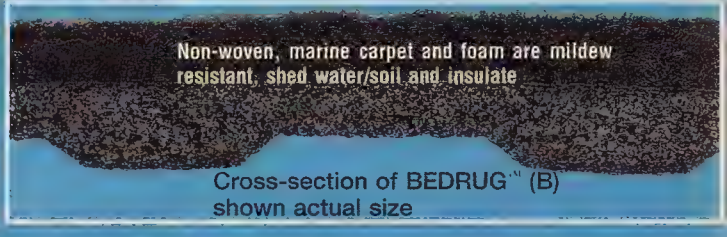
Better than a bedliner or a bedmat:

- Mildew resistant marine carpet is bonded to 3/4-inch closed cell foam
- BEDRUG™ is custom molded to fit the ridges of your truck bed...gives you a comfortable, smooth bed
- Insulates better than 6-inches of fiberglass...very comfortable to sleep on
- BEDRUG™ carpet and foam will not absorb moisture, chemicals or petroleum...easy to clean
- Non-skid surface and simplified installation with no drilling

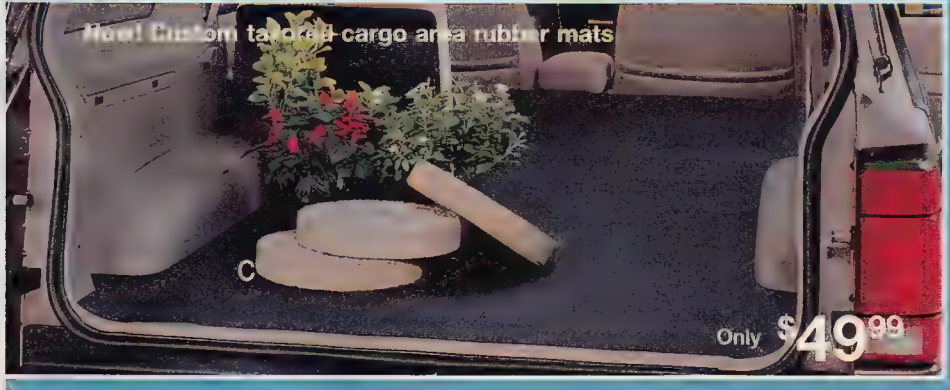
B. BEDRUG™ is simply ingenious! It will help keep your knees from getting bruised and your truck bed from getting dirty! Perfect for overnight hunting, camping and fishing trips. Hook and loop fasteners...easy removal for cleaning, too. To order, see panel below and call toll-free 1-800-497-6108.

Pick-up truck BEDRUG and tailgate mat.
Wt. 13.00 lbs ..... Low as **$119.99**
Van BEDRUG (not shown).
Wt. 10.00 lbs ..... Low as **$99.99**
Pick-up truck Sideliner and wheelwell kit.
Wt. 7.00 lbs **$99.99**

BEDRUG also available with rubber mat surface in place of marine carpeting. Call for details.



Cross-section of BEDRUG™ (B) shown actual size



C. Rubber cargo mats. Great low-cost protection for the vulnerable cargo area of your vehicle. Tough, recycled rubber mats are easy to clean, easy to put in/take out and they fit your vehicle perfectly! Mats are custom fit to each specific vehicle. To order, please see panel below.
28 R 35309—Wt. 11.00 lbs **$49.99**

THE MAX MULTI PURPOSE AX

45" shovel

3½" wide mattock

1" wide broad pick

6" sharp pick

7" McLeod combo hoe and rake

Built to U.S. government specifications, approved for use on all wildlands and national parks and now used by the Army Corp of Engineers, the U.S. Forest Service, the National Park Service and the Bureau of Land Management.

"...tested it extensively and found it to be the most versatile combination hand tool we've ever encountered. A tool no off roader should be without." **Off Road Magazine**

- Seven handy tools in one rugged, compact and convenient unit
- At 12½-lbs. it's the ultimate in easy storage/transportability!
- Its versatility makes it "the right tool, when you need it" whether it's an off road situation or an emergency
- Perfect for: off roaders, campers, sportsmen, contractors, homeowners, snowmobilers, gardeners, fishermen—anyone who works or plays outdoors

"The neatest combination tool I think I've ever seen. The great thing about this set is that you no longer need to bring individual shovels, axes and the like...the MAX does it all." **Petersen's Hunting Magazine**

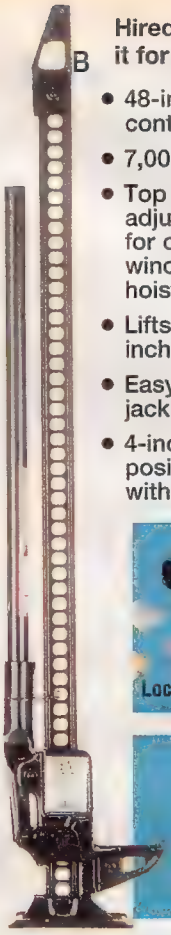
"Small wonder! Great things can come in small packages. Witness the MAX, a cleverly designed offroad emergency tool. The whole package takes up so little room in my 4x4 that it has become a permanent fixture, and that means I'll have it when I need it." **Field & Stream**

A. The Max Ax. Seven basic hand tools incorporated into one unit based on 3½-lb. Hudson Bay style ax/ sledge with 36-in. grade A Hickory handle. Attachments (lock into socket on back of ax head) for shovel, pick, mattock, broad pick, heavy-duty reversible rake or hoe. Max Ax/Sledge and attachments made of heat treated tempered steel. Includes hitch pin for added security, sturdy canvas carrying case with Velcro®, leather ax sheath, McLeod thumbscrew tightener and safety hitch pins. Limited lifetime warranty on all metal parts.*

28 R 35243—Wt. 14.50 lbs ..... Set **$124.99**

* Warranty by manufacturer against defects in manufacturing or materials. Write for free copy. see page 1139.

Hired Hand Jack does it for you!



- 48-inches continuous lift
- 7,000-lbs. capacity
- Top clamp-clevis adjusts to positions for clamping, winching and hoisting operations
- Lifts as low as 4½ inches from ground
- Easy down-stroke jacking
- 4-inch lift nose for positive contact with load

B. Hired Hand Jack is THE jack for off-roaders...or any handy-man for that matter. Hired Hand is manufactured of high-stress steel and class A, grade one castings. Horizontal operating, climbing pins for safe positive contact. 28-sq. inch base. Upright steel bar reverses for longer life. Lifting unit automatically drops away when pressure is removed for speedy disengaging. Shear Pin breaks for safety when overloaded.

28 R 35367—Wt. 28 lbs **$49.99**

Vinyl coated nylon Hired Hand Jack cover (not shown) is waterproof, flameproof, mildew, rot and cold resistant. Will not crack. Drawstring closure.

28 R 35364—Wt. 1.25 lbs **$12.99**

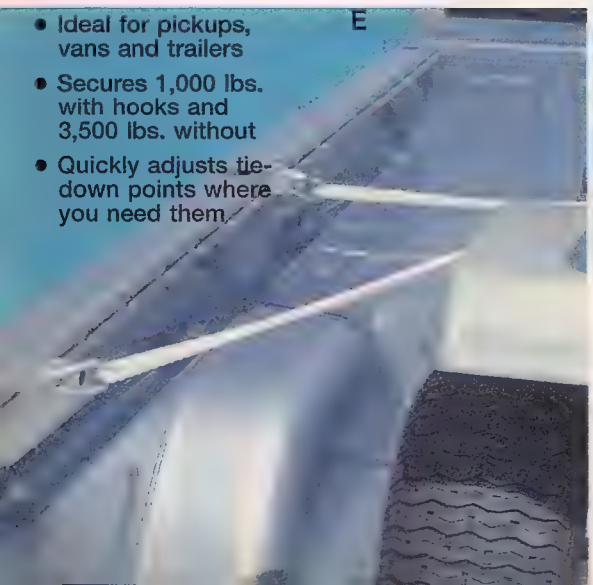
8-cu. ft. storage capacity. For mid-size pick-ups with short wheel base. 51$^{3}/_{8}$x20x18-inches high.
F 28 R 35212*—Wt. 43 lbs **$129.99**

*Factory shipped. Allow 10 days for delivery.

New! Slide-n-lock tie-down system for trucks, vans or trailers



- Ideal for pickups, vans and trailers
- Secures 1,000 lbs. with hooks and 3,500 lbs. without
- Quickly adjusts tie-down points where you need them

Machined, anodized aluminum provides incredible strength | **Pull head on spring loaded slide locks to move down rail** | **Holes for slide-lock clips are located every 5 inches** | **Rails attach every 10 inches along inside bed rail**

E. Slide-n-lock rail system is the heavy-duty answer to your tie-down problems. Move the spring-loaded slide-locks along the rail to choose the safest and most convenient place to secure your cargo. The Slide-n-lock rail system will provide a stronger more stable way to tie down your load. Includes two precision machined and anodized aluminum rails that fasten every ten inches to the inside of bedrail. Secures up to 1,000 lbs. with hooks and 3,500 lbs. without hooks. The Slide-n-lock system is ideal for trucks, trailers or any vehicle where you need to control cargo. 93-inch rails can be cut down for smaller vehicles. 4 slide locks are included. Additional spring loaded slide locks may be added for a total of 9 tie-down points per rail.
28 R 35368—Slide-n-lock rail system, Wt. 16 lbs **$129.99**
28 R 35370—Slide-lock/clip assembly, Wt. .81 lbs **29.99**

B
Over-the-rail liner protects side rails

Our finest under the rail bedliner

- Load-lock feature helps keep your cargo from shifting...simply slip 2x4s into molded cavities in liner
- 2-level storage feature lets you add a handy shelf in your cargo bed...just add your own 2x4s and plywood sheet.

A and B. Our best bedliners are made of polyethylene to resist fertilizers, gas and even acids. Built tough to endure extreme temperatures. Patented high ribbed design lets air flow between the liner and truck bed to prevent rusting. Molded to original equipment specifications so you can be confident liner will fit. Each includes tailgate mat and bright finished extruded aluminum cap. To order, see panel below.

A. Duraliner™ under-the-rail bedliner features a simple, snap-in installation system. Installs in minutes without drilling. Front lip protects your cab from shifting cargo. Snap-on tailgate protector safetly covers the back. High-impact front corners are reinforced for added protection. Sleek design allows use of camper tops, chrome side rails and ladder racks.
Call 1-800-765-6505 to order **$259.99**

B. Duraliner over-the-rail bedliner. Triple-chrome-plated tie-downs for full-size models. Cam-locks eliminate screws for installation on mid-size pickups.
Call 1-800-765-6505 to order **$259.99**

C and D. Durakon "All-Star" bedliners feature a 1-piece seamless design with ribbed floors that help keep water from becoming trapped between the liner and bed floor. Liner and included tailgate protector are made of tough, high-density polyethylene. Resist acids, fertilizers and won't become brittle or crack at temperature extremes. To order, see panel below.

C. Under-the-rail liner for trucks with side rails and bedcap accessories. Includes tailgate protector.
Call 1-800-765-6505 to order **$179.99**

D. Over-the-rail liner for full cargo bed and rail protection. Includes tailgate protector.
Call 1-800-765-6505 to order **$179.99**

E. Tailgate protector constructed of tough, high-density polyethylene.
Call 1-800-765-6505 to order **$22.97**

F. Bedmat and tailgate mat set features seamless ribbed rubber and Duracord® nylon for exceptional strength and durability. The exclusive 4-inch high front panel helps protect cab against damage caused by shifting cargo. Rolls in or out for convenience. To order, see panel below.
Call 1-800-765-6505 to order ..... Set **$84.99**

To order items (A) thru (F) only:
Note your vehicle's year, make, model and bed length. Call Durakon toll-free at **1-800-765-6505** weekdays, 7 AM to 4 PM Central. (During off-hours, leave name, phone number and time when you can be reached during operating hours.) Tell operator you're ordering from the Sears 1993 "R" Spring Big Book. Stated shipping charges for residents of Alaska, Hawaii, Puerto Rico and other locations outside the contiguous U.S. do not apply.

NOTE: Bedliners arrive in about 10 days and must be delivered to a Sears Catalog selling unit. Delivery charge in continental U.S. is $35.

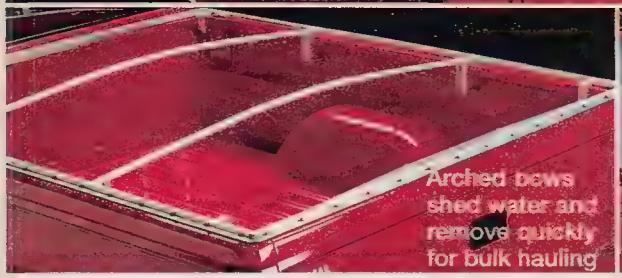
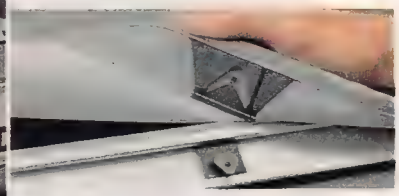
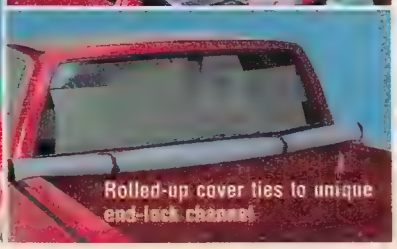
Tonneau covers and Anodized lights



Aluminum frame with pre-arched bows and Tite-Loc mounitng clamps



Nylon tonneau-to-frame fasteners



The Luxxus Truxcover™... Now with InsulSnaps™ to prevent longterm snap corrosion

A. Custom-engineered to fit your vehicle with arched aluminum bows that prevent water accumulation. Anodized aluminum frame structure with movable snaps lets you install your cover in minutes using only a screwdriver! Patented adjustable InsulSnaps™ make it a breeze to remove and reinstall even in cold weather, so it's great for everyday use! No drilling or glue is required to install so there's no damage to your truck's finish. Rubber-tipped mounting brackets won't scratch paint. Bows quickly remove for bulk hauling. Allows for normal tailgate operation and easy access to pickup bed. Available in sizes to fit virtually any pickup truck. Custom-made sizes are also available for only $40.00 more. To order Luxxus Truxcover,™ call 1-800-627-7050 Monday thru Friday 8 AM to 5 PM Central Time. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book.

Mid and compact trucks with shortbeds **$239.99**

Full-size standard bed mid/compact longbed **$259.99**

Full-size longbed **$289.99**

Covercraft rail system tonneau cover offers all-aluminum frame with "no drill" installation

B. Tonneau rail system mounts to pickup bed with Tite-Lok™ clamps and foam cushions to prevent paint damage. Tailgate operates with cover in place. New DuPont Zytel™ nylon fasteners in tonneau are completely hidden and slide easily into frame. Fasteners resist filling with grime and work in any temperature. Textured vinyl tonneau with polyester backing, available in 7 colors, see swatches at left. To order, call 1-800-872-4954 Monday thru Friday 10 AM to 6:30 PM Central Time. Tell operator you're ordering from the Sears 1993 "R" Spring Big Book. (In Alaska and Hawaii, call 1-818-407-6600.)
From ..... **$199.99 to $229.99**

Vinyl-coated polyester tonneau cover...a budget-priced value

C. Tough fabric tonneau keeps your truck bed and cargo covered and dry. Installs easily with self-adhesive strips and a channel that mounts to the front of your pickup box. Requires minor drilling...typical installation time is about 30 minutes. Opens in seconds and stays tight when closed. Cover adjusts for higher-than-box level loads. Cross-bed support kit recommended (sold separately below). Available in sizes to fit most any pickup. To order, call 1-800-888-8456 Monday thru Friday from 9 AM to 7 PM Central Time. Tell operator you're ordering from the 1993 "R" Spring Big Book. State year, make and model of your vehicle.

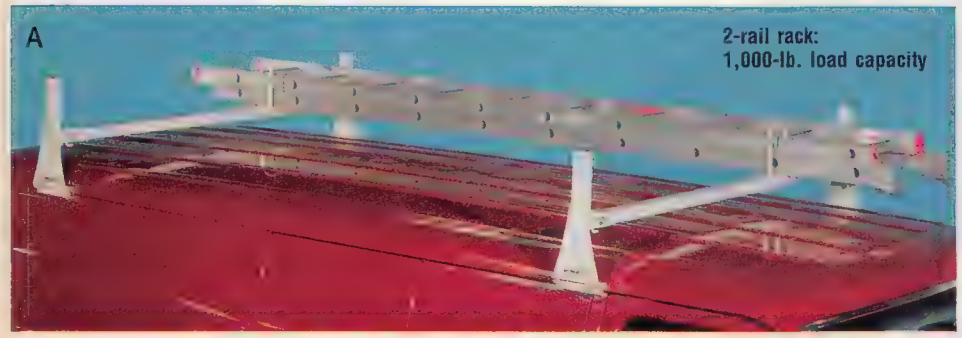
Van & pickup truck roof racks

Why pay more and get less somewhere else? Our finest van racks are built stronger than most competing racks and they install without drilling. Their fully adjustable cross bars, ladder brackets and supports will accommodate varying roof and cargo sizes, too!



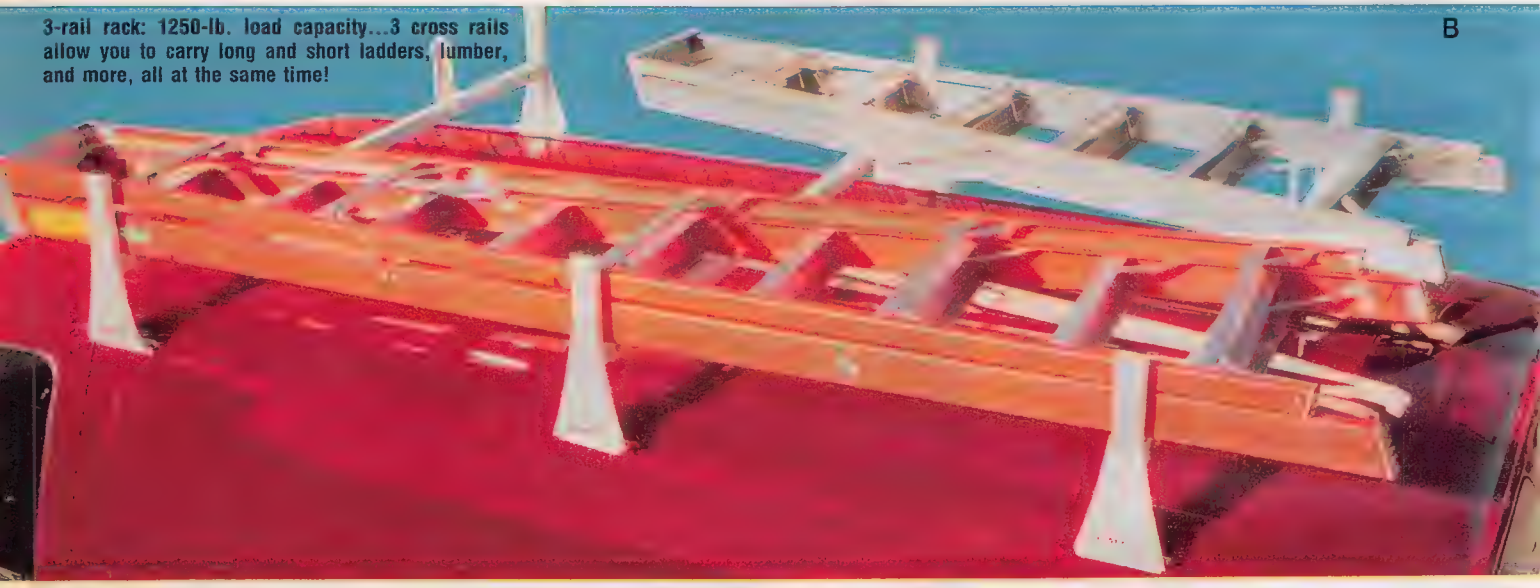
Our best industrial-quality van racks...available in catalog only!

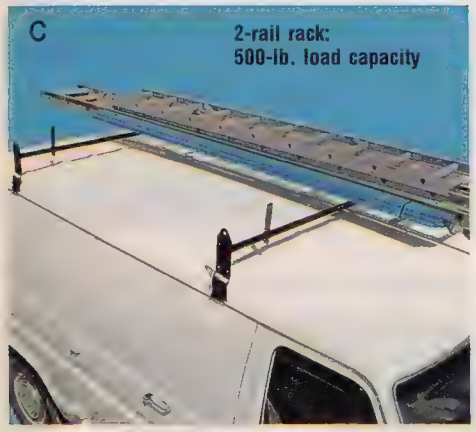
A and B. Rugged, welded construction made of heavy-gauge steel square tubing. Stanchion feet spread weight over a 6½-in. area, reducing load stress and gutter deflection. Durable powder-coat paint finish. Slotted cross-rails adjust from 50 to 72-inches wide. Heavy-duty ladder brackets combined with cleated tie-downs enable you to secure your cargo without giving up easy access. Racks fit all vans with rain gutters. Hardware included.

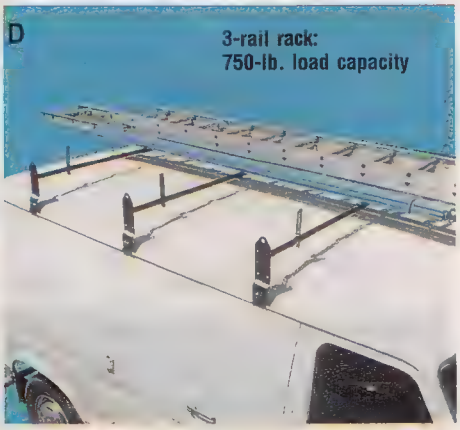
A. 2 cross-rail rack.*
28 R 6282—Wt. 44 lbs **$159.99**

B. 3 cross-rail rack.*
28 R 6281—Wt. 63 lbs **$199.99**

* You must check your vehicle owner's manual for maximum roof capacity.







Our heavy-duty van racks are a great value...available in catalog only!

C and D. Improved height-adjusting capability for increased clearance between the roof and cross-rails. Adjustable from 50 to 72-inches wide. Brackets adjust to secure your load. Tough powder-coat paint finish over 1½-inch diameter tubular steel with 4-inch steel side supports. Clamps to your vehicle's rain gutters. Hardware included.

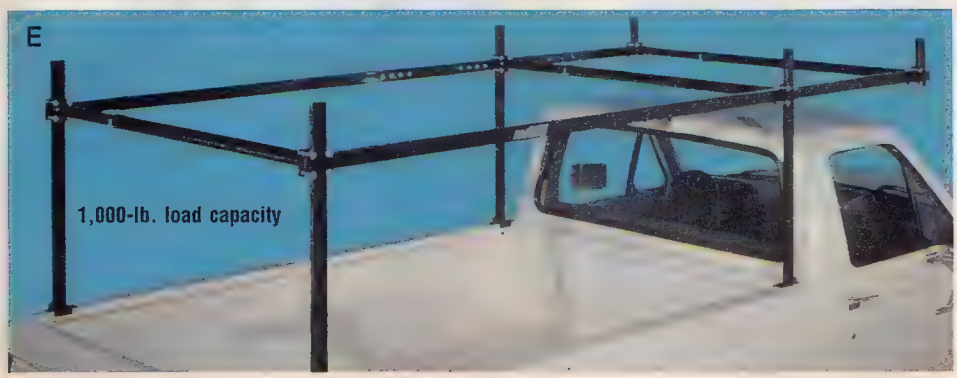
C. 2 cross-rail rack*
28 R 46593—Wt. 34 lbs **$99.99**

D. 3 cross-rail rack*
28 R 46595—Wt. 50 lbs **$144.99**

Adapter kit (not shown). Required to use racks (C) and (D) on mini-vans without rain gutters: Chevy Astro, GMC Safari, Ford Aerostar.

2-rail adapter kit
28 R 46594—Wt. 3.00 lbs **$19.99**

3-rail adapter kit
28 R 46596—Wt. 4.50 lbs **$24.99**



Commercial-quality pickup truck rack...available in catalog only!

E. Rugged rack fits full and mid-size trucks. Heavy-gauge black powder-coat finish steel tubing is designed to reduce wind noise. No welding required...installs with hand tools. Mounts directly to truck bed and side rails, drilling required. Double-bolt fittings allow rack to fit pickups with 6½ or 8-ft. beds. Hardware included. Store pickup is still available! Delivery charges may be less than home delivery.
28 R 33950N—Wt. 110 lbs **$259.99**

Jeep® seating and interior accessories

A. Instatrunk® helps solve the security problem in your Wrangler or Sidekick/Tracker. Instatrunk works with your locking tailgate to create nearly 3 cubic feet of safe, secure storage space for your possessions. Plenty of room to mount stereo equipment or other installed items, too. Wrangler models are crafted of 16-gauge steel; Sidekick/Tracker model of 14-gauge steel. Both feature moisture-resistant, weather-seal gasketing. Some drilling required to install. Black finish.

SUPERTOP

Supertop...our most advanced replacement top

A and B. Patented track attachment system eliminates snaps and drilling through exterior body surfaces. All windows removable/replaceable. Pre-assembled hardware with black powder-coat finish. Tinted rear and rear side vinyl windows. Supertop has several door configurations: see individual listings below for door option that best suits your needs. Door interiors have pockets, foam weatherstripping and grab handles. See panel, facing page for tips and help.

A. For 1955-75 CJ-5. Complete replacement soft top with new doors, frames and hardware. State color number 2-Black, 12-Gray or 24-Tan.

28 R 64665H—Wt. 58 lbs **$469.99**

For 1976-83 CJ-5. Complete replacement soft top with new doors, frames and hardware. State color number 2-Black, 12-Gray or 24-Tan.

28 R 64600H—Wt. 68 lbs **$469.99**

For 1976-86 CJ-7 and 1986-93 Wranglers with or without factory soft top. Complete replacement soft top with new doors, frames and hardware. Does not allow use of factory door-mounted mirrors. State color number 2-Black, 12-Gray or 24-Tan.

28 R 64601H—Wt. 60 lbs **$499.99**

For 1981-86 CJ-7 and 86-93 Wrangler with factory hardtop. This replacement soft top includes 2-piece fabric doors with rotary-style latches that match up to original hardtop door mounting hardware for greatly simplified installation. New doors install in less than 5 minutes. State color number
2-Black, 8-Almond or 12-Gray

28 R 60985H—Wt. 64 lbs **$539.99**

B. For 1976-86 CJ-7 and 86-93 Wranglers with factory-mounted hardtop. Top doesn't include doors so you can keep your existing steel doors on. State color number 2-Black, 8-Almond or 12-Gray

28 R 61099H—Wt. 35 lbs **$429.99**

For 1988-93 Wranglers with factory-mounted soft top. Top includes fabric upper half-doors that mate perfectly to factory steel lower half-doors. State color number 2-Black, 8-Almond or 12-Gray

28 R 60984H—Wt. 55 lbs **$499.99**

Tigertop...great looking "hidden snap" design

C. Combines many of the features of our Supertop with a more economical price. Top comes complete with all hardware, frames and bows...everything you need for a new installation. Hidden-snap design conceals snap hardware under protective fabric. You may be able to use original equipment snap placements on your CJ-5 or CJ-7 to avoid extra drilling. Pre-assembled hardware, frames and bows have black-powder coat finish. Frames fold down, stack and lock in place for rattle-free storage. Paddle-handle door latches give positive closure. One-piece doors with welded door pivots. Side and rear vinyl windows fold up, secure with straps. Vinyl door windows fold down, secure with straps. Some drilling required. See panel on facing page for installation tips and help. See chart below for color availablity, then state color number 2-Black, 4-Blue, 12-Gray or 24-Tan. "F" prefix factory shipped, allow 10 days for delivery.

Replacement soft tops

E. Sunport is custom designed for the popular Suzuki Samurai 4x4. The patented design requires no drilling for snaps in body. This unique product quickly converts from a complete soft top to an open cockpit to provide that breezy, convertible top motoring experience without removing the entire soft top. Additionally, the Bikini portion of the top can be used to shade the cockpit when the rear portion is removed. Regardless of weather, the Sunport top provides for all your motoring needs. This top is produced in two separate pieces and easily folds flat for storage in the rear cargo area. Extremely compact, folded size leaves plenty of space for extra passengers and "fun cargo". If it rains, your complete soft top and your Samurai are always ready. Minor drilling of sport bar required. State color number 2-Black, 12-Gray or 27-White

28 R 60983H—Wt. 13 lbs **$249.99**

Economical, fabric-only tops

L. All tops come with fabric to replace the entire top deck and doors. You must have the factory original door frames, bows and hardware to install this fabric-only replacement top. Wrangler models use factory-installed belt-rail attachment system, no snaps. CJ models have foam padding between and around snaps for a tight fit. Rear window folds up and vinyl door windows fold down. Some drilling required. Correct vehicle identification is essential...see panel at bottom of page for help and installation tips. Order from chart below. State color number 2-Black, 4-Blue, 7-Nutmeg, 8-Almond, 12-Gray or 24-Tan (see chart for color selection).

Replacement hardtops make the drive easier! They provide extra comfort in colder weather while helping to quiet the ride. They also give more security than fabric soft tops.

A and B. Functional, stylish and a perfect fit! Recommended tools (not included) for installation: 3/8-inch electric drill, center punch, adjustable wrench, pliers, screwdriver. Hardware included. Tops are shipped from factory; allow 14 days for delivery. Order from chart below. State color number from chart when ordering. See "N" suffix note, page 1138.

A. Suzuki Samurai/Sidekick and Geo Tracker hardtops match original equipment looks and performance. Tough double-wall fiberglass construction. Two-piece design with removable section over passenger compartment for open-air riding. Hinged rear glass hatch and rear side glass are tinted. Uses your original equipment hard doors. Some drilling required. Installation procedure requires two people and takes approximately 2 to 4 hours.

B. Jeep® hardtops. Double-wall fiberglass top has built-in rain gutters and removable doors. Safety-glass windows: tinted glass in rear; clear, sliding glass in doors. Automotive-type door handles with integral locks (keys included). Rear hatch has gas-assist strut arms for easy lifting and locking. T-handle closure. Torx® tools included for installation. Drilling required. Typical installation requires two people and takes approximately 3 to 5 hours.

Triple-tube steel front bumper provides protection yet leaves a clear view of turn-signals and lights

Sturdy and stylish double-tube steel rear bumper for your CJ-5, CJ-7 or Wrangler vehicles...complete with hitch for towing

Rancho shocks and suspensions. . .

RS 9000 shock puts 5 high performance shocks into one quick adjust unit

The first and only quick-adjust on and off-road shock featuring an easy access adjustment knob. A simple twist of a knob and you've got it all. . . a smooth highway ride or, in just seconds, maximum control for hardcore off-roading!

AVAILABLE SETTINGS:

POSITION 1:
Plush, comfortable highway ride

POSITION 2:
Additional firmness for gravel roads

POSITION 3:
Versatile on and off-road performance

POSITION 4:
Light to moderate off-roading

POSITION 5:
Serious four-wheeling or heavy-duty towing!

A

A. RS 9000 5-speed shock is the solution to the shock dilemma. The new RS 9000 offers you the multi-dimensional performance of five cellular gas shocks all in one. It gives you off-road durability and control when you need it; a comfortable highway ride when you want it! Total adjustable performance in only 60 seconds, and all at a price that rivals ordinary shocks. Rancho constructed with a cellular non-pressurized gas design, 11 stage valving and 100% fluid filled for omni-directional mounting. Limited lifetime warranty.*
Each **$69.99**

B C D E

LIFETIME WARRANTY*

*Limited lifetime warranty for as long as the original purchaser owns the vehicle on which the shocks are originally installed. Write for a free copy, see page 1139.

F

G

New at Sears! Air Rancho air adjustable shocks

no one offers a wider selection than Sears

Street smart, dirt tough! And now, almost dirt cheap! Save $4 to $6 when you buy 2 RS 1000 or RS 5000 Rancho shocks

B thru E. Rancho builds top quality shock absorbers that have been race tested for performance and quality. Shocks feature arc-welded mountings for long-term reliability. Each includes a shock boot. To order, see panel at bottom of page.

B. RS 1000 shock. The high performance replacement shock for today's trucks! Features unique blend of performance and a smooth highway ride. Twin-tube 150 psi gas design with an expanded reservoir for greater durability. 11-stage valving is optimized for great everyday driving. 1.375 inch piston head on 14 mm chrome hardened-steel rod.
Each **$34.99**
Each, 2 or more **32.99**

C. RS 5000 light truck shock. . . the high performance standard. Unique celluar non-pressurized gas design prevents overheating, fade and loss of performance even on the most demanding terrain. 10-stage valving blends a highway ride with firm off-road control. 1.375 piston head on 14mm chrome hardened-steel rod. 100% fluid-filled for omni-directional mounting.
Each **$39.99**
Each, 2 or more **36.99**

D. RS 5000 Platinum shock. All the performance and features of our standard RS 5000 in an awesome package. Exclusive silver-zinc electroplated coating with an exterior layer of polyurethane for protection.
Each **$44.99**
Each, 2 or more **39.99**

E. RS 7000 light truck shock. Competition-rated for maximum control! 3-way selectable ride control lets you fine-tune shock to the way you drive. Cellular non-pressurized gas design with high-performance 10-stage valving. Extra-large 1.625 inch piston head on 17 mm chrome hardened-steel rod. 100% fluid-filled for omni-directional mounting.
Each **$49.99**

F. Air Rancho. Air adjustable shocks are designed for light trucks and sport utility vehicles to solve your load problems. If you're hauling trailers or heavy loads air rancho will give you the flexibility to control the level (height) of the loaded vehicles. Inflate from 20 psi to 150 psi while vehicle is loaded. Mulit-stage valving optimizes ride comfort and control. Installed in the rear, Air Rancho will increase load carrying capacity by 750 lbs., depending on your vehicles suspension rating. Kit includes 2 shocks, mounting hardware, hose assembly and boots.
Kit **$89.99**

G. Electric Ride Control Pump lets you control the height and air pressure conveniently from inside the truck cab. Control panel mounts under under dash. Includes auxiliary hose for inflating toys and sporting equipment. For use on 12-v. systems only.
Each **$159.99**

Steering stabilizers

H

H

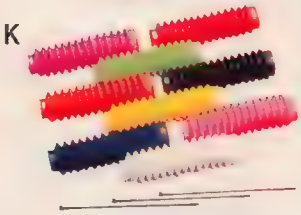
H. Rancho steering stabilizers help keep your big tires under control. Stabilizers are like shock absorbers for your steering system. They help absorb and control sudden jolts caused by flat tires or pot-holes. They also help prevent kickback. Stabilizers are a "must" on vehicles with oversized tires.
Rancho strongly recommends a stabilizer for all 4-wheel drive vehicles. Bolt-on installation. Available for most vehicles...see panel below to order.
Single cart., original equipment replacement cylinder ..... Low as **$29.99**
Single cart., with mounting brackets
Each ..... Low as **$47.99**
Dual stabalizer., with mounting bracket kit
Each ..... Low as **$84.99**

Shock brackets and boots

J

J. Multiple-shock bracket kits for serious off-roaders who demand the ultimate in ride control. Multiple-shock bracket kits are available in dual or triple-shock format, depending on your original equipment setup. Sizes to fit selected 4x4s only. Shocks are not included unless noted when ordering. See the panel below to order.
Dual front bracket kit. Low as **$34.99**

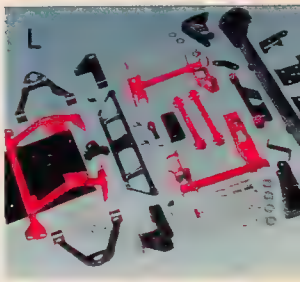
K



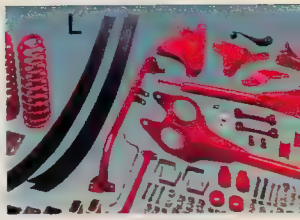
K. Dust boots. Genuine Rancho shock boots help protect your piston rod from damage while adding style and color. Includes ties for installation. Vented bellows design. See panel below to order.
Each boot **$4.59**

Rancho suspension systems

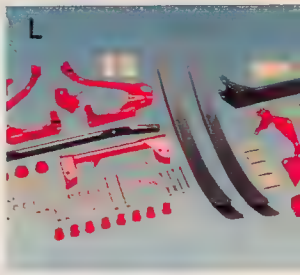
L



L



L



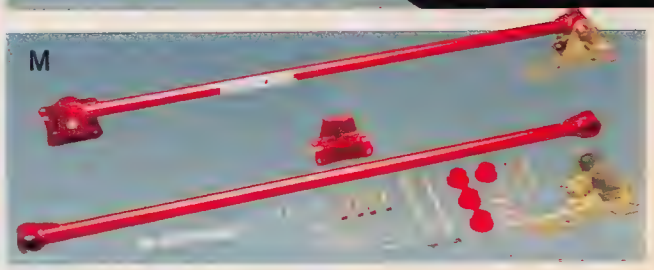
L. Rancho suspension systems are for anyone who wants to improve the ride, handling and response of their 2 or 4-wheel drive pickup or sport-utility vehicle. Suspension system improves axle travel and suspension flexibility. . . for improved handling in city traffic and greater endurance for off-roading. Installing a new Rancho suspension system will be one of the biggest improvements you can make to your vehicle's performance.

Sears offers Rancho suspension systems for Chevy/GMC, Ford, Dodge/Plymouth, Jeep® Suzuki and others. Available in raised heights of 1 to 4-inches. Most kits contain replacement springs or torsion bars, U-bolt mounting kits, and various other parts engineered for the vehicle you drive. Shocks are sold separately on facing page. See panel below to order.
Typical suspension system prices:
Chevy 77-86, 4WD full, 4-in **$334.99**
Chevy 81-86, 4WD Blazer, 2½-in...**319.99**
Dodge 78-90, 4WD pickup, 3½-in...**324.99**
Ford 81-91, 4WD pickup, 3-in **719.99**
Ford 83-89, 4WD Ranger, 2½-in...**749.99**
Jeep® 76-86, CJ-5, CJ-7, 2½-in...**419.99**
Toyota 84-85, 4WD PU, 2½-in ... **224.99**

Torque arm traction bar kits and Add-A-Leaf

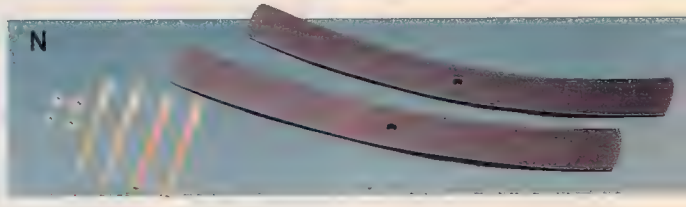
M

M



M. Torque arm traction bar kit. Improve rear axle performance and stability on trucks with powerful engines. Perfect for smooth or rough driving surfaces. See panel below for ordering.
Kit **$179.99**

N



N. Add-A-Leaf kits give you the raised height you need without requiring you to invest in a more elaborate suspension system. Great for "beefing up" the suspension on vehicles equipped with snow plows or campers or for adding extra load capacity. These kits will raise most vehicles 1 to 1½-inches. See panel below to order.
Front kit ..... Low as **$39.99**
Rear kit ..... Low as **39.99**

To order Rancho shocks and accessories on these two pages

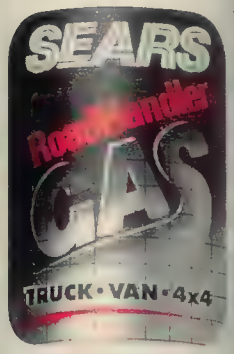
1. Please note make, year and model of vehicle and if vehicle is 2 or 4 wheel drive. Also note if it has been raised from stock suspension settings.
2. Call the toll-free hotline **1-800-877-2880**. The hotline is available 24 hours a day, 7 days a week. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. The operator will answer any questions and place your order.

Shocks for your light truck

Save $6 to $10 when you buy 2

A

Sears Best



RoadHandler Performance LT gas shock

$19.99 each, 2 or more

A. They're Sears Best and here's why: RoadHandler® Performance LT gas shocks include two exclusive features: 1. Comfort Valve to automatically regulate flow of fluid through the piston so the shock provides uniform comfort and control over all types of road surfaces. 2. Temperature Compensating Fluid to help keep fluid viscosity constant, giving you consistent performance through a broad range of operating temperatures. Our RoadHandler Performance LT is engineered to provide top performance on your light truck, van, 4x4 or sport-utility vehicle. Over-sized oil reservoir keeps your shock cooler for increased reliability. 89% larger piston area than standard 1 inch bore shocks, and hardened chrome-plated piston rod resists damage from rocks and debris. See "To Order" panel below.

Call 1-800-877-2880 to order ..... Each **$24.99**
Each, when you buy 2 or more **19.99**

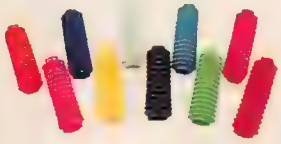
Silver E light truck shock

$35.99 each, 2 or more

B

B. Silver E™ by Gabriel...available only in catalog! Great looks, even greater performance. Anodized, silver-color shell helps resist rust so it stays looking good longer. 360° arc-welded end mount and tough urethane bushings for off-road reliability. The 1⅝-inch piston† is the biggest in the industry! 3-position adjustability lets you tune shocks to the way you drive. Internal foam cell reduces fade. See "To Order" below.

Call 1-800-877-2880 to order ..... Each **$39.99**
Each, when you buy 2 or more **35.99**
Silver E™ stabilizer (not shown) **$26.99**
Silver E™ mount brackets (not shown) ..... Each **$16.99**



Boot and decal kit for Silver E shocks. Each kit contains 1 polyurethane shock boot and 2 Silver E™ decals. Stripes on decals match boot color. Available in 10 hot colors. See "To Order" panel below.

Call 1-800-877-2880 ..... Kit **$3.99**

C. SteadyRider® light truck shock. Budget-priced performance for your light truck, van or 4x4! Strong 1⅜ inch piston is 89% larger than most standard 1 inch bore shocks for better ride control. The larger piston allows more fluid, giving you lower internal temperatures, reduced fade and longer shock life. See "To Order" panel below. Warranted.**

Call 1-800-877-2880 to order ..... Each **$17.99**
Each, when you buy 2 or more **14.99**

**Warranted by manufacturer; write for free copy, see page 1139.

S.D. exclusive new nology from roe...

THE ROAD SENSING ONE

Position Sensitive Damping is Monroe's patented valving system that instantly adjusts the shock's firmness to the road surface. On smooth surfaces, the head moves in the middle zone of the shock where the grooves are largest, letting the fluid flow with little resistance. That gives you optimum comfort. But as rough surfaces cause the piston head to move further up and down inside the shock, it travels beyond the grooves, allowing less fluid flow, thereby increasing resistance for instant control and firmness when you need it.

order Monroe shocks, struts and cartridges sold on this page only:

note your vehicle's make, year and model. Do you have a 2 or 4-wheel drive model? Check to see what type of suspension you currently have installed. Then our toll-free shock absorber Hotline: **1-800-877-2880.** Line is available 24 hours a day, 7 days a week. Our Hotline operator can help you decide which shocks the best for your vehicle and budget. Please tell operator you're ordering from the Sears 1993 "R" Spring Big Book.

Sears Best

RoadHandler® shocks, struts and strut cartridges (items A, B and C) are our best and here's why:

- Exclusive Comfort Valve automatically adjusts to any surface for superior comfort and improved control
- Exclusive temperature compensating fluid maintains a constant viscosity over a wide temperature range
- High-pressure nitrogen gas charge provides better resistance to extreme road conditions and shock absorber "fade"
- Chrome-plated piston rod resists nicks and scrapes to prolong the seal life
- 1 3/16-inch piston diameter means 40% more ride control area
- Bulged reservoir provides more surface area to enhance cooling
- Radial tuned to match today's radial tires and high-tech suspension systems

$7.99 each, 2 or more

We have direct access to factory inventories for even hard-to-fit vehicles!

To choose the shock absorber or strut that is best for your vehicle, see the shock information at right and use our "Compare the Features" chart at the bottom of this page. Complete warranty information for all the shocks, struts and cartridges can also be found at right. To order, see panel at bottom of this page.

A and B. A MacPherson strut suspension system replaces the upper control arm and ball joint found on conventional systems. This design allows more room for the engine, accessories and front-wheel drive components on today's technologically advanced vehicles. To order, see panel below.

A. RoadHandler® Performance Gas Strut will improve your ride while protecting your tires from premature wear. Complete with exclusive Comfort Valve and temperature-compensating fluid features. Nitrogen-gas charged.
Each ..... Low as **$49.99**
Each, 2 or more ..... Low as **44.99**

B. RoadHandler® Performance Gas Strut Cartridge for front-wheel drive vehicles permitting you to replace the cartridge portion of your strut system. (Our Hotline operator can help you determine whether your vehicle needs struts or cartridges.) All the features of our RoadHandler gas strut, including our exclusive Comfort Valve and temperature compensating fluid.
Each **$39.99**
Each, 2 or more **34.99**

C. RoadHandler® Performance Gas Shock is our best shock absorber! Just look at the features in the chart near the bottom of this page.
Each **$19.99**
Each, 2 or more **17.99**

D. Gabriel Red Ryder™ Gas Shock. Our premium-quality shock is nitrogen-gas pressurized with 40% larger piston area than standard 1-inch bore shocks.
Each **$17.99**
Each, 2 or more **15.99**

E. SteadyRider® GS50 Gas Shock. Our good-quality shock is nitrogen-gas pressurized.
Each **$14.99**
Each, 2 or more **12.99**

F. SteadyRider® shock. A great budget-priced value, complete with a 36-month warranty!
Each **$9.99**
Each, 2 or more **7.99**

G. Air-adjustable shocks. 1,000 lbs. extra carrying capacity per pair. Gives you a stable ride whether your vehicle is loaded or not. Large piston design plus extra-strength air diaphragm gives you fully adjustable load lift. Fitting and air hose included.
Pair **$64.99**

H. Booster shocks. Ideal for occasional extra loads, giving additional 300-lbs. carrying capacity in front and 500-lbs. in rear. Reduces front or rear-end sag under load, helps minimize "nose-dive" and sway for better control.
Pair, front **$39.99**
Pair, rear **49.99**

Why buy new shocks?

Most original equipment shocks and struts are only designed to last about 25,000 miles. After that, your car's handling can begin to decline. New shocks or struts can make a big difference in your car's performance. You'll notice better control on the curves along with a smoother ride. And your traction will improve, too, since new shocks help keep more tire on the road. Your tires will probably even last longer, since new shocks will help them wear more evenly.

Shocks should be replaced under these conditions:

Leaking or external damage. Look for excessive fluid on the shock. That can indicate a worn piston seal, allowing vital shock fluid to leak out.

Broken mounts/worn bushings. Check the top and bottom shock mounting points on your vehicle.

Severly dented tube/bent rod. If the exterior of your shocks show this damage, they should be replaced.

Failing the "Bounce test." Bounce the vehicle up and down three or four times. Push down on the front of the vehicle and then push down on the rear. If the vehicle continues rocking two or more times after release, it means the shocks are not working properly.

Unusual tire wear. Look for cupped or unevenly worn tire tread...these could indicate worn shocks or struts.

Damaged strut body, spring seats and bushings. Look for external damage...dents, leaks, etc. around the strut.

Choosing new shocks

The chart below will help you compare the shocks sold on these two pages. (If you need further assistance, please call our toll-free Hotline.) Here are some definitions you'll need:

Piston diameter. Most original equipment shocks have a 1-inch piston. A larger piston means greater shock-absorption capability for a better ride.

Cylinder design. Most original equipment shocks have a "slim" design. A "bulged" cylinder gives you an oversized oil reservoir, allowing more fluid inside. That results in cooler operating shocks for better performance and longer life.

Piston construction. A chrome-plated steel piston rod gives you greater resistance to damage from stones and debris. That means a longer-lasting, more durable shock.

Temperature-compensating Fluid and Comfort Valve are described at the top left of the facing page.

Gas-charged. Non-gas shocks provide a fluid "boulevard" ride, with improved shock absorption. Low-pressure gas-charged shocks offer a firm ride, better handling, improved cornering, greater stability and reduced bottoming when compared to a non-gas shock. High-pressure gas-charged shocks provide the ultimate in cornering and handling.

Shock and suspension warranty Information

***Limited lifetime warranty**
A limited warranty for as long as you own the vehicle on which product is installed. Details: If RoadHandler® Performance Gas, RoadHandler Performance Light Truck Gas, RoadHandler Gas MacPherson struts and strut cartridges, Gabriel Silver E or Gabriel Red Ryder fail on vehicles used for passenger purposes, simply return the shock, strut or cartridge to the nearest Sears store in the U.S. and Sears will furnish a new shock, strut or cartridge. If the returned shock, strut or cartridge was originally installed by Sears, Sears will install its replacement free of charge. If the returned shock, strut or cartridge was not originally installed by Sears, installation of the replacement shock, strut or cartridge is not included under this warranty. You pay for labor. This warranty does not apply to failure of shock absorbers, struts or cartridges caused by altered suspension systems or oversized tires beyond the vehicle manufacturer's recommendations. This warranty also does not apply to shock absorbers, struts or cartridges installed on vehicles used for commercial purposes. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

****Limited warranty**
Covers SteadyRider®, SteadyRider Light Truck, SteadyRider GS50, Rear Gas Spring Seat, Air Adjustable, Booster Shock Absorbers, Strong Arm™ lift supports. If, when installed on a private passenger vehicle, the shock absorber or lift support indicated above fails within the months or miles specified (whichever comes first after installation), simply return the shock absorber or lift support to the nearest Sears store in the U.S. and Sears will furnish a replacement free of charge or refund the purchase price. If the returned item was not originally installed by Sears, installation of its replacement is not included under this warranty. You pay for labor. This warranty does not apply to failure of shock absorbers, struts or cartridges caused by altered suspension systems or oversized tires beyond the vehicle manufacturer's recommendations. This warranty also does not apply to shock absorbers, struts or cartridges installed on vehicles used for commercial purposes. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

Compare the features, choose your shocks, then see "To order" below

Shock absorber	Color	Piston diameter	Cylinder design	Piston construction	Fluid	Comfort valve	Gas charged	Gas P.S.I.	Warranty
(C) RoadHandler Performance Gas	Silver	13/16-in.	Bulged	Chrome-plated steel	Temperature compensating	Yes	High pressure	150-200	Limited lifetime*
(D) Gabriel Red Ryder Gas	Red	13/16-in.	Slim	Chrome-plated steel	All weather	No	Low pressure	85-115	Limited lifetime*

(F) SteadyRider	Blue	13/16-in.	Slim	Hardened steel	All weather	No	No	N/A	36 mo./36,000mi.**

To order any shock, strut or replacement cartridge sold on these two pages:

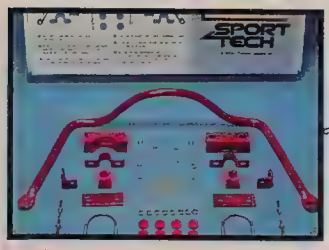
First, note answers to these questions about your vehicle: 1. What is the year, make, model and body style of your vehicle? 2. Does your vehicle currently have heavy-duty suspension? 3. Is it a 2 or 4-wheel drive model?

Then call our toll-free shock absorber Hotline: **1-800-877-2880.** Call 24 hours a day. 7 days a week. Please tell operator you're ordering from the Sears 1993 "R" Spring Big Book.

Suspension kits...top quality, high-performance!

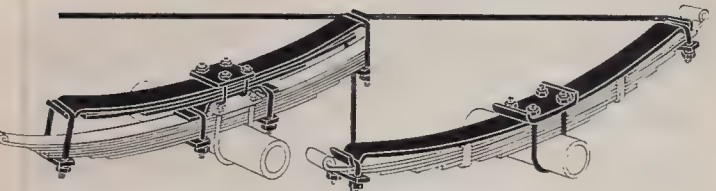
Load Pro

Tough muscle for extra-heavy jobs!



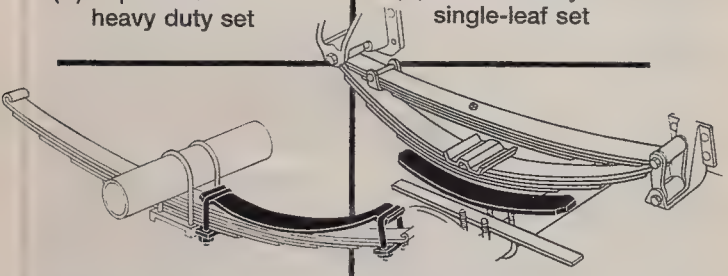
(A) Anti-sway bar kit

(B) Extra-heavy duty multi-leaf set



(C) Triple-leaf heavy duty set

(D) Medium-duty single-leaf set



(E) Single-leaf set

(F) Add-a-leaf kit

A. Anti-sway bar kits provide bolt-on high-performance cornering and handling for your on or off-road vehicle. Each kit is custom-engineered to your specific vehicle model. Specially-formulated polyurethane bushings work together with anti-sway bars to provide the greatest gain in handling performance while maintaining original factory ride quality. Larger diameter chrome-molly steel anti-sway bars for superior performance. 100% bolt-on installation. Available for mini, mid and full-size pickups, vans, sport-utility vehicles and motor homes. See "To Order" below.
Call toll-free 1-800-368-5080 ..... Kits **$89.99** to **$139.99**

B thru F. Helper springs boost your load capacity, increase cornering stability and driver control. Simple, do-it-yourself hand-tool installation. No welding or drilling required! Important: never exceed your manufacturer's gross vehicle weight rating. Please see "To Order" panel below.

B. Extra-heavy duty multi-leaf set is "free-floating" until vehicle is loaded. Fully adjustable, frame-mounted spring contact bracket with polyurethane pad. 2,500-lb. load-carrying capacity.
Call toll-free 1-800-368-5080 ..... Set of 2 **$159.99** to **$189.99**

C. Triple-leaf, heavy duty set features progressive-load springs for 1/2 to 1 ton pickups, vans or motorhomes. Bolts directly to exisiting rear springs. 2,500-lb. load-carrying capacity.
Call toll-free 1-800-368-5080 ..... Set of 2 **$139.99** to **$165.99**

D. Medium-duty single-leaf set. 1,000-lb. capacity. Full-length springs will fit 2-wheel drive, 4-wheel drive, pickups and vans. Fits either front or rear. Install under factory axle U-bolts.
Call toll-free 1-800-368-5080 .....Set of 2 **$47.99** to **$54.99**

E. Single-leaf set. Adds up to 550-lbs. of load-carrying capacity. For all rear leaf-spring vehicles...passenger cars to 1/2-ton trucks.
Call toll-free 1-800-368-5080 .....Set of 2 **$24.99** to **$29.99**

F. Add-a-leaf kits are an easy, effective and economical way to increase vehicle's height and spring rate. Kits will raise most vehicles 1 to 3 inches.
Call toll-free 1-800-368-5080 ..... Set of 2 **$27.99** to **$54.99**

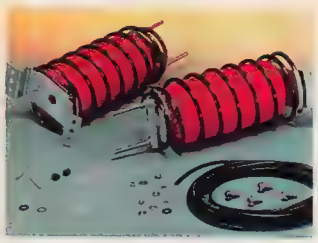
To order LoadPro products (A) thru (F) only:
Call the toll-free Hotline at 1-800-368-5080 Monday thru Friday, 9 AM to 7 PM Central Time. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. When Hotline is not available, leave your name, area code and phone number plus a time you can be reached the next business day.

AIR LIFT

Add-on air springs...the air shock alternative that's guaranteed for life!*

for cars, light trucks, vans and RVs

(G) 1000-lb. capacity air spring kit (coil)



(H) 1000-lb. capacity air spring kit (leaf)

(J) 2500-lb. capacity air spring kit (leaf)

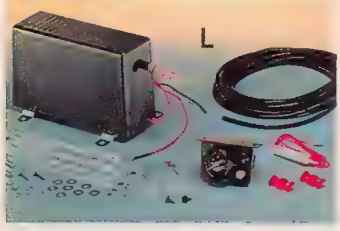
(K) 4000-lb. capacity air spring kit (leaf)

G thru K. Just add air for heavier loads! Air springs help improve ride, handling, safety and stability while extending the life of your shocks, springs and tires. Air springs also help maintain proper ride height and wheel alignment with heavy loads. Do-it-yourself installation. No special tools required. Kits available for coil or leaf springs on cars, vans, trucks, sport-utility vehicles and motorhomes. (Replaces original equipment front air springs on GM Class A motorhomes.) Front end support for plows or winches. Kits include air springs, hose, all air fittings, all hardware, inflation valves, and instruction manual. Limited lifetime warranty protection.* Never exceed manufacturer's gross vehicle weight rating. See chart and "To Order" panel below before ordering. Call toll-free to order...1-800-688-1068.

G. 1000-lb. capacity air spring kit fits coil springs **$59.99**
H. 1000-lb. capacity air spring kit fits leaf springs **89.99**
J. 2500-lb. capacity air spring kit fits leaf springs **139.99**
K. 4000-lb. capacity air spring kit fits leaf springs **239.99**

Type of vehicle	Air spring front kit	Air spring rear kit
Cars, passenger vans and mini-pickups	G	G or H
Full-size pickups, cargo vans and sport-utility vehicles	G or H	G, H, J or K
Motorhomes and 1-ton trucks	G or K	K

*Limited lifetime warranty for as long as the original purchaser owns the vehicle on which the air springs are originally installed. Write for free copy of warranty; see page 1139 for details.

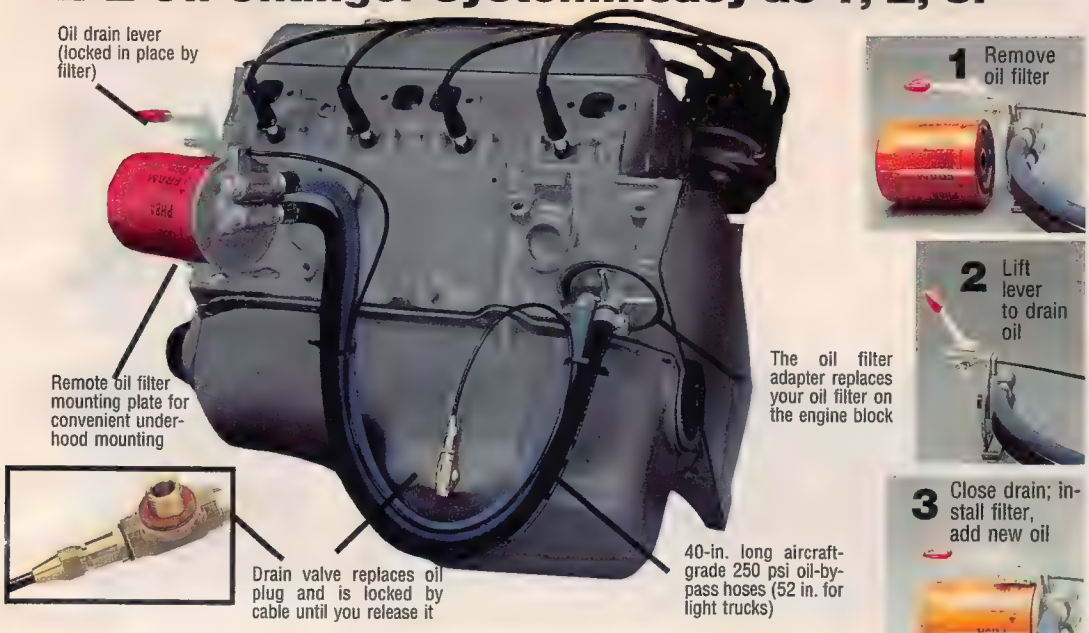


L. On-board air spring compressor system. Now you can inflate your air springs from your dash. Dash-mounted, lighted gauge and inflate/deflate controls. Ready air supply allows you to easily adjust to changing road and load conditions. Limited 1-year manufacturer's warranty. Write for free copy, see page 1139. See "To order" panel below.
Call 1-800-688-1068 ..... **$64.99**

To order Air Lift products (G) thru (L) only:
Note these details about your vehicle: make, year, model; 2 or 4-wheel drive; stock or raised suspension. Call the toll-free Hotline at 1-800-688-1068 Monday thru Friday, 7 AM to 4 PM Central Time. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book.

Do-it-yourself accessories

E-Z Oil Changer System...easy as 1, 2, 3!

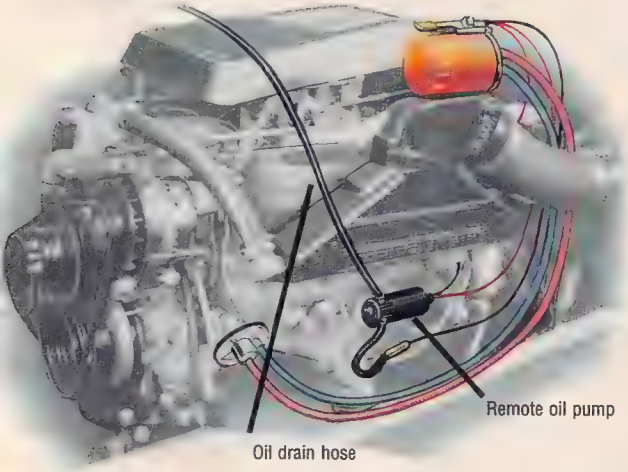


- Complete oil changer system relocates filter and drain lever to a convenient position you choose right under your vehicle's hood
- Saves time and money
- Installs with simple hand tools
- Uses most popular filter sizes
- Change your oil and filter in just 5 to 10 minutes!
- Never crawl under your vehicle again to change oil and filter!

$49.99 to $59.99

The E-Z Oil Changer System is one of the best do-it-yourself options you can add to your vehicle. It improves oil filtration by increasing engine oil capacity by ½ to 1 quart depending on engine, and keeps your oil cooler. After installation, just slide an oil container under your engine, lift your hood, unscrew the filter and flip the lever. After oil drains, install new filter and add proper amount of oil for your engine. Uses most popular filter sizes like Sears, Fram PH8A. Oil drain control is built into the oil filter remote location plate. Custom system designed and available for most domestic and imported cars, vans, pickups and 4x4s. Systems for RVs have 104-inch hose. See "To Order" below.
To order, call 1-800-722-3205 ..... Each **$49.99** to **$59.99**

E-Z Drain kit only. Allows convenient oil draining when your filter is already easily accessible. Includes drain valve, body and remote lever.
Call 1-800-722-3205 ..... Kit **$19.99**



New marine E-Z Oil Changer System

All the features of the auto system above PLUS a U.S. Coast Guard approved 12-volt electric oil pump to drain old oil out of engine compartment into your container

Complete marine system **$129.99**

E-Z Drain Kit and pump **$89.99**

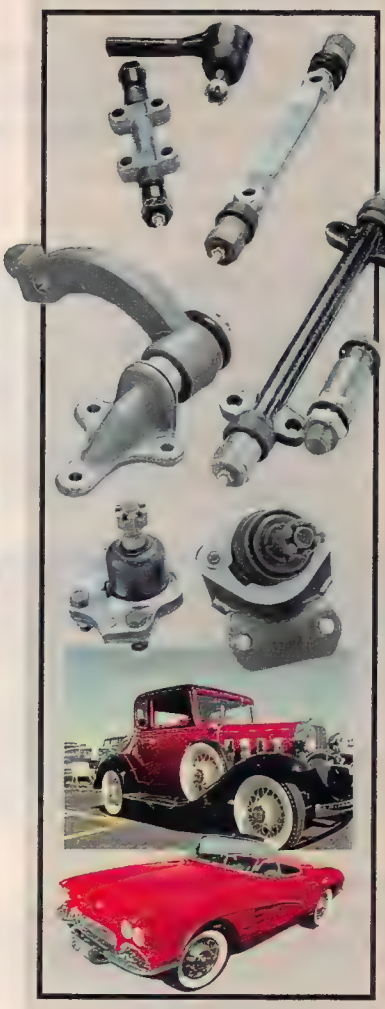
Marine E-Z Oil Changer System for your inboard motor boat. All the features of automotive system plus 12-volt U.S. Coast Guard approved, UL listed, electric pump to completely drain your boat motor of oil and sediment. The oil drain lever activates the electric pump only after filter is removed and while you hold the lever up. See "To order" below.
To order, call 1-800-722-3205 ..... Each **$129.99**

Marine E-Z Drain Kit includes drain valve, remote lever, oil pump motor and electric switch. Allows convenient oil draining when your filter is already accessible. See "To order" below.
Call 1-800-722-3205 ..... Kit **$89.99**

To order E-Z Oil Changers and Drain Kits only:
Call toll-free 1-800-722-3205 Monday through Friday, 8 AM to 6 PM Central Time. Please tell the operator you're ordering from the Sears 1993 "R" Spring Big Book.

Rare Parts

Restore your antique or classic vehicle's suspension and front end



Need suspension parts for your antique or classic vehicle? Call Sears Catalog!

We've got hard-to-find replacement parts to fit domestic or foreign cars and trucks from 1930 to the present...available in Catalog only! Take a look:

Rack and pinion	Tie rod ends
Idler arms	King pins
Pitman arms	Coil springs
Center links	Spring shackles
Drag links	Stabilizer linkage
Ball Joints	Strut bushings

Don't miss our vintage vehicle parts: tires on page 905, batteries on page 896 and interior restoration parts on page 881!

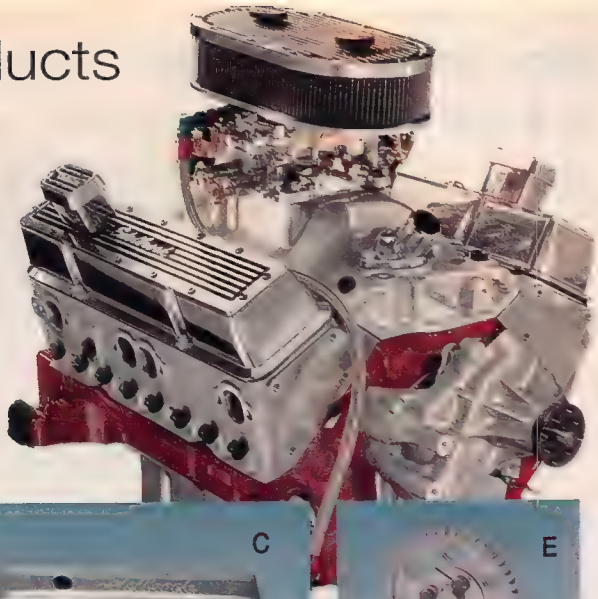
To order rare suspension parts sold on this page only: Call 1-800-325-1128 Monday thru Friday, 10 AM to 6 PM Central Time. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book.

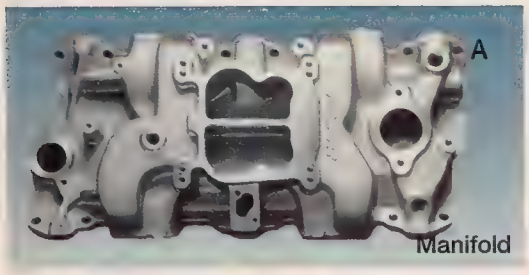
Edelbrock performance products

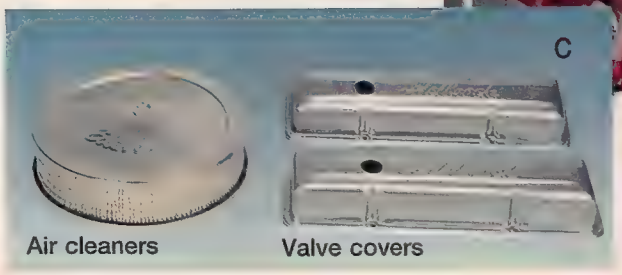
The Total Power Package®

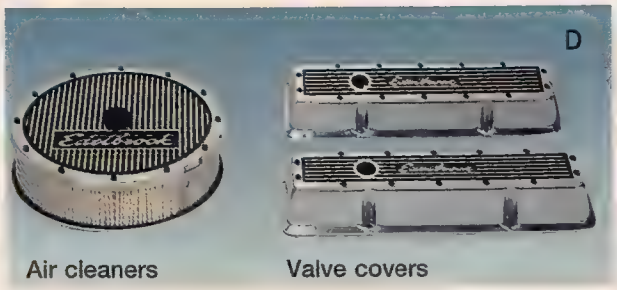
Sears offers the complete Edelbrock line with expert technical service available on our toll-free Hotline.
Call 1-800-322-7701 for:

- **Maintenance parts and installation kits**
- **Performer RPM and Torker II manifolds**
- **Performer series carburetors**
- **Performer cam kits**
- **Cam gear drive**
- **Water pumps**









Edelbrock products

Since 1938, the Edelbrock Corporation has been the recognized leader in design and development of automotive performance products. Sears Catalog carries the complete line of performance manifolds, carburetors, camshafts, valve train parts and other engine accessories. To order any of these Edelbrock products, see the toll-free Hotline information below.

Edelbrock intake manifolds

A. Performer manifolds. You'll experience increased power and torque from off-idle to 5,500 RPM. The improved throttle response, better fuel economy potential and overall driveability make this manifold the perfect choice for passenger cars, light trucks and even tow vehicles. Available for most domestic engines. Match it with the Performer Plus camshaft for even greater performance.
To order call 1-800-322-7701 ..... Low as **$129.99**

Performer rpm manifolds (not shown). High-rise design increases power and torque from 1,500 to 6,500 RPM...the widest power band of any manifold! It's perfect for your high-horsepower street machines. And you can match it with the Performer RPM camshaft for still more performance.
To order call 1-800-322-7701 ..... Low as **$144.99**

Torker II manifolds (not shown). "Open plenum" design increases volume for power from 2,500 to 6,500 RPM. Choose this manifold when you're after top-end power but low-end torque is not a factor. Ideal for street/strip race-type vehicles. Add the Torker-Plus camshaft for additional power.
To order call 1-800-322-7701 ..... Low as **$124.99**

Performer series 4-barrel carburetors

B. All-aluminum construction using no plastic parts. And you won't have to worry about leaking...there are no gaskets below the fuel line. No power valves to blow-out or rupture, either. Quick-change metering rods allow for easy calibration without disassembly. Two-piece construction prevents warping. These 4-barrel carburetors are calibrated for maximum performance with Edelbrock manifolds described above. Available in 500, 600 and 750 cfm. EGR and marine versions also available.
To order call 1-800-322-7701 ..... **$249.99 to $349.99**

Air cleaners, valve covers and breathers

C. Signature series. These triple-chrome plated accessories add a distinctive, show-car look to your engine compartment. They're compatible with your emissions equipment and are available to fit most domestic engines. Please see panel below before ordering. To place your order, call toll-free 1-800-322-7701.

D. Elite series. Dramatic "Die-Cast Aluminum", custom engine dress-up accessories! These 1-piece heavy-gauge castings have a unique 2-piece look. Available with "Edelbrock" script or in new "no name" style. Please see panel below before ordering. To order, call toll-free 1-800-322-7701.

Accu-drive gear drive

E. Now you can experience precision cam timing with a distinctive gear drive sound. Accu-drive provides accurate timing because there's no chain to stretch. Installs easily under front timing cover. See "To Order" below.
Call 1-800-322-7701 ..... **$204.99 to $249.99**

Victory series water pump

F. Edelbrock pumps for S/B Chevy engines provide maximum flow, maximum pressure and even distribution of water. Engine tests show Edelbrock pumps flow 11.8 gallons per minute more than the leading pump. Short style pumps have billet hubs and a unique O-ring design for a far superior seal.
Call 1-800-322-7701 ..... **$149.99 to $169.99**

To order Edelbrock products on this page

1. Note these details about your vehicle:
   a. Vehicle year, make and model.
   b. Engine type and size (in cubic inches).
   c. Standard or automatic transmission.
   d. With or without EGR (Exhaust Gas Recirculation).
   e. Type of carburetor you'll be using.
2. Call the toll-free Edelbrock Hotline: 1-800-322-7701 Monday thru Friday from 10:00 AM to 7:00 PM Central Time. Tell the Hotline operator you're ordering Edelbrock performance products from the Sears 1993 "R" Spring Big Book. Furnish all the information requested above. The operator will answer any questions you have, give you a total price including shipping, then place your order.

The last muffler you'll ever have to buy!*

Sears Muzzler® and Import Muzzler Se® are warranted as long as you own your car

A

Save 10%

on exhaust and tail pipes when you also buy a Muzzler or Import Muzzler SE†

B

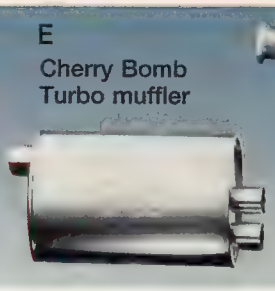
Sears has exhaust systems and parts to fit more than 90% of all the vehicles on the road today

C

Turbo II muffler

D Cherry Bomb muffler

E Cherry Bomb Turbo muffler



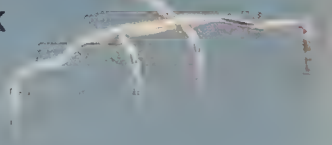
Maremont catalytic converter F

G Catalytic converter

Smog pump H

Exhaust gas oxygen sensors J

A.I.R. (Air injection reaction manifold) K



A. Sears Muzzler® with aluminized outer wrap, end tubes and flange to help stop rust. Unique sound dissipating baffles for more quiet operation. Available to fit more than 90% of all import and domestic vehicles on the road today. See panel below before ordering. Call 1-800-877-2880 to order.
Domestic cars, light trucks ..... Low as **$19.99**

B. Import Muzzler SE®. Specially designed to fit most import cars and light trucks... Honda, VW, Mazda, Toyota, Nissan and more. Constructed with all the quality features of the Muzzler above. Please see panel below before ordering.
Call 1-800-877-2880 to order.
Import cars, light trucks ..... Low as **$29.99**

C. Turbo II muffler reduces back pressure, helping improve power and fuel economy. Alloy-coated construction for longer life. End flanges. 13x10x5 inches. See panel before ordering.
Call 1-800-877-2880 ..... Each **$12.49**

*Limited lifetime warranty: for as long as you own the vehicle on which muffler is installed. Write for free copy of complete warranty, see page 1139.

D. Cherry Bomb muffler. Get the look and sound of high performance! Long a symbol of top performance, the Cherry Bomb glass-pack muffler reduces back pressure while producing a distinctive mellow tone. Bright red finish on steel. See panel below before ordering.
Call 1-800-877-2880 ..... Each **$15.99**

E. Cherry Bomb turbo. Performance with the sound of power. Unique "free-flow cushion-baffle" design reduces back pressure, improves acceleration and fuel economy. 100% aluminized inside and out for a long, trouble-free life. Limited lifetime warranty by manufacturer.** See panel below before ordering.
Call 1-800-877-2880 ..... Each **$23.99**

F. Catalytic converters meet EPA emission requirements. Fit most Ford, GM and Chrysler vehicles plus imports, mini-vans and light trucks. 2-year/25,000 mile substrate warranty; 5-year/50,000 mile warranty** on converter body. Universal or direct fit available. See panel below before ordering.
Call 1-800-877-2880 ..... Low as **$89.99**

**Warranted by Sears or manufacturer; write for free copy, see page 1139.

†Sears offers a complete line of tailpipes, exhaust pipes, gaskets, clamps, hangers/adapters and flanges. Call 1-800-877-2880 for technical assistance and all the parts necesary to fix or replace your exhaust system.

To order mufflers, exhaust parts and catalytic converters (items A thru F):

1. Note these details about your vehicle: (a) Year, make, model and body style, (b) Number of engine cylinders (3, 4, 6 or 8), (c) Engine size (displacement in cubic in. or liters/cubic centimeters; for example, 283 cubic inches or 1.2 liters/1200cc).

2. Call the Exhaust Parts Hotline at 1-800-877-2880 seven days a week, 24 hours a day. Tell the Hotline operator you're ordering from the Sears 1993 "R" Spring Big Book. Furnish the information requested above. The operator will answer any questions, give a total price (including shipping) and place your order.

Catalytic converters and emissions control parts

G. Catalytic converters. Affordable, do-it-yourself bolt-on converter will bring your vehicle back to EPA and CARB emissions standards (with properly maintained engine). Available to fit most import or domestic cars, light trucks, vans and 4x4s. 5-year/50,000-mile warranty on container and 2-year/25,000-mile warranty on the substrate.** Please see panel directly below before ordering.
1-800-342-8938 ..... From **$89.99** to **$199.99**
(Vehicles with dual exhaust, trucks, Subaru and some imports may be higher.)

H. Smog pumps provide low-pressure air to your catalytic converter, maximizing its performance. See ordering information directly below.
1-800-342-8938 ..... **$64.95**

J. Oxygen sensors monitor exhaust gas. See panel directly below before ordering.
1-800-342-8938 ..... Low as **$31.99**

K. A.I.R. Air Injection Reaction manifold. See panel directly below before ordering.
1-800-342-8938 ..... From **$33.99** to **$49.99**

To order emissions control parts and catalytic converterS (G thru K):

1. Note these details about your vehicle:
   a. Year, make and model.
   b. Engine size (e.g., 350 cu. in. or 1.2 liters/1200 cc) and the number of cylinders.
   c. Front only, rear only, or front and rear converters?
   d. Does your vehicle catalytic converter have air tube or thermal sensor, and was it delivered in California?

2. Call the Parts Hotline at 1-800-342-8938. Call Monday thru Friday 8:30 AM to 4:30 PM CST. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. Furnish the information requested above. The operator will answer your questions, give you a total price (including shipping) and place your order. During Hotline's off-hours, leave your name, phone number and a time you can be reached during Hotline hours.

Hedman Hedders®

- Lifetime warranty*
- Custom-fit to each specific vehicle
- Improves engine power and performance
- HTC Hedders will not rust

HTC Hedders
Low as $289.99

Regular Hedders
Low as $99.99

HEDMAN HEDDERS®

What are the benefits of a Hedder?

The main benefits of using hedders are increased power and performance plus lowered engine temperatures. The best thing about Hedders is that they are versatile. You can drive with economy in mind and still have the extra power and performance "on tap" whenever you need it for heavy towing, passing, hill climbing, etc.

Why is Hedman the right Hedder?

Hedman offers over 350 applications. Every hedder is test-installed at the factory to ensure perfect fit on each vehicle. Hedman has over 35 years of experience and is the largest header manufacturer in the United States.

HTC Hedders last longer and run cooler than standard headers! HTC means High-Tech Coating. This revolutionary finish is guaranteed to protect your Hedders from external rust-through for its lifetime. Lustrous show-quality finish. An exclusive alloy of metallic-ceramic composition, HTC is bonded to the hedder with a strength factor exceeding 10,000 PSI. Galvanized and resistant to abrasion, chipping, chemical corrosion; will not blue or fade; oil and grease stains easily removed with polish or fine steel wool. Hedman Hedders insulate the extreme heat carried within the primary tubes from the engine compartment, keeping efficiency high and preventing thermal fatigue.

To order Hedman Hedders from this page, call 1-800-854-1992.
Call from 10 AM to 7 PM CST. Please have ready the year, make, model and engine size of your vehicle. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. The operator will answer questions you may have, give you a total price (incl. shipping) and place your order for you.

EPA NOTE: Some items are not legal for sale or use on pollution-controlled vehicles. Ask your operator for details.

*Limited lifetime warranty: for as long as you own the vehicle on which the header is installed. Write for a free copy; see page 1139.

Provides extra power for off-road climbing

Gives maximum engine performance in your "muscle car"

Provides your pick-up or tow vehicle with more power and torque

Ready-Rad® radiators and Ready-Aire® heater cores

are engineered and built to meet or exceed original equipment specifications

Ready-Rad® radiators
Low as $109.99

Ready-Aire® heater cores
Low as $29.99

- Available to fit over 90% of cars, light trucks, vans and 4x4's, import or domestic, from 1960 thru 1992
- Copper brass construction for most models
- Simplified installation . . . requires no special tools
- Heavy-duty radiators available for most vehicles

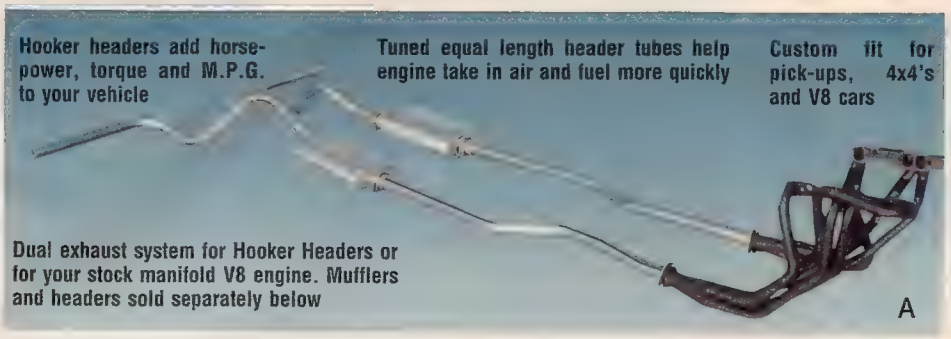
RADIATOR PRICE EXAMPLES:

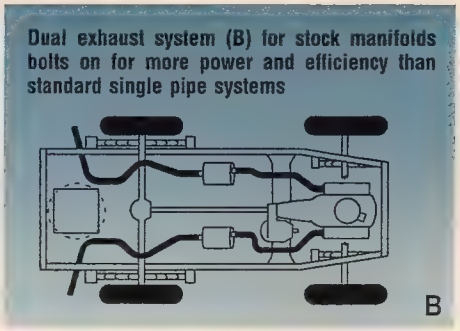
64-68 Mustang V8	$159.99
82-86 Nissan Sentra	163.81

To order radiators and heater cores on this page only:

1. Write down these details about your vehicle:
   a. Vehicle's year, make, model, b. Engine size, c. VIN (vehicle identification number) d. Does vehicle have A/C, or is it used as a tow vehicle?
2. Call 1-800-545-8535. Call Monday thru Friday, 8 AM to 5 PM CST. Tell the technician you are ordering from the Sears 1993 "R" Spring Big Book. S/he will answer questions and place your order for you.

Hooker Headers and exhaust systems





Hooker exhaust systems are custom-engineered to your vehicle for increased performance and power

A. Dual exhaust kits for Hooker Competition Headers. Custom-designed to fit specific applications in cars, trucks and vans. 16-gauge steel tubing is mandrel bent to maintain the inside diameter for maximum flow. Helps eliminate back pressure found on most stock systems. 2.25-in. outside diameter tubing. Most kits exit behind rear wheel, unless otherwise noted when ordering. Kits include hangers, required reducers, pipes and clamps. Use with Hooker Headers sold below for highest performance. Mufflers are sold separately below, too. See panel below to order.
Call toll-free 1-800-634-3791 ..... Kit, low as **$99.99**

Dual exhaust extension kits (not shown). Use on vans and trucks with long wheelbases (exceeding 132-in.). Kits include 2 pipes, 2.25-in. outside diameter, each 35-in. long. See Exhaust Note. Call 1-800-634-3791 to order.
F 28 R 16780—Wt. 6 lbs **$26.99**

B. Stock manifold dual conversion kits provide definite performance improvement over stock single-pipe setups. Kit reduces back-pressure which increases power and fuel mileage. We offer kits for most late-model V-8 cars, trucks and vans. They bolt right up to existing exhaust manifolds and we include the tailpipes, hangers plus all necessary hardware and instructions! 2.25-in. Outside diameter 16-gauge steel tubing. Not for vehicles with auxiliary gas tanks (unless they were factory installed). For best performance, order Hooker mufflers sold separately below. See panel at bottom of before you order.
Call toll-free 1-800-634-3791 ..... Kit **$111.99**

EXHAUST NOTE: Parts and systems sold on this page (excluding mufflers) may not be legal for sale in California for use on 1975 or later models...check state and local laws before ordering.

Hooker Competition and Super Competition Headers

Metallic ceramic thermal barrier coating will significantly reduce your under-hood temperature while providing the toughest, most corrosion-resistant finish ever offered by Hooker (withstood 2000 hours in 5% salt spray). And you can order all Hooker Competition or Super Competition headers with this exclusive new coating process already applied. Price varies due to custom application. Call for details.

C and D. Hooker Headers add horsepower, torque and even better fuel economy to your vehicle. The tuned equal-length tubes take in air and fuel more quickly while reducing exhaust back-pressure. They're custom-fit and available for pickups, 4x4s plus many V-8 engine cars. See panel at bottom of page before ordering. See Exhaust Note above right.

C. Competition headers. Race-proven performance in our most affordable header set. 16-gauge mandrel-bent tubing. Custom-engineered for each application. Simple, bolt-on installation for most cars, trucks or vans with V-8 engines (some 6-cyl., too). Premium ceramic coating also available, call Hotline for details. Headers bought without dual-exhaust kits sold above require reducer kit sold separately.
Call toll-free 1-800-634-3791 ..... Low as **$117.99**

D. Super Competition Headers. Overwhelming choice of pro and weekend racers. Individually tuned and balanced for optimum flow-through characteristics. Lightweight steel-alloy tubing. Baked-on heat-resistant paint. Premium ceramic coating available. Reducer kits required, sold separately.
Call toll-free 1-800-634-3791 ..... Low as **$124.99**

E. Super-Competition Street rod/Universal Headers. The perfect solution for custom cars, street rods or trucks where a specific-fit tuned header isn't available. Great for tight-fit installations where the frame rails are close to the engine (such as Chevy small-block straight plug). Your stock motor mounts can be used. Collector exits parallel to oil pan rail giving you maximum ground clearance. These Street Rod/Universal headers include gaskets, header bolts and collector reducers. Please see panel below before ordering. See Exhaust Note above. Call toll-free to order...1-800-634-3791.

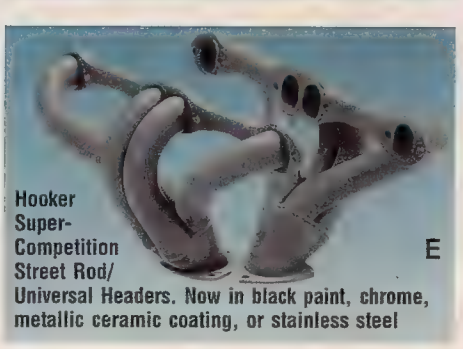
Engine type, size	Black finish	Price	Chrome finish	Price	Wt., lbs.
CHEVY small block, 285-400	F 28 R 16882	$116.99	F 28 R 16802	$224.99	14
large block, 396-454	F 28 R 16800	139.99	F 28 R 16801	269.99	18
FORD small block, 260-302	F 28 R 16803	127.99	F 28 R 16804	245.99	14

Metallic-ceramic coated street rod/universal headers (not shown). Call toll-free to order...1-800-634-3791.

CHEVY small block, 285-400 cu.in.
F 28 R 92280—Wt. 14 lbs **$227.99**

CHEVY large block, 396-454 cu.in..
F 28 R 92281—Wt. 18 lbs **$274.99**

FORD small block, 260-302 cu.in..
F 28 R 92282—Wt. 14 lbs **$249.99**



Hooker mufflers help your engine make powerful music!

F. Competition Turbo Muffler. An economical, yet high-performance muffler with double-wrapped galvanized steel exterior and reverse-flow design. Low back-pressure baffle network. Gives throaty sound on acceleration, but quiet during idle and highway cruising. 14x10½x5-in. high. Oval end profile. Please see Exhaust Note above right.
F 28 R 16790—2-in. inside diameter ..... Wt. 10 lbs.
F 28 R 16791—2¼-in. inside diam. ..... Wt. 10 lbs.
F 28 R 16792—2½-in. inside diam. ..... Wt. 9 lbs.
Call toll-free 1-800-634-3791 ..... Each **$22.99**

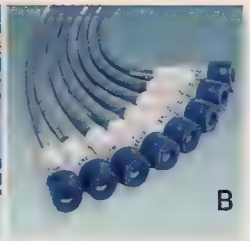
NOTE: All items with an "F" prefix, allow 10 days for delivery.

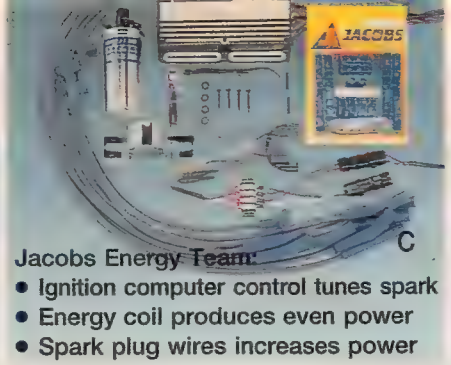
G. Super competition turbo muffler. The highest performance muffler you can buy! Features the lowest measured back-pressure of any "turbo" muffler on the market, giving you more engine power. Aluminized, double-wrapped steel body. Internal drainage system. Bidirectional flow. Oval end profile. 18½x9¾x4½-in. high. See Exhaust Note above.
F 28 R 16880—2-in. inside diameter ..... Wt. 10 lbs.
F 28 R 16881—2¼-in. inside diameter ..... Wt. 10 lbs.
F 28 R 16864—2½-in. inside diameter ..... Wt. 10 lbs.
Call toll-free 1-800-634-3791 ..... Each **$29.99**

To order Hooker exhaust products (A thru G) only:
1. Note these details about your vehicle: year, make, model and engine size. (the operator may ask for other additional information as well).
2. Call the toll-free Hooker exhaust Hotline: 1-800-634-3791
Hotline is available from 10:00 AM to 7:00 PM Central Time. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. The operator will answer any questions you may have and place your order.

Jacobs ignition products

Increase power, fuel economy and engine life with ignition products that are street legal in all 50 states including California





Jacobs Energy Team:
- Ignition computer control tunes spark
- Energy coil produces even power
- Spark plug wires increases power

A. Jacobs spark plug wires conducts 280% more electricity with a stainless steel spiral-wrapped core than O.E. fiber wires. More electricity means more power for pulling heavy loads, 10% increase in gas mileage and longer engine life. 100% silicone insulation and boots eliminates energy leakage. Teflon coating is gas, oil and solvent proof. Lifetime replacement warranty* means you'll never spend time or money on new spark plug wires again. Custom fit for your vehicle.
From ..... **$36.99 to $127.99**

B. Jacobs spark plug wires with ceramic boots provide all the advantages of the wires above with one distinct benefit—the ceramic boots can withstand heat up to 2000° F. Ideal for motorhomes, RV's, trucks and other applications where excessive heat causes burn through. Save time and money with the lifetime free replacement warranty*.
Low as **$99.99**

C. Jacobs Energy Team is a computerized ignition system kit that increases mileage by 10%, horsepower by 10% and engine life. The ignition computer control energy pak custom tunes the strength, duration and timing of the spark in each individual cylinder to compensate for driving conditions, spark plug wear and fuel quality. Improves O.E. computer system or provides computer control for non-computerized ignitions. Built-in anti-theft system. Energy coil produces an even 24,000+ v. from 1,000 rpm up to 13,000 rpm. Includes Jacobs metal-wrapped spark plug wires.
Energy Team ..... low as **$284.99**
Energy Pak timer alone ..... low as **219.99**

D. Opto-Timer allows you to adjust ignition timing from your dash while you drive. Adjust timing as engine load, temperature and fuel quality varies for greater power to pass and increased fuel economy. Retard the timing to stop engine-destroying knocks and pings or advance the timing for greater power. Includes shift indicator light and adjustable rev limiter so you can never accidently over-rev your engine.
Price **$170.99**

* Manufacturer replacement warranty for as long as original purchaser owns vehicle. Write for a free copy, see page 1139.

To order Jacobs products (A thru D) or other components in the entire line of Jacobs ignition products
Call toll-free, 1-800-578-5567 Monday thru Friday 8 AM to 10 PM; Saturday and Sunday 9 AM to 6 PM Central Time. Tell the operator you are ordering from the Sears 1993 "R" Spring Big Book. A trained ignition technician will answer any questions about Jacobs products, give your a total price and place your order.

New alternators and starters. . . we specialize in late models and hard to find applications

- 24 month/ 24,000 mile limited warranty on new units
- Remanufactured starters and alternators for imports
- No trade-in required at very competitive prices
- 100% new starters and alternators for domestic vehicles

High-performance starters and alternators upgrades from 63 amp to 120 amp are available for most vehicles. Chrome starters and alternators available.

Price examples for new alternators

E. 94 AMP for '83 to '87 GM passenger car with built-in regulator **$84.99**
F. 75 AMP for '86 to '89 Ford passenger car with built-in regulator **$89.99**
G. 65 AMP for '72 to '87 Chrysler passenger car and truck; squareback **$65.99**

Starter price examples for new starters for domestic vehicles:

H. GM for '62-'90 various engines for passenger cars and light trucks. **$85.99**
J. Ford for '62-'81 most 6-cyl. and v8 except 400 and over **$69.99**
K. Chrysler for '65-'87 6 and 8-cyl thru 318 engines **$84.99**

To order see boxed right panel.

To order alternators or starters (E thru K) on this page only:
Call 1-800-245-2307 Monday thru Friday, 8 AM to 5 PM Central Standard Time. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. The operator will answer your questions, give you a total price including shipping, and place your order.

To write for free copy of warranty, see p. 1139.

Constant velocity and front wheel drive

To order Constant Velocity products (K thru L):
Note these details: (a) Vehicle's year, make, model; (b) Number of cylinders (4, 6 or 8). Turbo charged; (c) Engine size (350 cu. in. or 1.5 liter); (d) automatic or standard transmission; (e) 4x4, ABS brakes, heavy duty brakes; (f) Passenger or driver's side, inner or outer.

Call the Sears CV Express Hotline: 1-800-533-7211
Call Monday thru Friday, 8 AM to 5 PM Central Time. Furnish all the information requested. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book.

L and M. Sears takes the mystery out of finding front wheel drive products. CV Express and Sears offer more Constant Velocity products for more models than any other source worldwide! Make your installation easy with a complete line of service tools, service manuals, and installation video tapes.
To order, call 1-800-533-7211.

L. Complete shaft assembly. Each new axle comes with inner and outer CV joints and completely assembled axle shaft. Installation instructions.

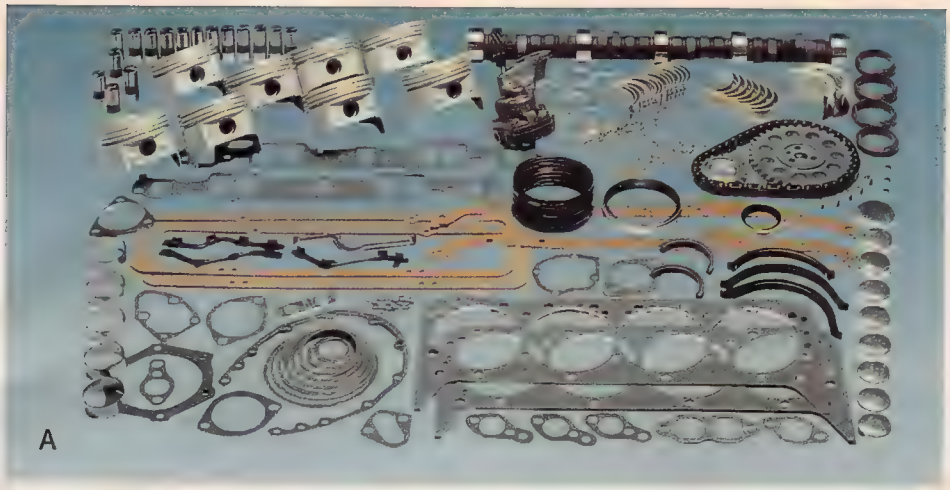
PRICE EXAMPLES:

Passenger side
80 to 83 Chevy Citation with automatic transmission **$209.99**
84 to 85 Ford Escort with auto. trans **219.99**

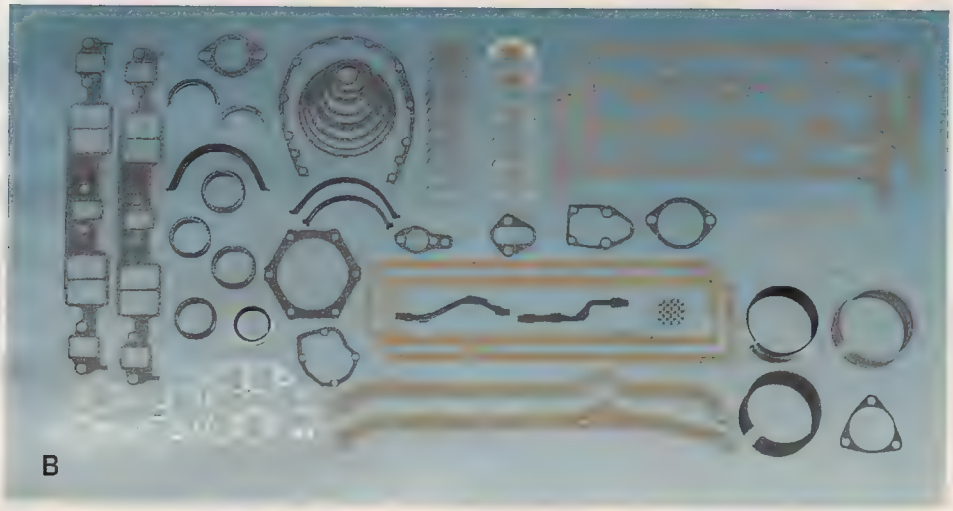
M. Inner and outer CV joint kits. Comes complete with new CV joint, new boot, grease pack, clamps, hardware and installation instructions.

PRICE EXAMPLES:
80 to 84 GM X-body cars **$59.99**
79 to 84 GM E-body cars **99.99**

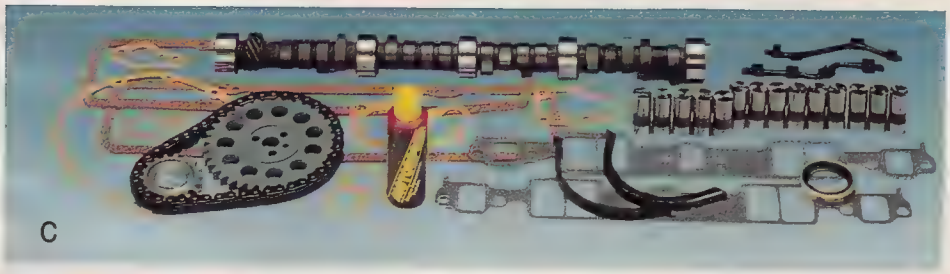
Engine rebuilding parts



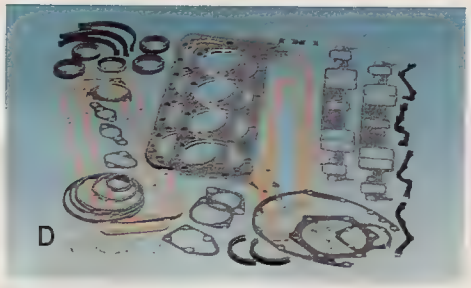
A



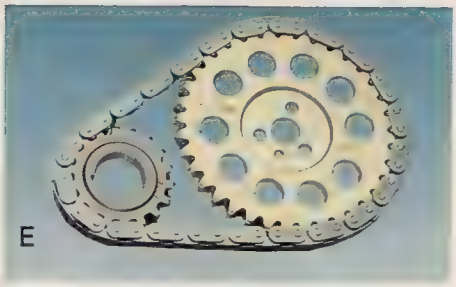
B



C



D



E

- **Do it yourself and save!**
- **Complete engine rebuilding kits and parts For most '63 to '90 domestic cars, trucks and vans**
- **4-cylinder, 6-cylinder, V-6, and 8-cylinder engines**
- **100% all new parts meet or exceed original equipment specifications**

Complete engine rebuilding kits that meet your needs

A. All the parts you need for a professional rebuilding job. Has standard or oversize pin-fitted pistons, matched piston rings, main, rod and camshaft bearings, timing gear(s), chain or belt as required, camshaft, valve lifters, full overhaul gasket set, oil pump, and freeze plug set. See "To order" below.

Complete kits ..... From **$319.99** to **$399.99**

Kits without camshaft, camshaft bearings or lifters ..... From **$259.99** to **$319.99**

Kits also available without pistons

High-performance overhaul kits (not shown)

Kits without pistons include premium quality high-performance camshaft, anti-pump up valve lifters, heavy duty main, rod and camshaft bearings, high-volume racing oil pump, high-performance full overhaul gasket set, heavy duty timing set, freeze plug set. Call for details on selection of camshaft with lift and duration to fit your performance needs. Pistons sold separately. See "To Order" below.

Kits priced ..... From **$239.99** to **$339.99**

Custom re-ring kits

B. Complete re-ring kits for 4, 6, and 8-cylinder engines. Kits feature complete overhaul gasket kits plus standard or oversized piston rings, standard or undersized main and rod bearings with cast iron or high performance molly rings. See "To order" below.

Complete kits.

Cast iron piston rings .... From **$89.99** to **$169.99**

Molly piston rings ..... From **$119.99** to **$239.99**

Camshaft and valve lifter master overhaul kits

C. One handy package with all the parts to replace your camshaft. Includes new OEM specification camshaft, hydraulic lifters, 4-oz. pre-lube, new 3-pc. timing chain and gear set, all necessary gaskets to complete installation. See "To order" below.

Kits priced from ..... **$139.99** to **$169.99**

High performance kits with anti-pump lifter available. Call for information on valve lift and duration.

To order rebuilding parts (A thru E)

1. Note these details about your vehicle:
   a. Vehicle's year, make and model
   b. Number of cylinders (4, 6, or 8). Turbo charged?
   c. Engine size (e.g., 350 cu. in. or 1.5 liter)
2. Call 1-800-526-0652.

Call Monday thru Friday, 8 AM to 5 PM Central Time. Furnish ALL the information above. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. The operator will answer your questions, give you a total price including shipping, and place your order.

Overhaul gasket sets

D. Make that difficult job easy with full gasket sets. Gaskets included in set: head gasket, oil pan, intake manifold, valve cover, timing chain, water outlet, fuel pump, oil pump, valve stem, rear main seals. The number of gaskets and variety will vary with application.

Complete kits low as **$21.99**

See "To Order" at right.

3-piece timing chain, gear sets

E. Restore ignition and valve timing to factory specifications. Includes new timing chain, new gears, and all gaskets needed. Three styles available. Sets include gear(s), chain or belt as required.
Priced from $19.99 to $74.99.

Price examples for most 55-86 Chevy passenger car small block engines:

Standard set **$19.99**
Double roller chain **29.99**
True roller chain **49.99**

Remanufactured engines

A quality remanufactured engine can breathe new life into your tired old vehicle, saving you thousands of dollars over the cost of a new car!

Quality engineering

Replacing your engine can add years of life to your car. And you can do it for less with a remanufactured engine from Sears. Each is precision-built by expert craftsmen using the finest new and retooled parts to achieve a quality that rivals the original equipment for engineering, performance, and reliability.

Hot-run testing

All Sears Best engines, as well as our Volkswagen engines, are "hot run" for a minimum of 30 minutes to check oil pressure, compression, power, noise, oil leaks, coolant flow, balance, and overall condition. Hot run testing is the ultimate test because it is done under true operating conditions.

Warranties...

Sears engines are covered by limited warranties by the manufacturer for most non-commercial passenger car and light truck applications:

Sears Best domestic engines: 5 year/50,000 mile limited warranty. Boat engines 12 months with no hour limit.

Boat engines: 12 month with no time limit.

Sears premium long blocks come with a (exc. diesel and HT4100 Cadillac): 3-year/36,000 mile limited warranty.

Sears import engines (exc. diesel, rotary, and all VW): 3-year/36,000-mile limited warranty.

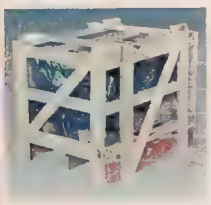
Diesel, rotary, and all VW engines: 12-month/12,000-mile limited warranty.

No repair expense or inspection of engine expense will be covered by manufacturer or Sears without instruction from factory prior to repair. Repair or instructions can only be obtained by calling 1-800-421-3746.

Warranty labor claims: approved warranty claims for Sears engines are paid at 100% of Chilton Flat Rate Manual (not to exceed $36 per flat rate hour) for Sears Best domestic engines and premium long blocks; 100% of Mitchell Flat Rate Manual (not to exceed $36 per flat rate hour) for Sears import engines.

To write for a free copy of the warranty, see p. 1139.

Fast, expert delivery. . . no trade-in necessary



Your engine is shipped in a special crate packaged to protect it from damage and contamination in transit. Engines are sent directly from the factory to local docking facility you designate at a flat rate of $80 for domestic engines, $70 for import engines (see shipping information next page before ordering).

It's easy to order...

Just call our remanufactured engine Hot Line...1-800-829-7762. An expert technician will take your call and place the order for you...see facing page for complete details before ordering.

Engines for Japanese imports

$873 to $3,483

No trade-in required...fast delivery

A. Sears Japanese engines require no core charge or exchanges—sold outright! Complete with oil pans, timing components, rocker cover and all gaskets and seals required for a professional installation.* See "How to Order," on facing page, warranty note at left.

*Some vehicles may require use of old oil pan or valve cover

CALL 1-800-829-7762

Engines for Volkswagens

$780 to $2,085

No trade-in required...fast delivery

B. Air-cooled and water-cooled engines for Volkswagens are sold outright; no core charge, no exchange necessary. Your best choice whether you're recycling a classic Beetle or renewing a newer, water-cooled VW. See "How to Order," facing page; warranty note, left.

CALL 1-800-829-7762

Japanese and VW engines both feature:

All new components:

- Pistons
- Piston rings
- Wrist pins
- Main bearings
- Connecting rod bearings
- Camshaft bearings (where applicable)
- Engine gaskets
- Oil seals

Remanufactured or replaced as required:

- Oil pump assembly
- Crankshaft
- Camshaft

Precision machined components:

- Cylinder head surfaces
- Engine block sealing surface
- Connecting rods
- Rocker arm assemblies

A

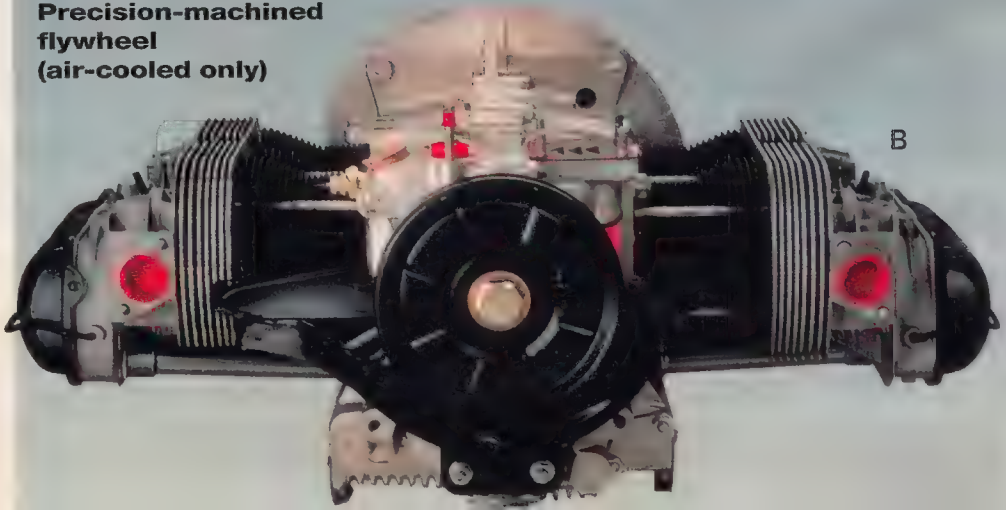
VW engines also include:

Hot run testing

All new components:

- Valve guides
- Exhaust valves
- Oil pump

Precision-machined flywheel (air-cooled only)



B

Sears Best

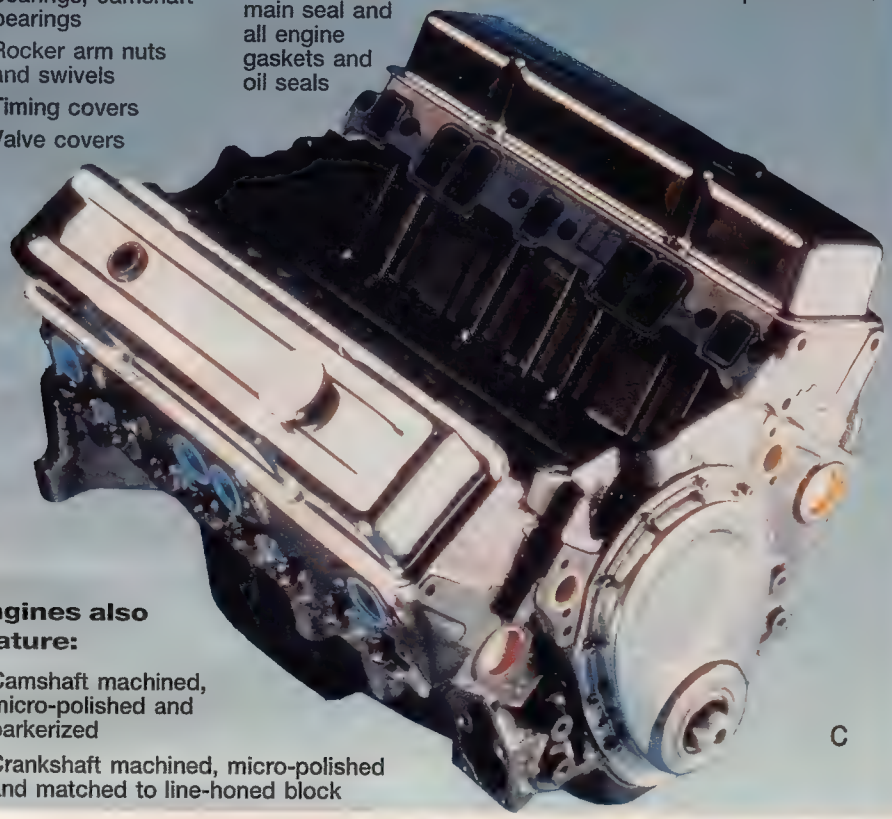
Remanufactured engines for domestic cars, light trucks and boats feature:

All new components:

- Piston assemblies with rings, wrist pins
- Intake and exhaust valves
- Connecting rod bearings, main bearings, camshaft bearings
- Rocker arm nuts and swivels
- Timing covers
- Valve covers
- Timing chain, camshaft gear, crankshaft gear, oil pump gears Harmonic balancer repair sleeve
- Heavy-duty rear main seal and all engine gaskets and oil seals

Precision-machined components:

- Rocker arm assemblies and connecting rods
- Valve guides, valve seat area (3-angle valve job)
- Cylinder head and engine block mating surfaces
- Cylinder walls bored and power-honed



C

Engines also feature:

- Camshaft machined, micro-polished and parkerized
- Crankshaft machined, micro-polished and matched to line-honed block

Sears Best remanufactured engines with 5-year/50,000 mile warranty

$1,344 to $1,663

No trade-in required...fast delivery!

C. Sears Best engine is hot-run tested under true operating conditions for a minimum of 30 minutes! Our finest remanufactured engines can give you performance backed by an exceptional warranty. Each engine includes the components listed at left, plus chrome rocker covers, front timing cover (Chevy V8 applications only), oil pan♦, oil pick-up, oil filter and adapter, and all gaskets required for professional-quality installation. Available only for Chevy 305, 350 C.I.D., Ford 302, 351W C.I.D., GM 231 (3.8 liter) C.I.D. and Chrysler 318, 360 C.I.D.See "How to Order" and Installation Note below.

CALL 1-800-829-7762

♦Except Ford 351W applications

*Boat warranty 12 months only.

Sears premium long block assemblies with 3-year/36,000 mile warranty

$1,108 to $3,499

No trade-in required...fast delivery!

D. Sears premium long block assemblies are built to last, yet are an economical alternative. Shipped as a long block, you re-use original engine valve covers, timing cover and oil pan, so you save money. Each engine is production remanufactured, hand-assembled and fully tested to ensure maximum reliability. Multiple shipping locations throughout the U.S. mean fast service and quick delivery. See "How to Order" and Installation Note below.

CALL 1-800-829-7762

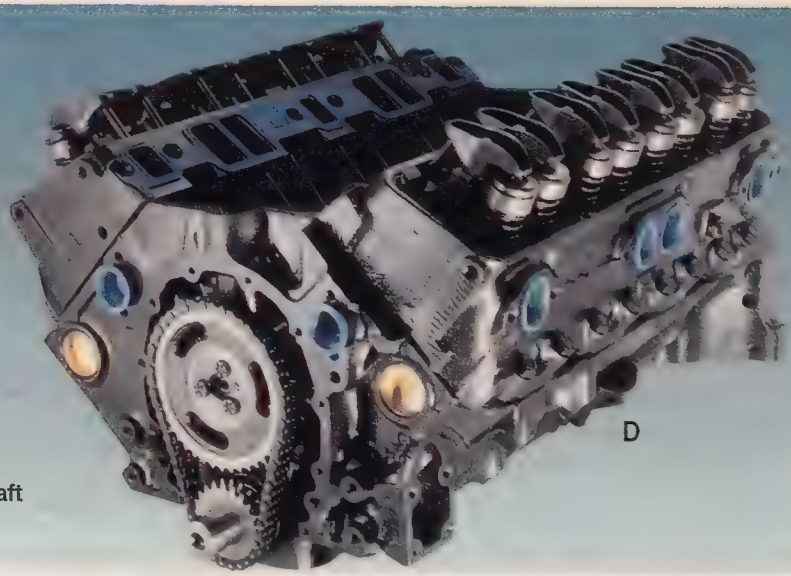
Premium long block assemblies feature:

All new components:

- Pistons
- Piston rings
- Bearings
- Rear main seal
- Timing gears
- Timing chain
- Valve lifters
- Oil pump assembly (or oil pump gears)
- Gaskets and freeze plugs

Precision-machined components:

- Rocker arms and push rods
- Cylinder head surfaces
- Precision-bored and power-honed engine block
- Machined and micropolished camshaft and crankshaft



D

How to order remanufactured engines

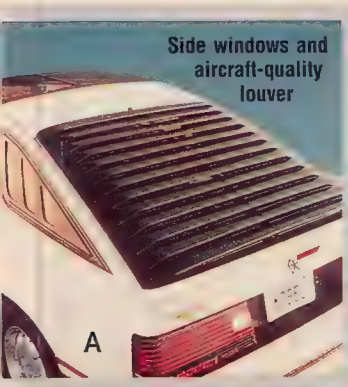
1. Note details about your vehicle: A. List your Vehicle Identification Number (found on your title, insurance policy, or vehicle). B. List your vehicle's year, make and model (example: 1972 VW Beetle).

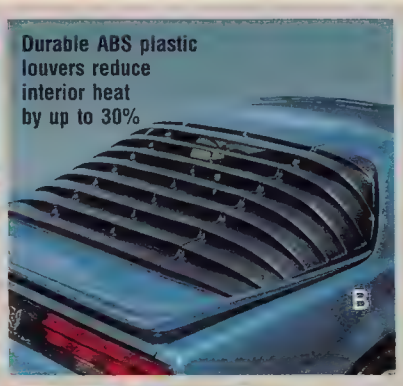
2. Make shipping arrangements. Engine will require docking facilities for off-loading. If you do not have access to such facilities you must make arrangements with a local cartage firm (at your expense) to receive the engine and transfer it to your installation location. Engines weigh 125 to 600 lbs.

3. Call the toll-free remanufactured engine hot line...1-800-829-7762 Monday thru Friday, 8:30 AM to 7:00 PM Central Time. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. Be prepared to furnish the information above...the technician will place your order for you. Residents of Alaska, Hawaii, and Puerto Rico note that engine price and shipping expense may differ from those shown...call the Engine Hotline for further details.

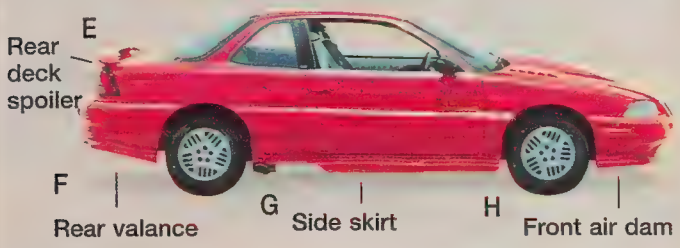
Installation note: You should purchase a new water pump and new engine mounts locally. Oil filter (if not included on engine) must be filled with oil before installation on engine. Remove any grime and debris from old parts before installing on your engine. Do not start engine before filling crankcase with appropriate oil or without sufficient oil pressure.

High performance look and protection





Ground effects and components are available for most domestic cars and a variety of imports from 1982 thru 1992



KOBEL

A thru H. Install a high performance look. Rear deck wings or rear louvers in durable, high-impact resistant ABS plastic or aluminum. All pieces go on easily with ordinary hand tools and are designed for a perfect fit. Paintable before or after installation. Instructions included. Complete kit includes VHS video cassette instructions. See "To Order" below before calling.

A. Side windows made of ABS plastic.
To order call 1-800-365-6235 ..... Low as **$49.99**

Aircraft-quality louvers made of aluminum.
To order call 1-800-365-6235 ..... Low as **$144.99**

B. ABS plastic louvers in your choice of 2 finishes. Available for most domestic and imported cars from 1975 to 1993.
To order call 1-800-365-6235.
Smooth black finish ..... Low as **$119.99**
Textured black finish ..... Low as **99.99**

C. Rear deck wings made of hand-laid fiberglass.
To order call 1-800-365-6235 ..... Low as **$129.99**

D. Front Scoop. call 1-800-365-6235 ..... Low as **$84.99**

E. Rear deck ABS spoiler. call 1-800-365-6235 ..... Low as **$129.99**

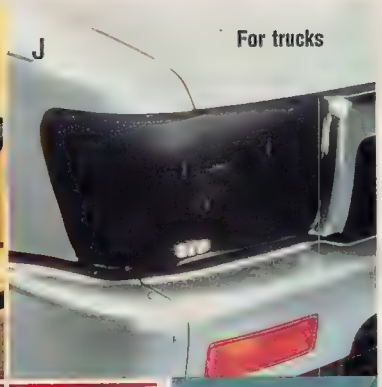
F. Rear valance. call 1-800-365-6235 ..... Low as **$189.99**

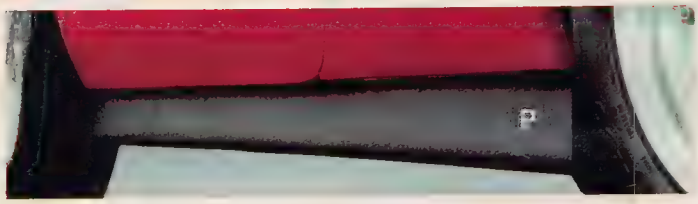
G. Side skirt. call 1-800-365-6235 ..... Low as **$157.99**

H. Front air dam. call 1-800-365-6235 ..... Low as **$189.99**

Complete kit includes F, G and H. Save $47 to $59 over individual prices!
Call 1-800-365-6235 ..... Low as **$489.99**

To order KOBEL ground effects components (A thru H) only:
Have your vehicle's year, make and model number handy. If your car has a rear wiper, order a louver designed to use with a wiper. Call toll-free 1-800-365-6235 Monday thru Friday, 8 AM to 5 PM CST. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book. Operator will answer questions, give you a total price (including shipping) and place your order.





J. Headlight covers for cars and trucks. Protect headlights and add style. May not be legal in all states; check local laws before ordering. Available in clear and smoke colors. See "To Order" below before calling.
To order call 1-800-969-7327 ..... Kit **$45.99**

K thru M. Blackouts for cars and trucks. Smoked acrylic lens covers your taillights and shows solid black when lights are off, yet allows taillights to show thru when on. No holes to drill or tools required. Check state and local laws before ordering. See "To Order" below before calling. To order call 1-800-969-7327.

K. Blackouts for trucks ..... Kit **$47.99**

L. Tailblazers™ blackouts for trucks ..... Kit **49.99**

M. Blackouts for cars ..... Kit **77.99**

N. Solar Wing II mounts across rear window to shade your car's interior from UV rays. It also helps keep rear glass clean. No drilling or tools required. Available in smoke color. See "To Order" below before calling.
To order call 1-800-969-7327 ..... Each **$79.99**

P. Sideskirts for the "lowered" look. Molded from textured black ABS plastic. Can be painted to match vehicle. Flexible mounting system eliminates breakage and requires no drilling. Universal fit for cars and trucks. Can be easily trimmed to fit most vehicles for custom fit. See "To Order" below before calling.
To order call 1-800-969-7327 ..... Each **$67.99**

Windgard® sunroof wind deflectors (not shown). Molded from aircraft-grade smoke acrylic. Fits pop-up and sliding sunroofs. Installs in minutes without tools. Available in 3 sizes. Small size fits up to 33-inch sunroofs. See "To Order" below before calling.
To order call 1-800-969-7327 ..... Each, low as **$23.99**

To order GTS automotive accessories (J thru P) only:

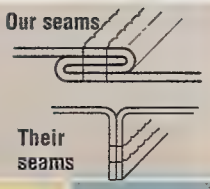
Sears covers most anything with wheels

COVERCRAFT

A

Interlocking double-stitched seams are extra strong



12-Gray	10-Gold	3-Sky blue
4-Blue	7-Dark brown	2-Black
5-Pacific blue	24-Tan	17-Burgundy

A. No garage? No problem! Our Cover-Craft™ vehicle covers come in four styles and give you great low-cost protection from the weather. We can cover cars, trucks, vans, motor homes and sport-utility vehicles. Be sure that the color you want is available in the fabric you choose. Before ordering, see swatches above.
See "To order" below, call 1-800-872-4954 ..... Low as **$89.99**

Sunbrella®. Our finest cover is made from a fade resistant acrylic solution-dyed fabric that not only breathes, but it's water repellent and mildew resistant, too. Warranted by manufacturer. Write for free copy, see page 1139. Available in 7 non-fade colors: 2-Black, 3-Sky blue, 5-Pacific blue, 7-Dark brown, 12-Gray, 17-Burgundy and 24-Tan.
See "To order" below, call 1-800-872-4954 ..... Low as **$229.99**

Ultralon®. The revoltionary new car cover that offers maximum protection in all weather conditions. Special 3-layer material repels rain and snow in all but the most extreme conditions, but still allows moisture trapped under the the cover to evaporate. Soft cotton lining is gentle on paint. Thinner and lighter than Technalon. Available in silver only.
See "To order" below, call 1-800-872-4954 ..... Low as **$139.99**

Technalon®. Our most popular and most rain-resistant cover is made from Evolution® 3 fabric. This durable 4-ply polypropylene fabric is breathable and soft. Plus, it's non-abrasive and resists tears and punctures. Available in 3 colors: 4-Blue, 10-Gold and 12-Gray.
See "To order" below, call 1-800-872-4954 ..... Low as **$125.00**

Polyester/cotton flannel is 50% heavier than polyester/cotton drill sold below so it wears longer. A soft, napped underside is kind to your car. Breathable and mildew resistant with a durable water repellency treatment. Available in 24-Tan only.
See "To order" below, call 1-800-872-4954 ..... Low as **$119.00**

Polyester/cotton drill weave fabric has a durable water and mildew resistant treatment. Pigment dyed gray to resist fading. Breathable fabric won't damage paint. Available in 12-Gray only.
See "To order" below, call 1-800-872-4954 ..... Low as **$89.99**

New custom embroidery. We will custom embroider your name, initials or monogram on our custom covers. See panel below for styles.
See "To order" below, call 1-800-872-4954 ..... Low as **$11.99**

Universal fit covers

Nylon cover
Low as **$24.99**

Polyester and cotton cover
Low as **$49.99**

B. Get low-cost protection for your car without sacrificing fit. Our all-weather, universal-fit covers fit most American and imported cars. Lightweight, easy handling nylon cover comes in 3-Sky blue only. Polyester/cotton fabric cover comes in 24-Tan only. Both are treated for water-repellency. Imported (Polyester/cotton fabric made in USA).
To order call 1-800-872-4954

Low cost shelter for your motorcycle or ATV
Low as **$34.99**

C. Waterproof urethane coated polyester fabric protects your bike or RV from the elements. "Ironing board" material on bottom protects cover against hot exhaust pipes. Non-scratch grommets reinforced with hardened steel cable for theft protection. Semi-custom patterns fit all motorcycles and ATV's up to 72-inches in overall length.
To order call 1-800-872-4954
Low as **$34.99**

D. UVS Heat shield is custom fit for maximum shielding and protection. Pre-sewn panels accordion fold for storage. Reflective silver on one side, soft felt on other. Sturdy foam core acts as an insulator to reduce heat build-up. Held in place by sun visor. See "To Order" below before ordering, then call 1-800-872-4954.

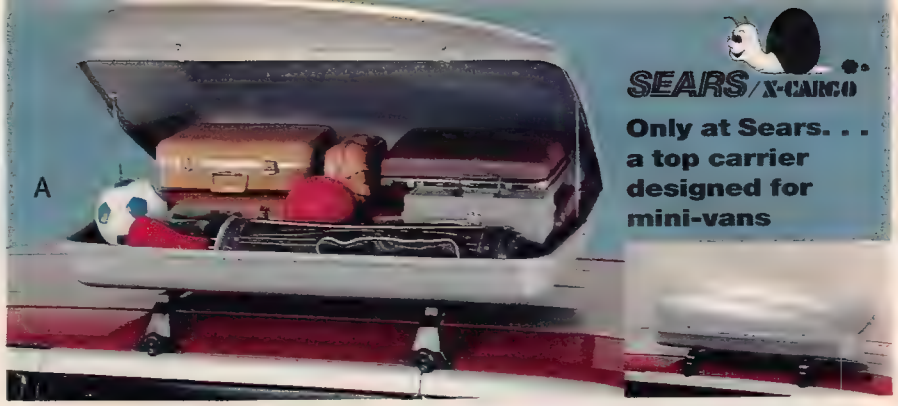
Low as **$26.99** without personalization

E. Cover and beautify that cracked, faded dash in your old car or help protect your new car from damage. Available in a variety of material. Velour dash is made of durable, soft, velvety cut-pile polyester with foam backing for added stability. The plush dash is made of thick, long lasting close-pile polyester that gives insulation from the damaging rays of the sun. It's also solution-dyed for added resistance. No glue required for installation. Personalize your dash saver with your name...see samples at left. State color number from swatches. See "To Order" below before ordering, then call 1-800-872-4954.

To order vehicle covers and other items on this page only: Note your vehicle's year, make and model. For dash saver, specify monogramming style. Call 1-800-872-4954 Monday thru Friday, 10 AM to 6:30 PM Central Time. Alaska and Hawaii call 1-818-407-6600. Tell the operator you are ordering from the Sears 1993 Spring Big Book. The operator will answer any questions, give you a total price and place your order.

A. Mini-van top carrier is designed to meet the needs of mini-van owners. Features same tough construction as our other X-Cargo top carriers. Unique low profile design has lower sides for easier access to 18 cubic feet of volume. Aerodynamic design also helps minimize wind resistance. Interior prop-rods to hold lid open. Full perimeter weatherseal helps keep out dust and moisture. Comes fully assembled with built-in key locks and front and rear safety latches. Must be used with Ultra-Sport™ rack (B below) or with similar rack system to mount on vehicle. Not intended for use on factory installed roof racks or roof racks that attach with straps or hooks. Measures 60x42x15 inches high. Store pickup still available! Delivery charges may be less than home delivery. See "N" suffix note on p. 1138.
28 R 7258N—Wt. 35.00 lbs **$159.99**



Ultra-Sport™ Roof rack system $109.99

You won't find another carrier that is as rugged or versatile at such a sporting price

B thru F. Eurostyle roof rack system offers quality and styling at a price well below that of brand name systems. Provides optimum versatility with accessories (sold separatly) to hold your bikes, skis, and boards securely. See "to Order" at right.

B. Ultra-Sport™ rack is as rugged as the games you play. Tubular Steel crossbars are plastic-coated for durability. Powder-coated upright brackets with the security of keylocks and face plates. Use with accessories (C) thru (F) or with mini-van X-Cargo (A). Fits most vehicles with or without rain gutters.

Rack system for vehicles with rain gutters
F 28 R 72777—Wt. 11.00 lbs **$109.99**
Rack system for vehicles without rain gutters
F 28 R 72780—Wt. 13.00 lbs **$129.99**

C thru F. UltraSport™ accessories require Ultra-Sport™ rack (B) or similar rack system from Thule, Barrecrafter or Terzo.

C. Upright Bike rack. Bike frame attaches to upright clamp; wheels clamp into adjustable wheel trays. Powder-coated steel. Lock and key. Unassembled.
F 28 R 72771—Wt. 6.50 lbs **$74.99**

D. Fork-mount bike rack. Front wheel fork attaches to rack system with separate holder to hold bike upright. Lock and key. Steel. Unassembled.
F 28 R 72772—Wt. 7.12 lbs **$84.99**

E. Ski rack. Holds up to 4 pairs of skis. Powder-coated steel with rubber holders. Gently holds skis in place while retaining elasticity. Locks with dust covers.
F 28 R 72773—Wt. 5.00 lbs **$54.99**

F. Sailboard and boat rack. Holds sailboards, canoes and kayaks. Includes mast holders, lashing straps and rubber-covered attachments.
F 28 R 72774—Wt. 4.00 lbs **$57.99**

To order system racks and accessories (B) thru (F) only:
Call 1-800-366-3000 24 hours a day, seven days a week. Tell the operator the year, make and model of vehicle. Factory shipped; allow 7 days for delivery.

G. 2-bike rack fits rear of most cars, sport-utility vehicles, hatchbacks and wagons. Doesn't touch paint, so it won't scratch. 1-inch steel tubing. Black powder-coated finish. Includes bottom supports and uprights with foam padding and polypropylene mounting straps with buckle hardware. Plastic vinyl-coated carrying hooks. Elastic cords, plastic hooks to secure bikes.
28 R 72775—Wt. 7.00 lbs **$59.99**

H. Deck-mount bike carrier fits sedans, hatchbacks, mini-vans and 4x4's. Fully adjustable rack rests on rear deck of vehicle for secure load. Easy mounting with adjustable straps. Superlock buckles to prevent slipping. Bike hooks fold down and unit collapses for storage. Weather-resistant non-marring support pads protect vehicle's finish. 18-gauge heavy-duty powder-coated steel tubing. Vinyl-coated support hooks.
28 R 72776—Wt. 9.75 lbs **$74.99**

J. Rear-deck racks fit all late model vehicles. 5 slats. Vinyl inserts protect your luggage. Rust-proof mounting hardware, gaskets and instructions included. Drilling required. Unassembled.

To order, call 1-800-888-8456 Monday thru Friday 9 AM to 6 PM Central Time.

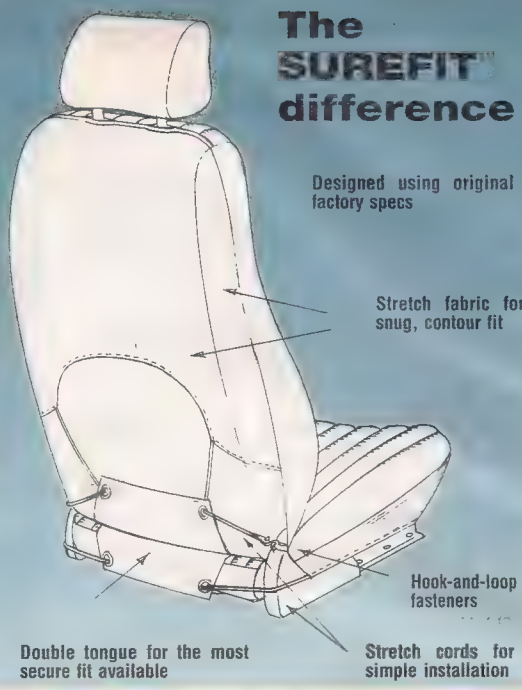
SUREFIT™ seat covers

They stylishly fit almost any seat design in over 90% of vehicles on the road today. You order by year, make and model (see panel below), giving you a precise, glove-like fit. Stretch-cord/hook attachment system allows you to install covers in minutes without tools or seat removal. Exclusive headrest accommodations allow for installation without removing headrest or cutting the fabric. Double-tongue attachment lets the completely finished and trimmed fabric cover tightly fit today's contoured seat styles.

Standard Fit seat covers

These covers offer you value-priced quality without compromising a good fit and durable construction. A good seat cover must fit snugly and install easily. Our Standard Fit covers do just that without taking a big bite out of your budget. They're our most economical way to cover old, worn-out seating surfaces or protect brand new ones. Installation is simple...you won't need any tools and it's not necessary to remove your front seats. Covers attach with strong cords, providing a snug fit on standard seating styles.



Seat cover style chart

Please refer to this chart before ordering any of our seat covers sold on pages 876 to 880. Please note your vehicle make, year and model. Have the seat cover name, color number and seat style number ready. (Some styles are not available for all vehicles.) Call the toll-free number listed with the seat cover of your choice. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book.

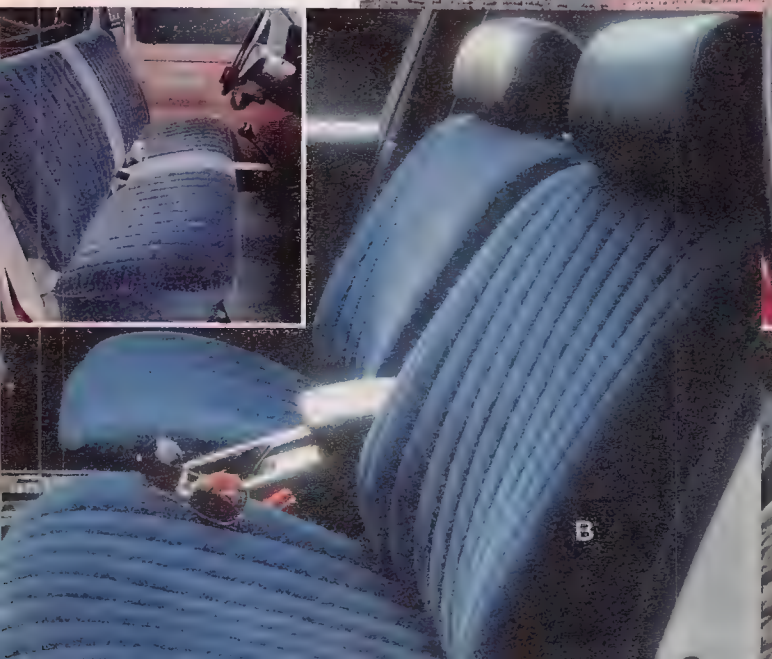
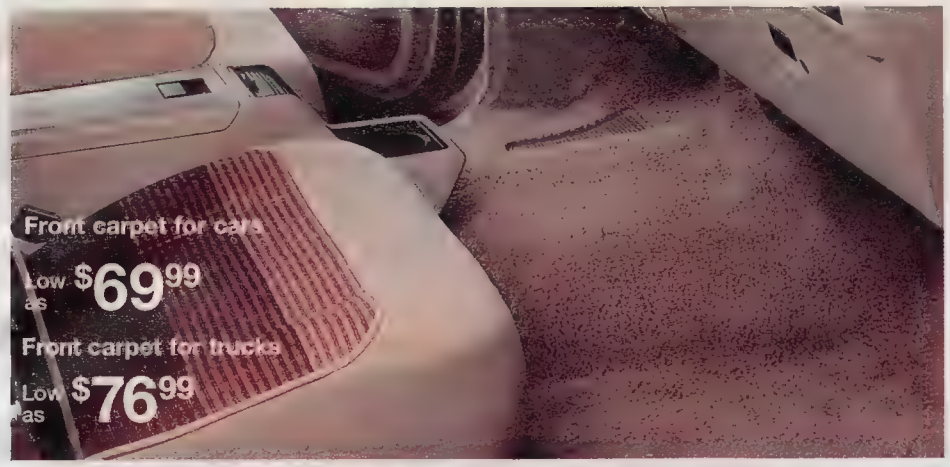
All seat covers on this page are available in the following colors (colors vary slightly by fabric):



Carpets, interiors & convertible tops



Restore the original beauty with replacement carpeting

Our cut pile carpeting features 27-ounce loop felt backing and 16-ounce per yard carpet. Nylon fabric stands up to day-in, day-out use. Our vinyl heel pad is sewn into the carpet. Choose from front-only replacement carpet kits or complete front and rear kits. We even have the carpeting that fits in the cargo area of 4x4s, such as the Ford Explorer and Chevy/GMC S-series. We can also provide you with a loop pile carpet that matches exactly in color and material found in most older vehicles. When installing carpeting in cars, seats must be removed. You can choose from a large variety of colors for your vehicle. See below for many of them. If you don't see the color you want, ask your operator for details. To order, call 1-800-826-4279 7:30 AM to 4:00 PM Central Time.

Cargo-area carpeting

Low as $219.99

Replace and protect the carpeting in the cargo area of your sport utility vehicle. Choose from colors shown at right or ask our operator...we have many more available!

Cut pile carpeting colors

Loop pile carpeting colors

New interiors for classic cars

- 1964-72 Chevelle
- 1967-69 Firebird
- 1964-72 GTO
- 1967-69 Camaro
- 1965-68 Mustang
- 1964-72 LeMans

Our exact reproductions of classic car interiors and high-quality carpeting can restore your passenger compartment to like-new condition. We have everything you might need for a complete restoration job...door panels to headliners. And if you have something special in mind, just let our operator know what you need, we probably can help you find it. To order, call toll-free 1-800-826-4279 from 7:30 AM to 4:00 PM Central Time.

Replacement convertible tops for American and foreign cars

Low as $129.99 standard top without rear glass

Low as $159.99 standard top with rear soft glass

Low as $209.99 O.E. replacement top without rear glass

Avoid high dealer prices and still get a convertible top that's comparable to what came on the car...or better! Many top replacements are available. Our standard 36-oz. fabric is heavier than many competing tops. We have original equipment colors available for many applications. We can even supply O.E.M. fabric and colors for 1982-1992 American cars.

Replacement tops are available for foreign cars (including Mercedes, Porsche, Fiat and MG to name a few) plus classic American muscle cars like Camaro and Mustang. Our basic top is offered without a rear curtain so you can use your old one, if desired. Tops that include rear curtains (soft vinyl, tempered hard glass, folding glass and defroster glass) are priced higher. Replacement rear curtains can be ordered separately for your current top, too. Top pads and other accessories also available, just ask operator. Convertible top pricing examples below. Call toll-free number listed below for exact price on a top for your vehicle.

1986-92 Corvette top with rear soft vinyl glass, low as **$429.99**

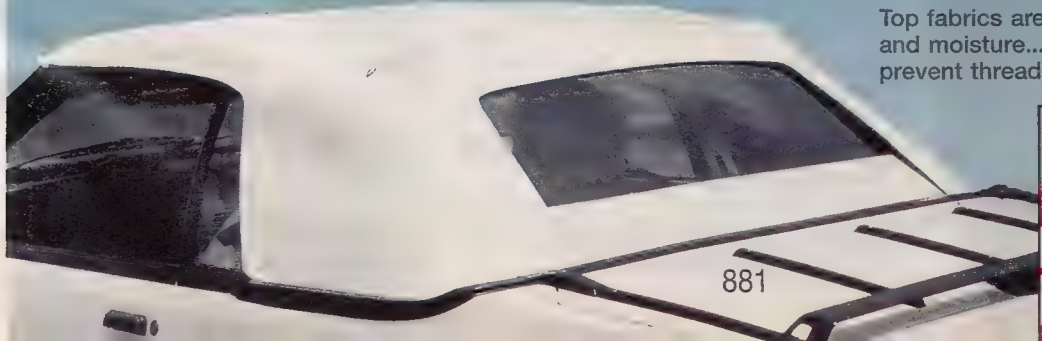
O.E. replacement top for 1982-1992 domestic cars with rear soft glass. Low as **$249.99**

Foreign car top (includes rear glass where applicable). Low as **$129.99**

Folding and defrosting rear glass curtains extra. Certain models higher depending upon vehicle.

To order, call our toll-free Hotline at 1-800-826-4279 from 7:30 AM to 4:00 PM Central Time.

Top fabrics are treated to resist mildew, staining and moisture...electronically welded seams help prevent thread unraveling and rot



Our Plush Series mats... only in catalog

Guaranteed* to last as long as you own your vehicle

Exclusive Stain Guard™ treatment gives added protection and durability

Ours won't bunch up like most other floor mats . . .

The Tack Back coating keeps them neatly in place—just peel off the protective backing

Backing stays tacky, and the mats stay in place—even after washing with water

Look at the difference between our Plush Series and original equipment on most new cars:

$79.99

Stealth technology for your vehicle

A thru G. Whistler and Sears bring you the latest in radar and laser protection! Highly reliable construction with ultra-sleek styling. Triband detectors offer a solid defense against all three radar surveillance bands...X, K and Ka**. You'll be alerted to "instant-on" radar guns, too, with Whistler's Pulse Protection™. Filter mode reduces static while maintaining protection. Each unit features audio and/or visual alarm signals. Accessories included with all detectors are coil cord, windshield mount, visor mount, Velcro® fasteners, plus mounting hardware and instructions. All are warranted.* See features in chart at right.

NOTE: Radar detectors are not legal for sale or use in Virginia, Connecticut or the District of Columbia.

*Warranted by manufacturer; write for free copy, see page 1139. If you would like more information about the Whistler products featured here, call 1-800-531-0004.

**Ka BAND NOTE: Ka Band is a relatively new frequency allocated by the FCC for Police Radar. (The two other frequencies, X Band and K Band, have been widely used throughout the U.S. for a number of years.) Currently, the Ka frequency is used in a photo traffic monitoring system. It's called "Photo Radar," since it takes a picture of the speeding vehicle. The vehicle's owner then receives a speeding citation through the mail.

†Whistler 1100 detects all laser speed monitoring equipment.

‡Wideband Ka is a much broader frequency range than X or K bands used by police radar.

A. Pioneer 4-channel Bridgeable Power Amplifier. 6 channel capability (with passive network). High power output 160 watts x 2, 50 x 4. High current 2 ohm capability. Frequency response 10-50kHz. Dual cooling fan system. 12 1/4x15/8x8 3/4-inches. Warranted.*
28 R 5320—Wt. 7.00 lbs **$299.99**

Pioneer Bridgeable Amplifier (not shown). 3 channel capability (with passive network). Power output 50 watts x 2, 140 x 1. High current 2 ohm capability. Frequency response 10-50kHz. Cooling fan system. 9x15/8x7 1/8-inches. Warranted.*
28 R 5321—Wt. 7.25 lbs **$159.99**

B. Pioneer Bridgeable 200 watt Amplifier. High power output 100 watts x 2, bridged 320 watts x 1(EIAJ 4 ohms). High current 2 ohm capability and variable bass boost. Measures 10 3/8x2 1/4x10 1/4 inches. Warranted.*
28 R 5009—Wt. 10.13 lbs **$259.99**

Pioneer High Current Bridgeable 160 watt x 1 Amplifier (not shown). High current 2 ohm, 3 channel capability, variable bass boost, dual loop NFB circuit. 10 3/8x2x7 1/8-inches. Warranted.*
28 R 5001—Wt. 8.30 lbs **$199.99**

C. Pioneer 4-channel Power Amplifier with 25 watt x 4 EIAJ max. power output. 12 watt per channel into 4 ohms, 30-20,000Hz at 0.8% THD. Low cut switch for front two channels. Automatic 2/4-channel input switching. 7 1/2x11/4x5 1/8 inches. Warranted.*
28 R 5008—Wt. 2.70 lbs **$129.99**

Pioneer 2-channel Power Amplifier (not shown). 35 watt x 2 EIAJ max. power output at 4 ohms. Continuous power 20Hz—20,000kHz at 0.5% THD. Automatic power on/off. 5 1/2x11/8x4 inches. Warranted.*
28 R 5000—Wt. 1.75 lbs **$74.99**

D. Pioneer 2-way Electronic Crossover has variable frequencies between subwoofer and mid to high frequency ranges. 2-channel RCA input and outputs. Warranted.*
28 R 5011—Wt. 1.82 lbs **$99.99**

E. Jensen 400 watt total system power Multi-Channel Amplifier. BBE High Definition Audio will dramatically improve sound quality. 4 x 100 watts peak/50 watts RMS per channel. 2 ohm stable operation. 2/3/4 channel operation. High and low inputs. Remote on/off sensor. 16 3/4x23/8x95/16-inches deep. Warranted.*
28 R 5307—Wt. 12.00 lbs **$329.99**

Jensen 400 watt Multi-Channel Amplifier (not shown). Same as (E) above but without BBE.
28 R 5089—Wt. 10.25 lbs **$249.99**

F. Jensen Bridgeable 250 watt 2-Channel Amplifier with built-in switchable High Pass Crossover 60Hz/120Hz/off. Phantom channel for powering center speaker or subwoofer. 2 ohm stable operation. Circuit and thermal overload protection. High/low inputs. Remote on/off sensor. 250 watts bridged maximum. 3x9 1/4x8 inches deep. Warranted.*
28 R 5302—Wt. 7.30 lbs **$159.99**

Jensen Bridgeable 350 watt 2-channel Amplifier (not shown) with built-in switchable Low Pass Crossover 80Hz/150Hz/off. Phantom channel for powering center speaker or subwoofer. 2 ohm stable operation. Circuit and thermal overload protection. High/low inputs. Remote on/off sensor. 350 watts bridged maximum. 3x9 1/4x10 inches. Warranted.*
28 R 5303—Wt. 7.00 lbs **$229.99**

G. Jensen 80 watt Stereo Amplifier. Compact design. Thermal and circuit overload protection. 2 x 18 watts RMS at 1% THD. High/low level inputs. 2 ohm stable. 1 3/4x55/8x53/4 inches deep. Warranted.*
28 R 5301—Wt. 2.33 lbs **$59.99**

Jensen 160 watt 4-channel Amplifier (not shown). Compact design. Thermal and circuit overload protection. 4 x 18 watts RMS at 1% THD. High/low level inputs. 2 ohm stable. 1 3/4x71/16x53/4 inches deep. Warranted.*
28 R 5304—Wt. 3.00 lbs **$99.99**

H. Jensen Electronic Crossover features 2 or 3-way operation with convenient mode switch. Preamp level inputs and outputs. 12dB per octave crossover slope with continuous variable crossover frequencies. Variable subwoofer output level ±9dB range. 85/8x11/2x61/4-inches. Warranted.*
28 R 5306—Wt. 2.00 lbs **$99.99**

J. Pioneer 9-band Equalizer with post-EQ crossover network. Subwoofer output with built-in fader switch. High performance balanced isolator circuit. Gold-plated RCA input/output terminals. Frequency controls: 125, 250, 500Hz, 1k, 2k, 4k, 8k, 16kHz (± 12 dB). 7x1x4 3/4 inches deep. Warranted.*
28 R 5018—Wt. 3.10 lbs **$259.99**

K. Jensen 7-Band Passive Graphic Equalizer with subwoofer output. Excellent sound shaping control. Front to rear fader. RCA line inputs and outputs. Power level meter. 5x13/16x51/2 inches deep. Warranted.*
28 R 5308—Wt. 2.00 lbs **$99.99**

L. Frontier 7-Band Passive Graphic Equalizer can control 1 ,2 or 3 amplifiers. Gold-plated RCA jack for left/right input. Subwoofer output. Subwoofer low pass filter vairiable 80Hz to 120Hz. Subwoofer gain control with selectable stereo or mono output. Fader and balance controls. CD input jack. 7x1x6-inches. Warranted.*
28 R 50813—Wt. 1.60 lbs **$59.99**

*Warranted by manufacturer; write for free copy, see page 1139.

Driving rhythm...top name auto sound values

Feature-packed cassette stereos

Your choice

$99.99 A, B or C

A thru C. Sound value from Sears! See feature chart on facing page to compare stereos. Each unit is warranted.*

A. Audiovox cassette stereo with 3-band graphic equalizer and 50 watts total power. 18 presets (6AM/12FM), backlit LCD displays frequency, clock and functions. Seek/scan, preset scan. Locking fast forward and pushbutton eject. 4-way balance control. Equalizer has lighted stems. Adjustable shafts to fit most cars. 7x2 1/8x5-inches deep.

Need some sound advice?

Be sure the equipment you want will fit your vehicle...just call our toll-free sound equipment Hotline...1-800-621-0041 from 9:00 AM to 7:30 PM Central Time. Our sound advisors will help you select a receiver, speakers, components, installation supplies or an entire system.

Guide to features

Seek/scan, preset scan: Feature enables tuner to automatically go to next station(s) with adequate sound output, or to next station(s) that you have preset.

Local/distant switch: Enables user to tune in to most powerful local or distant stations, depending on switch position.

Fader control: Lets you adjust sound in a four-speaker system from front to rear.

Balance control: Adjust sound from left to right.

Metal tape capability: Enables use of higher-quality metal tapes to extend frequency range, reduce hiss.

Loudness control: The human ear cannot hear low frequencies well at low sound levels. Boosts bass tones when volume is lowered.

Dolby/Dolby B: Noise reduction system that decreases background hiss when tape or FM radio signal is encoded in Dolby (or Dolby B). Superior signal-to-noise ratio, increased dynamic range.

Pre-amp output: Permits hook-up of additional amplifier. Strengthens signal voltage so it is strong enough to drive amplifier.

Pioneer quality at a great Sears price, now $20 less!

$169.99

PIONEER Cassette with quartz-PLL electronic Supertuner®

H

PIONEER Cassette with quartz-PLL electronic Supertuner® **$199.99**

J

PIONEER Cassette with quartz-PLL electronic Supertuner® **$249.99**

K

PIONEER Truck Riders™ auto-reverse cassette with fader **$319.99**

L

PIONEER Truck Riders™ instant track programming **$389.99**

G. Special value! Pioneer cassette stereo with Supertuner® for greater sensitivity to signal, plus resistance to TSI (Three Signal Intermodulation): when weak signal is surrounded by two stronger ones, Supertuner® locks onto tuned station, rejecting others. Flex fader and RCA Preout. Pulse Noise Suppressor reduces annoying ignition and static noises from car's engine. Preset scan. 7x2x5⁷/₈-inches deep. Warranted*. $189.99 in our 1992 "Y" Fall Big Book.

28 R 50512—Wt. 4.00 lbs **$169.99**

H. Pioneer auto-reverse cassette has HPX dual-groove head for extended high-frequency response—also keeps dust, dirt from sticking to head for top performance. Best Station Memory that automatically scans band at 3 threshold levels, plus presets 6 strongest signals per band in order of strength. Pulse Noise Suppressor. Quick-release anti-theft system. 7x2x5⁷/₈-inches deep. Warranted*.

28 R 50541—Wt. 5.60 lbs **$199.99**

J. Pioneer cassette stereo features Supertuner® III™ quartz-PLL electronic tuner. Best stations memory. Built-in Pulse Noise Suppressor. Cassette features include Dolby B, metal tape and music search. 4 speaker hi power: 25Wx2 or 15Wx4. RCA Preout (fixed). Warranted.*

28 R 50522—Wt. 4.00 lbs **$249.99**

K. Pioneer Truck Riders™ cassette stereo. Great sound for pickups, 4x4s, sport trucks. Tough, impact-resistant cassette head unit. "Stereo Wide" increases apparent width of speaker sound. Super bass boosts low frequencies. Front/rear blend control reduces high frequencies from rear speakers while keeping the same level in front. Best station memory, built-in pulse noise suppressor. 7¹/₈x2x5³/₄-inches deep. Warranted*.

28 R 50013—Wt. 4.87 lbs **$319.99**

L. Pioneer Truck Riders™ cassette stereo. Features Supertuner® III™ quartz-PLL electronic tuner and full detachable face security. Best stations memory. Built-in Pulse Noise Suppressor. Extended AM band. Cassette has tape guard, key-off pinch roller release, CD and radio intercept unit has CD changer direct input capability with built-in CD controls. This item is designed for use with 6-disc multi-play CD changer sold below. Warranted.*

28 R 50547—Wt. 4.82 lbs **$389.99**

6-disc multi-play CD changer by Pioneer (not shown). See picture and complete description on page 889, key (F).

28 R 50549—Wt. 10.13 lbs **$399.99**

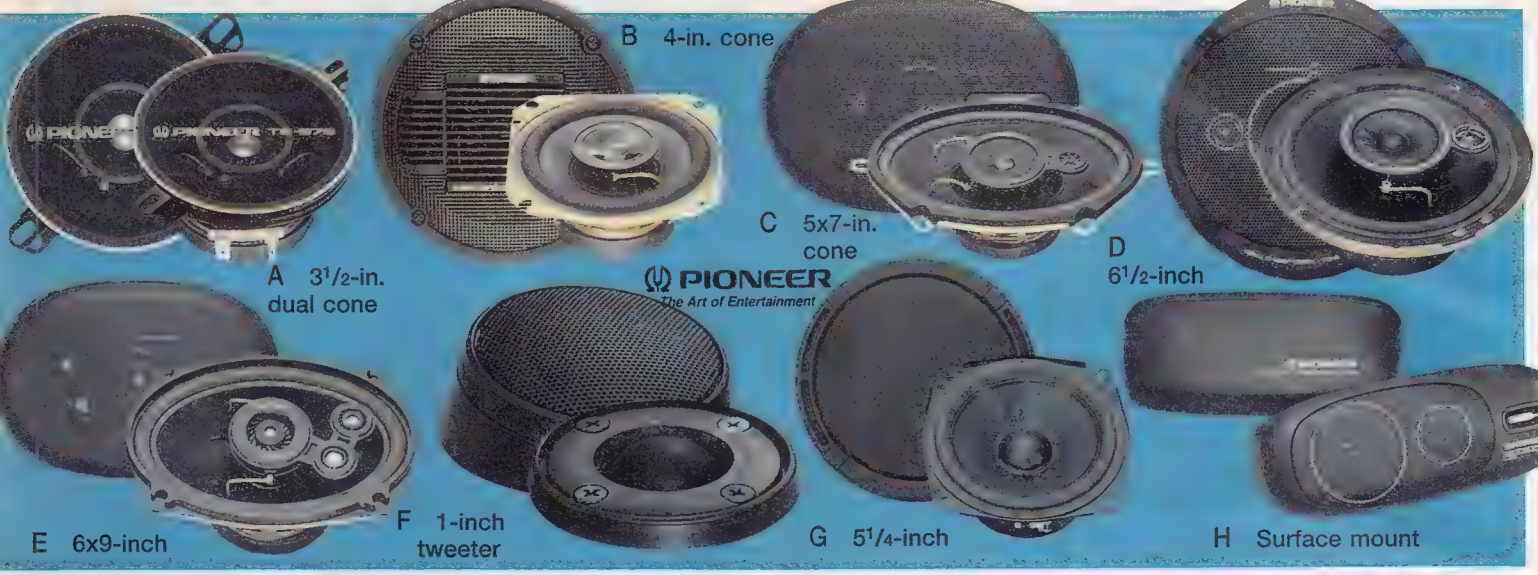
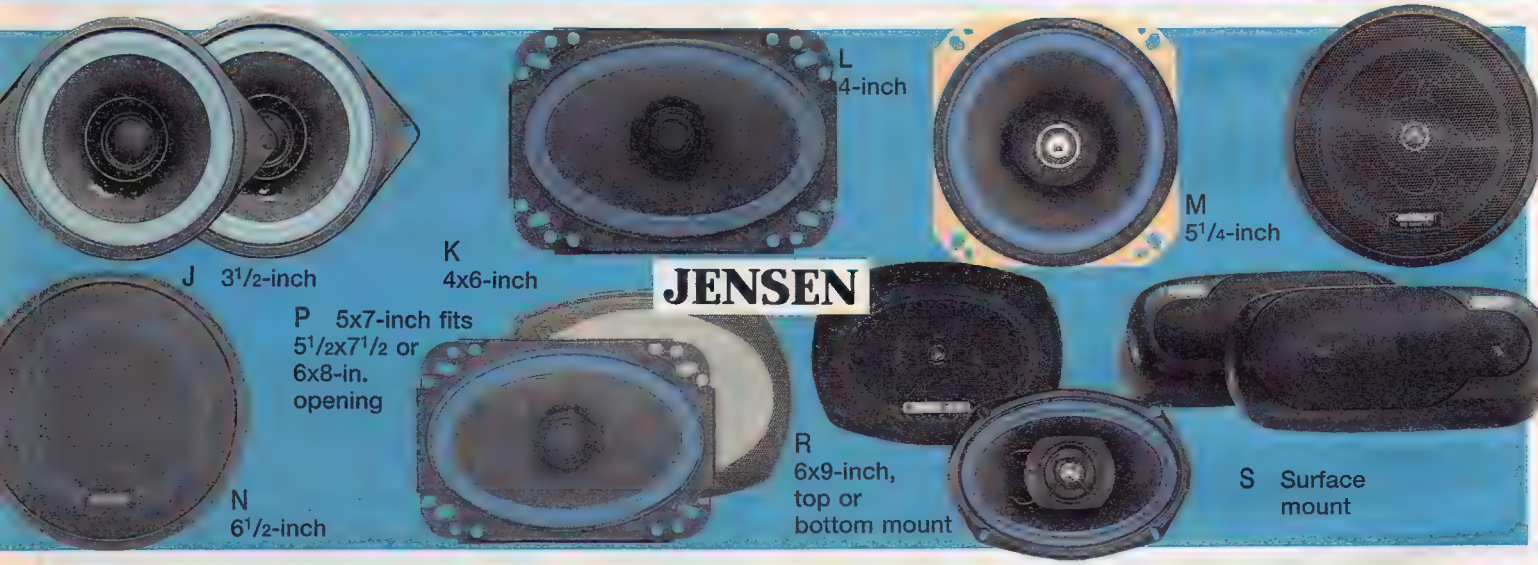
Need some sound advice?

Be sure the equipment you want will fit your vehicle...just call 1-800-621-0041 from 9:00 AM to 7:30 PM Central Time. Our sound experts will help you choose a receiver, speakers, components, installation equipment or an entire sound system.

Speakers by Pioneer & Jensen make the difference!





Improve your auto sound system without spending a fortune!

Adding top-quality speakers is one of the best ways to upgrade your auto sound system...and it's so easy to order. Call toll-free 1-800-366-3000 to order or, for information, call our Sound Hotline on facing page.

Adding new speakers can greatly enhance the sound quality in your vehicle. Sears Catalog offers a wide variety from Pioneer and Jensen...two of the best in the business. See chart at right for feature comparison and ordering information. Power specifications supplied by manufacturers. If you'd like further information or assistance, see the "Sound Advice" panel on facing page.

A thru H. Pioneer speakers offer expert crafting, extensive testing and exciting performance. High-tech polypropolene injection-molded cones exceed performance limitations of normal paper cones. Warranted by Pioneer; write for free copy, see page 1139.

J thru S. Jensen speakers have been thrilling people since Peter Jensen invented the loudspeaker in 1913. Rich, lifelike sound even when you play your music loudly. Jensen is the largest manufacturer of speakers in America...the parts are still made and assembled right here in the USA. Warranted by Jensen; write for free copy, see page 1139.

B. DieHard® Gold HeatHandler is designed to withstand the southern hot weather. Sustained high temperatures take a terrible toll on batteries. The HeatHandler has thicker separators, 25% heavier positive grids and 17% heavier negative grids to reduce internal breakdown due to heat. We have also optimized the paste density resulting in longer battery life. Dual alloy grids allow for quick charge acceptance and minimal water loss. Optimal acid and lead balance means greater durability and reduced susceptibility to damage from deep discharges. Enveloped separators for greater puncture resistance.

☆☆Cranking amps at 32°F are 125% of the 0°F rating.
**Reserve capacity; number of minutes battery will sustain a 25-amp output at 80° F.

How To Select A Battery

If you need help in determining the correct battery for your vehicle, call the auto hotline at 1-800-877-2880. Tell the operator you're ordering from the Sears 1993 "R" Spring Big Book and you need help selecting a battery. Be prepared with your vehicle's make, year and model (for utility batteries on page 895, have the manufacturer's name, model number, and engine c.c. ready). The operator will tell you the correct battery group size you need and place your order for you. (Call 7 days a week from 7 AM to 11 PM Central Time.)

Group size chart

to buy a DieHard®

- Nationwide warranty: Sears stands behind you wherever you drive your vehicle with over 3000 Sears outlets
- In stock: You can find the DieHard® battery you need without waiting for shipping in most Sears Catalog Stores
- Trade-in savings: When you bring in an old battery, Sears gives you a $5 trade-in allowance on the purchase price of a new battery

C

9 out of 10 NASCAR winners since 1977 have relied on a DieHard® battery

DieHard® battery
Low as **$46.99** with trade-in

Tested 3 times better than industry standards. Up to 725 cold cranking amps* and 150 minutes reserve capacity**

***One Year Free Replacement**
If your DieHard®, DieHard® Gold, or DieHard® Gold HeatHandler (items A thru C) ever fails due to defect in workmanship or material and our testing determines that the battery will not hold a charge, Sears will replace it at no cost to you.

▲Emergency jumpstart service
Service for DieHard®, DieHard® Gold, and DieHard® Gold HeatHandler is administered by Allstate Motor Club, Inc. Should you need to have a DieHard®, DieHard® Gold, or DieHard® Gold HeatHandler jumpstarted, Allstate Motor Club, Inc., will reimburse you for the expense of emergency jump-start road service for up to one year from the purchase date of your DieHard®, DieHard® Gold, or DieHard® Gold HeatHandler battery. To obtain this road service coverage, pick up a registration card from any Sears catalog desk. Send the registration card to the address listed within 10 days of purchase. The registration card will contain the information needed to get reimbursed from Allstate Motor Club, Inc. As an option, you can purchase a full Allstate Motor Club membership and receive a $10 Sears gift certificate and a free Rand McNally Road Atlas, valued at $5.95!

C. DieHard® batteries feature high-efficiency cell connectors and computer-designed grids for maximum power flow. Easy-to-see red positive terminal markings simplify installation and jump starting. Dual-alloy construction resists water loss. Polypropylene case. Removable vent caps. See "How to select" and trade-in note on pg. 895. Save $5 with old battery trade-in. When ordering, state full price. Limited warranty by Sears. Write for free copy, see pg. 1139. See Notes left. "N" suffix note pg. 1138.

Fisherman's Charger

A thru D. America's most powerful line of dual-purpose marine, deep cycle batteries (all with a 30 month warranty) are designed differently than the battery in your car. Unlike your car's battery, marine deep cycle batteries are often drained to near zero before recharging. This is called "deep cycling," and the process requires a special type of battery to put up with the abuse of constant draining. Our RV/marine deep cycle batteries last longer than auto batteries in rec vehicle and marine uses, withstanding hundreds of deep cycles—even the best auto battery won't last more than 75 cycles. Built-in charge indicator. Great for trolling motors, outboards with electric start, other marine uses and inverters. Terminals suitable for auto-type, eyelet or combination cable connections. See Note below. See "N" suffix note on page 1138. When ordering, state full price.

A. Group 24M battery. $10^{3}/_{4}$x$6^{7}/_{8}$x$9^{3}/_{8}$ inches high. 550 cold cranking amps.†
28 R 96493N—Wt. 44 lbs ..... Full price **$54.99**

B. Group size 27M. $12^{5}/_{8}$x$6^{7}/_{8}$x$9^{3}/_{8}$ inches high. 650 cold cranking amps.†
28 R 96522N—Wt. 53 lbs ..... Full price **$64.99**

C. Group size 29M. 13x$6^{3}/_{4}$x$9^{7}/_{8}$ inches high. 725 cold cranking amps.† New bi-terminals permit separate hook-up of primary power and accessories.
28 R 96581N—Wt. 61 lbs ..... Full price **$79.99**

D. Our most powerful marine battery with 1,300 cold cranking amps.† Hi-density, thermo-bonded plates with high antimony grids for maximum power flow, vibration resistance. Strong, ribbed case. Group size 4D. $20^{3}/_{4}$x$8^{1}/_{4}$x$10^{3}/_{8}$ inches high. Before ordering, check size of area where battery is to be installed. When ordering, state full price.
28 R 9654N—Wt. 116 lbs ..... Full price **$149.99**

E. Starting battery for outboard, inboard engines (not recommended for deep-cycle use). 400 cold cranking amps†. Terminals suitable for eyelet cable connections only. Thermo-bonded plates for vibration resistance. Group size 24M. $10^{3}/_{4}$x$6^{7}/_{8}$x$9^{3}/_{8}$ inches high. When ordering, state full price. See Note below. See "N" suffix note on page 1138.
28 R 9640N—Wt. 35 lbs ..... Full price **$39.99**

F. Battery case of durable high impact polyethylene protects battery from water and corrosion. Includes hold-down strap brackets.

For group size 24 batteries. Box fits batteries up to $11^{1}/_{16}$x7x$10^{1}/_{4}$ inches high.
28 R 7080—Wt. 2.00 lbs **$6.99**

For group size 27 and 29 batteries. Box fits batteries up to $13^{1}/_{4}$x$7^{1}/_{2}$x$10^{1}/_{4}$ inches high.
28 R 7081—Wt. 2.06 lbs **$7.99**

G. Fisherman's Automatic Charger. See page 898 for details.
28 R 71210—Wt. 7.00 lbs **$54.99**

Things you should know . . .

*Marine-cranking amps (MCA)–the number of amps battery will sustain for 30 seconds at 32° F before dropping below 7.2 volts. Our dual-purpose design gives the battery a higher rating than many of our competitors' for solid performance.

**Reserve capacity–number of minutes battery will sustain a 25-amp output at 80° F before dropping below 10.5 volts.

†Cold cranking amps–the number of amps battery will sustain for 30 seconds at 0° F before dropping below 7.2 volts.

‡A 15-amp load would be the average draw of a typical trolling motor on a 16-ft. aluminum boat.

NOTE: Batteries have polypropylene cases. Wet charge. Warranty and trade-in notes on p. 895. Save $5 with trade-in.

Approximate continuous hours battery will run, without recharge, at the indicated amp load.

Amp draw	(A) D.H. 700 MCA	(B) D.H. 800 MCA	(C) D.H. 900 MCA	(D) D.H. Superduty

WARRANTY NOTE FOR THE DieHard®, DieHard® Gold, DieHard® Gold HeatHandler, ALLSTATE "CROSS-COUNTRY", GEL/CELL®, COMMERCIAL AND SEARS BATTERY
FULL WARRANTY: For 90 days (1 year for DieHard and DieHard Gold car and light-truck batteries (43000 Series)) from the date of purchase, Sears will replace battery without cost if an electrical failure occurs due to defect in material or workmanship, and our testing determines the battery will not hold a charge. LIMITED WARRANTY: After 90 days (1 year for DieHard, DieHard Gold, and DieHard Gold HeatHandler car and light-truck batteries [43000 Series]) and for the remainder of months designated, Sears will replace battery to the original purchaser, charging for the number of months of ownership. If an electrical failure occurs due to defects in material or workmanship and our testing determines battery will not hold a charge, the monthly charge for ownership will be computed by dividing the current selling price, less the trade-in at time of return, by the number of months warranted. To receive a replacement battery as provided above, simply return battery for testing to nearest Sears store in U.S., present warranty card or sales check. If warranty card or sales check is not returned, adjustment will be made on the basis of battery code date. 4300 and 43000 Series auto batteries used in private passenger cars or trucks less than one year are covered by the above warranty for the number of months designated. Otherwise, if used commercially or in other than private passenger cars, the term of the above warranty is one half the duration of the warranty used in private cars or light trucks. 9600 Series batteries are covered by the above warranty and are warranted for the total time period specified. The warranty does not apply if the battery is used in vehicles without proper charging equipment or if battery is used for an application unrelated to the charging/starting system of a vehicle. This exclusion does not apply to 9600 Series Deep-cycle RV/marine, Gell-Cell or Golf cart batteries. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

TRADE-IN NOTE FOR THE DieHard®, DieHard® Gold, DieHard® Gold HeatHandler, AND OTHER SEARS AUTOMOTIVE, COMMERCIAL, DEEP-CYCLE, UTILITY AND GEL/CELL® BATTERIES: You will receive $5.00 Sears trade-in allowance when you return your used battery to Sears Catalog Sales Store or Retail Store. Some state laws require an additional deposit until used battery, including motorcycle battery, is returned to Sears. Check with local Catalog Sales Store. In those states customer will receive the trade-in allowance and a refund of the state deposit when the used battery is returned.

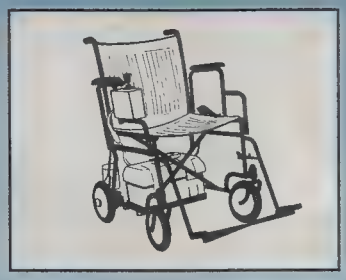
180-DAY WARRANTY ON DieHard® MOTORCYCLE BATTERY
FULL WARRANTY: For 180 days, from the date of purchase of a DieHard motorcycle battery, Sears will replace battery without cost to you if an electrical failure occurs and our testing determines battery will not hold a charge. LIMITED WARRANTY: 180 days after the purchase of the DieHard motorcycle battery, and for the remainder of 12 months, from date of purchase, Sears will replace battery, charging for the number of months of ownership. If an electrical failure occurs and our testing determines battery will not hold a charge, your monthly charge for ownership will be computed by dividing current selling price by 12 months for the DieHard. To receive a replacement battery as provided above, bring warranted battery to nearest Sears store in the U.S. and present warranty card or sales check. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

Specialty batteries for wheelchairs and battery powered vehicles

A

Gel/Cell* battery with 12-month warranty

Low as **$49.99** with trade-in



A. Gel/Cell batteries for motorized wheelchairs and other battery powered vehicles. Ideal for any situation where repeated discharging and charging is required. . . with triple the cycle life. Offers longer running time and faster recharge time than conventional wet cell deep cycle batteries. Gel Cell is a 100% maintenance free battery that is non-spillable and leakproof. Recharges with an automatic 12 volt charger while resisting overcharging. Charge to at least 13.8 volts but no more than 14.1 volts. Limited warranty by Sears. Write for a free copy, see page 1139.

Need help with wheelchair battery replacement? Call 1-800-877-2880.
Tell the operator the manufacturer and model number of the wheelchair. The operator will answer any questions and supply the correct size.

Now you can turn your battery into instant household AC current with the power to run many household appliances. . .

- microwaves
- power tools
- TVs & VCRs
- refrigerators
- sump pumps
- video games

$89.99 and up

A and B. Tripp lite premium DC to AC inverters operate power hungry household appliances from 12 volt battery system. Simply connect to your battery to receive "double surge" output. . . the added power to run appliances that is not found in standard inverters. The 300 watt unit operates color TV's, VCR's, computers, power tools and 1/8 hp motors. The 600 watt unit runs small to medium refrigerators, sump pumps, 1/4 hp motors and all the items listed above. The 1200 watt unit features a modified sine wave output for effecient operations of microwave ovens. Operates everything above plus microwaves, coffee makers, medium to large refrigerators, hair dryers, vacuum cleaners and 1/2 hp motors. Power up with the convenience of Powerverters. . . without smell, noise and hazards of gas generators.

Wheel battery chargers/starters

provide the power to start dead batteries. Convenient meters and settings take the guesswork out of charging different size batteries.

D thru F. Wheel battery chargers/engine starters. Rugged and reliable construction features extra heavy-duty welder-type transformer, unique diode button rectifier and convection cooling with no fan to fail. Charges all automotive batteries, including maintenance free batteries. 2 amp setting for 12-volt motorcycle, snowmobile and lawn tractor batteries. Features include easy-to-read ammeter and wheel kit. Items D and F also include 2-hour timer for precise timing shut-off.

D. Craftsman® 50/30/2/225 amp engine starter fast charges 6 or 12-volt batteries at 50 amps. 30 amp setting for moderate charging of 12-volt maintenance-free and lead calcium automotive batteries. 2 hour timer with with hold position and easy to read commercial size ammeter. 13 1/2x15x19 3/4 inches high.
28 R 71654—Wt. 48 lbs **$139.99**

E. Sears 40/2/200 amp Charger helps spin stubborn engines with little or no precharging. Fast charge 6- or 12-volt automotive batteries at 40 amps, including maintenance-free and lead calcium. 2 amp setting for small 12-volt batteries. 13 1/2x15x19 3/4 inches high.
28 R 71651—Wt. 45 lbs **$104.99**

F. Craftsman® 60/40/2/250 amp charger/starter/tester. Heavy-duty design for commercial fleet needs. Fast charge 6- or 12-volt batteries at 60 amps. 40 amp setting for charging 12-volt maintenance-free and lead calcium batteries. Voltmeter indicates the percentage of charge in the battery, alternator output, and other battery conditions. Accurate volt and ammeters are easy to read, so you know how long to charge. 2 hour timer for automatic shut-off. 13 1/2x15x19 3/4 inches high.
28 R 71653—Wt. 49 lbs **$174.99**

G. Isolator for any U.S. made vehicle or boat with dual-battery system (starting and auxiliary batteries). Prevents auxiliary battery from draining starting battery. Charges batteries when alternator is running. Aluminum housing. Watertight epoxy coating. 50-amp circuit breaker. Two terminals for 2 batteries. Fits under hood with installation kit sold separately below. Not for use with 86 1/2 and later GM CS-series alternators (except 28 R 71533 which is also for 1985 and later Toyota).

E

Sears Fisherman's Charger keeps your 12-volt deep-cycle battery at full charge all year round

$54.99

E. Our 10-amp fisherman's automatic charger for 12-volt deep cycle trolling motor batteries or standard marine starting batteries. Auto shut-off prevents overcharge. Non-corroding plastic case isn't affected by humid or salty marine environments. LED indicators give charge status. 6.5-ft. insulated 16-gauge copper cables. Built-in cord storage. Charge time 2.5 to 4 hours*. $6^5/_8$x$4^3/_8$x$10^7/_8$ in. high. Full 3-year warranty from Sears; write for free copy of complete warranty, see details on page 1139.

28 R 71210—Wt. 7.00 lbs . **$54.99**

F

Century Manual Shelf Charger. . . 100 amps of engine assistance in a manual shelf charger

$89.99

F. 15/2 amp charger/100 amp engine starter easily charges 6 and 12 volt automotive-type batteries, from motorcycle to diesel tractor. Plenty of power to spin stubborn engines with little or no precharging. Heavy duty clamps assure secure connections, even on side terminal batteries. Recessed, color coded ammeter and simple rocker switches for easy operation. Charge time 2 to 3 hours*. 6-ft., 10-gauge copper cable. $6^3/_4$x$10^3/_4$x7 inches high.

28 R 71216—Wt. 21 lbs **$89.99**

Sears Shelf Chargers are designed with safety minded features like non-rust, non-corrosion plastic cases that can't cause a shock hazard. Our fully automatic shelf chargers (A and B) have a built-in reverse polarity protector. If charger is hooked up improperly, it won't start charging, so battery can't be damaged. Fully-insulated 6.5 foot copper cables store behind charger. UL listed. Full 3-year warranty from Sears; write for free copy, see p. 1139.

A and B. Sears fully automatic shelf chargers features set-and-forget charging. Charger senses voltage level and automatically brings 12-volt batteries back to full charge. Automatic shut-off allows the battery to be maintained at full charge without ever overcharging. 2-amp charge setting for smaller 12-volt batteries. Manual charge setting for 6-volt batteries. Deep cycle setting for marine and R/V batteries. Item (A) has 60-amp engine assist to help weak 12-volt batteries start your engine with little precharging. Quick-read meter with full-charge LED indicator. 14-gauge cables. Item (B) features an easy read LED charge indicator and 16-gauge cables.

C and D. Sears manual shelf chargers have automatic reset circuit to prevent overload. 2-amp setting for small 12-volt batteries. Easy-to-read meter for charge status and 16 gauge cables. Item (C) has 10-amp setting for both 6 and 12-volt batteries. Item (D) has 6-amp setting for automotive batteries.

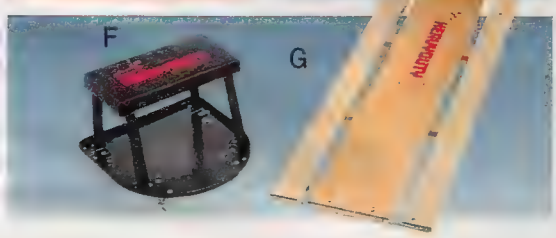
Professional quality lift equipment

A. 4–ton capacity jack has the muscle to lift a car, light truck or even a farm tractor, and at 50⅝-inches long, it's our largest jack. Overload protection valve so you can't lift a load that's too heavy. 42-inch handle safely provides full lift control. Steel Frame, wheels and bearing casters. Iron saddle has a broad base for greater stability. Imported.
28 R 1231N—Wt. 168 lbs **$329.99**

B. 3–ton capacity jack. . . auto shop durability for your garage. Lift range from 5¼ to 19 inches for numerous lifting applications. Built-in bypass feature prevents damage from over-pumping. Overload protection valve. Rugged steel frame with a wider stance for increased stability. Imported.
28 R 50115N—Wt. 85 lbs **$99.99**

C. Floor jack is capable of lifting one wheel of a car, yet can be easily stored in a small car's trunk. Insert handle into socket and pump to easily lift load. Remove handle from socket, place over release valve and turn to lower load. Steel chassis and 4 wheels. Overload protection valve. Imported.

Load cap. (tons)	Total lift range, inches	Overall length, inches	Catalog Number	Wt., lbs.	Price
1½	5½ to 14	19¾	**28 R 1260**	23	**$44.99**
2¼	5 to 15	22	**28 R 1261**	31	**49.99**



D. Portable chain hoists. Ideal for "open-air" jobs where no power supply is available. Use it anywhere. . . farms, factories or construction sites. Durable, lightweight steel hoist can be attached to any type of trolley. Reliable operation with integral brake. Lift range of 2.5 meters. Imported.

1-ton capacity hoist.
28 R 1290—Wt. 24 lbs **$79.99**

2-ton capacity hoist (not shown).
28 R 1291—Wt. 33 lbs **$124.99**

E. Auto ramps accept low clearance cars and raise vehicle 8-inches from surface. Removeable inclines for extra work area. Rubber feet on base plates. Wheel stops on 14-inch wheel well. Rust-resistant, enamel-finished steel. 10,000-lb. gross weight per set of two.
28 R 1237—Wt. 38 lbs ..... Set **$34.99**

F. Mechanic's seat is enamel painted to resist rust. Sturdy 3-inch steel casters. Vinyl covered foam seat is 7x14-inches. Rounded corner tray. Overall size is 15x15x12 inches. Assembly is required.
28 R 12502—Wt. 10 lbs **$24.99**

G. Creeper measures 15x42-inches and has maneuverable 2½-inch steel casters. Creeper bed is ⅝-inch thick and is varnish-sealed with steel corner and brackets. Headrest is 1⅛-inch vinyl-covered foam.
28 R 12505—Wt. 15 lbs **$19.99**

H. Engine crane lets you handle almost everything from the smallest car engine to a light truck or van engine. Steel frame and casters. Disassembles for storage. Imported.

Valley® Hitches &

Class I hitches
Ideal for light towing jobs using compact or midsize cars

$25.99 to $114.99
depending on vehicle and towing load

Class I hitches for up to 2,000 lb. max gross A

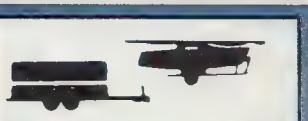
A. Valley Class I hitch with up to 2,000 lb. maximum gross towing weight and 200 lb. maximum tongue weight...just right for towing a motorcycle or snowmobile trailer. Receiver-style includes removable draw bar, hitch pin and receiver cover. 1¼-in. receiver opening. Removable ball mount accepts up to a ¾-in. trailer ball shank. Removable hitch pin, too. Durable flat black epoxy finish. Safety chain attachment included. See "To Order" panel on facing page to order hitch, trailer ball, safety chains and other accessories.

Class II hitches
Light to medium towing jobs using midsize cars or minivans

$79.99 to $124.99
depending on vehicle and towing load

Class II hitches for up to 3,500 lb. max gross B

B. Valley Class II hitch gives you a strong, reliable platform for towing. Maximum gross towing weight of up to 3,500 lbs. and a maximum tongue weight of 300 lbs. This receiver-style hitch mounts directly to your vehicle's frame. 1¼-inch receiver opening. Removable ball-mount that lets you use up to a ¾-inch trailer ball shank. Removable hitch pin and receiver cover included. Extra-tough black epoxy paint finish provides long-term durability. Safety chain attachment included. See "To Order" panel on facing page to order hitch, trailer ball or safety chains.



Class III hitches for up to 5000 lb. max gross

C

Class III hitches
For heavier towing with pickups, vans and large domestic cars

$123.99 to $164.99
Depending on vehicle and towing load

C. Our heaviest-duty Valley hitch can handle most towing tasks. Up to 5,000 lb. maximum gross towing weight, 500 lb. maximum tongue weight. Bolt-on, frame-mount hitch is custom-designed for your vehicle. 2-inch receiver opening. Extra-tough black epoxy paint finish. Ball mount, hitch pin and trailer ball sold separately. Safety chain attachment included (order safety chains on facing page). Hitch installation does not require remounting of undercarriage-mount spare tire on your pickup. See "To Order" panel on facing page to order hitch and accessories.

Weight distributing hitch

D

Class IV hitches for up to 10,000 lb. max gross

Weight-distributing hitches
Use with separate Class III hitch for large-trailer towing jobs using full-size pickups, vans and large domestic cars

$184.99 to $269.99
Class III receiver hitch required, not included

D. Adding one of these weight-distributing hitches to your Class III receiver hitch can bring your maximum gross towing weight up to 10,000 lbs. (depending on receiver rating). Available in 550 lb., 750 lb., and 1,000 lb. tongue weight configurations. Adjustable ball mount included. The unique head design will greatly reduce your installation time and effort. Hook-up brackets included to provide maximum flexibility and ease of use. Torsion bars are interchangeable. See 'To Order' panel on facing page to order hitch and accessories.

See our complete line of trailers and towing mirrors on pages 824, 902 and 903

towing accessories

Thousands of Americans shop Sears catalog for hitches and towing accessories, and here's why...

We have the largest assortment of hitches and towing products available, with sizes to fit most any car, truck, van or RV.

We have the latest towing products, with custom-made parts available now for the newest vehicle on the market.

We have the highest quality commercial-grade hitches, designed for a custom-fit, do-it-yourself installation.

Valley offers a variety of accessories such as safety chains, sway controls, etc. Even if you don't see the item you want, give us a call, we probably have it.

To order Valley hitches and accessories only, call:
1-800-521-8708

Monday thru Friday, 8 AM to 7 PM Central time. Please have your year, make and vehicle model ready.

Transmission and engine oil coolers help stop heat damage when towing.
Transmission oil cooler ..... Low as **$29.99**
Engine oil cooler ..... Low as **$84.99**
Comb. engine/transmission ..... Low as **$114.99**

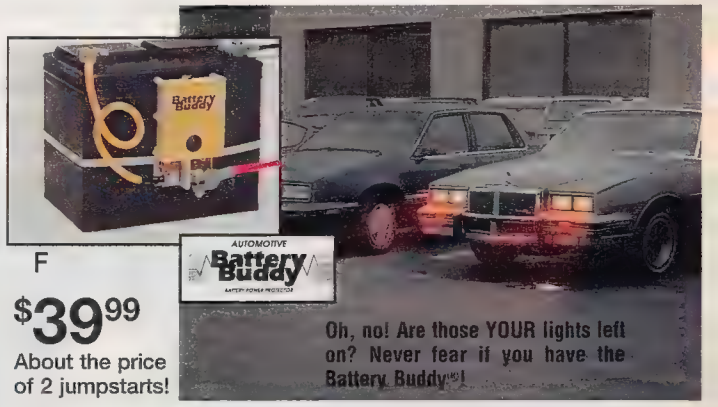
Each, low as **$399.99**

Sway control helps steady towed loads in windy conditions. Completely adjustable for all loads. Order above.
Each, low as **$89.99**

Backup Alert
$19.99
Only one bulb needed

E. Backup Alert beeps when you back up. Backing out of a driveway or parking lot can be tricky. It's hard to get a good look behind you, and kids, joggers or shoppers seem to come from nowhere. The Back-up Alert light/warning alarm can help make that potentially dangerous driving situation a lot safer. Simply replace one of your existing back-up lights with the combination light/alarm unit. Only one required per vehicle. Check owner's manual for bulb style. Warranted by manufacturer as long as you own vehicle in which alarm unit is installed. Write for free copy, see page 1139. To order, call 1-800-366-3000

28 R 5920—For 1156 style bulb. Wt. .13 lb **$19.99**
28 R 5921—For 3156 style bulb. Wt. .19 lb **19.99**



F

$39.99
About the price of 2 jumpstarts!

Never worry about leaving your lights on again! The Battery Buddy senses accessory drain and cuts it off! So you can be sure your battery won't fail because you left something on!

F. Battery Buddy®. Computerized device constantly monitors battery's power level. If battery is in danger of going dead from a power drain—whether it's from your lights, accessories, or even long term drains or electrical shorts—the Battery Buddy immediately disconnects your battery from all sources of drain, saving power so you can start your car. If this happens, just press the reset button on the Battery Buddy and start your engine. Installs easily on your battery and can be moved from one battery to another—when you replace your battery. Not to be used with diesel engines. Lifetime warranty. Write for free copy, see page 1139.
28 R 7082—Wt. 1.75 lbs **$39.99**

G

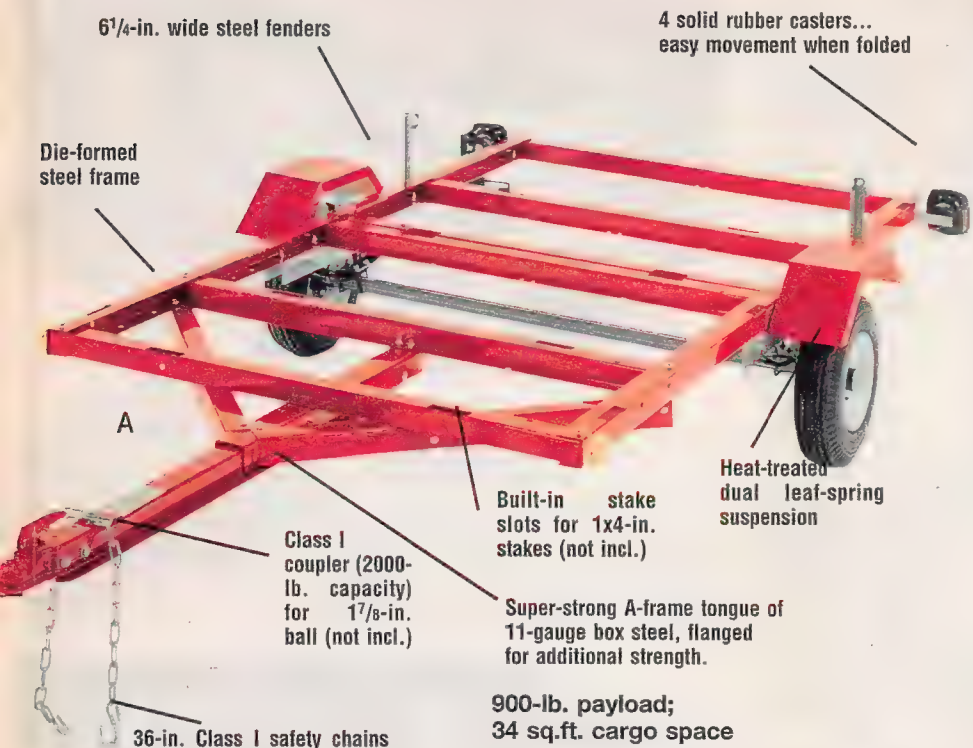
H

G and H. 100% copper cables in your choice of 6-gauge or 2-gauge. See the inset views above for comparison. Our 6-gauge wire gives you 60% more conductivity than the 8-gauge that is used by many of our competitors. Our 2-gauge wire is even more heavy-duty and gives you 120% more conductivity than 6-gauge.

G. Heavy 6-gauge copper cables. 16 ft. long. Copper-plated steel jaws connect to cables, deliver charge up to 400 amps. Shock-resistant clamps. Front-to-rear, front-to-front, side-to-side hookups. Flexible to -60° F.
28 R 7138—Wt. 6.50 lbs **$19.99**

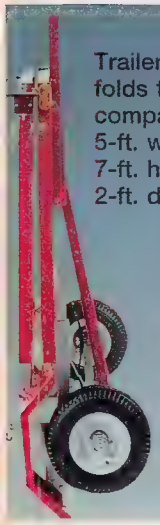
H. Pro-quality 2-gauge cables. 20 ft. long. Have 500 "P" parrot clamp.
28 R 7140—Wt. 12.00 lbs **$49.99**

Utility trailers, cargo boxes and accessories

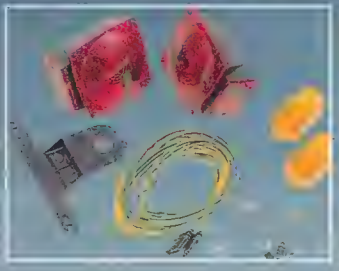


900-lb. payload; 34 sq.ft. cargo space

$259.99 when you also buy cargo box (K) or wood rack (L)



Trailer folds to a compact 5-ft. wide, 7-ft. high, 2-ft. deep



Trailer includes large red stop/turn lights with amber side markers and complete wiring harness

Add a floor to haul almost anything. Trailer also tilts for easy loading and unloading

Need a tractor? See our great selection of Craftsman® tractors and accessories sold on pages 808 through 817.

Save $30 to $100 on our heavy-duty, steel frame trailers (items A thru D) when you also buy cargo box or wood rack (items K thru M)

A thru D. Heavy-duty steel frame trailers feature a special A-frame design to distribute loads evenly across trailer bed, giving you greater strength and durability. Durable, baked enamel finish. D.O.T. approved 4 lug-bolt automotive wheels and high-speed automotive hubs with tapered bearings. Lights, trailer to trunk wiring and license plate holder included. Unassembled, complete with hardware and instructions. See chart below to compare features. Order appropriate cargo box or wood rack from the facing page. See trailer note, below left.

A. 900-lb. payload trailer is a great value! 34.0 sq.ft. of cargo bed space, plenty for carrying a lawn tractor, all-terrain cycle or other utility needs. Trailer tilts for easy loading/unloading. Folds handily to 5x2x7-ft. for storage. Red enamel finish. Wt. 225 lbs.
28 R 22360N—Trailer alone **$359.99**
When you buy cargo box or wood rack **259.99**

B. 1,000-lb. payload trailer. Large payload capacity with 13.3 sq.ft. of cargo bed space. Complete with wide fenders and stake slots. See optional motorcycle rail (N) and boat attachment kit (P) at the bottom of facing page. Wt. 125 lbs.
28 R 22336N—Trailer alone **$229.99**
When you buy cargo box or wood rack **199.99**

C. 1000-lb. payload trailer plus 25.5 sq.ft. of cargo bed space. Trailer tilts for easy loading and unloading. Red enamel finish. Wt. 180 lbs.
28 R 61727N—Trailer alone **$339.99**
When you buy cargo box or wood rack **292.99**

D. Heavy-duty trailers are ready to haul! Choose from two high-capacity payload models. Both feature large, 40.0 sq.ft. cargo beds and both tilt for easy loading and unloading. Black enamel paint finish.

1,500-lb. capacity trailer. Wt. 365 lbs.
28 R 22372N—Trailer alone **$519.99**
When you buy cargo box or wood rack **419.99**

1,800-lb. capacity trailer. Wt. 375 lbs.
28 R 22371N—Trailer alone **$579.99**
When you buy cargo box or wood rack **479.99**

See our complete line of hitches and towing equipment on page 900 & 901.

F. The Shadow™ single wheel trailer takes turns like it's part of your vehicle because it practically is! Included stabilizing bar hooks into any 1¼x1¼-inch receptacle type class II trailer hitch (bar runs parallel to bumper), single wheel trailer is attached at each end of stabilizing bar...making a solid mount. Single wheel pivots instead of whole trailer, eliminating "reverse steering" when backing! Trailer holds up to 450 lbs., has stableizing legs with casters that can be lowered to move trailer easily when not attached to vehicle. Tail/turn/stop lights on frame. Adds only 5½-ft. to vehicle. 36x54-inch bed area. Includes floor, pockets with threaded holes for side frames, safety chains, hardware and instructions. Tire size 4.80/4.00x8. See Trailer note and store pickup note on facing page.
28 R 22348N—Wt. 88 lbs **$299.99**

G. The Shadow (F) with weather proof cargo box, is the perfect combo for vacations! Box has 30 huge cu. feet of carrying space. Molded fiberglass with white gel-coat can be painted to match your vehicle. 46x61x27-inches high.
28 R 22392N—Wt. 173 lbs **$649.99**

The Shadow (F) with X-Cargo (not shown). X-Cargo sold sep. on pp 872-873.
28 R 22393N—18-Cu. Ft. X-Cargo, Wt. 124 lbs **$399.98**
28 R 22394N—Mini-van X-Cargo, Wt. 123 lbs **459.98**

H. Wood stake side kit for (F), 8 steel standards, predrilled; (6 end pieces and 6 side pieces); 8 hold-down bolts; 48 stove bolts with washers and nuts.

A

Warn makes its own 3-stage planetary gear sets with up to 60% more efficient operation and more pulling power than worm drives on competing winches! Also feature certified aircraft quality galvanized wire cable and industrial-quality series wound motors

C 8,000-lb. capacity

B 9,000-lb. capacity

D 6,000-lb. capacity

Available in catalog only!

Strong, reliable pulling power...is why Warn winches are America's best-sellers!

A thru D. Monthly payments are now available on your SearsCharge or Sears Charge Plus.* Warn winches are driven by powerful series-wound, fin-cooled motors. Engineered not to lose power under temperature extremes and to pull with higher torque than other types of motors. Free-spooler helps cable wind/unwind smoothly. Please see our "Compare the Features" chart for winch information and pricing, "Choosing a Winch" story below. Warn winches carry a limited lifetime warranty for as long as you own the winch. Write for free copy of warranty; see page 1139. For technical questions or product information, call the Warn Hotline at 1-800-543-9276. *See credit information on page 1144.

Mounting kits for Warn winches

A strong, secure mounting kit is an absolute must. It provides the safe and sturdy platform you need to get the most out of your winch. Our kits are designed to mount quickly and easily on a variety of vehicles. Call 1-800-366-3000 and ask your sales consultant to use the "F5" look-up to find the correct mounting kit. Please have your vehicle's make, model and year ready.

E and F. Heavy-duty steel kits† in chrome-plated or black finish. Call 1-800-366-3000 and ask your sales consultant to use the "F5" look-up to find the correct mounting kit. †Raised suspension may require extra mounting hardware (not included). Roller fairlead shown sold separately.

E. 1-piece bumper kit. No drilling required. Bolts to frame and original bumper holes.
Black finish ..... low as **$299.99**

F. Combo kit mounts to original bumper frame. Grille guard helps protect headlights.
Black finish ..... low as **$319.99**

Choosing the right winch...

Slecting the right winch is crucial. You should choose a winch with a single line rating at least 1½ times greater than your vehicle's gross weight (include passengers and gear). For example, if your vehicle weighs about 4,000 lbs., a 9,000 lb. winch would be the appropriate winch for you. And don't forget to check if you need to modify your vehicle's electrical system to accommodate the winch.

Additional sizes available: G70-14, D60-14, G60-14*, L60-14*, H50-14, N50-14, G70-15, H70-15, C60-15, H50-15. Call 1-800-736-1617. *Nylon NOTE: Due to the soft tread compounds used in the S/S tires, the life of the tread may be less than other tires. No treadwear guarantee is given on any Mickey Thompson™ tire, especially tires with special traction compounds.

Save $12 to $52

when you buy a set of 4 remanufactured radials

Achievor® S-70 remanufactured performance passenger car radial

- 30,000 mile tread wear-out warranty*

Low as **$34.99** each, 4 or more

Achievor® remanufactured all-season passenger car radial

- 35,000 mile tread wear-out warranty*

Low as **$19.99** each, 4 or more

Achievor® AT or STR remanufactured light truck radials

- 35,000 mile tread wear-out warranty*

Low as **$36.99** Achievor AT, each, 4 or more

Achievor® remanufactured radials for cars and light trucks

New tire look and performance plus nationwide warranty coverage for a lot less than new tires!

And buying Achievor radials is environmentally smart, too. Using remanufactured tires reduces landfill waste and saves more than half the oil required to produce a new tire!

A thru C. 3 important steps go into building our Achievor remanufactured tires: 1) Each original tire is critically inspected (only 5 out of 100 are found good enough to become an Achievor®), 2) Old rubber is removed and specially compounded rubber is placed on the sidewall, shoulder and tread, 3) Tread pattern is formed in specially designed, segmented molds...the same kind used to produce new tires.

A. Achievor remanufactured S-70. All-season performance, "S" speed-rated to 111 MPH. Excellent handling and wet/dry traction.

Tire information

U.S. DEPARTMENT OF TRANSPORTATION QUALITY GRADINGS: (See individual ratings below.) All passenger car tires (except snow, retread and remanufactured tires) have been graded in accordance with U.S. Department of Transportation new-tire test procedures in the areas of traction, temperature resistance and treadwear, as explained below. All passenger car tires must conform to federal safety requirements.

TRACTION: Traction grades, from highest to lowest, are A, B and C and they represent the tire's ability to stop on wet pavement as measured under controlled conditions on specified government surfaces of asphalt and concrete. A tire marked C may have poor traction performance. WARNING: Traction grade assigned to the tire is based on braking (straight-ahead) traction test and does not include cornering (turning) traction.

TEMPERATURE: Temperature grades are A (the highest), B and C, and they represent the tire's resistance to the generation of heat, and its ability to dissipate heat when tested under controlled conditions on a specified indoor laboratory test wheel. Sustained and excessive temperature can lead to sudden tire failure. The grade C corresponds to a level of performance which all passenger car tires must meet under the Federal Motor Safety Standard No. 109. Grades B and A represent higher levels of performance on the laboratory wheel than the minimum required by law. WARNING: Temperature grade for the tire is established for a tire that is properly inflated and not overloaded. Excessive speed, underinflation, or excessive loading, either separately or in combination, can cause heat build-up and possible tire failure.

TREADWEAR: Treadwear grade is a comparative rating based on the wear rate of the tire when tested under controlled conditions on a specified government test course. A tire graded 150 would wear 1 1/2 times as well on the government course as a tire graded 100. Relative performance of tires depends upon actual conditions of their use, however, and may differ significantly from the norm due to variations in driving habits, service practices and differences in road characteristics and climate.

Our top quality replacement inner tubes for passenger car tires are made of butyl rubber. They're required for our vintage tires sold on page 905.

Butyl rubber tubes (not shown) for passenger car tires. Be sure to replace your old inner tubes (when replacing tires requiring tubes) at the same time you're purchasing your new tires.

Important tire notes and warranty information

INFORMATION ON MICHELIN ROADHANDLER® RADIALS AND BRIDGESTONE ROADHANDLERS ROAD-HAZARD COVERAGE. Sears makes no promise that road hazard failure cannot occur. But should Sears Michelin RoadHandler® or Bridgestone Roadhandler radial tires sold with this Road Hazard Coverage fail in normal use due to a road hazard (such as a cut, bruise or impact not associated with collision, accident or vandalism) before the original purchaser has received the warranted miles of usage from the tire on the vehicle on which it was originally mounted, Sears will replace the tire, or refund the purchase price. Sears will charge the proportion of the purchase price that represents the ratio of the miles received to the pertinent mileage of the warranted tire. Write for complete information, see page 1139.

INFORMATION ON TIRE-CHANGE ROAD SERVICE ON BRIDGESTONE ROADHANDLER TIRES...ADMINISTERED BY ALLSTATE MOTOR CLUB, INC. Allstate Motor Club, Inc. will reimburse you for the expense of emergency tire change road service for up to one year from purchase date of the tire. This includes the cost of a road hazard service call and tire change. It doesn't include tire repair (see Road Hazard Coverage above). To obtain this road service coverage, pick up a registration card from a Sears catalog desk. Send the registration card to the address listed within 10 days of purchase. The registration card will contain the information needed to get a reimbursement from Allstate Motor Club, Inc.

TIRE WARRANTY INFORMATION (Write for complete written warranty, see page 1139.)

SEARS TIRE WARRANTY FOR NEW, RETREAD OR REMANUFACTURED TIRES:

FULL WARRANTY DURING FIRST 25% OF USABLE TREADLIFE. Tire Failure. During the first 25% of original usable tread (original tread less 2/32-in.), if the size and load range rating of the tire are equivalent to or greater than that specified by the vehicle's manufacturer, Sears will replace the tire, free of charge, or refund the purchase price of the tire, if a failure occurs which is apparently due to a defect in material or workmanship of the tire. Failures caused by road hazards are not covered by this warranty.

LIMITED WARRANTY. Tire Failure. After 25% of the tread is worn, and for the remaining 75% of the original usable tread (original tread less 2/32-in.) If the size and load range rating of the tire are equivalent to or greater than that specified by the vehicle's manufacturer, Sears will replace the tire charging you only the proportion of the current price that represents the portion of usable tread used or give a refund for the proportion of the purchase price that represents the portion of usable tread remaining, if a failure occurs which is apparently due to a defect in material or workmanship of the tire. Failures caused by road hazards are not covered by this warranty.

Tread Wearout. If the size and load range rating of the tire are equivalent to or greater than that specified by the manufacturer, Sears will, at its option, either replace the tire charging the proportion of the current price that represents the ratio of miles usage actually received to the number of miles covered by the warranty or give a refund to the proportion off the purchase price that represents the ratio of miles remaining to the number of miles covered by the warranty, if wearout of the tread (2/32-in. or less remaining) occurs. This does not apply to wearout caused by improper inflation, misalignment, or failure to use and maintain the tire in accordance with recommendations provided at the time of sale and light truck tires sold for fleet service.

SUPERGUARD RESPONSE, SUPERGUARD GT, PREDATOR 60, SUPERGUARD 50, BRIDGESTONE ROADHANDLER AND MICHELIN ROADHANDLER RADIAL TIRES FULL WARRANTY DURING USABLE TREADLIFE: Lifetime free replacement during the life of the usable tread (original tread less 2/32-in.), if the size and load rating of the tire are equivalent to or greater than that specified by the vehicle's manufacturer, Sears will replace the tire, free of charge, or refund the purchase price of the tire, if a failure occurs which is apparently due to a defect in material or workmanship of the tire. Failures caused by road hazards are not covered by this warranty. Warranty service is available by returning the tire which has failed to the nearest Sears store throughout the United States. YOU MUST PRESENT DOCUMENT SUPPLIED WITH TIRE AND TIRE EACH TIME SERVICE IS REQUESTED. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

MICKEY THOMPSON TIRE STANDARD LIMITED WARRANTY. Every first quality tire bearing our name and serial number and not branded 'NA' which is not used for racing is warranted to be free of defects in workmanship and material during the life of the original tread design. Original tread life is completed when the tire is worn to 2 remaining 32nds.
If, upon presentation of the tire, our examination shows such a tire is eligible for adjustment credit under terms of this warranty, we will make a reasonable allowance on the purchase of a new tire based on the then current 'Suggested Retail Price.' Any such allowance will be based on the treadwear remaining as set forth in the adjustment policy available from the company. This warranty is made for the exclusive benefit of the original owner actually using these products, is not assignable, and no claim hereunder will be recognized unless submitted on our standard claim form duly filled out and signed by such owner.
This warranty does not in any way extend to any consequential damages or losses. There is no other warranty, or liability, expressed or implied, applicable to these products. No representative has the authority to make any representation, promise or agreement except as stated herein. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

RADIAL MOUNTING NOTE: Radial tires must be mounted in pairs on the same axle. If only two radials are used, they must be mounted on the rear axle. To protect drive components of 4WD vehicles, we strongly recommend that radial tires be mounted in sets of 4.

TIRE PRICING NOTE: Various state and local fees and//or taxes may apply to the sale of tires.

Sears, Roebuck and Co., Dept. 702CCR, P.O. Box 1530, Downers Grove, IL 60515

Wheel covers for front or rear-wheel drive cars

Wheel covers are an easy, inexpensive way to dress up your vehicle! And all wheel covers on these two pages will fit both front and rear-wheel drive vehicles!*

A thru F. These high-style wheel covers are constructed of virgin ABS/PPO plastic to withstand extreme wheel temperatures. The 360° attachment system provides a secure fit. Tough, two-coated baked-on finish helps prevent chipping and peeling. Covers are available in black, white or silver painted finishes. Most are also available in chrome-plated versions. See chart below for available wheel diameters and finishes for your wheel cover choice. Please see "To order" panel below.

Style	Diameters, inches	Painted, set of 4	Chrome plated, set of 4
(A) Daytona I	13, 14, 15	**$42.99**	**$52.99**
(B) Daytona II	13, 14, 15	**39.99**	**49.99**
(C) Turbo I	13, 14, 15	**47.99**	**57.99**
(D) Turbo II	13, 14, 15	**44.99**	**54.99**
(E) Indy I	13, 14	**29.99**	.....
(F) Indy II	13, 14	**29.99**	.....

G thru L. Premium quality covers are constructed of high-grade painted/chrome-plated ABS plastic. Flexible steel clip attachment system for easy installation and removal. See "To order" below.

Style	Diameters, inches	Set of 4

5-year limited warranty!**

Alcoa aluminum dually wheel package

V. Upgrade your factory steel wheels with this stronger, lighter and more stylish forged aluminum wheel set from Alcoa. Lighter weight and increased strength should add up to better fuel economy, longer tire and brake life, lower maintenance and a higher resale value for your vehicle. Fits most GM or Ford trucks and RVs using 16-in. x 6-in. wheels with tubeless tires only. Complete with lug nuts, stainless steel lug nut covers, 4 aluminum center caps, special factory-installed valve stems, 2 front wheels and 2 rear outer wheels (use your original factory rear inner wheels). Allow 14 days for delivery.

*On SearsCharge Plus. See credit details on page 1144.

To order, see chart below and call **1-800-366-3000.**

Make and year	Lug size	Catalog Number	Wt., lbs.	Kit
1976-87 GMC/Chevy†	8-lug wheels	F 95 R 10826	69	$999.99
1988-93 GMC/Chevy†	8-lug wheels	F 95 R 18027	69	999.99
1984-93 Ford‡	8-lug wheels	F 95 R 10825	69	999.99

†Use only on GMC and Chevrolet series C/P/K 300 and 3500 1-ton vehicles with factory-installed 16x6K dual wheels.

‡Use only on Ford E350 and F350 4x2 1-ton vehicles manufactured after January 1, 1984 with factory-installed 16x6K dual wheels.

**Warranted by manufacturer. Write for free copy, see page 1139.

Kleen Wheels® Dust Shields help protect your expensive clear-coat or alloy wheels

They fit like an inside hubcap to block dirt and brake dust

- Lifetime warranty☆, made in the USA!
- Turbo-vented to enhance brake cooling
- No-maintainance, aircraft-grade aluminum alloy construction
- No special tools required to install
- Custom-fit for most any car, truck or van with factory or after-market wheels

W. Kleen Wheels® Dust Shields help keep your expensive wheels shining like new! The build-up of corrosive brake dust and road grime can etch and pit the surface of your aluminum or alloy wheels, especially the front. And sometimes the cleaners used to remove dirt can be just as harmful. Kleen Wheels Dust Shields will help keep the brake dust off your wheels without affecting brake performance or wheel balance. Order two pair so you won't have to move the shields when rotating tires.
Price per pair **$39.99**
Price per pair when you buy 2 or more pair **36.99**

To order Kleen Wheels Dust Shields only:
Note your vehicle's make, year, model and the wheel size and type (alloy or steel). If you've added custom wheels, note the brand plus style or series number. Call toll-free, 1-800-452-2770 from 7 AM to 4 PM Central Time weekdays. Please tell the operator you're ordering from the Sears 1993 "R" Spring Big Book.

☆Manufacturer's limited lifetime warranty for as long as original purchaser owns the vehicle on which the shields are originally installed.

Low as
$36.99
per pair when you buy 2 or more pair

Simply remove wheel, fit shield in place, remount your wheel

SUPERIOR

D. M/T Alcoa aluminum wheels. Hot-die forging creates a non-porous surface that won't leak. Aluminum center caps (sold separately) use O-ring for rattle-free installation. Uses conical seat lug nuts. 3000 lb. load rating. Sizes 15x7, 15x8, 15x10, 15x12, 15x14, 16x7 and 16x8 inches. Available in 5 and 6 bolt hole pattern. Priced from $139.99 to $299.99 each. Limited 2-year warranty by Alcoa. Write for free copy, see page 1139. To order, call 1-800-736-1617.

Wheel and tire mounting service. Factory mounting and balancing of most Baja Belted tires available on Alcoa aluminum wheels for an additional $49.50 per tire at time of tire and wheel purchase from factory. Includes mounting, spin balancing, center caps, chrome lug nuts and high-performance valve stems. To order, call toll-free at 1-800-736-1617.

Save $20 to $120 on a set of 4 light truck radials

TrailHandler APT

- All-terrain, all-season, all-weather, all-position steel belted radial
- 40,000 mile tire tread wear-out warranty*
- Aggressive on or off-road tread pattern gives extra bite and traction on all terrains
- Special 2+2 steel belt package provides more durability and treadwear
- Computer noise treated tread design for quiet highway driving
- Anti-chip tread compound for off-road use. Also provides 10% better traction than our TrailHandler AT
- Tread elements are pinned for studs
- Improved sidewall bead package provides excellent handling
- RV and sport sizes have raised white outline letters. Blackwall only sizes have attractive black outline lettering

One tough truck tire!

Even after 40,000 miles, it still passed all U.S. government testing for a brand new tire...and with an amazing 25% usable tire tread remaining!

A set of TrailHandler APT All Position Tires was run for 40,000 miles on highways, secondary roads and off-road, and then tested under the exact same conditions as a brand new tire. The TrailHandler APTs passed the endurance and plunger tests required for all new tires under U.S. Government DOT Test MVS 119. Order from chart below.

Light truck tire notes:
New valves should be purchased when replacing tires. Order from page 920.

*Tires are warranted by Sears. Write for free copy of complete warranty, see page 1139.

Be sure to check your vehicle's owner's manual for the proper size, load range and inflation pressure. You should never use a smaller size or a tire with a lower load limit than specified by your vehicle's manufacturer.

B. The perfect tire for mini-vans, light trucks and sport-utility vehicles. A great choice for vehicles originally equipped with P-metric tires, extra-load carrying capacity "LT" size tires. Increased durability and great truck-tire looks with the smooth, quiet ride of a passenger car tire. Computer-designed tread provides all-season traction. Reinforced bead. Raised outline white letters on one side, raised black letters on the other. See Notes at left.

American Racing Equipment

Save $24 to $184 when you buy any set of 4 wheels sold on these two pages

- Built to perform—American Racing has a reputation for building the most attractive wheels in the business...and for their commitment to offering the safest, "truest" wheels rolling down the road today
- Manufactured and tested to original equipment standards
- Full range of quality accessories available including heat treated, conical seat lug nuts
- All aluminum and most steel wheels are powder painted and clear-coated for optimum weatherability. Easy to clean and will not oxidize with proper care.
- Lug holes are computer drilled for precise positioning
- Specialized diamond cutter for a quality finish on final face cut
- Only the highest quality aluminum alloy available is used

Wheel accessories to fit every wheel sold on these two pages:

Lug nuts ..... Each **$.99 to $4.99**
Wheel locks ..... Set of 4 **$14.99 to $34.99**
Center caps ..... Each **$6.99 to $33.99**
Valve stems ..... Each **$.69 to $2.99**
Spinners ..... Each **$14.99**

To order American Racing Equipment custom wheels and accessories:

Call toll free 1-800-272-8849 Monday thru Friday, 8 AM to 8 PM Central Time, Saturday from 9 AM to 5 PM Central Time. Note these details about your vehicle: 1. Make, model and year; 2. Front wheel drive or rear wheel drive; 3. 2 wheel drive or 4 wheel drive; 4. Number of lugs nuts per wheel; 5. Complete tire size (for example: P195/75R14). 8 lug applications available for heavy-duty Ford, Chevy and Dodge pickup trucks. Tell the operator you're ordering from Sears 1993 "R" Spring Big Book.

American Racing Equipment Custom Wheels®

A thru F. Steel wheels. Great low prices and a wide selection of sizes and finishes. See "To Order" panel at left.

A. Wagon Wheel. White painted or Pioneer (not shown) chrome finish. Hub cover not included. Rear wheel drive only. Sizes: 13.5, 14, 15, 16, 16.5 inch.
Each ..... From **$36.99** to **$101.99**
4 or more, each ..... **28.99** to **89.99**

B. Nugget Series. Available in chrome and black finishes. Hub cap not included. Rear wheel drive only. Sizes 13, 14, 15, 16, 16.5 inch.
Each ..... From **$53.99** to **192.99**
4 or more, each ..... **44.99** to **172.99**

C. Pro 781 Series. Available in chrome finish. Hub cover not included. Rear wheel drive only.
Sizes 14, 15, 16, 16.5 inch.
Each ..... From **$67.99** to **$118.99**
4 or more, each ..... **56.99** to **104.99**

D. AR 790. Available in chrome finish. Hub cover included. Rear wheel drive only. 15 inch size only.
Each ..... From **$129.99** to **$134.99**
4 or more, each ..... **109.99** to **114.99**

E. AR 750. Available in chrome finish. Hub cover included. Rear wheel drive only. Sizes 14 or 15 in.
Each ..... From **$114.99** to **$164.99**
4 or more, each ..... **94.99** to **144.99**

F. Pro 701. Hub cover included. Front wheel drive only. Sizes 13, 14 and 15 inch.
Each ..... From **$99.99** to **$114.99**
4 or more, each ..... **84.99** to **102.99**

G thru J. Clear-coated, chrome-plated steel wheels for maximum protection and ease of maintenance. Durable. Please see "To Order" at left.

G. AR 760/AR765. Hub cover not included. Rear wheel drive only. 15 inch size only.
Each ..... From **$99.99** to **$109.99**
4 or more, each ..... **89.99** to **94.91**

H. AR 752. Hub cover included. Front wheel drive only. Sizes 13, 14 and 15 inch.
Each ..... From **$99.99** to **$114.99**
4 or more, each ..... **84.99** to **102.99**

J. AR 46. Hub cover not included. Rear wheel drive only. Sizes 14 and 15 inch.
Each ..... From **$69.99** to **$79.99**
4 or more, each ..... **59.99** to **69.99**

K thru U. 1-piece clear-coated aluminum wheels. Stronger, yet lighter than steel. Greater load rating than steel. See "To Order", page 914.

K. AR 39. Black accent machined finish. Hub cover included except on 4WD applications. Rear wheel drive only. Size 14, 15, 16 inch.
Each ..... From **$152.99** to **$181.99**
4 or more, each ..... **129.99** to **162.99**

L. AR 41. Black accent or red machined finish. Hub cover included except on 4WD. Rear wheel drive only. Size 15 inch only.
Each ..... **$169.99**; 4 or more, each **$152.99**

M. AR 40. Black accent or red machined finish. Hub cover included. Front drive only. Sizes 14, 15 in.
Each ..... From **$154.99** to **$175.99**
4 or more, each ..... **134.99** to **157.99**

N. AR 23. Hub cap included, except on 4WD. Rear wheel drive only. Sizes 14, 15 and 16 inch.
Each ..... From **$132.99** to **$164.99**
4 or more, each ..... **112.99** to **145.99**

P. AR 9/10. Black or silver machined finish. Lockable metal cap included. Front wheel drive: 14, 15, 16 inch. RWD: 15 and 16 inch.
Each ..... From **$157.99** to **$219.99**
4 or more, each ..... **133.99** to **194.99**

R. AR 29/34. Black or silver machined finish. Lockable center cap included. Front wheel drive: 13, 14, 15 and 16 inch. RWD: 15 inch only.
Each ..... From **$134.99** to **$209.99**
4 or more, each ..... **112.99** to **182.99**

S. Outlaw I, II. Hub cover included except on 4WD. Rear wheel drive only. Sizes 14, 15, 16, 16.5 inch.
Each ..... From **$104.99** to **$169.99**
4 or more, each ..... **88.99** to **152.99**

T. AR 8. Black accent machined finish. Hub cap included, except on 4WD applications. Rear wheel drive only. Sizes 15 and 16 inch.
Each ..... From **$159.99** to **$169.99**
4 or more, each ..... **136.99** to **147.99**

U. AR 26. Hub cover included, except 4WD. True directional wheels. RWD: sizes 14, 15, 16, 16.5 inch.
Each ..... From **$119.99** to **$159.99**
4 or more, each ..... **101.99** to **140.99**

V thru Z. 2-piece aluminum wheels. Lighter than 1-piece aluminum. Less vibration for a better ride. Less tire wear, greater brake life. Made to exacting tolerances for performance. See "To Order", page 914.

V. AR 216. Silver or gold finish wheels. Hub cover included. Front wheel drive only. Sizes 14, 15 inch.
Each ..... From **$185.99** to **$195.99**
4 or more, each ..... **154.99** to **169.99**

W. AR 255. Hub cover included. For front wheel drive. Sizes 14, 15 inch. AR 256 (not shown) for RWD, size 15-inch only.
Each ..... From **$179.99** to **$199.99**
4 or more, each ..... **149.99** to **169.99**

X. AR 234. Silver or black accent machined finishes. Valve stem, cap included. For front and rear wheel drive. Sizes 13, 15, 16 and 17 inch.
Each ..... From **$154.99** to **$459.99**
4 or more, each ..... **134.99** to **413.99**

Y. AR 215. Black accent machined finish. Valve stem, lockable metal cap included. Rear wheel drive only. 15 inch size only.
Each ..... From **$194.99** to **$214.99**
4 or more, each ..... **164.99** to **179.99**

Z. AR 233. Valve stem, lockable cap included. Rear wheel drive only. 15 inch size only.
Each ..... From **$199.99** to **$214.99**
4 or more, each ..... **179.99** to **182.99**

Bridgestone RoadHandler radials

*Lifetime free replacement: If your RoadHandler Radial ever fails because of a defect in material or workmanship during usable life of tread, we will replace it at no charge. See page 907 for details. ROAD SERVICE: Allstate Motor Club will provide emergency road service free of charge to purchasers of Bridgestone RoadHandler and Bridgestone RoadHandler GT. See warranty brochure for details. Write for free copy of complete warranty, see page 1139.

Note: New valves should be purchased when replacing tires. Order from page 920. See Important notes, page 907. Tires warranted by Sears; write for free copy, see page 1139.

Michelin RoadHandler radials

80,000 mile warranty on tires A & B

Our longest tread wear-out warranty ever!

- Lifetime FREE replacement! If your Michelin RoadHandler ever fails due to a defect in material or workmanship during usable life of tread, we'll replace it at no charge! See page 907 for details
- FREE 1,000 mile road test...buy a set of 4. If you're not convinced that these are the best tires you've ever put on your car, return them for a full refund. Call your local Sears store for details

A and B. Michelin combines a revolutionary new casing design and rubber compound to create passenger tires that deliver it all: long mileage, even wear (even in the critical shoulder area) and all-season performance! Fully siped for excellent water dispersion. Stabilized block tread delivers even treadwear for longer tread life and consistent, predictable tire grip on dry, wet, snowy road surfaces. Resists punctures, road hazards, even the abuse of gravel roads. Helps reduce road shock, noise, vibration for quiet, smooth ride. Wide belt package for great steering response.

RoadHandler PLUS radial

Low as **$44.99** each, when you buy a set of 4

A. All-season, "S" speed-rated with exceptionally long-wearing tread. See Note, facing page.

Low-profile radial tires aren't just for sports or "performance" cars...read on to discover what they can do for you!

Regardless of the kind of car you have, you'll get improved handling and better all-around performance with low-profile, high-performance tires. A low profile means there's a shorter sidewall and wider tread (see illustration above right). This puts more rubber on the ground, increasing traction. A low-profile radial is designed to be stiffer so the tire reacts more quickly to your driving commands.

Another important aspect of performance tires is their speed ratings, which were developed in Europe, where performance is a passion and the speed limits are substantially higher than in the U.S.A. Speed ratings help assure that a tire can operate safely at the rated speed. While you may never drive at these speeds, the higher the speed rating, the better the construction, quality, handling and overall tire performance at lower speeds. "S" is speed-rated to 111 mph; "T" is speed-rated to 118 mph; "H" is speed-rated to 130 mph; "V" is speed-rated to 149 mph. Always use a tire with an equal or higher speed rating than the one originally used by your vehicle's manufacturer.

Low-profile tire substitution chart

If your car manufacturer recommends one of the sizes listed in the "P-Metric size" column, one of the sizes listed in the "Acceptable substitute sizes" column may also fit, provided your car has enough wheel well and suspension clearance.

A

Michael Jordan U-Can-Slam basketball system
$199.99
$10 monthly†

- Counter-balanced feature makes height adjustment safe and easy
- No tools needed to adjust pole
- 20-year limited warranty*

A. Michael Jordan U-Can-Slam basketball system features the easiest adjusting backboard and the longest warranty of any basketball system we carry. Fiberglass backboard and flex goal have simplified assembly and can be adjusted without use of any tools. Just remove and replace the stabilizing pin to adjust the height from 7 ft. 6 in. to 10 ft. (5 different height settings). The backboard is counter-balanced to remain stable as you remove the pin to help prevent injury. The pole adjusts easily with two hands without slippage or pinching of the fingers. 47x34-inch molded fiberglass backboard is fully ribbed for excellent rebound. Flexible 5/8-inch solid steel basketball goal and 3 1/2-inch round steel pole with durable powder-coated finish. Includes a padlock on the adjusting pin for added security. Complete with net, hardware and assembly instructions. Made in USA.
F 6 R 18601**—Wt. 70 lbs **$199.99**

B. Spalding Portacourt™ system. Set it up anywhere—the driveway, patio, park, or in a parking lot. Especially great for apartment dwellers and condo owners. No permanent installation required and it folds down for out-of-the-way storage. Allows quick, easy height adjustment between 7 and 10 feet. Pole has durable, maintenance-free PolyBond™ coating. Complete combo set includes PortaCourt system, premium-grade graphite composite backboard, reflex steel rim, net and all necessary hardware. 44x30 1/2-inch backboard delivers exceptional rebounding and durability. Steel rim can be installed with a spring mechanism (included) for aggressive play, or with a special hinge (also included) to allow most compact storage. Backboard features a 5-year limited warranty.* Requires either water containment system (sold below) or 250-lbs. of ballast (not included). Made in USA.
F 6 R 1897**—Wt. 70 lbs **$199.99**

Portacourt pole without backboard and goal. Can be used with most other backboards. Made in USA.
F 6 R 18627**—Wt. 52 lbs **$149.99**

C. Water containment system for Portacourt™ is a weight system to keep the Portacourt balanced. Easy to fill and drain. Made of high-density polyethylene for weather resistance. Molded-in handles and instructions. Made in USA.
F 6 R 18620**—Wt. 12 lbs **$39.99**

D. Clear Slam acrylic backboard, goal, and net. 44x32-inch optical quality acrylic, 5/8-inch Slam Jam steel powder-coated goal, tri-color net. NBA endorsed. Made in USA. Warranted.*
F 6 R 18693**—Wt. 59 lbs **$149.99**

E. Michael Jordan MVP basketball has wide channel seams for superior grip and feel. Unique synthetic leather lets you use ball indoors and outdoors. Official size and weight. Made in USA.
6 R 18619—Wt. 1.11 lbs **$19.99**

F. Jammin' black rubber graphic basketball is NCAA endorsed and features graphics that stand out on any court. Rubber covered. Select nylon wound. Official size. Made in USA.
6 R 1857—Wt. 2.00 lbs **$15.99**

*Warranted by manufacturer. Write for free copy, see page 1139.
**Items with "F" prefix are shipped directly from manufacturer. Please allow 14 days for delivery.
†See credit details on page 1144.

Shoot some hoops

G. Spalding 54x36-inch regulation size graphite backboard with goal is the largest backboard we offer. Graphite/fiberglass board with solid core to provide exceptional rebounding across entire surface and extra stability at mounting points. Reinforced molded structural ribbing keeps surface flat for higher performance. Powder-coated goal is official 18-inch diameter solid steel with spring loaded flex goal for minimum vibration and superior shock absorption. Net, instructions and hardware included. Made in USA. 10-year limited warranty on backboard.*
6 R 18607—Wt. 43 lbs **$99.99**

H. Michael Jordan Signature graphite backboard set features special 47x34x1-inch computer designed graphite/fiberglass composite backboard with unique target perimeter graphics. Flexible 5/8-inch diameter solid steel goal. Net, hardware and assembly instructions included. Partially assembled. Made in USA.
F 6 R 18637**—Wt. 26 lbs **$89.99**

J. Pro Slam ribbed fiberglass backboard, goal and net features sturdy 48x36-inch board and 5/8-inch Slam Jam goal. Made in USA. 5-year limited warranty.*
F 6 R 18687**—Wt. 28 lbs **$59.99**

K. Deluxe universal mounting bracket is made of heavy-gauge tubular steel construction which is 50% stronger than flat metal brackets. Mounts on roofs, walls or 3 1/2-inch poles. 15-inch backboard overhang for drive-through layups. Galvanized steel for long lasting outdoor use. Backboard and rim mounting hardware included. Made in USA.
6 R 18774—Wt. 7.50 lbs **$24.99**

L. Sears Exclusive! Fiberglass backboard, goal, and net features 44x30 1/2-inch board, computer designed ribbing for uniform strength and reinforced mounting holes for greater stability. Hardware included. Made in USA. 5-year limited warranty.*
F 6 R 18603**—Wt. 17 lbs **$39.99**

M. NBA endorsed extension arm pole fits every backboard on this page. Durable powder-coated 3 1/2-inch round pole system. 14 gauge steel extension arm. All hardware included. Made in USA.
F 6 R 18650**—Wt. 42 lbs **$59.99**

N. NBA endorsed elevator conversion kit converts any 3 1/2-inch round pole to an instant adjust system. Elevator arm allows quick and easy adjustment of your backboard so you can jam! Universal mounting accommodates all backboards. Adjusts from 7 to 10-ft. with 7 positions. Allows even your younger children to develop proper shooting skills. Made in USA.
F 6 R 18688**—Wt. 34 lbs **$69.99**

Elevator system is same as NBA endorsed elevator conversion kit listed above, except includes powder-coated, 3 1/2-inch steel pole. Made in USA.

Save $50 to $80

on boats (A) thru (C) when purchased with recommended gas motor. Thru 8/31

A. Bass Boat is great for the all day angler. Features include rod holder, drink storage, and plenty of space for tackle. Two contour swivel seats with moveable aluminum pedestals provide all-day comfort. Forward transom is designed for trolling motors. Twin hull is built for stability and cutting through water quietly. Deep, ribbed pontoons glide smoothly across the water. Durable, light weight Korad® coated, wood reinforced bow and transom. Convenient side handles for carrying and tying off. Also includes twin bow eyes and built-in oar sockets. 19-inches deep in center of boat. Motors and gear not included. NMMA certified. Warranted by Sears**. See chart below. Motors not included.

B. Gamefisher is a great fishing buddy. Durable semi-vee fishing boats are engineered for reliability but are made for fun. Tough .051 inch thick marine aluminum alloy hull, riveted seams and rib braces are built for lasting strength. Skid resistant painted interior. Polystyrene foam under seats meets U.S. Coast Guard rules. Wooden motor mount protects standard 15 inch transom with 1-inch drain plug. Bow eyes for easy transport. Extruded aluminum keel and four formed-in keels, plus two spray rails. Oar lock mounts included. NMMA certified. Warranted by Sears.** See chart below. Motors not included.

C. Gamefisher Jon style is a simple style bass fishing boat. Flat bottomed for quiet, stable trips into shallow fishing waters. Built tough with a .043 inch thick marine aluminum alloy hull. Welded seams, corner braces, riveted rib braces provide strength. Two built in bench style seats. Each boat has a weather resistant painted finish. NMMA certified. Warranted by Sears.** See chart below. Motor not included. Allow 14 days for delivery.

A. Tour Select. Engineered to provide maximum distance with the performance and accuracy of clubs found on the tour. The "Big Chief" woods (1, 3 and 5) provide greater distance off the tee. An oversized head with a cavity v-sole widens the sweet spot to concentrate more power upon impact. The woods are finely crafted with a graphite shaft, 17-4 stainless steel head and all-weather composition grip by Lampkin. The 8 irons (3-9, PW) have a cavity back with an elongated blade that minimizes slices and hooks for a more forgiving shot. The carbon steel shaft and Lamkin all-weather grips provide the flex and feel needed for the crucial short game. 431 stainless head with a satin finish. MRH only.

B. You're staring at a par 4, 435 yard dogleg with trees on the right and bunkers on the left... what you need is Vision. Dunlop Vision woods (1, 3 and 5) feature cavity sole design which concentrates more mass behind the club face for greater power and more distance. 17-4 stainless steel construction. The irons offer the playability of cavity backed/perimeter weighting in the long and mid irons and the accuracy of a traditional club in the short irons. Irons (3-9, PW) are made of 431 stainless steel. Woods and irons have True Temper® Powerpoint Plus shafts and Lamkin grips. MRH only.

F 6 R 82249—SET. Wt. 13.20 lbs **$279.98**

C. Mega Force 11-piece custom set. The perfect match...choose your own shaft size and flex to get the perfect feel and shot. Mega Force Woods (1, 3 and 5) are designed to give you greater power off the tee. Irons (3-9, PW) are cavity backed, perimeter weighted and feature a cambered sole. Clubs are fitted with a True Temper shaft® and Lamkin Sur-Tac® grip. Save $50 when you buy the set!

D. Status 16 piece golf set. If you're looking to trade-up to higher quality clubs or just starting out, Status is the set for you. The combo set includes: 3 metal woods (1, 3 and 5) for greater distance off the tee, 8 irons (3-9, PW) with full cavity design for a larger sweetspot, and a responsive, perimeter weighted putter. Also included are 3 knit headcovers and a matching nylon bag. The womens set has ladies accents on all the items.

F 6 R 82264—MRH, SET Wt. 20 lbs **$199.99**
F 6 R 82265—MLH, SET Wt. 20 lbs **199.99**
F 6 R 82266—WRH, SET Wt. 20 lbs **199.99**

E. Ultronic by Dunlop provides tour quality response with craftsmanship found in higher priced clubs. Metal woods (1, 3 and 5) are perimeter weighted for an enlarged hitting area. Irons (3-9, PW) are diecast for proven longterm durability. The cavity backed, perimeter weighted design provides a larger sweet spot to reduce slices and hooks. Clubs are crafted with True Temper® Powerpoint shafts and Lamkin deluxe all weather grips.

F 6 R 82260—MRH, SET Wt. 12.03 lbs **$179.99**
F 6 R 82259—WRH, SET Wt. 12.03 lbs **179.99**

F. Spalding Air Flight This set will be appreciated by the "weekend" golfer as well as the middle handicap aspiring amateur. The perimeter weighted metal woods (1, 3 and 5) have a larger sweet spot for more consistent drives. The cobalt finished flow weighted irons (3-9, PW) offer more forgiveness on miss-hits and help transfer the power of your swing upon impact.

F 6 R 82270—MRH, SET Wt. 11.47 lbs **$159.99**
F 6 R 82271—WRH, SET Wt. 11.47 lbs **159.99**

F

A. Northwestern Dynatour 200-8 irons/3 wood set consists of precision cast cavity back irons (3 thru 9 and PW) with total perimeter weighting for enlarged "sweet spot" and greater accuracy. Cast metal alloy woods (1, 3 and 5) have increased weight in toe and sole area. This perimeter weighted design reduces clubhead twisting at impact and helps get the ball airborne easily.
F 6 R 82155—MRH **F 6 R 82156**—MLH **F 6 R 82157**—WRH
Wt. 14.00 lbs **$129.88**

B. Northwestern custom 100 10-pc. set is ideal for the beginning golfer. Ten piece set includes 2 woods (1 and 3) with Perma-Lac® design, 2 head covers, 4 irons (3, 5, 7, and 9) and putter. Irons are triple-chrome plated and are designed for maximum bite. Northwestern lightweight nylon bag with four-way club divider, 2 pockets and thick padded sling. Men's bag is black, women's is teal.
F 6 R 82326—MRH **F 6 R 82327**—MLH **F 6 R 82328**—WRH
Wt. 21.00 lbs **$134.99**

C. Spalding 7-pc. Youth set. Designed specifically for the junior golfer, loft on woods are adjusted to help get ball in the air. Irons have durable tumble finish and all clubs have junior flex shaft and junior grip. Aluminum woods (1 and 3), cast irons (5, 7, and 9) plus putter, nylon bag, balls and tees. Ages 10-14 years.
F 6 R 82369-Ages 5 to 9. **F 6 R 82329**-Ages 10 to 14.
RH only—Wt. 7.00 lbs **$99.99**

D. Lancer Jr. 7-pc. set. The first set of clubs is the most important for a junior golfer because it helps teach the proper swing. All Lancer shafts are lightweight with proper flex point for juniors. Lancer Jr. 5 and 9 irons are offset for proper hand position at impact. Fairway Driver Metalwood is perimeter weighted for added distance and accuracy. Set comes with 5, 7, and 9 irons, 1 driver, lightweight nylon bag, Fairway Driver Knit headcover and Pro Style Putter. RH only.
F 6 R 82363-Ages 5 to 9. **F 6 R 82364**-Ages 10 to 14.
Wt. 10.00 lbs **$84.99**

E. Wilson Light Golf Bag is big enough to carry all your golfing gear but is designed to distribute the weight evenly. Dual adjustable padded sling for precise comfort adjustment. Molded top light weight vinyl exterior.
6 R 82308-Black **6 R 82309**-Red
Wt. 5.00 lbs **$64.99**

F. Dunlop 8-inch Sunday Series golf bag. This bag has everything! Features include 3-way divider, 3 pockets, travel hood, sturdy nylon construction and card holder. Three colors available.
F 6 R 82353-Black/teal **F 6 R 82296**-Black **F 6 R 82298**-Red/white/black
Wt. 7 lbs **$59.99**

G. Lite Tech golf cart provides functional quality that is a real value. Square steel lightweight frame is durable and the 3-inch wheels make for a smooth ride. Includes deluxe scorecard-pencil-tee-and-golf ball holder. Clubs and bags held secure with quick-release buckles. Storable with single action folding.
F 6 R 82324—Wt. 12.00 lbs **$39.99**

H. High Tech golf cart. Holder for balls, tees, pencil and scorecard. Plastic bag brackets and quick-release straps secure bag to cart. Made of lightweight aluminum. Removeable 3-inch wide tires. Folds as handle is lowered.

Wt. 3.00 lbs **$16.99**

P. Da Club Jumbo driver features a unique uni-cast body which eliminates a separate sole plate and provides the feel and sound of a wood with the distance of metal woods. New light weight design and larger head translates into more power at impact. 100% graphite shaft with Lamkin Perma-Tac® grip.
F 6 R 81104—MRH only, Wt. 3.00 lbs **$54.99**

R. Knight Mach 1 is the ultimate in the state of the art club design! It starts with a clubhead that is 15% bigger, with a 20% larger sweet spot than conventional drivers. The hardcast aluminum clubhead gives you extra hitting area without the extra weight. The shaft is made of high modulus Graphite for low torque action, more accuracy and more consistent distance.
F 6 R 82242—MRH. Wt. 2.00 lbs **$49.99**

S. Forerunner Mallet putter is perfectly balanced for precise control on the green. Constructed with a True Temper® steel shaft and a Lamkin all-weather grip.
F 6 R 82288-MRH **F 6 R 82290**-WRH
Wt. 3.00 lbs **$19.99**

44x88-in. playing surface

Our slate bed tables are the only tables on the market with a solid steel frame so strong that we warrant it for level play for 10 years**—about twice as long as most 3/4-inch slate table warranties! Mounted on a steel frame.

Honeycomb tables offer the only real alternative to slate in the industry—level play warranted for 5 years**, comparable to many companies' slate bed warranties, yet costing much less.

Gun cabinets in oak, solid pine or ready-to-assemble

A thru C. Solid oak and oak veneer cabinets with rich medium-oak finish. Hand rubbed with oven-cured lacquer for lasting good looks. Secure guns behind locking tempered glass doors (storage areas also lock). Each cabinet is lighted and holds guns up to 52 inches long. Assembled. See "N" suffix note, page 1138.

D and E. Ready-to-assemble gun cabinets are a great way to get a distinctive look at a reasonable price! Cabinets are oak-look laminate on wood products with locking glass doors that feature silk-screened designs on tempered glass. Antiqued brass-plated hardware and lower storage area for accessories. Cabinets hold guns up to 52 inches long. Hardware and instructions included.

F thru H. Solid Ponderosa Pine cabinets with rich, light walnut finish. Hand sanded, then lacquered for long lasting shine. Pine cabinets secure guns behind tempered glass doors and the storage areas help safeguard contents. (F) and (G) have wildlife scene on glass door. All have wool felt-lined barrel racks and wool felt-lined stock rests. Hold guns up to 50-inches. long. Assembled. See "N" suffix note, page 1138.

LIFESTYLER is America's #1 brand name in treadmills. With advanced design concepts, reliable construction materials, easy-to-use but effective motivational electronics plus a great price, it's no wonder Lifestyler is #1!

SEARS FITNESS MAKES IT EASY FOR YOU!

At Sears we understand that everyone has different fitness needs. That's why we'll stand behind you with quality products for every fitness level from beginner to advanced. We'll also be here to help if you need some help getting motivated. Or if it's time to move on to something more challenging. We want to help you reach your fitness goals. That's why you'll see us going the extra mile on these next few pages with:

THE RIGHT EQUIPMENT.
We've got treadmills, bikes, skiers, weight systems and even trampolines—one is sure to be the right one for you!

INNOVATIVE ELECTRONICS
that push you and challenge you to succeed—like 5-window electronics that display all monitoring functions at once so you always know if you're on track.

UNIQUE FEATURES
that let you customize your workout. From skiers with adjustable incline to electronics that keep you in touch with your progress, Sears has the features to keep you interested and keep you fit.

TOP BRAND NAMES
including LIFESTYLER, the nation's #1 treadmill brand. We've also got Alpine Tracker, Step, ProForm, Weider, Gold's Gym, Marcy and many more.

EASE, COMFORT AND CONVENIENCE
because you're working out at home with none of the health club hassles or time-consuming waits. For extra confidence, why not invest in a Maintenance Agreement to give you coverage for unexpected repairs? Call 1-800-827-6655 for more information.

SEARS EXTRAS
like nationwide service and friendly credit options. SearsCharge and Discover are great for purchases under $400. And, to lower your monthly payments on purchases $400 and over, SearsCharge PLUS is a great option (see pg. 1144 for details).

IMPORTANT EXERCISE NOTE:
Before starting any fitness or exercise program, consult your physician for a complete check-up. Proper use of the equipment sold in this catalog may result in minor soreness only. If further discomfort results, discontinue exercising and consult your physician.

A thru E. Looking for a great low impact workout? Try a treadmill! Besides being a great way for you to improve your cardiovascular system, treadmills also let you control the difficulty of your workout. Walk, jog, run and everything in between. We offer both DC and AC motor models. DC motor treadmills are designed with extra safety—yours—in mind. They always start at 0 MPH and ramp up to desired speed. Just a turn of the dial adjusts the speed. AC treadmills always start at the speed they were running when last turned off. Speed adjusts with heavy duty crank. (B) and (C) have safety switch. All treadmills have self-centering belt and foam on handrails. Steel frames. Folds down for easy storage. Partly assembled. (A) thru (D) made in USA. (E) imported. Warranted by manufacturer. Write for free copy, see page 1139. See exercise note on facing page.

Sears Best

What makes these 1.5 and 1.0 HP Soft Road treadmills Sears Best?

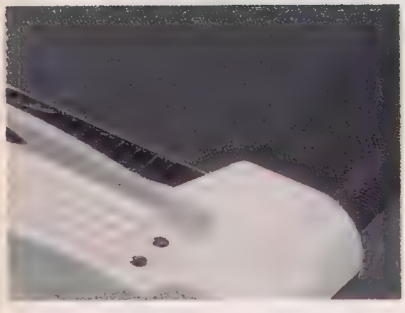
The Soft Road walking surface which absorbs 75% more knee, foot and ankle stress than treadmills without a cushioned deck.

Lifestyler 1.5 HP DC motor Soft Road treadmill helps you get on the road to toned lower body with regular workouts. Also great for cardiovascular exercises. Treadmill features the comfortable Soft Road walking surface—a cushioned rubber deck that provides low-impact shock absorption to protect against damage to your knees, feet and ankles. Powerful motor speeds you from 0 to 10 mph and hi-tech gas-assist elevation adjusts manually from 0 to 7% so you can create a workout as intense as you want. Electronic display monitors: pulse, time, speed, distance and calories plus scans. Wide, 15x49-inch, non-slip walking surface with static-free tread belt. 3/4-inch thick bed. Heavy-duty steel frame for extra stability. Foam handgrips. Measures 65x25x46-inches high. Warranted by manufacturer. Write for free copy, see page 1139.
6 R 29694N—Wt. 155 lbs **$699.99**

Lifestyler 1.0 HP DC motor Soft Road treadmill has all the features of (A) sold above except it speeds you from 0 to 6 mph and non-slip walking surface is 14x49-inches wide.
6 R 29693N—Wt. 140 lbs **$599.99**

* See page 1144 for full credit information.

STORE PICKUP STILL AVAILABLE FOR "N" SUFFIX ITEMS! DELIVERY CHARGES MAY BE LESS THAN HOME DELIVERY.



SOFT ROAD WALKING SURFACE absorbs 75% more shock than treadmills without a cushioned deck, taking that pressure off your knees, feet and ankles. The end result? One of the most comfortable walks or jogs you've ever had!

What's the latest "hot" exercise machine? Skiers...and for good reason. They're one of the best, non-impact aerobic exercises around. Not only do they work on your lower body, they're also great for your upper body and heart. Whether you choose an upright skier or pole skier, you're sure to notice—and enjoy—the benefits of one of the best exercises around.

On the facing page you'll find our Pro Alpine Tracker (A) with Challenge Fitness Computer. It's perfect for people who need a little extra motivation. The console actually talks you through your workout, pacing you, encouraging you, even racing against you. You'll find working out is more fun and effective than ever!

A thru D. All upright skiers on facing page come with anodized aluminum tracks for a smooth, quiet workout. Adjustable height abdominal pads help keep you in form. Steel frame supports. The winning combination

A. Lifestyler skier/stepper combines two of the most popular cardiovascular exercises into one convenient machine—for less than the cost of some single machines. Skier features: 44-inch aluminum tracks for a smooth quiet workout, 2-way hydraulic cylinders that create resistance for poles, extra-wide siderails with thick foam padded handgrips. Can also be used as strider. Stepper features: dual resistance independent step action system with heavy rubber flex bands and hydraulic pistons for a comfortable, rhythmic stepping motion and a computer that monitors time, tempo, step and scans. Extra wide 4½-inch foot pads and variable resistance that can be set simply by sliding the step-arm. Unit made of tough 14 gauge steel and measures 74x25x54 inches high. Flex bands have a 3-year limited warranty against breakage. Assembly required. Warranted.**
6 R 29085—Wt. 70 lbs **$249.99**

B. Lifestyler combination fitness machine with 3 different exercises in just one machine. Vary your exercise routine between skiing, rowing and abdominal crunches. Shift easily from one mode to another without additional assembly. Adjustable resistance. Aluminum tracks and durable steel frame. Folds for storage. 53x24x51-inches high. Partly assembled. Imported. Warranted.**
6 R 29051—Wt. 50 lbs **$169.99**

C. Lifestyler 2-in-1 skier/rower. The choice is yours. Ski on the smooth, dual-track aluminum rails or try rowing for upper-body attention. Features variable tension, wide cushioned seat and durable steel frame. Folds for storage. 51x24x48-inches high. Partly assembled. Imported. Warranted.**
6 R 29050—Wt. 54 lbs **$99.99**

Dependent action steppers—to firm and tone your lower body

Steppers are one of the most popular exercisers around. And when it comes to conditioning and toning your lower body, dependent steppers are hard to beat. Check out our complete line of steppers and see what all the fuss is about.

A thru D. Steppers on this page feature dependent action—when one pedal goes down, the other goes up. Two-way adjustable resistance. Foam padded grips. Partly assembled. Imported. Warranted by Sears or manufacturer. Write for free copy, see page 1139. See exercise note on page 966.

Catalog Number	Resistance system	How resistance adjusted	Overall size, inches	Pedal size, inches	Electronics	Special Features	Wt., lbs.	Price

Independent action steppers—for a great cardiovascular workout and lower body toning

You've seen them in clubs. You know what they can do—how they provide a totally intense aerobic workout while helping you achieve the toned look you want. Go after that look in the privacy of your own home with one of our steppers sold below.

E thru H. All independent action steppers on this page push you to do your best because each pedal works independently. Independent action means if you stop stepping or don't work hard enough or fast enough, the pedals sink and down you go. Steel frames. Caged frame with cushioned handles. Partly assembled. Warranted by manufacturer. Write for free copy, see page 1139. See exercise note on page 966.

$179.99

$10 Monthly*

Air vents open and close

Open vents mean more air for higher resistance

Closed vents mean less air for lower resistance

To get on the road to calorie burning and improved cardiovascular conditioning, try one of our dual-action air cycles. Each offers advanced features, and one is sure to be right for you! Why not choose the Sears Best air resistance cycle (H) with the unique Air Gate system?

F. Resistance cycle. Resistance increases as you pedal faster for a better workout. Electronics display pulse, time, speed, distance, calories burned and scans all. Handlebars have adjustable reach. Padded seat adjusts from 32 to 36 inches high. Wide pedals. Steel frame. 40x20x50 inches high. Partly assembled. Imported. Warranted.** Allow 21 days for delivery.
F 6 R 29406—Wt. 53 lbs **$129.99**

G. Pro-Form airbike with reciprocating arms has Quick-Dial adjustable resistance. You can even lock the handlebars for just a lower body workout. Electronic console monitors pulse, calories burned, counts down your preset time and distance goals and scans all functions. High impact plastic fan cage. Cushioned handgrips. Non-skid pedals. Seat adjusts from 29 to 40 inches high. 50x22x53 inches high. Partly assembled. Imported. Warranted.**
6 R 28716N†—Wt. 78 lbs **$179.99**

Why is this programmable RPM air cycle our best air resistance bike?

- It features the unique Air Gate system which lets you pedal at a constant speed and still maximize your cardiovascular workout by opening and closing the Air Gate
- The reciprocating handlebars work both your upper and lower body
- The easy-to-read 5-function electronics display pulse, speed, time, distance and calories burned

H. Sears Best Programmable RPM air cycle with the Air Gate system. The Air Gate works by controlling the resistance—there's no need to pedal faster like with other bikes. A simple flip of a switch lets you control the air flow and smoothly change the amount of resistance. Not only are you personalizing your workout, you're also getting maximum benefits. Soft, padded jumbo seat adjusts from 35 to 40 inches high. Steel frame. 44x21x51 inches high. Partly assembled. Warranted.**
6 R 29442N†—Wt. 70 lbs **$299.99**

Fitness pays off at any age

Bart Starr wants to show you how to make fitness pay even bigger dividends when you're over 35.

See the next three pages for the unique Bart Starr recommended products!

Bart Starr, one of America's greatest football heroes, has earned many of the NFL's greatest awards and has consistently been recognized as an outstanding contributor to sports and the community. We're proud to have his endorsement on Prime Fit™ equipment, equipment that provides the optimum in low-impact cardiovascular workouts. It's made EXCLUSIVELY for Sears by DP!

Keeping fit at 40, 50, 60, or 70 may be much more important than it was when you were 20. Exercise helps you feel better, reduces stress, improves muscle tone and bone density and reduces your risk of cardiovascular and other diseases that we become more prone to as we age.

But the way you keep fit over 35 isn't the same as the way you do it at 20. That's why Prime Fit has designed fitness equipment specifically for people over 35. We've built in features most home fitness equipment doesn't offer—like extra large, comfortable seats on exercise bikes, extra wide treadmills with sturdy, easier-to-grip handrails, extra-readable, easier-to-program electronics and much more.

Don't wait for your doctor to tell you to get in shape, do it for yourself. Take a few minutes to look over the products on the next three pages. Choose the ones that you feel are best for you.

A. and B. Prime Fit™ premium treadmills feature the exclusive OrthoTone™ cushioned tread. This walking/running surface reduces impact and provides foot massaging action. You can even use it in your stocking feet! Both treadmills also have dependable 1-1/2 HP General Electric motors. Programmable speed gets you on your way to firm and tone calves, thighs, hips, buttocks, and stomachs. Sturdy dual hand rails. Include safety on/off switches. Made in USA. See exercise note on page 966. See "N" suffix note page 1138.

A. DP Prime Fit™ 1½-HP DC treadmill delivers 0.8 to 8 MPH for flexible workouts and is great for cardiovascular conditioning. Even at a slow walk you can burn up to 80 calories per mile! Gas-assisted semi-automatic incline adjusts up to 10% grade at the touch of a button. Easy-to-use 5-window Bionix™ Fitness Computer monitors speed, time, pulse, target pulse, calories burned adjusted to your age and sex, time, time set, distance, distance set, and cadence. Self-centering walking surface is extra wide at 16 inches and is extended to 51 inches long for safety and comfort. ¾-inch thick bed. 71½x24¼56 inches high. Partly assembled. Warranted.**
6 R 28866N—Wt. 115 lbs **$699.99**

B. DP Prime Fit™ 1-HP DC treadmill delivers 0.6 to 6 MPH for flexible workouts. Incline adjusts up to 10% grade. Bionix™ Fitness Computer monitors pulse, target pulse, calories burned adjusted to your age and sex, time, time set, distance, distance set, cadence plus scans all. 15x45-inch self-centering belt. ¾-inch thick bed. 64½x25x49-inches high. Partly assembled. Warranted.**
6 R 28890N—Wt. 120 lbs **$449.99**

Sit-ups

Waist/hip exercise

Leg lifts

(A) Toning table
$1399
$30 Monthly‡

Thigh/leg exercise

Relax and tone your body while moving your muscles. Our toning table is similar in design and quality to toning tables found in expensive salons.

A. Lifestyler toning table stimulates your muscles by stretching and contracting them in 11 different exercises. And, in some cases, it can even speed up metabolism. Non-divided leg-lift function puts feet and legs through motions that rotate hip joints and exercise upper thigh and buttock muscles. Waist-tummy function lifts legs up and down to stretch muscles along the front of thighs, lower spine and inside pelvic cavity in a way similar to the motion of walking. The stretch function lifts rib cage to help create a slimmer waistline and broaden shoulders. The abdominal function works on abdominal wall muscles. Unit measures 79x32x33 inches high. A durable welded steel frame with easy-to-clean vinyl trim. Oscillating pads for hips and shoulders; includes vibrating massage pad. Leg lift has 1/2-HP AC motor. Adjustable bolster with Velcro® fitting and 3-way control switch. Uses regular 110-120-volt household current. Minimal assembly required. Made in USA.
6 R 29916N—Wt. 240 lbs **$1399.00**

This lounger is designed to duplicate the pressure curve created by a skilled masseuse, as well as the actual feel of a masseuse's fingers. We're so sure you'll love the general feeling of relaxation it provides that we're offering a free 30 day home trial! And of course, at Sears, it's always "Satisfaction guaranteed or your money back."

B. Shiatsu, or kneading massage, is a technique of applying sustained pressure to particular muscle groups in the neck and back to produce a general feeling of relaxation. Enjoy the 3 programmed courses for rolling (stretching) massage. Pressure is applied by adjustable-width rollers. Massage heads soothe areas in the neck, shoulder and back. Features a multi-angle, reclining back—incline from 127° to 160°. Fingertip control. Built-in 15-minute timer to discourage overuse. Includes a vibrating foot massage ottoman. Steel frame covered in vinyl. Uses 100 watts of standard power. 36 1/2x31 1/2x43-inches. Imported. Minimal assembly required. You may wish to consult with your physician before using this chair. Factory shipped; please allow 15 days for delivery. See "N" suffix note on page 1138.
F 6 R 29918N—Wt. 70 lbs **$1599.00**

C. Massage your abdomen, buttocks, neck, arms, waist and back. Single-speed 1/4-HP motor and 3-inch heavy-duty cotton vibrating belt with leather tip to prevent fraying. Adjustable height. Single-post steel frame with skid-resistant vinyl-covered wood base. 36x17x38-inches high. Partly assembled. Imported.

No lower price this season on 5000X Total Gym!

$299.99 $11 Monthly*

Sears Best

Here's why our Stamina 5000X Total Gym progressive rubber resistance system with stepper is a Sears Best:

- It lets you perform over 35 different exercises that work 3 major muscle groups—legs, torso and arms
- It converts easily from bench to butterfly to leg extensions because there's no pulleys or cables—just weight bands which are easy to change and store
- Removable padded bench lets you do exercises you can't do with a stationary bench system

Includes two each: 10-lb., 20-lb., 30-lb. and 50-lb. weight bands for up to 220-lbs. of total resistance. Stepper has 3 resistance settings and features electronic read outs on time, steps, tempo, calories burned and scan. Durable 2-inch square tube steel frame. Padded incline bench is adjustable and removable. 5 bench positions, 4 leg-lift positions, 5 positions for press arms and butterfly. Butterfly and leg-lift attachments are steel with foam padding. 93x36x66-inches high. Warranted.† Partly assembled. Made in USA. Wt. 200 lbs.

6 R 15665N $299.99

Stamina 5000 has the same features as gym above, but without stepper. Wt. 152 lbs.

6 R 15664N $259.99

A. Weider Power Master single station home gym is a great starter gym that won't break your budget. You can pump up with over 25 exercises including vertical arm presses and butterfly, shoulder presses, lat pull-downs, leg extensions, low pulley work and more for a total body workout. Pulley and cable design allows 125-lb. vinyl plates (ten-12.5 lb.) to be transformed by the pulley system into up to 200-lbs. of total resistance. And, there's no cable changeover so you don't have to mess with cumbersome plates. Adjustable, removable handlebar. Includes lat bar and rope strap. Foam padded bench. 2x2-inch steel tube frame. Measures 60x42x80-inches overall. Unassembled. Warranted by manufacturer.† See "N" suffix note on page 1138.
6 R 15601N—Wt. 236 lbs **$349.99**

B. Weider System Trainer packs a lot of power in a little space. You get seven stations and over 25 exercises including bench press, lat pull down, butterfly, leg extensions, pulley work and more. Cable and pulley design transforms 125-lbs. of vinyl plates into up to 200-lbs. of progressive resistance for complete body conditioning in 12.5-lb. increments and with no cable changeover. There's even a stepper and a vertical knee raise/dip station so you can cross train. Includes lat bar, butterfly and anklestrap. Foam padded bench. 2-inch square steel frame. Measures 68x39½x76-inches overall. Unassembled. Warranted by manufacturer.† See "N" suffix note on page 1138.
6 R 15631N—Wt. 266 lbs **$399.99**

STORE PICKUP STILL AVAILABLE FOR "N" SUFFIX ITEMS! DELIVERY CHARGE MAY BE LESS THAN HOME DELIVERY.

C. Weider 3-station home gym lets you perform over 30 exercises including bench press, butterfly, leg extension, lat pull-down, dips, squats, vertical knee raise and more for a total body workout. And, you and a buddy can work out at the same time. Unique cable design transforms ten 12.5-lb. vinyl-coated weight plates into 200-lbs. of total resistance. Includes butterfly attachment, lat bar, curl bar, anklestrap, accessory rope and removeable lat bar. Adjust resistance from 20 to 200-lbs. Padded bench. 2x2 inch square steel frame. Measures 60x56x80 inches overall. Unassembled. Warranted.† See "N" suffix note on page 1138.
6 R 15922N—Wt. 251 lbs **$499.99**

D. Weider Body Blaster is a commercial quality home gym for those who are serious about woking out and pumping up. You and 2 buddies can get down to business with six stations and over 30 exercises including bench press, butterfly, leg extensions, pulley work, abdominal crunches, squats and many more. Dual stack system's cable design turns 158-lbs. of cast iron plates into up to 350-lbs. of progressive resistance. Stacks can be linked together and weight can be adjusted in 10-lb. increments. Press bar/butterfly converts easily for upper body conditioning. Padded bench. 1½x2 and 2x4-inch steel frame. Measures 79x74x76 inches overall. Unassembled. Warranted.† See "N" suffix note on page 1138.

Nakajima	Toshiba
NCR	Triumph Adler
NEC	Victor
Okidata	Wang
Olivetti	Xerox

When it's ribbons you need. . . Sears has you covered!

Sears has made ordering ribbons easier. No more looking through small type. Just call our toll free number with your machine manufacturer's name and model, and a catalog representative will help you buy the right ribbon. We will ship your order immediately. Our selection includes more than typewriter and word processor ribbons; we also have ribbons for printing calculators, computer printers, and ink rollers for adding machines. If you know the catalog number of the ribbon that you previously bought from Sears Catalog, we can match it to a comparable Nu-Kote ribbon. These high quality Nu-Kote's ribbons are designed to meet or exceed the standards set by the manufacturer.

BUY SIX RIBBONS AND SAVE 15%. Minimum of 2 required for most ribbon purchases (and the price quoted would be for 2 ribbons unless otherwise specified).

All correction tapes available in 6 pack.

$1699.99

Cover keeps dust out of drives; flips down for floppy disk usage.

IBM PS/1 Consultant features and software

IBM quality, power, and support...all in a new system that's easier to use and more expandable than ever! All PS/1 systems include computer, keyboard, mouse, 14-inch monitor, and software. Also has 2400 baud internal modem. Industry-standard SIMM chips make RAM memory upgrades easy; extra drive bays let you expand to over 500 MB on the hard disk. Bays can also be used for an additional hard or floppy drive. IBM's 1-year Express Maintenance Warranty support includes a toll free help line and guaranteed 48-hour parts replacement. See "N" suffix shipping note, page 1138. The following software is installed on all systems unless otherwise indicated:

Microsoft Windows 3.1 is changing the way people use their PC's. Windows allows you to see available applications at a glance, then switch easily between applications without having to quit first.

Microsoft Works for Windows uses the ease of Windows to tie different applications together. Easy-to-use word processing, spreadsheets, databases, illustration and more. All the applications you need, combined to produce superior documents.

Quicken for Windows finance software for home or business. A popular method tracks spending and helps you keep to a budget. (Not installed.)

New Print Shop an easy-to-use graphics program that allows you to create colorful cards, flyers, banners, signs and stationery. Hundreds of graphics to choose from. (Not installed.)

Promenade is an on-line service that contains a complete encyclopedia and can download public domain software. 5 hours free use included.

Prodigy Interactive Personal Service provides on-line access to travel guides, shopping, entertainment (including mini-reviews), a 33,000-article encyclopedia, up-to-date weather, sports and news reports. Also allows you to communicate with other computer users. 3 months' free use and up to 30 personal messages per month.

IBM computers available for in-store pickup only. These computers are not available in Alaska or Puerto Rico.

Our manufacturers may temporarily lower costs on some of our computers. So we can pass any savings on to you, call 1-800-366-3000 for current prices.

$57 Monthly.* The 486DX's new OS/2 operating system allows you to run multiple DOS, Windows and OS/2 applications all at once, in separate windows on the same screen; you can print a document, calculate a spreadsheet and write a letter all at once! Windows and DOS are contained within OS/2 2.0, thus eliminating the need for separate software programs. 8 MB RAM expandable to 32 MB. 5 internal expansion slots, 1 parallel and 2 serial ports. Dual disk drives. Super VGA graphics. 1 MB video RAM (1000K); .28 dot pitch. Promenade not included. Warranted.**

$12 Monthly*

Each of these laser disc players plays both audio CD's and video laser discs

Pioneer laser disc players

These units eliminate the need for independent CD and LD players. Provide superior picture quality (425-line resolution, even more than most laser disc players) and virtually no wear or signal degradation. High quality digital sound has wide dynamic range and frequency, with low noise. Automatically equalize output levels of various discs. Intro/Hi-Lite scan helps you find any track or chapter by scanning recognizable portions of the CD or LD. Dual mode/2-speed scan.

B. Model CLD-M301. For as little as $11 Monthly on SearsCharge PLUS,* you can have a combination multi-CD/laser disc player. Load up to 5 CD's and 1 LD for hours of entertainment. Front surround mode provides surround-sound effect simply by connecting to a stereo TV or 2-channel stereo system. 5⁹/₁₆Hx16⁹/₁₆Wx17½D in. Wt. 21 lbs.

57 R 44912 ..... **$499.99**

C. Model CLD-D501, $15 Monthly on SearsCharge PLUS.* With this model's two-sided play feature, you can watch an entire movie without interruption, and without leaving your seat. All-disc capability: plays any CD, CDV, or LD. Separate audio and video circuits prevent interference. Full-screen information display and easy-to-operate shuttle control for dual mode scan. 5⁵/₁₆Hx16⁹/₁₆Wx17¹/₁₆D in. Wt. 20 lbs.

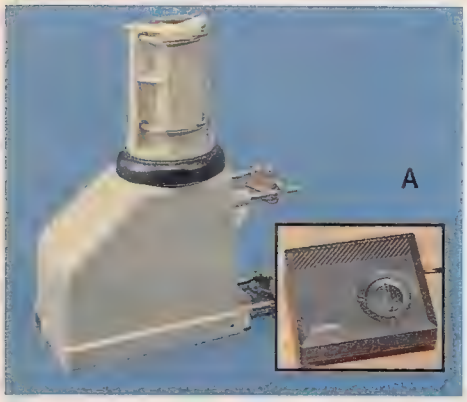
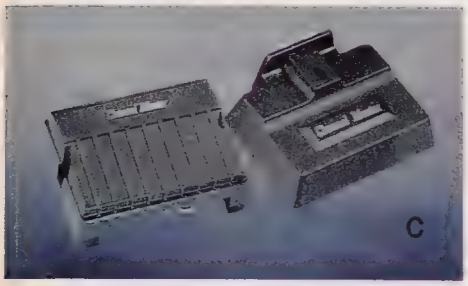
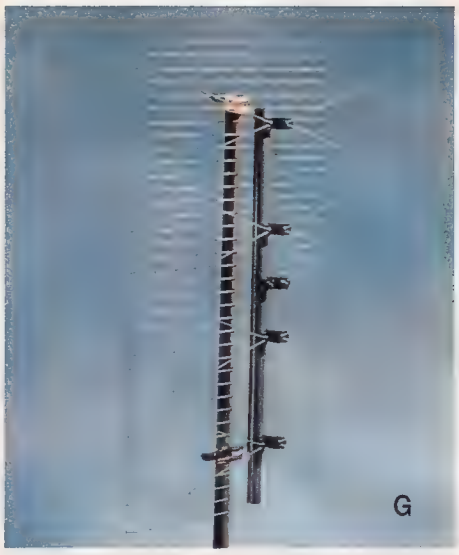
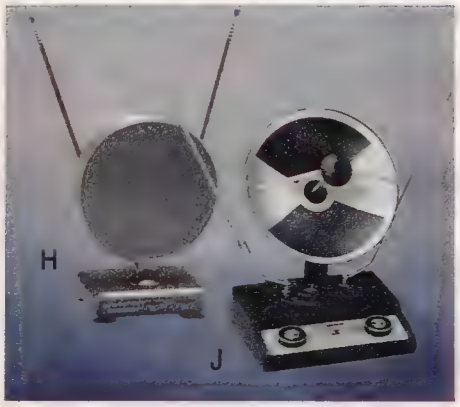
TV antennas and accessories









Make sure your TV gets the best reception possible with a new antenna!

A. Channel Master® Automatic Rotator lets you point antenna at the TV station for the clearest possible signal. Rotates 360°. For new installations, order mounting kit below. Aluminum housing weatherproofed to resist corrosion. Hardware, instructions included. UL listed.
57 R 6549—Wt. 9.50 lbs. **$64.99**

Mounting kit for (A) includes 50 feet of flat rotor cable and 2-foot, 18-gauge steel mast.
57 R 6550—Wt. 3.00 lbs. **$9.99**

75-ft. round rotor wire.
57 R 76033—Wt. 9.38 lbs. **$8.99**

B. High gain indoor amplified coupler. For use with VCR and additional TV hookups; boosts signal and reduces snow on UHF/VHF/FM and cable channels. 75-ohm. For 2 sets 21 db gain per outlet, gold electro-plated connections. UL listed.
57 R 7628—Wt. 1.38 lbs. **$34.99**

C. Fringe area outdoor amplifier for TV antennas helps eliminate snow in weak signal areas for channels 2-69, FM signals. Reduces interference from local FM stations for less TV picture problems. Sealed, weather-resistant. Includes mounting hardware and instructions. Switchable, tunable FM trap. AC operated. UL listed.

300-ohm flat downlead; two 300-ohm outputs to TVs; 4 watts.
57 R 6987—Wt. 2.63 lbs. **$64.99**

75-ohm downlead and 75-ohm output to one TV. 4-watts.
57 R 7613—Wt. 2.38 lbs. **$64.99**

D. Enjoy stereo tv through this heavy-duty antenna! 300-ohm VHF-UHF separator allows connection to TV set or stereo TV adapter. Resists weathering due to its gold-color, alodine-treated aluminum and ABS plastic construction. Insulating spacers help prevent shorting; heavy-duty mast locking clamps help prevent turning in strong winds. Spun boom ends increase stability. 75-ohm shielded cable delivers clearer TV signal plus less wet-weather interference than 300-ohm lead-in wire (masts not included). Order 1 of 2 installation kits sold at right.

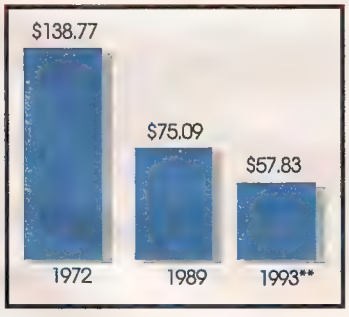
Convenient handi-shelf pulls down easily to provide extra food storage space when you need it

Average annual electricity cost for refrigerators*



*Source AHAM
**Based on U.S. Department of Energy Guidelines
Based on .0825 cents per kilowatt hour

Did you know that the average annual electricity cost for refrigerators has declined over 58% in the past 20 years while the average cost of electricity has skyrocketed 112%!* All the models featured in this section boast the latest, most energy-efficient designs which meet or exceed the Federal Energy Standard for efficiency. This translates into increased savings for you on monthly utility bills and a reduction in energy consumption.

See-thru handi-bin tilts out...great for fruits and vegetables

20 R 22626—Wt. 1.00 lbs. **$10.99**

Guide to Features for Microwave Ovens

Browning element: Browns and crisps foods to make them look as good as they taste.

Child lockout: Lets you program security code to prevent accidental use.

Cooking system: Cook foods evenly with either a stirrer fan to distribute microwaves or a turntable to rotate food. Some Kenmore models have both cooking systems described above.

Defrost: Automatic defrost automatically sets the proper variable time and power levels at the touch of a button—no guesswork involved. Timed defrost has pre-set time and power level. Key defrost has preset defrost level—you set the proper time.

Humidity Sensor: Computes cooking time and shuts off microwave when food is ready in order to insure perfect cooking.

Delay start: Lets you set oven to start at a later time so it will cook and turn off or hold/warm automatically.

Electronic touch controls: Easy to use touch pads for convenient programming of your microwave.

Hold/warm key: Keeps food warm for up to 100 minutes.

Memory stages: Lets you program cooking stages and sequences time automatically.

Pause control: Gives you time between stages and sequences time automatically.

Popcorn key: Automatic setting for making prepackaged popcorn.

Quick-on: Programs oven to start and cook at high power for 9 minutes.

Recipe memory: To program and store recipes in oven's memory.

Auto reheat: For refrigerated leftovers and frozen pre-cooked foods, the oven sensor determines the time and power levels. Some models have beverage setting.

Temperature probe: Monitors internal temperature of food until it reaches a preset level.

Word prompting: Gives you step-by-step directions for programming your microwave.

Variable power level: Lets you choose the level you need from warming to reheating to high.

Auto roast: Just insert the temperature probe into beef, lamb or chicken, set the control for the desired degree of doneness and auto roast does the rest.

GUIDE TO FEATURES FOR OVENS AND RANGES

COMMON TO ELECTRIC AND GAS

Electronic Clock and Timer: Set proper cooking time. Easy to read and use.

Automatic Oven: Set to turn on, cook or clean, and turn off by itself.

Oven Window: Lets you view cooking progress through the door without losing heat.

Porcelain-Enamel Oven: Must be cleaned by hand.

Continuous Cleaning Oven: A special coating gradually dissolves most grease during oven use. Oven racks, door, window and major spills must be cleaned by hand.

Self-Cleaning Oven: Easiest way to clean. High oven heat reduces soil and grease to ash which is easily wiped up. Saves time and energy.

Storage Drawer: Adds extra storage space to your kitchen.

Lift-Up Cooktop: Gives access to drips and spills for easier cleaning.

Removable Oven Door: Can be removed for cleaning.

ELECTRIC

Standard Electric Elements
8-in. 2100 watts; 6-in. 1250 watts

Deluxe Electric Elements
8-in. 2600 watts; 6-in. 1500 watts

Radiant Cooktop:
Electric coil elements are beneath ceramic glass
9-in. 1000 watts/2400 watts
8-in. 1900 watts 6-in. 1400 watts
Smooth surface for appearance and easy cleaning.

Solid Disk Elements: Solid cast iron surface
8-in. 2600 watts 6-in. 1500 watts
Easy to clean, sealed to top, no drip pans. Even heat distribution.

GAS

Standard Gas Burners: 9000 BTU

High Efficiency Gas Burners 10,000 BTU. Faster cooking.

Flame Adjustment Controls: More rotation means more flame control for meeting your cooking needs.

Standard Burner Controls: 90° valves for limited adjustment.

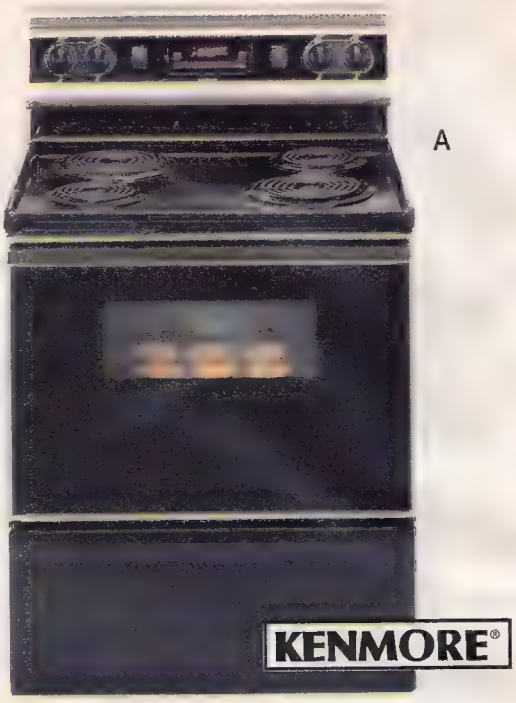
Extra-Large Oven: 30% larger than standard ovens.

Pilot-Free Electronic Ignition: Saves energy and eliminates risk of the pilot light going out.

Sealed Gas: Means no opening between the burner and cooktop which makes it easier to clean. More efficient than regular burners. LP conversion kits are available when required.

Waist-High Broiler: Gives better cooking performance, easier access.

Electric ranges with self-cleaning ovens



A thru G. Ranges feature porcelain-enameled broiler pan (deluxe pan on (A), (B), (C), (F) and (G)) with chrome-plated grid and two removable chrome-plated oven racks included. Lift-up cooktop. Manual door locking devices. See Electric Installation Note below and Guide to Features on p. 1087. See chart on facing page for feature comparison. Warranted by Sears or manufacturer. Write for free copy, see p. 1139.

BUYING A NEW RANGE? SEE OUR SELECTION OF RANGE HOODS ON PAGE 1102.

Electric ranges with porcelain ovens

KENMORE®

CONTINUOUS CLEANING OVEN (J)

Range with continuous cleaning oven (J) cleans itself every time it is used. A special inner surface coating helps break down food particles and works to help grease and most normal soils disappear. Works best at higher temperatures for longer periods of time.

F 42 R 17007—Wt. 1.25 lbs **$18.99**

**On SearsCharge PLUS, see p. 1144. †Distant areas require an additional transportation charge. See page 1139. Home delivery available at an additional charge. ‡Warranted by Sears or manufacturer. Write for free copy, see p. 1139.

Kenmore range hoods

Bright cooktop lighting: Makes it easier to see what you're stirring. Many also have a nightlight setting.

Easy-to-clean: Baked-on enamel or stainless steel hoods simply wipe clean. They keep the rest of the cooktop and kitchen cleaner because they take grease out of the air.

A thru D. Durable steel range hoods install vented or ventless. Range hoods do not include bulbs. Order filters below when using in ventless installations or purchase at Sears Service Centers. See Installation Note at right. Warranted by Sears. Write for free copy, see page 1139.

A. and B. Range hoods, $10/$11 Monthly,* feature variable solid state speed control and deliver 59 RHP‡ in ventless installations and 360 CFM†† in vented installations. Last speed selection is "memorized"and automatically reset to the same speed the next time you use it. 224 sq. in. grease filter. Dual 75-watt worklight and nightlight. Choice of widths and finishes. Each measures 9Hx20D in.

A. Sears Best. Hood with automatic heat sensor. Alarm sounds if extreme temperatures are detected. 30W-inches. Wt. 33 lbs.

22 R 55391—White **$259.99**
22 R 55398—Almond **259.99**
22 R 55399—Stainless steel **279.99**

B. Hood without heat sensor. Choice of lengths.

22 R 52391—30W-inches. White. Wt. 31 lbs **$199.99**
22 R 52395—30W-inches. Black on black. Wt. 31 lbs **199.99**
22 R 52398—30W-inches. Almond. Wt. 31 lbs **199.99**
22 R 52399—30W-inches. Stainless steel. Wt. 31 lbs **219.99**
22 R 52491—36W-inches. White. Wt. 31 lbs **239.99**
22 R 52495—36W-inches. Black on black. Wt. 31 lbs **239.99**
22 R 52498—36W-inches. Almond. Wt. 31 lbs **239.99**
22 R 52499—36W-inches. Stainless steel. Wt. 31 lbs **259.99**
22 R 52591—42W-inches. White. Wt. 33 lbs **259.99**
22 R 52598—42W-inches. Almond. Wt. 33 lbs **259.99**
22 R 52595—42W-inches. Black on black. Wt. 33 lbs **259.99**
22 R 52599—42W-inches. Stainless steel. Wt. 33 lbs **279.99**

RANGE HOOD FILTERS NOTE. A filter can allow you to use your range hood without venting, though hoods work best when vented outdoors. Replace every 6 months or consult special Clean Air Sensor on each filter to determine when filters need replacing. Kenmore filters even fit some other brands. Check the chart to find the proper filter. Filters also sold at Sears Service Centers. Prices do not include shipping to store.

*On SearsCharge, see p. 1144. †Distant areas may require additional transportation charge. See p. 1139. Home delivery available at an additional charge. ‡The higher the RHP, the greater the performance. ††Cubic feet per minute.

Heat sensor: Our better range hood (A) detects when heat increases suddenly and turns up the venting power automatically, even sounds alarm if necessary.

Adjustable air circulation: Select speed control to move only as much air as you need.

C. Range hood, $10 Monthly,* features variable solid state speed control. Delivers 23 RHP‡ in ventless installations and 200 CFM†† in vented installations. 150 sq. in. grease filter. Worklight/nightlight. Each measures 17½Dx6H inches. Choice of widths. Wt. 19 lbs.

22 R 52091—30W-inches. White **$139.99**
22 R 52095—30W-inches. Black on black **139.99**
22 R 52096—30W-inches. White on white **139.99**
22 R 52098—30W-inches. Almond **139.99**
22 R 52198—36W-inches. Almond **149.99**
22 R 52195—36W-inches. Black on black **149.99**
22 R 52196—36W-inches. White on white **149.99**
22 R 52199—36W-inches. Stainless steel **169.99**

D. Range hood features variable solid state speed control. Delivers 10 RHP‡ in ventless installations and 180 CFM†† in vented installations. 92 sq. in. grease filter. Worklight/nightlight. Each is 6Hx30Wx17½D in. Wt. 16 lbs.

22 R 51891—White **$79.99**
22 R 51898—Almond **79.99**
22 R 51899—Stainless steel **99.99**

E. Range hood. Two speed control. Delivers 9 RHP‡ in ventless installations and 160 CFM†† in vented installations. Vented installation requires damper kit from Sears Service Centers. 92 sq. in. grease filter. Worklight. 6Hx30Wx17½D in. Wt. 13 lbs.

22 R 51091—White **$37.99**

INSTALLATION NOTE: Vented range hood installation may require additional ductwork and accessories. Ductwork is available at Sears Service Centers. 3¼x10-inch knockout vent openings are located on the center top or rear of all hoods.

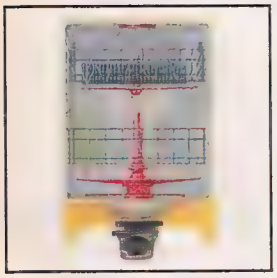
Kenmore Ultra Wash II® America's best

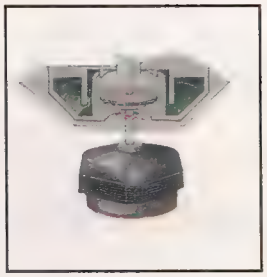
Quietest

SEARS BEST 5-CYCLE DISHWASHER WITH QUIET PACK PLUS MAKES THIS DISHWASHER CONVERSATION-QUIET

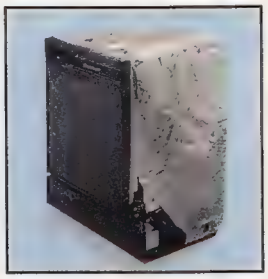
Low as $599.99
$13/$14 Monthly**



Ultra-Wash Ultra-Clean! Tests prove that it is America's best dishwashing system. Its 3-level wash provides the cleanest wash possible.

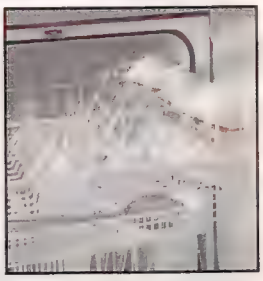


Soil separator and food grinder disposes of food left on dishes. Heavy duty food grinder grinds food residue removed from the circulating water.



Ultra Wash - Ultra Quiet! Sound barrier insulation of fiberglass on the top and sides. Some models have Quiet Pack insulation that extends to floor.

Extra capacity means wider racks, jumbo silverware basket, adjustable upper racks, fold-down tines and front utensil basket give extra loading versatility.



Wash all your drink-ware using convenient cup shelves. They can hold glassware in place and shelves create extra capacity by holding two levels of cups.

C

ULTRA WASH NOTE: The ULTRA WASH system was found to clean better when we compared the performance of a Sears ULTRA WASH model to the top-of-the-line models from manufacturers with significant market shares. Models tested were GE GSD2800G, Whirlpool DU0700XR, KitchenAid KUDS21SSO, Maytag WU1000, Waste King SS989 and Frigidaire DW5500D. Tests were completed in the cycle designated "normal" by the manufacturer.

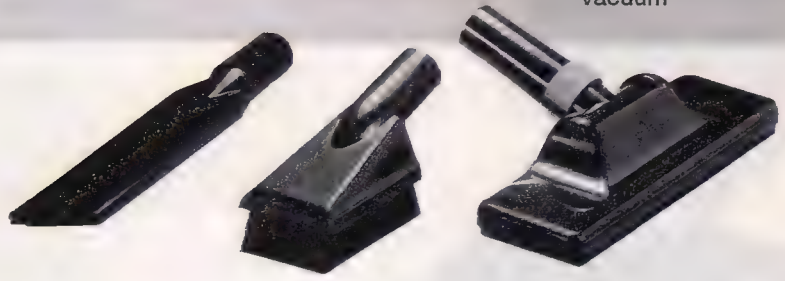
Kenmore Destiny vacuum cleaner

LOOK AT THE FEATURES THAT MAKE DESTINY THE MOST REMARKABLE ADVANCEMENT IN HOUSEHOLD CLEANING IN YEARS!



HIGH PERFORMANCE! Driven by a 9 amp motor, two cyclone cleaning force helps Destiny maintain 100% air flow for constant suction power!

SUPERIOR AIR FILTRATION! If you are an allergy sufferer from dust, pollen, dust mites, you'll want to try Destiny. Destiny filters at sub-micron levels...PLUS, there are no dust bags to buy!

EASY CLEANING! Like magic, the handle stretches into a cleaning wand with 10 feet of reach, making above-floor cleaning a snap! Includes 3 'on-board' attachments

Only $13 Monthly on SearsCharge Plus, (see page 1144). Destiny provides the cleaning force of two cyclones! Dual cyclonic action provided by the 9-amp, 2-stage motor separates dirt from the air stream while providing 100% suction power at all times. You get heavy-duty canister power in an upright vac, with 3-position height adjustment. Destiny is ideal for allergy sufferers. While it cleans, very small, sub-micron particles such as atmospheric dust, pollen spores and dust mites are filtered. Best of all, there are no dust bags to buy...Destiny eliminates the need, inconvenience and expense of changing bags. Quick-release bin empties dirt. Has twin headlight, positive edge cleaning, 25-ft. power cord and quick-release cord wrap.

Bare floor cleaning is made easy with the cleaning wand and floor nozzle accessory. The wand is attached to a stretch, steel reinforced crush-proof hose (order hose extension below). Floor nozzle has an air flow adj. dial. Crevice tool and dusting/upholstery brush for furniture and above-floor cleaning. Warranted by manufacturer. Write for free copy, p. 1139.
20 R 31999—Wt. 26 lbs **$399.99**

Hose extension adds 7-ft. of reach to wand, enough to vacuum 13-14 stairs without moving vacuum. Price does not include shipping to store.
20 R 82999—Wt. 1.0 lb **$24.99**

Dust bags for (A) above.

20 R 50671—Wt. 0.06 lbs ..... Pack of 12 **$8.99**

PROformance UPRIGHT VACUUM CLEANERS

Vacs (B) thru (D) feature: heavy-duty dual motor design that allows for one motor to maximize suction power while second motor maximizes double brush/double beater bar agitation; triple air filtration system that utilizes micron filter to trap dirt and airborne dust particles that cause allergies. In addition, two other filters are positioned to trap any fine particles before the air enters the fan and motor system; attachments that mount 'on-board' the vacuum cleaner for convenience, providing excellent above-floor cleaning of furniture, walls, ceilings and drapes. Attachment hose swivels 360° and stretches to more than four times its stored length, providing 10 feet of reach with attachments. In addition to hose and wands, vacs include a dusting brush, fabric brush and crevice tool. Other features include automatic plus high, medium and low carpet height adjustments; extra-wide 14-inch cleaning path; dual-active brush edge cleaning that lets you clean next to baseboards and in corners; a top fill disposable dust bag; up-front headlight; 3-position handle release; soft, rubber bumper around base to protect against furniture; extra dust bag and belt. Warranted.**

9.0 AMP VACUUM CLEANER WITH BARE FLOOR SETTING

B. Only $10 Monthly,* this upright has all the features listed above plus bare floor setting for cleaning bare floors. Two power levels and fingertip power switch on handle. Performance indicator tells when to change dust bag. Belt protection system shuts off motor automatically if something becomes jammed in the agitator while vacuuming, saving the belt from breaking and the motor from overheating. Deluxe handle grip. Noise reduction system. 32-foot power cord.

20 R 32590—Wt. 20 lbs **$249.99**

9.0 AMP VACUUM CLEANER

C. Only $10 Monthly,* this upright is the same as (B) above except without bare floor cleaning capability and performance indicator.

20 R 32690—Wt. 20 lbs **$219.99**

8.0 AMP VACUUM CLEANER

D. Only $10 Monthly,* this upright has the same features as (B) above except has one power level, power switch on body and 24-foot power cord. Does not have belt protection system or bare floor cleaning.

20 R 32380—Wt. 20 lbs **$199.99**

Only $11 Monthly,* this 9.0 amp self-propelled upright (not shown) allows the user to control the upright with ease. The unit is responsive to a slight push forward or backward, shifting direction smoothly and without jerks. Has all the features found in (D) above.

20 R 32490—Wt. 21 lbs **$259.99**

Micron filtration vac bags for (B), (C), (D) and (20 R 32490) above. Double ply, electrostatically charged liner captures particles down to .01 micron in size.

20 R 50688—Wt. 0.06 lbs **$8.99**

*See page 1144 for credit details.

Cleans above-floor with attachments

Handy storage caddy holds 9-foot hose and attachments

DryTech machine (B) dispenses and brushes Capture® (C) deep into carpet. Cyclonic vacuuming system sucks up the dirt, absorbing Capture. (Capture will not work well on frequently wet-washed carpets). Spot clean weekly, clean entrances monthly, traffic areas every 6 months and clean your entire carpet every 18 months

B. $10 Monthly,* Dry-Tech and Capture®, sold below, make up an easy-to-use, advanced carpet cleaning system. There's no sticky detergent residue that accelerates resoiling, no carpet rusting from metal glides, no wick back (dirt that rises to the top of your carpet as it dries) and you won't have to wait for your carpet to dry. Lightweight (about 14 lbs.), compact and easy-to-use with fingertip control. Dirt is conveniently gathered in a 3-qt. collecting bin. Holds 1½-lbs. of capture to clean up to 150 sq. ft. of carpet. 3 carpet ht. settings, 22-ft. cord wrap. High-impact plastic housing. Not for use as a vacuum cleaner. Wt. 21 lbs. Warranted.**
20 R 87784—Thru 5/31/93 ..... **$189.99†**
After 5/31/93 ..... 229.99†

C. Capture® is approved and recommended by leading fiber manufacturers for use on carpets made of stain-resistant fibers and finishes. Works like millions of 'micro sponges' to absorb dirt, grease and oil. 4-lb. pail cleans approximately three 9x12-foot carpets (up to 320 square feet).
20 R 82441—Wt. 4.19 lbs **$18.99**

D. 24-ounce bottle of Capture Soil Release PreMist helps loosen soil and spots from spills.
20 R 82641—Wt. 1.75 lbs **$6.99**

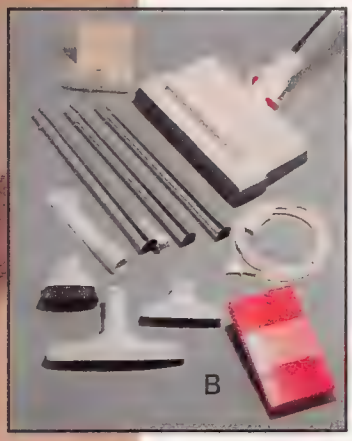
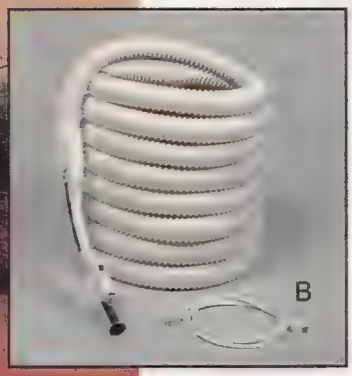
Kenmore built-in vacuum system provides more power





BUILT-IN SYSTEM CAN BE EASILY INSTALLED IN YOUR HOME! PROVIDES THESE BUILT-IN BENEFITS:

MORE POWER! Cyclonic filtering action of the power unit provides constant suction stronger than other vacuums

CONVENIENCE! You can clean practically any surface in your home without lugging a heavy vac or changing vac bags. Dust goes into the central canister located in the basement or garage. Empty canister 2 to 4 times a year under normal use

QUIET! Because the power unit is mounted in the central canister, you can even clean while the children sleep

PRE-PACKAGED 'BUILT-IN SYSTEM' ENSEMBLES

Order complete ensembles from facing page...each ensemble contains these components:

A. Central canister has full bushel dust capacity. Features 200 air power., 3-stage fan, 135-inch waterlift*** bypass motor. 2.8-hp (peak output). Filtering action separates dirt from air flow and forces dirt to the bottom of the canister to keep suction power constant. Unit exhausts outside your home. Built-in low voltage switch system lets you start the unit from any wall valve. Includes exhaust muffler. Measures 14 1/4-inch diameter x 35 inches high.

B. Powerhead kits: Each kit includes one of our Power-Mates with beater bars to dig deep into carpet fibers to groom carpets as they clean. Electric overload protection helps prevent motor or belt burnout. Includes electrified flexible hose with built-in wiring. 6-foot cord and switch on handle to turn powerhead on and off. Also includes bare floor tool; a dusting brush, crevice and upholstery tools for above-floor cleaning; two steel wands; plastic tool caddy and hose hanger bracket, and VHS 'How to' video.

C. Basic three-wall valve kit has all the necessary components to install three-wall valves. Kit includes three regular wall valves, nine 90° mounting elbows, three 90° mounting elbows, six 45° elbows, two branch fittings, eight slip couplings, two pieces of 9-inch flexible tubing, twelve pieces of 6-ft. rigid tubing plus tape and adhesive. Some installations may require fewer or more components depending on home size or design. Extra components sold on facing page. To determine how many valves you need, keep in mind that one wall valve services 750 square feet per floor. The Kenmore system has a 36-foot cleaning range, so use a string 36-feet long to reach the farthest corner of the room.

FIND OUT MORE ABOUT OUR KENMORE BUILT-IN VACUUM SYSTEM

Order our FREE booklet 'Consider Kenmore Built-in Vacuum Cleaning System' for additional planning and installation information. State catalog number: 39 R 7380.

Built-in vac systems are shipped by UPS

BUILT-IN VACUUM SYSTEM NOTE: Power unit is for dry pick-up only. UL listed 110-120-volt, 60-Hz. AC. 3-foot cord. With adequate room for intake and exhaust lines, power unit will install almost anywhere within 3-feet of an electrical outlet. For quietest operation, install next to solid wall. Because of the variance in local electrical codes, no wiring supplies are included. When planning, remember to include low-voltage wire.

*See page 1144 for credit details. **Warranted by Sears or manufacturer. Write for free copy, see page 1139. ***Waterlift is standard industry measure of suction power.

Components

SEPARATE INSTALLATION COMPONENTS

Installation kits are designed to have all the necessary components to install the number of valves in each kit. Some installations may require fewer or more components depending on home size and design. Extra components are sold below.

One-wall valve kit includes one wall valve assembly, one 90° mounting elbow, four 90° elbows, two 45° elbows, one branch fitting, two slip couplings, three lengths of 6-foot rigid tubing.
20 R 44013—Wt. 6 lbs **$34.99**

Two-wall valve kit includes two wall valve assemblies, two 90° mounting elbows, six 90° elbows, four 45° elbows, two branch fittings, five slip couplings, two pieces of 9-inch flexible tubing, nine pieces of 6-foot rigid tubing plus tape and adhesive.
20 R 44023k—Wt. 17 lbs **$79.99**

Three-wall valve kit has the valves, tubing, etc., needed for installing a built-in system in most smaller-sized homes. Three wall-valve assemblies, three 90° mounting elbows, nine 90° elbows, six 45° elbows, two branch fittings, eight slip couplings, two pieces of 9-inch flexible tubing, twelve pieces of 6-foot rigid tubing, tape and adhesive.
20 R 44033k—Wt. 22 lbs **$110.99**

90° flexible elbow for when vac line must turn 90° between wall studding and couple with wall valve assembly.
20 R 43331—Wt. 0.19 lb **$1.99**

Rigid vinyl branch fitting connects branch vacuum line to wall valve and main vacuum line.
20 R 43041—Wt. 0.19 lb **$2.99**

Rigid vinyl elbows for needed turns in vac line.
20 R 43341—45° elbow. Wt. 0.19 lb **$1.99**
20 R 43321—90° elbow. Wt. 0.19 lb **1.99**

Rigid vinyl slip coupling connects two sections of rigid tubing. Vac lines longer than 6-feet need at least one slip coupling. Not for use with flexible tubing.
20 R 43021—Wt. 0.13 lb **$1.99**

Wall valve assembly includes ring seal, wall plate mounting bracket and low-voltage switch.
20 R 42011—Wt. 0.69 lb **$7.99**

Rigid vinyl tubing comes in 6-foot lengths. Order rigid vinyl slip coupling (20 R 43021) to connect two lengths of tubing.
20 R 43032—Wt. 1.44 lbs **$5.99**

Tubing adapter connects 1 3/4-inch diameter tubing to 2-inch diameter. (Sears tubing is now 2-inches in diameter; former tubing was 1 3/4-inches in diameter).
20 R 4330—Wt. 0.19 lb **$2.99**

Utility valve outlet for garage, basement, workshop without drywall. Wall valve not required.
20 R 44010—Wt. 0.69 lbs **$8.99**

Switch and cord assembly lets you convert standard non-electrified hose (G) above, left, for use with Power-Mate units (D thru F).
20 R 44881—Wt. 1.38 lbs **$29.99**

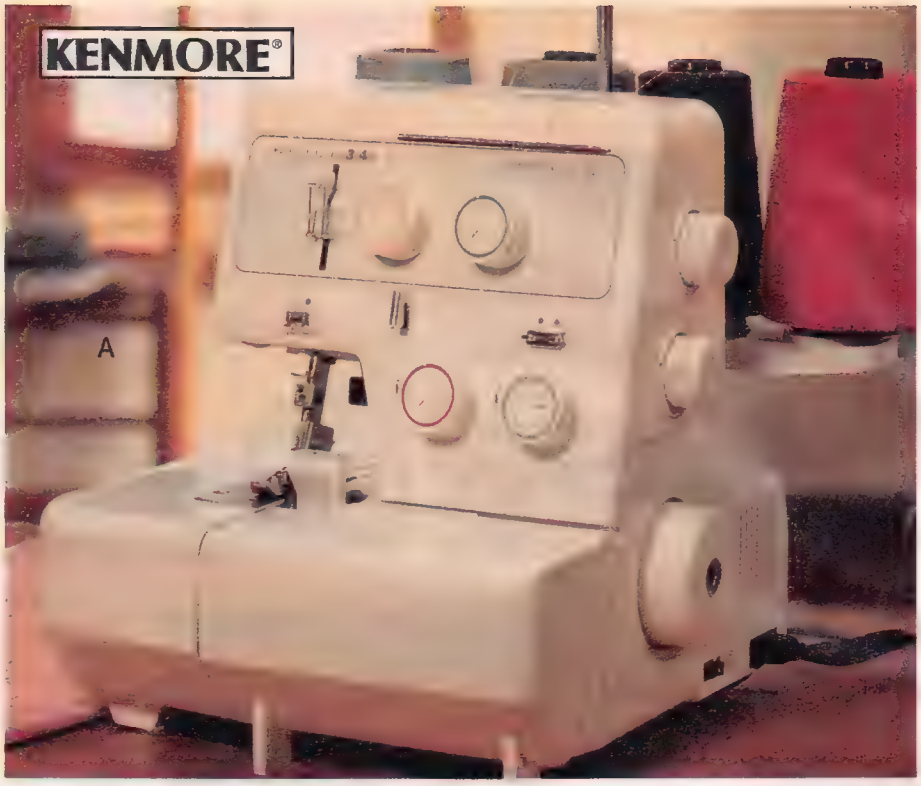
IMPORTANT NOTE: Refer to your owner's manual and repair parts list and order any repair or replacement parts from your nearby Service Center. All components in this catalog are engineered to fit 2-inch O.D. rigid vinyl tubing. Prior to 1987, tubing size was 1 3/4-inch O.D. Adapter sold above.

Kenmore
sewing machines and cabinets

OVERLOCK WITH DIFFERENTIAL FEED

$499.99

$15 Monthly on SearsCharge Plus*



A

A. Kenmore overlock machine can stitch, trim and overcast in one step; makes sewing knits and woven fabrics easier. Great for sewing stretch fabrics and lingerie. At 1300 stitches per minute, it has 500 stitches more than a conventional machine. Overlock applications include: overedging (3 thread), overlocking (4 thread), attaching elastic, lace application, decorative edge, flatlock stitch, narrow hem, rolled hem, picot edge, blind hem and attaching ribbing pintucks. Factory pre-threaded with color-coded threads. The differential feed automatically eases in fullness or compresses fabric for an even, flat seam without having to manipulate fabric. Color-coded threading path and thread tension adjuster. Snap-on presser foot, knife disengagement, conventional handwheel rotation, telescoping thread guide bar, on-off power switch, built-in sewing light, carry handle. Warranted.**

20 R 16641—Wt. 20 lbs **$499.99**

B

28 BUILT-IN STITCHES

$329.99

22 BUILT-IN STITCHES

$299.99

C

B and C. Kenmore sewing machines have a metal base and removable extension base for free-arm. Reverse sewing button. Low-bar presser foot, center needle bar. Color coded adjustable stitch length. Adjustable stitch width up to 5.0 mm. Vertical bobbin. Carbonpile foot control, built-in buttonholer. Automatic clutch. Warranted.**

B. $12 Monthly,* 28-stitch model has drop-in bobbin with pop-up cover plate, snap-on pressure foot, stitch info. display. 10 utility stitches: straight, zig-zag, mending, blind hem, shell, box, 2-pt. box, overedge, fagoting, 2-pt. shell. 12 stretch stitches: straight, rick-rack, smocking, overcasting, serging, elastic, patching, herringbone, fagot, double overlock, trimotion, lace stitch. 6 decorative stitches: arrowhead, pyramid, diamond, crescent, domino, wall of troy.

20 R 17928—Wt. 21 lbs **$329.99**

C. Only $11 Monthly,* 22-stitch model. 7 utility stitches: straight, zigzag, mending, blind hem, shell, box, fagoting. 7 stretch stitches: straight, rick-rack, smocking, overcast, serging, elastic, herringbone. 4 decorative stitches: domino, pyramid, ribbon, crescent.

20 R 17622—Wt. 19 lbs **$299.99**

Only $10 Monthly,* 14-stitch model (not shown) has same 7 utility stitches as 7-stitch model (below) plus 7 stretch stitches: straight, rick-rack, smocking, overcast (w), overcast (n), serging and elastic.

20 R 12714—Wt. 19 lbs **$229.99**

Only $10 Monthly,* 7-stitch model (not shown) has 7 utility stitches: straight zigzag, mending, blind hem (w), blind hem (n) and shell box.

20 R 11607—Wt. 19 lbs **$199.99**

D and E. Kenmore free-arm sewing cabinets have an oak woodgrain finish (durable laminate over sturdy particleboard). 3-position mechanism adjusts platform for freearm, flatbed and storage. Flat snag-proof hinges. Cam-lock fasteners for easy and secure assembly. Casters for moving (two are lockable for stability). Requires bolts for use with Singer sewing machines, order on facing page. Assembly required.

D. Only $13 Monthly,* sewing center is designed for a conventional sew head and with a pull-out shelf for an Overlock. Drawer measures 10 5/8Wx16 1/2Dx4-H inches. Center open measures 72Wx20Dx29 1/2H-inches (when seated facing sewing head). Closed measures 32Wx20Dx30 1/2H-inches.

20 R 98181N—Wt. 145 lbs **$359.99**

E. Only $10 monthly,* sewing desk has tilt-out front panel for accessory storage. Two drawers plus large storage area. Open measures 63 1/4Wx20Dx31 3/8-inches. Closed measures 32Wx20Dx31 3/8H-inches.

26 R 49888N—Almond. Wt. 275 lbs **669.99**

Top panel for washer (shown in inset) gives a finished look. Lets you use washer without stacking dryer on top or placing under a counter.
26 R 48881N—White. Wt. 12 lbs **$39.99**
26 R 48888N—Almond. Wt. 12 lbs **39.99**

♦Based on the U.S. Department of Energy Standard of 416 loads per year (this info is used to calculate Energy Consumption on Energy Guide labels). Water usage for conventional washers is 42.5 gallons for full-sized load (1988 AHAM water consumption standard). Kenmore front-load washer water usage is 28 gallons for full-sized load. Savings on detergent and bleach is based on detergent cost of 17 cents/cup (national average cost for Tide brand, 1/89); bleach cost of 6.25 cents/cup (national average cost for Clorox brand, 1/89).

$12 Monthly*

3-TEMPERATURE, 6-CYCLE LARGE CAPACITY KENMORE DRYER WITH AUTOMATIC FABRIC MASTER™ (AUTO DRY I)

$289.99

Electric, $11 Monthly*

A. Large capacity 2.45 cubic foot Kenmore washer features three wash temperatures, lets you choose the temperature that's right for your clothing...all with cold rinse. Eight cycles include Heavy duty: super, regular, short; Permanent press: regular, delicate; Normal: regular, delicate, knit. Straight vane agitator provides effective washing action. Brown console. Chip-resistant, rust-resistant polyester top and lid finish. 41½Hx24Wx25½D inches. See Note on facing page. See Washer Energy Information and Installation Notes below.

26 R 12501N—White. Wt. 157 lbs **$349.99**

SEARS WASHER ENERGY INFORMATION NOTE: Washers rated as compact (tub capacity less than 13 gallons) or standard (tub capacity 13 or more gallons). All brand washers rated as compact range from $50 to $95 using electric water heater, $21 to $37 using gas. All brand washers rated as standard range from $22 to $150 using electric water heater, $10 to $55 using gas. For additional energy information, see page 1139.

WASHER INSTALLATION NOTE (not for portables): Requires threaded hot and cold water faucets; wall electric plug within 5 feet of machine; automatic water heater (if gas, 30-gallon; if electric, 50-gallon regular service or 80-gallon off-peak service). Requires 2-inch standard pipe drain.

B. Large capacity Kenmore dryer with 5.9 cubic foot drum features our exclusive Automatic Fabric Master™ (Auto Dry I) which senses moisture left in fabrics; then automatically shuts unit off at dryness you choose. Six cycles include automatic and timed normal/permanent press and knit/delicate, non-auto timed and air dry without heat. Brown console and right hinged door. 43Hx29Wx25¾D inches. See Sears Dryer Installation Note below and Note on facing page.

Electric. $11 Monthly.* Wt. 132 lbs.

26 R 62501N—White **$289.99**

Natural gas. $12 Monthly.* Wt. 131 lbs.

26 R 72501N—White **$329.99**

DRYER INSTALLATION NOTE (not for portables): Requires gas or electric connectors, sold separately on page 1131. Gas dryers can be adapted to LP gas, local licensed LP installation required. Electric models need 30-amp, 3-wire cord and 240-volt power source. If code permits, use flexible electrical cord and gas connector. Natural gas dryers approved for use in mobile homes. All 29-in. wide dryers require exhausting; metal vent kit sold on page 1131.

Extra capacity
washers and dryers

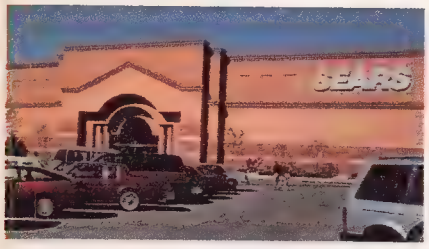
FOR YOUR INFO...
SHIPPING AND MORE

NEW! "RIGHT TO YOU℠" DELIVERY SERVICE

Our convenient new delivery service means your mailable orders will be delivered "Right to You" at no extra charge over store pickup rates! Delivery is made by UPS or the U.S. Postal Service. Most orders are shipped within 24 hours...you'll receive your order 2 to 4 days later, without a trip to the store!

If you are served by a Sears Department Store...



We'll automatically deliver mailable orders to your home, workplace or anywhere you designate...even a neighbor's house. **Non-mailable merchandise (items too heavy or bulky for UPS/USPS to deliver) can still be picked up at the store or sent to your home.** (See "Non-Mailable Items" at right.)

If you are served by a Sears Catalog Store...

You can still pick up your merchandise at the store. Sears Delivery Charges (shown in the chart above right) will apply whether your mailable order is picked up or delivered 'Right to You'.

SEARS "RIGHT TO YOU℠" DELIVERY SERVICE RATES

Sears delivers mailable orders to your home or workplace for no more than store pickup charges! (Some small appliances like vacuum cleaners, microwaves and TV's require an additional home delivery charge.) Only credit orders are accepted by phone. Cash orders (check or money order) are only accepted by mail. If yours is a cash order, please include delivery charges and tax based on destination.

FEDERAL EXPRESS®

NEED IT FAST? CHOOSE DIRECT DELIVERY VIA FEDEX® DELIVERY SERVICE

We'll prepare your mailable order so you'll receive it at your home or workplace within 2 business days--**guaranteed by Sears**--or we'll refund all shipping and handling charges.

Fedex® delivery is not available through Sears to Alaska, Hawaii, international destinations, APO/FPO or PO boxes. Guarantee does not apply to out of stock items or mail-in orders.

ABOUT SHIPPING

Prices do not include shipping charges unless stated otherwise. Charges are based on the weight of the item and the method of shipping. Actual weights may vary due to changes in packaging, etc. You will always be charged based on actual shipping weight.

Prepaid shipping charge statements and shipping rates on this page may not apply to Alaska, Hawaii and Puerto Rico.

NON-MAILABLE ITEMS

Applies to items with a "N", "NH" or "K" suffix...generally, items too heavy or bulky for UPS or U.S. Postal Service to deliver.

"K" suffix—Unmailable to Alaska, Hawaii and Puerto Rico.

"N"/"NH" suffix—This merchandise, if shipped to your home, must be sent by motor carrier.

Delivery charges and service vary by area. Call 1-800-366-3000 for charges and information on local delivery service. **It may be more economical and convenient to have these items sent to your local Sears store for pickup.**

PAYING FOR YOUR ORDER

Sears Department Stores will no longer accept C.O.D's. All orders must be prepaid at the time of ordering. Please use SearsCharge, Discover Card, MasterCard or VISA for phone orders. Cash orders (check or money order) accepted only with mail orders.

Credit orders sent via "Right to You℠" Delivery Service will be billed to your account when we ship your merchandise rather than several days later. This is a standard practice used by most catalogs.

Non-mailable merchandise shipped to a Sears Department Store for pickup, purchased using a credit account, will be charged to your account 15 days after your order is shipped.

RETURNING MERCHANDISE

Returns are never a problem! If you are dissatisfied with your purchase, **return it to any Sears store.**

If you prefer, you can use our new mail-in return service. Simply mail your return in the original packaging using the pre-addressed return label provided for you. In either case, we'll refund your purchase price or make an exchange, whichever you indicate.

DELIVERY TO U.S. MILITARY PERSONNEL

We can send merchandise around the world to military personnel with APO-FPO addresses. No sales and use tax is charged. Just call our specially trained consultants 24 HOURS A DAY, 7 DAYS A WEEK!

ENERGY COSTS

Free, additional energy cost information is available for dishwashers, refrigerators, freezers, washers, water heaters, room air conditioners and central furnaces. Write to: National Catalog Customer Relations, Energy Cost Information, Department 702CCR, Sears, Roebuck and Co., P. O. Box 3127, Naperville, IL 60566-7127. Tell us you need energy costs and give the catalog number of the item in question.

Your energy costs may vary from those given in this catalog depending on your local rates and how you use the product. Information on the energy label may differ from that in this catalog due to revisions in the energy costs provided by the government after the catalog was printed.

Some appliances may qualify for a rebate from your local power company based on their energy efficiency. Check with your local electric utility.

DISTANT STORE SHIPPING RATES

Due to transportation costs, we must add a $10 shipping surcharge to major appliances being sent to the Sears stores listed below. Home delivery is available at an additional charge—Call your local Sears store or 1-800-366-3000 for rates. The surcharge does not apply to items weighing less than 70 lbs.

STATE	STORES
Idaho	All
Minnesota	Appleton, Benson, Canby, Granite Falls, Jackson, Luverne, Madison, Marshall, Montevideo, Morris, Olivia, Ortonville, Pipestone, Redwood Falls, Slayton, Tracy, Wheaton, Willmar, Windom, Worthington
Montana	All

New Mexico	Alamogordo, Clovis, Deming, Espanola, Farmington, Gallup, Las Vegas, Las Cruces, Los Alamos, Lordsburg, Portales, Raton, Ruidoso, Santa Fe, Santa Rosa, Silver City Socorro, Taos, Truth or Consequences, Tucumcari
S. Dakota	All
Utah	Blanding, Moab, Monticello, Price
Wyoming	All

Items shipped to Alaska, Hawaii and Puerto Rico have higher rates not included in the price of the merchandise. Call 1-800-366-3000 for details.

SHIP-A-GIFT

A terrific way to send gifts to out-of-town friends and relatives! Call toll-free 1-800-366-3000 and tell us who the gift is for (including their area code and phone number) and where you want the gift sent...to their home, office or nearest Sears Catalog Store. We'll even deliver to foreign countries (call 1-800-659-7066) and military personnel with APO/FPO addresses (see above, left). Please allow extra time.

Ship-a-Gift orders are not sent gift-wrapped. Taxes based on destination. Delivery charges based on closest point to recipient's address.

OUT OF STOCK POLICY

If an item you order is out of stock, we'll notify you as soon as possible. If we don't think we can fill the order within 30 days, we'll ask if you still want the item when it becomes available. In some cases we may send a substitute of equal or greater value at the same price as your original order. If a substitute is not available and additional stock cannot be obtained, we will cancel your order and issue a refund. We reserve the right to limit quantities in order to properly serve all our customers.

WARRANTY INFORMATION

A warranty is included with every item covered by a specific written warranty. If you'd like a copy before you order, state the catalog number, page number and a description of the item. Mail requests to:

National Catalog Customer Relations
Warranty Information
Department 702CCR
Sears, Roebuck and Co.
P. O. Box 3127
Naperville, IL 60566-7127.

THE PERFECT GIFT... A SEARS GIFT CERTIFICATE

Ideal when you don't know what to give! Just call Toll-free 1-800-366-3000, 24 hours a day, 7 days a week. Tell us the amount ($5, $10, $20, $25, $50 or $100) and the name and address you wish them sent to. Or we can send the certificates directly to you. State one of these catalog numbers:

Order from chart below

Certificate Value	Sent to you	Sent to recipient
$5	12 XC 74005	12 XC 75005
$10	12 XC 74010	12 XC 75010
$20	12 XC 74020	12 XC 75020
$25	12 XC 74025	12 XC 75025
$50	12 XC 74050	12 XC 75050
$100	12 XC 74099	12 XC 75099

For details on Sears Gift Certificates for bonus or incentive awards for your employees, call 1-800-626-9304. You may also write: Sears Incentive Sales, Suite 120, 650 E. Devon Ave., Itasca, IL 60143 or FAX (708) 285-8400.

SATISFACTION GUARANTEED OR YOUR MONEY BACK

The Sears way of doing business for over a hundred years! You must be satisfied with performance, quality of workmanship, fit, styling—even color.

Whatever you buy, you have the right to use the product for a reasonable amount of time before you determine it is satisfactory and decide to keep it. If you decide it is not satisfactory, return it to us. (See page 1138 for details on how to return merchandise.) We will do whatever is necessary to correct the cause of your dissatisfaction. If we can't satisfactorily provide a remedy, we will refund your purchase price.

OUR PLEDGE OF FAIRNESS

If after you have decided to keep your purchase, it doesn't give you the service or performance you reasonably expect of it and there isn't a specific written warranty on the item that will satisfactorily correct the problem, please let us know. We want to make an adjustment that you will consider fair.

Merchandise advertised in any Sears Catalog is for consumer use only, and is not intended for commercial use except where it is specifically advertised for that use.

SHOP VIA YOUR HOME COMPUTER

If you subscribe to one of the following interactive computer services, you can shop from this or any current Sears catalog with just a few keystrokes:

On Prodigy:[JUMP]℠ SEARS

Within the GEnie Mall: type SEARS

On CompuServe: type GO SEARS

PRODIGY is a registered service mark and trademark of Prodigy Services Company.
℠General Electric Information Services
®CompuServe Incorporated, an H&R Block Company

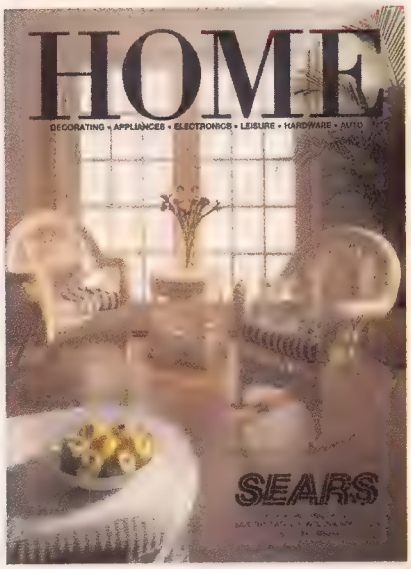
Chicago, IL 60680-4203



SAVE THIS CATALOG UNTIL JANUARY 31, 1994

Availability of merchandise in this catalog may change after January 31, 1994. We will fill your order as long as merchandise is available.

Some items will be relisted in our 1993 Fall/Winter Catalog. Orders for those items will be filled at the prices in that catalog beginning July 15, 1993.

Although we intend to maintain prices in this catalog until our 1993 Fall/Winter Catalog is issued, circumstances beyond our control may make it necessary for us to increase or decrease prices or taxes. Sears retail 'competitors advertised price pledge' does not apply to catalog.

WE'D LIKE TO HEAR FROM YOU

Something on your mind? A question, problem or concern regarding your order? Please let us know! Your opinions are important and help us stay in touch with your needs. Write to:

Covers shown are for display purposes only. Actual covers may vary.

SEARS GIVES YOU
BUYING POWER

APPLY FOR A SEARSCHARGE WHEN YOU PLACE YOUR ORDER... CALL TOLL-FREE
1-800-366-3000

Simply tell the consultant you'd like to apply for a SearsCharge with your order. Our Rapid Credit service means your order can be processed at once while your application is reviewed.

OTHER WAYS TO APPLY

Apply in person at most Sears catalog and retail stores. With our Rapid Credit service, just show your major bank card (Discover® Card, MasterCard, American Express® or Visa®) and valid I.D. when you make your in-store purchase. There are no long forms to fill out and you'll have our decision in minutes! Credit processing is on-the-spot.

Apply by mail using the handy credit application on the facing page. If approved, your credit card(s) will be sent to you along with two copies of the complete Credit Agreement applicable to your state of residence—one copy for you to read, sign and return to Sears and one copy for you to keep.

MONTHLY PAYMENTS

On SearsCharge or SearsCharge PLUS accounts, the addition of a specific purchase may or may not change your current monthly payment depending upon the current balance of your SearsCharge account or the highest balance of your SearsCharge PLUS account. Quoted minimum monthly payments apply to merchandise prices only.

BUY NOW, PAY LATER!

With our Deferred Credit Plan Options on SearsCharge and SearsCharge PLUS accounts, you can defer making payments for 3 to 6 months* on appliances, electronics, furniture, carpeting, lawn and garden equipment, tires and other major purchases. Sears Deferred Credit Plan Options help boost your buying power. Buy the things you need NOW—with no money down—and make no payments for 3 to 6 months*!

If you currently have a SearsCharge or SearsCharge PLUS account, you can take advantage of our Deferred Credit Plan Options. Just tell us when you order, 'I'd like to Buy Now, Pay Later!'

DEFERRED PAYMENT SCHEDULE FOR CATALOG PURCHASES ONLY

Month of Purchase	Payments Due
Jan./Feb./Mar./Apr.	July
May/June/July/Aug.	November
Sept./Oct./Nov./Dec.	March

*The length of deferral period depends on the month of purchase. There will be a finance charge for the deferral period. See reverse side of credit application for important credit terms.

SEARSCHARGE SCHEDULE OF MINIMUM MONTHLY PAYMENTS

The required minimum monthly payment is based on the Current New Balance on the account*.

If Current Account Balance Reaches	Monthly Payment Will Be	If Current Account Balance Reaches	Monthly Payment Will Be
$ .01 to $10.00	Balance	$900.01 to $936	$26.00
10.01 to 250	$10.00	936.01 to 972	27.00
250.01 to 300	11.00	972.01 to 1008	28.00
300.01 to 350	12.00	1008.01 to 1044	29.00
350.01 to 410	13.00	1044.01 to 1080	30.00
410.01 to 470	14.00	1080.01 to 1116	31.00
470.01 to 540	15.00	1116.01 to 1152	32.00
540.01 to 576	16.00	1152.01 to 1188	33.00
576.01 to 612	17.00	1188.01 to 1224	34.00
612.01 to 648	18.00	1224.01 to 1260	35.00
648.01 to 684	19.00	1260.01 to 1296	36.00
684.01 to 720	20.00	1296.01 to 1332	37.00

FOR HOME IMPROVEMENTS

SearsCharge Home Improvement Plan can help put the home of your dreams within reach. Whether your fix-it-up project is big or small, this is the right credit plan for making home improvement purchases. Ask for details.

SEARS Charge
BONU$ CLUB®

THE MORE YOU BUY THE BIGGER THE BONUS!

The SearsCharge Bonus Club is a very special way to reward our valued customers. All SearsCharge account holders are automatically enrolled. We'll send you a Bonus Certificate worth a full 1% of your SearsCharge purchases every time your charges total $200 or more!** There are no sign-up forms or membership fees! Use your Bonus Certificates for savings on any Sears products or services in any of our stores, service centers or catalogs.†

HERE'S HOW IT WORKS

We'll keep track of all your SearsCharge purchases and send you a Bonus Certificate equal to 1% of your purchases every time they total $200 or more.** If you charge less than $200 in a month, we'll keep a running total until your charges reach $200 or more—then we'll send your Bonus Certificate with your next statement. For more details, ask your in-store salesperson or telecatalog consultant.

The SearsCharge Bonus Club is just one more reason that now, more than ever...

IT PAYS TO SHOP AT SEARS!

**Total purchase amount minus returns and adjustments.
†Bonus Certificates not accepted as payment on SearsCharge balance or purchase of gift certificates. Amount of purchase must equal or exceed face value of certificates. Certificates must be used within one year. Cash value of certificates equals 1/20 of a cent. Sears may alter the terms and conditions of the Bonus Club and reserves the right to cancel it with or without advance notice.

IMPORTANT SEARSCHARGE CREDIT TERMS

The information below includes the costs associated with a SearsCharge Account. It is accurate as of December 1992, but may change after that date. To find out what may have changed write to: Sears Telemarketing Center, 2269 Village Mall Dr., Mansfield, OH 44906. A copy of the entire SearsCharge agreement for you to keep, with all terms applicable to your state of residence, will be sent to you with the credit card(s). You need not accept the card and are not required to pay any fee or charge disclosed unless the card is used.

Annual Percentage Rate	The annual percentage rate is 21% unless you reside in a state shown below: Alabama . . . . . 21% to $750, 18% on excess Alaska . . . . . 18% to $1000, 8.5% on excess (See Variable Rate Information) Arkansas . . . . . 8.5% (See Variable Rate Information) California . . . . . 19.2% Connecticut . . . . . 18% Florida . . . . . 18% Hawaii . . . . . 18% Iowa . . . . . 19.8% Kansas . . . . . 21% to $1000, 14.4% on excess Maine . . . . . 18% Massachusetts . . . . . 18% Minnesota . . . . . 18% Missouri . . . . . 20.04% Nebraska . . . . . 21% to $500, 18% on excess No. Carolina . . . . . 18% No. Dakota . . . . . 18% Pennsylvania . . . . . 18% Michigan, Puerto Rico . . . . . 20.4% Rhode Island . . . . . 18% Washington . . . . . 18% W. Virginia . . . . . 18% Wisconsin 18%
Variable Rate Information	(Arkansas Residents Only) Your Annual Percentage Rate may vary. The rate is determined by adding 5% per annum to the Federal Reserve Discount Rate on 90 day commercial paper in Arkansas. (Alaska Residents Only) Your Annual Percentage Rate may vary on balances in excess of $1,000. The rate is determined by adding 5% per annum to the rate charged member banks for advances by the 12th Federal Reserve District.
Grace Period To Repay Balance	You have 30 days from your billing date to repay your balance before being charged a finance charge.
Balance Calculation Method For Purchases	The Average Daily Balance method (including new transactions) is used in all states except ME, MA, MN, MT, NM, and ND where the Average Daily Balance method (excluding new transactions) is used.
Minimum Finance Charge	A minimum monthly finance charge of 50¢ applies in all states except AR, CT, HI, MD, NE, NC, ND, RI, VA, DC and PR.
Late Payment Fees	In the states of AL, AZ, AR, CA, FL, GA, IL, IN, KS, LA, MO, MS, MT, NC, NV, NY, OH, OK, OR, TX, UT, VA, and WA, if I fail to make any required minimum monthly payment within 10 days (30 days in NC) after its due date, Sears may charge and I agree to pay a late payment charge. In AR, GA, MS, NC, NV, NY, OK, OR, UT and WA, it will be $5.00. In AL, AZ, CA, FL, IL, IN, KS, LA, MO, MT, OH, TX and VA, it will be 5% of the required minimum monthly payment or $5.00 ($3.00 in OH), whichever is less. In FL, no late charge will be imposed if it would be less than $1.00.
Annual Fees	None
Over-The-Credit-Limit Fees	None
Transaction Fees	None

Ohio residents only: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

New York residents only: A consumer report may be ordered in connection with this application, or subsequently in connection with the update, renewal or extension of credit. Upon your request, you will be informed whether or not a consumer credit report was ordered, and if it was, you will be given the name and address of the consumer reporting agency that furnished the report.

Wisconsin residents only: Wisconsin law provides that no agreement, court order or individual statement applying to marital property will affect a creditor's interests unless prior to the time credit is granted the creditor is furnished with a copy of the agreement, court order, or statement, or has actual knowledge of the adverse provision.

DECEMBER 1992

SearsCharge Credit Protection Plan Terms And Conditions

What is the SearsCharge Credit Protection Plan?
SearsCharge Credit Protection Plan is a voluntary credit insurance plan that pays your monthly minimum payment up to $500 if you become totally disabled or involuntarily unemployed. It pays your account balance if you or your spouse dies. The maximum benefits payable are $10,000 based on your account balance on the date of loss. Once your enrollment has been accepted and your certificates or policies have been issued, you'll have 30 days to examine the plan.

Who is eligible to enroll for coverage?
- SearsCharge Credit Protection is available to accountholders in good standing (as determined by Sears) under age 66 (age 65 in CA; 71 in AZ, MI, NV, OK, VA) who are gainfully employed and actively working 30 hours per week. (In OR employment is not a requirement for eligibility, however, unemployment benefits will not begin until you are gainfully employed and working for 30 hours a week).
- Involuntary unemployment and total disability coverages are available to the primary account holder only.
- Not currently available in NC, NH, NY, PA, PR.

For all coverages, benefits are based on account balance on date of loss. The maximum benefit is $10,000 ($500 per monthly payment) paid after a 30-day waiting period and applied back to the date of loss.

How much does this protection cost?
Your SearsCharge Account will automatically be billed a monthly premium per $100 of outstanding account balance. When you have no balance, SearsCharge Credit Protection costs you NOTHING.

AR, CO, DC, DE, GA, ID, IL, KY, LA, MS, MT, NM, OK, SC, TN, UT, WV, 70¢; IA, 69¢; CA, OH, RI, 65¢; AK, MD, MO, ND, OR (6.3¢ life; 18.7¢ disability; 35¢ IUI), SD, WI, 60¢; AL, VA, 57¢; KS, MI, WA, 55¢; FL, 50¢; NV, 48¢; ME, NE, 45¢; IN, NJ, WY, 35¢; MN 30¢; MA, 25¢; VT, 24¢; AZ, 23¢; TX (6.4¢ life; 15.6¢ disability) 22¢; CT, 20¢; HI, 17¢.

Information on Involuntary Unemployment
We'll pay your minimum monthly payment if you lose your job through no fault of your own. Termination for misconduct, seasonal layoffs, or voluntary resignation do not qualify for benefits.
- Unemployment coverage is not available in AZ, HI, IN, MA, MN, TX, VT and WY.
- DC, FL, IL, KS, OH, NM, TN, WI Residents: Unemployment coverage is not renewable after age 65.

Information on Total Disability
We'll pay your minimum monthly payment if you become totally disabled (can't work because of injury or illness). Benefits don't apply for disability due to childbirth, normal pregnancy, or self-inflicted injury.
- Disability coverage is not available in CT & NJ.
- AL, KS, KY, MD, MI, MS, OR, TX and UT Residents: Refer to certificate for pre-existing condition limitations.
- OR Residents: Childbirth is not excluded.

Information on Life Coverage
We'll pay your total account balance, if you or your spouse die while insured.
- Life coverage is not available in CT, KS & NJ.
- CA Residents: Life coverage is only available to the primary card holder.

When Does Coverage Terminate?
Coverage terminates on the last day of the monthly billing cycle when the first of the following occurs: your SearsCharge Account is either terminated or 90 days past due; if you or your spouse reaches age 66 (age 65 in CA, 71 in AZ, MI, NV, OK, VA); if you die; or if you request cancellation in writing.

This program is underwritten by Allstate Insurance Company and Allstate Life Insurance Company, Northbrook, IL.
Florida Agent: C. A. Dorsey-Fletcher MS Agent: Steve Denham
